## Manager's Corner - July 2017

Jeff Hahn, LCAM

---

• My first article in your Monthly Media will be more of an introduction than anything else, though you will find a few items that pertain to some of your Governing Documents as well as relating to some of the projects and work being done in the community. First a little bit of my background. I am a native of western Pennsylvania, a small and getting smaller town, Johnstown that lies approximately 70 miles southeast of Pittsburgh. As such, yes I am a Steeler, Pirates and Penguins (Stanley Cup winners for the second year in a row!!!) fan. After college at Duquesne University in Pittsburgh I ended up moving to northern Virginia and spent a number of years there, primarily in the Banking Industry, was married and had two daughters, Erica and Kris. After too many years in that area, my now ex-wife was transferred by her company to the Clearwater/St Pete area, and with my daughters also leaving, I followed in the late '90s. Since being here, I was in Banking again for a number of years before moving to the Community Association Management industry. In that capacity, I began that career with a Management Company and was responsible for overseeing seven condominium Associations. After a year and a half, I was presented the opportunity to Manage a Resident owned Manufactured Community, and spent the last 5 ½ years as the Property Manager across the street from Doral, at Serendipity. With the possibility of upcoming changes to the ownership of the Park, I was released from my duties there and thankfully was hired by your beautiful community. From what I can surmise, my role here will be similar and I look very forward to working with your Board of Directors and on your behalf to make Doral an even better place to reside than what it has been in the past, and hope to be a part of this community for a very extended period of time.

• Now just a few reminders... first for all the dog owners, please make certain that you are walking your dog in the areas designated for this purpose, which are areas 5 and 6 in your community. Also and very importantly, you must pick up after your pet AND make certain that your dog is always under control. Keep in mind, there are leash laws that need to be adhered to that are governed by Pinellas County. Thank you all for your cooperation in this matter

• The dumpsters are to be used for recycling of newspapers and cuttings of your plants and bushes, but not for any trash or furniture of any kind, including electrical appliances. There is a gentleman who will pick up these items so just let the Office know when you have anything to be removed and we will get you the information you need.

• Among the areas being looked at currently, include increasing the lighting at the pool to bring this up to code, the replacing of approximately 60 electrical pedestals, reviewing the tree situation in the park and some drainage issues that need to be addressed. Other areas will be addressed as we come across them

• That's it for now. I just want to again tell you that I look forward to meeting and working with all of you. In the meantime, have a safe and enjoyable 4th of July and stop by the office to meet me whenever you have the opportunity. Take care!!

We say goodbye to our Doral neighbors who have passed on to a better life. Joseph Feth # 461; cards to his widow, Rosario, are welcome. Edgar Coron #453; a Celebration of Life was held at a local church. His widow, Arlene, has moved in with her daughter.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Did you know that July is also...

---

**National Cell Phone Courtesy Month.** As the cell phone has developed into the smartphone, it's become one of the biggest distractions of all time. National Cell Phone Courtesy Month was founded in 2002 with the intent of making cell phone users more respectful of their surroundings.

**Eye Injury Prevention Month.** According to the American Academy of Ophthalmology, an estimated 90 percent of eye injuries are preventable with the use of proper safety eyewear. Even a minor injury to the cornea from a small particle of dust or debris can be painful and become a lifelong issue, so take the extra precaution and always protect your eyes.

**Independent Retailer Month.** Independent Retailer Month encourages consumers to shop at independent retailers locally, nationally and globally. Support and shop at independent retailers year round and use July as a time to unite as a celebration for the independent retailers across the country and in your community.

**National Farriers Week, July 9-15.** Honoring the men and women who care for and maintain the hooves of horses, a highly specialized trade that requires skill in hoof care, blacksmithing, and the care of injured and diseased hooves.

**Captive Nations Week, July 16-22.** A week aimed at raising public awareness of the oppression of nations under the control of Communist and other nondemocratic governments. It began in 1953 and declared by a congressional resolution and was signed into law by President Dwight D. Eisenhower in 1959.

**National Parenting Gifted Children Week, July 16-22.** Parents of gifted children need special understanding in order to raise and advocate for the social and emotional needs of their unique children. NPGC Week celebrates the joys and challenges of raising, guiding, and supporting bright young minds.

**Canada Day, July 1.** A national holiday celebrating the Constitution Act of 1867, which united the separate colonies of Canada, Nova Scotia, and New Brunswick into a single dominion within the British Empire called Canada.

**Independence Day, July 4.** The date of the Declaration of Independence, formally announcing the separation of the original 13 colonies of the United States from Great Britain.

**Official Shark Awareness Day, July 14.** Much as we love to fear this predator of the seas, the shark has a key role to play in keeping marine ecosystems in balance.

**National Mutt Day, July 31.** Also known as National Mixed Breed Dog Day, National Mutt Day is all about embracing, saving, and celebrating mixed-breed dogs. (It's also celebrated on Dec. 2.)

## If you can keep it

One afternoon in the 18th century a young man approached Benjamin Franklin outside Philadelphia's Independence Hall. Throughout the broiling hot month, the statesmen of the young nation had been debating furiously over the establishment of the Constitution of the United States. The young man asked Franklin, "Well, sir, what sort of government have you given us? A monarchy or a republic?"

Franklin, understanding the importance of popular support in keeping democracy alive, responded, "A republic, if you can keep it."

## The power of short words

Mark Twain once told the story of a Missouri farmer who ran five times for the state legislature without winning. He practiced his campaign talks every day while milking his cow. He filled his speeches with wordy expressions, referring to himself as "my humble aspirant" and his audiences as "my enlightened constituents." He talked of "obtaining a mandate" for his "legislative mission."

Then one day the cow kicked him in the teeth. With his front teeth knocked out, the farmer could speak only words of one syllable. The result? He won his next election and got re-elected many times after that.

## No answer

A powerful king once undertook an expedition to conquer foreign lands. A counselor asked him, "Great king, why do you propose to set out on this endeavor?"

"First I shall become master of Asia," the king replied. "Then I'll invade Arabia. After that I will conquer Europe and Africa, and finally, when the whole world is under me, I shall rest and live at ease without worries."

The wise counselor replied, "But what keeps you from resting and living at ease here and now, if that is what you want?"

The king had no answer.
