**1. FREE COFFEE EVERY WEDNESDAY** at 8A Sponsored by Area 3. **NO DONUTS** will be served and **NO SHARE THE WEALTH** Drawings! BYO Breakfast! Announcements at 8:30A.

**2. Thanks to everyone who assisted with the July 4th Poker Run, lunch, and Cake Celebration!** We had a tremendous turnout and everyone enjoyed celebrating this special holiday!

Paul Griffin won first place in the Poker Run! We were extremely happy for him and we hope he realized he won before he passed away a few hours later. David Schafer won second place and Sandra Seelman won third place. A special thanks to Donna Gorneault, Jackie O'Dell, Bill and Brenda McVay, Cathy Loder, and Janice Evelyn for setting up their dealer tables on the extremely warm morning!

Jack Barrett provided special patriotic music while we enjoyed a great lunch of burgers, hotdogs and trimmings provided by the Social Club, and the side dishes everyone brought. This special day ended with the sweet Cake Celebration provided by the Women's Club.

**3. BAZAAR Pick-Ups** has resumed upon worker availability.

Please call Marsha Dixon, (931) 607-1493

**4. MONTHLY POTLUCK** -- Come one; Come all! Every second Monday at 6 p.m.

We will have an ITALIAN potluck. Let us see how many different dishes there are. Mark your calendar on August 13th, 6 o'clock, so you won't forget! Questions? Call

## Life Concerns

*Jackie O'Dell 727- 452-2739 & Carol Enns 727-210-3298*

**W**ith hearts filled with sadness, we say you will be missed, Paul Griffin #494. Paul passed away Thursday, July 5, 2018. Services will be in New Hampshire; a Celebration of Life at Doral may be held at a later date.

Ed Fremarek #218 passed away. No one knows when or any info. He fell on the sidewalk by his house about a month ago, a Doral resident passing by called 911.

Phil Hill # 595 is recovering very well at his home in Canada. He had surgery for colon cancer.

Cards mailed to his Doral home are welcome. They hope to be back in Doral soon.

Barbara Raue # 98 is out of the hospital and on the road to recovery at Palm Gardens. Cards are welcome at her Doral home.

Yolanda Spezio #553 is doing great after shoulder surgery, you might see her out and about on a golf cart, give her a wave .

Remember in your prayers our Doral friends who wish to be private.

Peace, Jackie O', and Carol, too

## Manager's Corner August 2018

Jeff Hahn, LCAM

---

- The continuation of replacing the electrical pedestals in the Park has started once again. This should take about 6-8 weeks (weather and other factors permitting) to complete this round of replacements. The number this year is quite a bit smaller than last year, with only 19 pedestals scheduled at this point. This project was to commence on Tuesday, July 10th and run through at least the end of August. Contact was made to those who already were affected by this and those affected in August will also be contacted. Expect a message on your phone regarding this at least a day or two prior to the work being done as no electricity will be provided during the change out.
- Just a reminder again not to ever push the red button at the spa...unless it is an emergency only. And an emergency does not apply to the jets not working or the temperature not where it should be, or turning off the spa when you are leaving it. (The spa will automatically turn off 15 minutes after it is turned on). It does apply to someone being sick in the hot tub or a fear of someone drowning, or any other serious matter that may develop. Besides the sign that indicates the use of the red button for emergencies only, Doral has boxed this button in with a plastic covering. If there is any non-emergency issue, please just notify the Park Office and we will address the problem.
- No exact date is being given for the gate installation, but any final obstacles SHOULD? Have been taken care of by the time you get this Monthly Media. A meeting with Pinellas County was to take place on Friday, July 6th to discuss this and another matter that needed to be rectified. We will try to keep you as updated as possible as to how this played out.
- Max is continuing to pressure wash the sidewalks and painting of the lines, street signs and speed bumps in the Park.

- Dale and Richard are still working on replacing the old water valves in Doral. Each home affected will be notified when this project will take place.
- Please keep in mind the following Rule, which is Article V, Section 1 of your governing Rules and Regulations: “Manufactured homes shall be attractively maintained and comply with all applicable laws, ordinances and regulations of state, county and Park as from time to time are amended. Each resident is responsible for the overall appearance of his or her Lot. The lot shall be kept clean, orderly, neat and free of litter”. As such, please make certain that even when you are away from your Doral home for any extended period of time, you are still responsible for making certain your home is being looked after and maintained to the standards as required by all the entities stated above.
- Well, August is upon us, which means only about another 6 months of summer (just kidding, actually only about 4 months). Stay well and enjoy the beautiful community you are in and all the amenities of Doral and those outside the Park. Take care!!

## GET TO KNOW YOUR NEIGHBOR

*Interviews by Julie Green # 564*

### STEVE OAKLEY # 401

Steve was elected to the Doral Board in 2017 and is an active member. You’ve probably seen him around supervising various projects. He was kept busy in September 2017 helping restore people’s homes and the park itself after Hurricane Irma.

His achievements to date (November 2017) have been the instigation of replacing the electrical pedestals within the park, upgrading the security cameras, and garden beautification of the front entrance, the swale at the back entrance and planting of trees around the water treatment plant.

But who is he?

Well, Steve was born in Columbus, Ohio, in 1943 to Joellen and Robert Oakley.

He was schooled there and at 18 years old, he joined the Navy. He trained in the Navy as an Electronics Technician.

He was on active duty for 11 years, leaving as a Chief Petty Officer. He spent time in North Africa and various duty stations on the East Coast of the USA.

He left active duty when he was 30 years old and spent the next 19 years in the reserves.

He joined General Telephone Company in Florida after leaving active duty and worked there for seven years before moving on to become Chief Electronic Technician for the Hillsborough County Aviation Authority at Tampa International Airport for the next 31 years.

The work he was involved in gave him skills, which uniquely prepared him to contribute to all aspects of the Doral Board. He has skills in the areas of maintenance, purchasing and supervising projects.

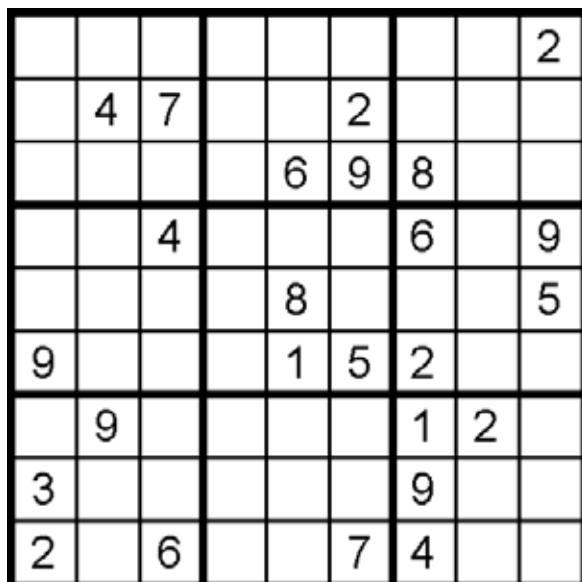

Steve married and had two sons who both live in Florida. He moved to Doral Village in 2003, and sadly, his wife passed away in 2013. His first wife passed away in 1999.

Steve now lives with his new love Vera Lane and loves spending time with his two (step) granddaughters.

He enjoys working in the park and contributing to our community.

He also enjoys taking road trips with Vera.

### ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

## The cost of dry cleaning around the world

**H**ave you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

## Discarded tech adds up

**C**hances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

## Keep your dog safe in hot weather

**D**ogs are often like members of the family, so you will want to treat them with care during hot weather. Here are a few tips to keep your four-legged friends happy and healthy:

- **Never leave your dog—or any animal—in the car during hot or even warm weather.** The interior temperature of your car can easily soar to 120 degrees in just minutes. The only way dogs can cool down is by panting and through the pads of their feet. Many animals die every year because their owners leave them in cars. Even if you leave the windows partially down, the temperatures can soar to dangerously high levels.

- **Don't let your dog ride in the bed of a pickup truck.** Serious eye injuries can occur from debris hitting their eyes at up to 70 miles per hour. The dog could also be thrown into oncoming traffic or could fall underneath the truck and be injured. Serious injury or death can also occur when a driver hits the brakes suddenly, swerves, or is hit by another vehicle.

- **Keep your dog away from fertilizers, plant foods, and insecticides.** They can be fatal if your pet ingests them. Don't let your pet walk or play on a treated lawn.

- **Make sure your pet always wears an ID tag.** Even if your dog has an embedded identification chip, you'll still want to make sure it has a tag so that he can be returned quickly to you if it is found. It's also a good idea to keep a current picture of your pet with you. That way, if it disappears or wanders off, you have a photo to show to people when you ask them if they've seen your dog.

- **Give your dog prescribed heartworm medicine on a regular basis.** It is also a good practice to use only flea and tick medications prescribed by your dog's veterinarian.

- **Make sure your pet has plenty of water and shade outdoors.** You'll also want to make sure your dog isn't walking on hot asphalt when the heat is high, because it can burn its paws.

*Good health is not something we can buy. However, it can be an extremely valuable savings account.*

*—Anne Wilson Schaef*
