In closing and in an attempt to be of service, if you haven't already provided a copy of your mobile home title(s) or title number(s) to the Business Office, please do so. In a catastrophic event, your personal records could be lost or destroyed. Since there is no policy as to how an address is entered into the Department of Highway Safety and Motor Vehicles database, it can be difficult for them to locate some title information in a timely manner. For example, U.S. Highway 19 N., US HWY 19 North. We can put all title information onto a spreadsheet and back it up at the Management Company for you. This may be beneficial if such an event were to occur.

4. Watch WOW Channel 801 for this update

Sometime in July, the "playground" area at the Cottage will have a ribbon cutting. Everyone will be invited and a hotdog box lunch will be served free to all that attend!!

5. Good News!! The R.O. Board of Directors has approved the installation of digital video cameras at the front and back entrances as well as the Cottage!! Hopefully, this will help to identify any/all trespassers as well as serve as a tool in the event of any police matter. Thank you Board!!

6. Creek Update:

The aquatic plants have been installed and look lovely. There may be more added later at the Army Corp of Engineer's request. You are still owed 40 trees that are between 10' and 14' tall. We have no information at this time on when the trees will be installed, but will keep you posted. Phase II will include the installation of the pedestrian bridge at the Cottage. To date, we still have not finalized Phase I of this Curlew Creek rebuild.

7. Safety Tip:

Please remember to contact the Sheriff's Department non-emergency telephone number: 727.582.6200. This number is also located on page 4 of the Dial Directories booklet. Please do not contact a Board member to investigate any suspicious activity. We appreciate your co-operation!!

## *A LETTER FROM THE VICE PRESIDENT*

### **Moving Forward in Doral The myths, the rumors and the facts**

Exciting improvements and renovations are happening all over Doral Village. The putting green and bocce ball playing field was finished last month. The tennis and pickle ball courts are nearing completion as I write this article. It will be completed by the time you read this. All that is left to be done is to paint the fence and landscaping. Many of you will be glad to hear, after many years of being unusable, that the horseshoe pits are being updated. They are being dug out and brought back to pique condition. This was not in your prospectus but many enjoyed this amenity and Doral is proud to be able to bring it back. Also, to add to your enjoyment, benches or gliders will be available and added to the area. This will provide a place to rest and join in the entertainment. Once the "playground" area is complete we will be asking for volunteers with experience in bocce ball and pickle ball to come forward and teach the rest of us. The R. O. Association is also planning an "Open House" to officially open the area. The R.O. Association will provide all residents with hot dogs, soda, and chips. This will be a free event, and we will keep you posted as to the date. Remember to check WOW Channel 801 to see date.

**Now, for the rumors and facts.** A new front security door has been added to the office in the club house. This is a **fact**. Rumor has it that it cost close to nine thousand dollars (\$9,000.00). Those days are over. It cost approximately three hundred dollars (\$300.00). The actual cost was \$253.11 to be exact for just the door. Many have commented on how much easier it is to open and use with their cane.

What report would be complete, if we didn't cover **the myths**? "We want Solar but it will never happen;" "Second pool, never in our lifetime;" Wouldn't it be nice, to have a dog run, but that won't happen."

Research is being started for Solar. This is not a guarantee that it will be done but it is a start. The second pool idea was wounded but is not completely dead. The hope of locating it in the Cottage area is gone but maybe in future another area may become available. Request for dog run is being considered and going to vote.

There is always some truth to myths. Let's all work together to get rid of the rumors and myths and enjoy the facts. We are growing and improving and our investment is more secure as we do so.

Sincerely,  
Wanita O'Hearn

## Welcome Cart Committee

Phyllis Griffin #494

603-438-6321 & Ed Talbot #636

727-785-5924

**W**elcome, welcome and welcome again. Wow! Although the summer may be a little quieter, the welcome committee has been busy. Ed Talbot and Phyllis Griffin visited the following new residents and welcomed them to Doral. Please help us in giving these new residents a hearty welcome: Timothy (Tim) Shepherd and Richard (Rick) Bishop from California, who both love Texas Hold'em, and are going to try Shuffle Board, to Coach #158; William (Bill) Juneau, who seemed to like computers, to Coach # 240; and Harold Mann, a retired government worker, who loves music, to Coach 626. We have many more coaches that were purchased, but because of the season residents have not been welcomed.

## Re: PERSONAL SAFETY IN DORAL

**I**would like to pass on an article given to me by one of the couples I had the pleasure to welcome when the welcome committee was still in its infancy. This nice couple would like to share an unpleasant experience so that by relating it you may be spared a similar experience. The following account comes from John and Carolyn Foley, Coach #249.

"I wanted to share with you all an unfortunate but preventable experience we recently encountered. Before going to bed one evening I locked the back door but failed to lower the glass behind the screen. During the night someone cut the screen, reached in and unlocked the door, entered our home and stole my wallet while we slept. Had I lowered the glass, this would not have happened. I believe Doral Village is a safe place for us to live, but we all need to be vigilant about our safety."

We can all appreciate the seriousness of this. They were very lucky that the wallet was all that the intruder was after. This is an open police case and there are others. It seems that the screens are a favorite way to get in. I cannot express how important it is that we all look out for each other. When outsiders know our community is strong and we are all vigilant about our safety we will not be at risk. Please report any suspicious activity to the police for they are there to help. Clearwater Police 562-4242 and Pinellas county sheriff 582-6200. Remember these numbers can be found in the front of your Doral Village Dial Directories.

## Library Notes

**S**hirley Smith and Ethel White, Doral librarians, appreciate all the donations of books and magazines. Due to limited space, please do not bring magazines older than three months, reading material that is tattered and worn, obsolete/old reference books, or dictionaries. Thanks.

## Hurricane Reminder to all residents

---

**S**hould the need arise to evacuate park, please leave your name, coach number and time of departure in the evacuation boxes that are at both the US19 entrance and Spanish Vista exit. Remember to keep your information up to date to eliminate problems if your relative calls to check on your departure to a hotel or safe place. Check local hotels and motels to make sure that they take pets or if they have generators for O2 machines. "It is better to be prepared and not need it than need it and not be prepared." Check the free information available in the Clubhouse, and the WOW Channel 801 for updates. Be kind to each other, and have a safe summer.

## MARZIPAN BARS

Mavis Aguinaga #152

- 1 ½ Cups of Butter
- 1 1/3 Cups of White Sugar
- 4 Eggs
- 1 1/3 Cups of RICE FLOUR

- ½ teaspoon salt
- Red and Green food coloring
- Icing sugar; Almond Icing
- Pastry; I use the fridge style

Cream the butter and sugar together; add the eggs, beat until creamy. Mix RICE FLOUR and salt, add to butter mix. Roll out pastry very thin, to fit an 8 x 13 baking pan. Place pastry in pan; spread a thin layer of jam on pastry. Divide the cake mixture into two bowls. Put green food coloring in one bowl; red in the other. When mixed, add a layer of green, and then add red. Add the red layer in patches. Bake at 375 for 30 minutes or until toothpick comes out clean. Cool on rack, roll out the marzipan, cover the cake completely with the Marzipan. Mix icing sugar, add almond extract, cover cake. Cut into squares from the pan, put into containers. These squares can be made ahead of time and frozen. Christmas and summer treats, grandchildren's favorites. ALMOND ICING can be found at Publix.

## July Is...

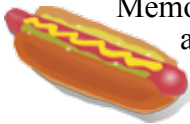

---

**Eye Injury Prevention Month.** Eye injuries occur at a rate of more than 2,000 per day, with an estimated 1,000 eye injuries occurring in American workplaces alone. In addition to wearing proper safety eyewear, early detection and treatment of eye conditions and diseases are essential to maintaining good vision throughout your life.

**Independent Retailer Month.** Celebrate independent retailers across the country. Support and shop independent merchants all through the year, and use July as a time to unite for the independent retailers in local communities that help build our economy.

**National Hot Dog Month.** What better month to enjoy a delicious hot dog? The National Hot Dog and Sausage Council estimates that Americans eat over 7 billion hot dogs between Memorial Day and Labor Day, with 150 million consumed on the Fourth of July alone. Do your part.

**Parks and Recreation Month.** This year marks 30 years of Parks and Recreation Month, highlighting the enduring importance of parks and recreation for the world. From the start, parks were created to give us a place to appreciate nature, exercise, socialize, and have fun—a mission that lives on into the future.

## July Daily News...

---

**World UFO Day, July 2.** Have you had a close encounter? Spread the word on this day that explores the unexplained.

**Independence Day, July 4.** The United States declared its independence from Great Britain on this day in 1776.

**Global Forgiveness Day, July 7.** “To forgive is to offer opportunity for a new beginning to the offender, and provides a process of healing for the victim.”

**Shark Awareness Day, July 14.** As much as we enjoy being frightened by this predator of the sea, remember that the shark has a key role to play in keeping marine ecosystems in balance.

**World Ranger Day, July 31.** Sponsored by the International Ranger Federation to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect wildlife around the world.

## The state of food across the U.S.

---

Every U.S. state is known for something: slogans, state birds, celebrities, etc. If you're hungry, or planning your vacation menu, consider some of these official state foods found across the country:

- Alaska: Salmon (state fish)
- California: Avocado (state fruit)
- Delaware: Peach piece (state pie)
- Georgia: Grits (state prepared food)
- Illinois: Popcorn (state snack food)
- Louisiana: Sweet potato (state vegetable)
- Maryland: Smith Island Cake—a yellow cake of 8-10 layers with chocolate frosting (state dessert)
- New York: Apple muffin (state muffin)

## The creative process—from the artists who know

---

What do professional artists, writers, and performers think about creativity? From The Guardian come these thoughts on the process from people who depend on their imagination to do their jobs:

- Guy Garvey, musician. “Just start scribbling. The first draft is never your last draft. Nothing you write is by accident.”
- Polly Stenham, playwright. “I’m very fidgety, and I seem to work best when my hands are occupied with something other than what I’m thinking about. During rehearsals, I find myself drawing little pictures or symbols that are somehow connected to the play.”
- Tamara Rojo, ballet dancer. “An idea never comes to me suddenly; it sits inside me for a while, and then emerges.”
- Mark-Anthony Turnage, composer. “If you get overexcited by an idea, take a break and come back to it later. It is all about developing a cold eye with which to look over your own work.”
- Fyfe Dangerfield, musician. “For me, the image of the tortured artist is a myth—you don’t need to be miserable to write songs. In fact, if I am feeling down, the last thing I want to do is write; though it’s important sometimes just to sit down and get on with it, however you’re feeling. Your creativity is like a tap: if you don’t use it, it gets clogged up.”
