SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

September Calendar

September and Labor Day are here after a long hot summer! Unfortunately, we still have Covid-19 to deal with, along with hurricane season. But let us look forward to some Park Activities. On September 7, 2020, the Doral Social Club will be hosting a Labor Day Golf Cart Parade & Ice Cream Social outside the Cottage. This event will be weather permitting. The golf cart parade will assemble and leave the Cottage at 6:30 pm to go around the Park. Carts can be decorated (or not). For those not participating, you can support the parade by cheering the golf carts on from your driveway or front porch as they pass your home. A free ice cream social open to all will follow at the Cottage back porch at 7:00 pm. There will be two sign-up sheets on the Clubhouse Bulletin Board, one for the parade and one for the ice cream social. So, get signed up for one or both events! Covid-19 guidelines of social distancing and wearing of face masks (except while eating ice cream!) will be followed to make this event as safe as possible for everyone. **Hope to see you there!**

As you have probably noticed, there is not a September Calendar printed in this issue. According to Doral RO and Management, Liability, and CDC Guidelines (not Pinellas County), all Doral Calendar activities are cancelled indefinitely, perhaps until the end of this year. You are safe to plan personal activities on your property and your guests can choose whether to attend but activities inside Doral buildings are prohibited. Hopefully, we can resume indoor activities in a few weeks! Our Social Club is working on a few changes to Thanksgiving and Christmas activities if needed. Monthly Dinners, Karaoke, Coffee Hour, Bingo, Card Games. Pancake Breakfast, Dances, etc. have been temporarily cancelled. We are however, trying to plan some outdoor activities for the fall. We already have planned a Labor Day Golf Cart Parade and Ice Cream Social for September and have booked Flu Shots and a Medicare Advocate for October. Please feel free to make suggestions of new and safe activities to plan!

Medicare Advocate, Tara Outram, will be here on Sat., October 10th at the Clubhouse Gazebo to discuss Medicare Open Enrollment Q & A's from 9-11. This is also during our Flu Shots from Walgreens and Tara will be happy to talk to you about Medicare updates and changes. She is furnishing donuts and coffee and will also schedule private appointments with

...continued on page 6

you at a later date. Tara has several clients in Doral and is extremely knowledgeable about Medicare. Of course, Social Distancing and safe guidelines will be encouraged during this event!

FLU SHOT CLINIC AT DORAL

It has been a trying 2020 with the quarantine and Coronavirus Pandemic but added to that is the reality that the fall will also bring Flu Season. We know it seems early, but now is the time to start preparing and planning. With most Doctor's offices only doing virtual appointments, we are very fortunate that once again this year, Walgreen's is offering to sponsor the Flu Shots here on site at Doral. Added to that, Cheryl, our local Walgreen's Pharmacist has volunteered to provide her services (on her day off) **Saturday, October 10th**, beginning at **9:00 AM**, at the Clubhouse. Due to the Social Distancing Guidelines, this year we will be making appointments for the Flu Shots so we can space people properly. Please contact Janice Evely at **727-251-9096** to schedule a time for your shot. All you need to bring with you is your picture ID and Health Insurance Card, we will do the rest. For those of you that are leery about going outside of Doral, this is the perfect time to receive a very much needed Flu Shot in the safety of your own community and do not forget, **FACE MASKS ARE REQUIRED**. Please do not put this off, if ever there was a year to get the Flu Shot, this is it and mid-October is a perfect timeframe. Normally we would post a signup sheet at the Clubhouse but for those who do not or will not go out; calling Janice to make your appointment could not be easier. **PLUS**, golf card transportation can be provided if you need a ride, just tell Janice when you call!

If you get voicemail, just leave a message and she will get back with you. **IT'S THAT EASY!** Do not delay, make your appointment today!

Bazaar

Marsha Dixon, Chairman

NEW BAZAAR DONATIONS will be by appointment only until September 1st. We will then accept most donations. If you can't take your donation to our bazaar sheds in the field, please call Marsha (931-607-1493) or Wes (404-401-4139) to discuss pickups or drop offs! We will no longer accept chandeliers, ceiling fans, televisions, hide away beds, futons, day beds, mattresses and box springs, or sofas that have a tear in them. Furniture must be in good condition! Goodwill will not accept these items so we can't take them either. Remember, donations will not be accepted until Sept. 1st unless you make arrangements with Wes or Marsha. Thank you again for everything you do to make our bazaar a huge success!

RONALD MCDONALD HOUSE

Doral residents have supported Ronald McDonald House for several years with our pennies. Because of the COVID 19 Ronald McDonald House is having trouble feeding the 50 families at the Home. After talking with Karen (RHM Representative) she said we could use the website to donate. Because so many residents are away, we decided using the Monthly Media would be the best way to contact you. If you are interested in donating just go online and search Ronald McDonald House Tampa Bay, you will see a link for donations. Click on the link and follow the instructions. You can also call Karen at 727-767-7685 and she will be glad to help you. I tried the website and was able to donate with no trouble. If you have any questions, contact me Jean Scudder Lot #406 at 727-772-8412.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

Manager's Corner, September 2020

Hello Doral Village!

Hope everyone is staying cool in this sweltering summer heat. August has been a very productive month. Projects completed included repairing Lightening damage to the gate controls, tree trimming, fixing a manhole near Lot 478, and installing new locking systems for Cottage and Laundry. Others moving forward are the Hole in the road near Lot 125 and the Fire Hydrant by Lot 145 appears ready to resume.

I have met with some vendors to get quotes on projects, and they have commented on how nice and well maintained our park is. That's a huge complement! We have great volunteers helping to maintain common area plants and flower beds. Let's keep the bar high. All of us should feel a strong sense of pride with Doral Village. If everyone takes the initiative to clean up theirs, or a neighbor's problem spots, then we all benefit. When visitors or perspective buyers drive through, they can be WOWED. With that being said, if you need help with outside property maintenance, then there are friendly people in the park you can hire for these kind of projects. Thank you!

Make it a great day!

From your Doral Village Board

KNOW YOUR NEIGHBOR

Interviews by Julie Green # 564

Maureen Bartlett #542

Maureen was born in Toronto Canada in 1937 to parents Ivy and Bill McDowell. Bill was raised just outside Belfast, Ireland and came to Canada as a young man on an assisted passage to work as a farmer. Her mother was one of 12 children. She was born and raised in the far North of Scotland on the remote Orkney Islands. These islands have a long history going back to Neolithic times, and recently archeological sites have been discovered. In fact, the oldest stone house still standing anywhere and dating back to 3600 -3200BC has been discovered on one of the islands.

From Wikipedia:

Dating back to around 3600 BCE, the Knap of Howar is the oldest building in the world and is most likely the oldest house still standing. The Knap of Howar consists of two stone-built houses that were discovered in the 1930s when erosion revealed parts of the stone walls. Soon after, the site was excavated, and archaeologists discovered that the two structures were linked by a passage through the joint walls.

Maureen's mother and 8 of her siblings eventually migrated to Canada.

First, Ivy moved to Edinburgh in Scotland to work as a nanny. From there she moved to Canada where she also worked as a nanny and then a seamstress working at Eatons. Bill and Ivy met when they were introduced by a mutual friend who was living in the boarding house like Bill. They married in 1935 Bill served in the Royal Canadian Army during WW2 in France where he worked in the Canadian Army Post Office. After returning home when the war ended, he went to work for the Canadian Department of Immigration. Maureen was an only child; however, she was never alone. Her mother was a foster mum and for many years fostered children whose ages ranged from newborn to 5-6 years old. In addition, her mother always encouraged her to invite friends to their home and even taking them on holidays with the family. After she completed school Maureen attended college and gained her teachers degree. She taught for just 2 years before marriage. When her children were young Maureen went back to teaching on a casual basis. She was later offered a full-time teaching position in Brampton teaching grades 6,7 and 8. She also managed to fit in a university degree which she started at 35 years old and completed 12 years later when she was 47. This took so much time as she was not only a wife and mother, she was teaching full time and attending the university when she could She retired in 1996 after 30 years of teaching.

Bill had retired 10 years before Maureen and as he loved to cook, he took over cooking their evening meals. He retired from this position as head cook as soon as Maureen retired. Maureen and Bill began dating when she was just sixteen. Around this time, she and her parents returned to the UK on a 3-month extended holiday to visit relatives. She was hoping Bill would wait for her, and he did.

They dated for 6 years and then married. They were married for 61 years before Bill passed away in July 2019, after suffering ill health for 3 years. His family made a touching video of Bills musical career after he passed away. It's posting on YouTube as a lasting tribute to his life.

Maureen and Bill have 2 children. Paul now 57 and Lisa 60. Both live in Ontario. Maureen has 3 grandchildren. One grandson has just returned to live in Canada after living in Panama and Paraguay for the past 10 years. Bill, a well known and popular Doral snowbird was born on September 24, 1934 in Toronto. He worked as a salesman. Bill was also a talented musician, he played drums and loved country music. His band was regularly asked to be the backup band for artists such as Johnny Cash, Conway Twitty, Loretta Lynne and many others. They were regular guest artists at the famous Horseshoe Tavern in Toronto, many times backing Loretta Lynne. The Horseshoe was featured on Live on MTV in September 1997, when The Rolling Stones began their Bridges to Babylon Tour with a thundering 75-minute show. Bill also loved to play in Big Bands when the opportunity arose. Bill and Maureen began snow birding in Doral Village from 1997 – 2010, and then bought their current home from well know resident Bill Norwood. They stayed in Doral for 5 months every winter. This past winter is Maureen's first without Bill. When Bill and Maureen married, they lived in Brampton, a suburb of Toronto for 27 years, then Hastings on the Trent River for the 17 years. Maureen now lives in Port Dover on the shores of Lake Erie.

While in Doral Village Maureen conducts the pool aerobic classes, she runs the military whist evenings, plays bridge and euchre and enjoys catching up with friends.

A cup of tea

A group of students visited their old university professor. Conversation soon turned into complaints about the stress of work and life. Offering them tea, the professor produced an assortment of cups and mugs—porcelain, glass, crystal, some plain looking, some expensive, some exquisite—telling them to help themselves to hot tea.

When all had a cup in hand, the professor said: “I see you have all chosen the nice-looking expensive cups, leaving behind the plain ones. While it’s normal for you to want only the best, that’s also the source of your stress. What you really wanted was tea, not the cup, but you still went for the best cups, and you’re eyeing each other’s cup! If life is the tea, then jobs, money and status in society are the cups. They are just tools to hold and contain life. Don’t let the cups drive you. Enjoy the tea.”

Why fight over shadows?

A wealthy man hired a peasant and his camel for a long trip across the desert. The rich man rode the camel as the peasant led it across the sand.

In the hot noonday sun, they stopped for a rest. Because there was no shade but the camel, they began arguing about who had more of a right to sit in its shadow: the peasant who owned it, or the rich man who had rented it to ride.

Their voices grew louder and louder as the argument went on. Finally the camel got frightened and ran away—leaving them stranded in the middle of the desert.

Moral: Don’t let yourself get so determined to be right that you lose what you’re fighting for.

Some of these things are true and some of them lies. But they are all good stories.
