WOMEN'S CLUB Meeting, November 1, 7:00pm, Clubhouse

Paulette Huss, President (727) 210-3201

Cathy Loder, Vice President (727) 364-4532

Last month, Tara Morrison, Specialist in Medicare/Social Security Education spoke to us. Tara had so much information regarding the new Medicare and supplement plans. She answered many question and made many of the ladies very secure in understanding what kind of insurance would work best for them. Tara advised us to call her with any questions we may have regarding our personal health care insurance (at no cost.) Thank you so much for your input.

The end of the year is coming very soon, so we'll need nominations for our new Women's Club Board. Think about it!

A special Thank You to Vera for allowing the Women's Club to be part of the Halloween coffee hour.

Speaker for this month will be Norine Mungo. She will talk with us on how to make sure you are getting the correct prescription you need for your eye care. There are some things to be aware of before purchasing your new lenses and frames.

Be sure to mark your calendar for the upcoming CARPORT SALE: DECEMBER 8th, 8:00A-- 2:00P. The Women's Club is selling tables at the cost of \$10.00 ea. to our residents, or \$5.00 for the advertising, if you wish to furnish your own table for the carport sale. Cash or a Check will list your lot # in five (5) different advertisements. We will need volunteers to deliver the tables and pick them up; you can let us know when you sign up for a table what you would like us to do. Cathy & I will start taking money at the Coffee Hours. The sign-up sheets are in the clubhouse on the Women's Club Bulletin Board. The Women's Club will put together a flyer to hand out when shoppers arrive; the flyer will list your Carport #, along with a map of the park.

We will sell Baked Goods in the Club House along with refreshments: soda, water & chips.

DORAL KNITTERS, CROCHETERS, and SEWERS

Betty McNeill #319 786-8078

It's that time of the year – dust off those knitting needles, crochet hooks and find that yarn! Again this year, we can use the knit baby hats for the newborn babies at Mease Countryside Hospital, knit or crochet baby blankets with hats for the Ronald McDonald House or Kimberly Home, lap robes for the VA Hospital in St. Petersburg (knit, crochet or sewn,) or shawls (knit or crochet) for Mease Hospital or the nursing homes. If you are a new resident in Doral and enjoy knitting, crocheting, or sewing, we would love to have you join us in our projects. All projects submitted are on a volunteer and donation basis. Items must be made with quality yarn, fabric, and lots of “TLC.”

Please note: the baby hats for newborns must be the pattern I have – knit only! Please contact me if you are interested in any of our projects. Completed projects may be dropped off at my house, #319: or at Wednesday morning coffee hour in the clubhouse. Please include your name and coach number when turning in projects.

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

PICTORIAL DIRECTORY –

Bev Gebhardt #601 Ph. (h) 772-6387 (c) 224-0187

Our last directory had 129 sittings I hope this time we can reach 200 or more. You will receive at no cost to you an 8x10 picture of your choice and the directory. If you desire to purchase any of the packages they offer it is your choice. You will be able to sign up by the middle of November and the sheets will be in the hallway. I had a conference call on 10/09/18 to get the format together. We are getting 2 bonuses: a \$10.00 coupon and additional 20% off when ordering pictures.

The first sitting is the only one that will enable you to have your pictures for Christmas gifts.

A Reminder: When you come for the shoot please bring the information you want to appear in the directory, i.e., your name, coach number (a return address label works great for this), home and cell phone number, and your email address should be clearly printed out, too. It is my understanding that we can put winter addresses in also.

Library Notes

Vera Lane #401 466-1785 and Shirley Smith #315 784-8736

We appreciate all donations of books and newer magazines. Due to limited space, please do not bring old magazines, tattered books, obsolete/ old reference books or dictionaries. In addition, we are only able to accept a few books at a time; the shelves fill quickly.

In the conference room cupboards, there are several jigsaw puzzles for you to enjoy.

Update for the Christmas VA Sock Drive

Cheri Ivey #569 727-286-1432

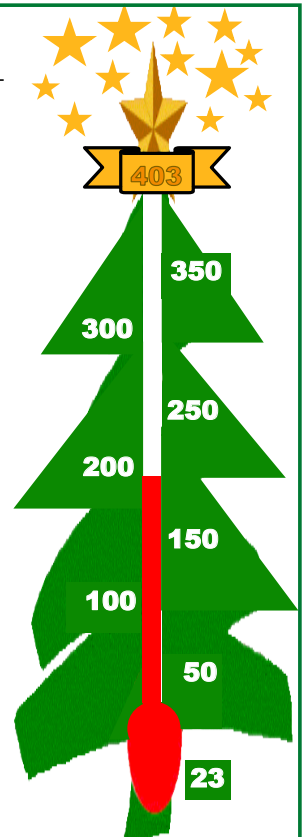

Our local Bay Pines VA Medical Center, per their website, has 403 beds with an average occupancy of 397. It is very possible to have all 403 beds occupied, so our goal is to have a gift for every Veteran in the hospital this Christmas.

We have gotten off to a great start. Donations started coming in during the last week of September. Each gift we're putting together will contain a pair of socks, a T-shirt or undershirt, a toiletry item, and a pocket comb. Right now, with the whole Park's help, we're half way to our goal.

- ♦ If you've donated, thank you.
- ♦ If you haven't, we hope you'll add a package of socks or T-shirts, in any adult size, to your Christmas shopping list.
- ♦ If you have been traveling this summer, please save your hotel toiletries so we can add those to each gift as well.

Let's remember these brave men and women. There is a fireplace in the main clubhouse (Looks sort of like the picture above). It's the collection box for donations, and packages can be dropped in through the mantle, or you can drop them off at #569. Call Cheri if you'd like to volunteer to help wrap. It's beginning to feel like Christmas.

Manager's Corner November, 2018

Jeff Hahn, LCAM

- The Doral RO Association, your office personnel, your maintenance staff and many volunteers all are constantly working on your behalf to maintain and in many cases, upgrade your community. Some of the recent examples include the installation of the front gate, the sidewalk replacements where needed the most, the major and ongoing water valve replacements, the continuous attempts to remove the rust from the common ground sidewalks, the addition of robocall in order to keep residents as updated as possible about events or upcoming events in the park, the new Informational signs at both the clubhouse and the back entrance area, and the list goes on.
- The reason I am referencing this is not to applaud anyone's efforts, (although it is well deserved and yes, I know I did this in last month's report) but to request from each of you (again) to help in the upkeep of this community by maintaining your home and the area around your home the best that you can. As I am aware that some of you may not be able to do this work on your own we will be happy to provide a list of Doral residents who do certain types of work in the Park. They may be able to do whatever project you need to have completed to help you maintain your area of your community. Once again, thank you all for your efforts.
- Just a reminder that any trimmings or bush cuttings are to be either bundled or placed in bags so that the garbage men get them during the normal Monday and Thursday pickups.

QUALITY PRODUCTS LOCALLY MADE - SINCE 1959 38

13170-A 90th Street N., Largo • Previously Located on Starkey Road

The dumpster by the plant is to be used only by Doral and is constantly being filled up as Max cuts fronds, branches and small limbs that are removed in the common area.

- For those of you who utilize the laundry rooms, understand that there are two of the coin slots on the washing machines that require 2 quarters, not just one. There have been instances when residents have felt the machines were not functioning properly although they were but the amount was insufficient for them to work
- Another reminder...if you are subletting your home at any time, these renters must come into the office and have a criminal background check done on them. We need to know who is here for everyone's protection.
- It is very important that you notify the office when you are coming back for the season and likewise when you leave for any extended period of time.
- In the same vein, please let us know of a valid telephone number that you are currently using, preferably a cell phone if possible. The Park is utilizing this system to notify you of emergency water pipe issues, or upcoming water shut off in your location and plan to inform everyone of other events that may be coming up, such as a storm approaching, etc. Therefore, it is very important that you give Gail or myself your phone number. We don't want you to not receive the vital information we are trying to provide.
- Wow, November is just about here. This is a month when things ramp up for the Christmas season, when the Florida heat may (or may not) subside a degree or two, when we celebrate our Thanksgiving with family and friends (the 22nd), when we turn the clocks back an hour (Sunday morning, November 4th at 2AM) and when this year, we may have the most contentious mid-term election that I can ever recall (November 6th). All in all, it will be a very interesting period of time. And one other thing... the front gate MAY be operational!!! Be safe and Enjoy!!

KAREN BROWN. LOT # 457

Karen belongs to one of the many multi- generational families in our park.

She was born in Lawrence, Massachusetts, in December 1950 to John and Elizabeth Murphy. Karen was the third child to this couple; she has two older brothers and a younger sister. Her oldest brother passed away at an early age.

Her mother, Bette, is someone many residents of Doral Village know.

Bette was a school teacher. In the later part of her career, she was an elementary school principal. She graduated from Salem Teacher's college in 1947. Her heritage was a mixture of French and Yankee. Karen's father, John served in the Navy in WW2 and worked as a machinist afterwards at the NE Power Company.

His heritage was Irish as the name suggests. Sadly, he passed away at just 55. Bette never remarried.

continued on page 34

Karen went to St Mary's Catholic School in Lawrence. Back in those days, as most of us remember, kids walked to school. Karen and her siblings did this most days of the year, unless the weather made it impossible.

In those days, it was also safe to play in the street, this is just what Karen, her brothers, and sister and their friends did. When the street lights came on it was time to go inside. They enjoyed their childhood.

In 1965 the family moved to North Andover where Karen became a sophomore at North Andover High School.

Her husband Mike had graduated from this school the same year. He was 18 and Karen 14. They met, and the attraction was immediate. However, as Karen was just 14 they were too young to date. Mike was soon drafted into the US Army and sent to fight in Vietnam for the next 2 years. They lost touch.

Karen then went to college in Salem, Massachusetts. The same college her mother graduated from twenty- five years earlier. Karen had a love for children and spent much of her growing years babysitting. She, since childhood, wanted to be a teacher and was greatly influenced by her Mom.

In fact, once she went to college she became a live- in nanny for a woman who was a ballerina and owned a dance studio. She obtained this position because she was on the gymnastic team in college. She was a cheerleader in high school but also had an affinity for gymnastics. Her coach was good friends with the dancer and recommended Karen for the position.

Karen graduated from Salem State College in 1972 with a degree in Early Childhood Education. She secured a position as a kindergarten teacher in her home town of North Andover and stayed in this position for the next 34 years, working in many positions including literacy coach and assistant principal.

It was at this time she and Mike met again one night at the beach. Karen was now 25 years old, Mike 29. The attraction was once again instant and from that day on they were inseparable. It was a case of soulmates reunited. They married a year later in 1977 and had 2 children, both boys Michael in 1978 and David in 1979.

Karen's husband, Mike, also grew up in North Andover. His father had German heritage and his mother Italian. He grew up with a large extended family.

Karen's parents bought their home in North Andover from Bette's parents who built it. Karen and Mike bought this same house when Bette moved.

In 1990 Karen completed a master's Degree in Child Development from Wheelock College in Boston after that she studied to become a Literacy Coach at Lesley University also in Boston. She enjoyed a long and enriching career as a Kindergarten Teacher working with over 1000 students. In 2007, after 34 years, she retired for the first time.

The Brown's decided to move to Florida for the same reason many do a hatred of the cold northern winters. Along with the fact that her Mom, Bette, lived here in Doral.

When Karen arrived here she again began working as a reading support teacher in Dunedin. She retired for the second time in 2017. Over her years here at Doral Karen served terms as vice president and president of the Woman's club.

When Karen & Mike moved to Doral Village her mother and her aunt, Bette's younger sister Phoebe, were well established residents.

Bette Murphy purchased coach 21 in 1985 to be close to her sister Phoebe Taylor lot #22. Karen's grandmother had previously resided at Silk Oaks. Her daughters moved to Doral to be close to their Mother and Bette's daughters followed suit.

Karen's younger sister Joanne Kramer also lives in the park at #587.

Bette served in various positions in the park, actively being involved in all kinds of activities, serving on many boards including bowling and golfing. Bette was also computer savvy and maintained a data base of all park residents.

Bette Murphy lived for 32 years in Doral and in October of 2017, at 93 years old, moved to assisted living not far from Doral Village. Her sister Phoebe Taylor passed in 2015.

These days Karen spends her time sleeping in, and caring for her Mom, Bette.

She plays mahjong, bingo and runs the woman's poker group here at Doral.

She enjoys her first grand daughter, Lexi Brown, who lives in North Andover, MA. Karen is most proud of her two sons David, who lives in Colorado and Michael, who lives in Massachusetts, and her husband, Michael, having just celebrated their 41st wedding anniversary.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
