SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

August Calendar

We do not have an August Calendar because our CH and Cottage will not be hosting events this month due to our State/County Covid Guidelines. These buildings will reopen, and events can begin pending new guidelines for group events.

Although we are anxious to resume monthly events, our health and safety in this community are more important! It may be several weeks or months before we can have fun, attend Coffee Hour, Monthly Dances, Pancake Breakfast, and play Bingo or cards, but we will definitely have a huge CELEBRATION when our lives can get back to some normalcy! Please stay safe and well and we will look forward to a calendar full of activities!

Marsha Dixon, Chairman

NEW BAZAAR DONATIONS will be by appointment only until September 1st. We will then accept most donations. If you can't take your donation to our bazaar sheds in the field, please call Marsha (931-607-1493) or Wes (404-401-4139) to discuss pickups or drop offs! We will no longer accept chandeliers, ceiling fans, televisions, hide away beds, futons, day beds, mattresses and box springs, or sofas that have a tear in them. Furniture must be in good condition! Goodwill will not accept these items so we can't take them either. Remember, donations will not be accepted until Sept. 1st unless you make arrangements with Wes or Marsha. Thank you again for everything you do to make our bazaar a huge success!

GARDENERS OF DORAL

We are so fortunate to be a part of a community that is blessed with volunteers to help beautify our park! Thanks to Bill and Cathy Gallant and Guido Christ and Edla Lemp, Doral Village grounds are always clean and full of fresh flowers and plants. Bill and Cathy have volunteered their time for years to keep our front entrance clean and to keep the plants and shrubs watered and full of beautiful blooms! Edla and Guido recently began maintaining the Cottage landscaping and they have added many plants and formed new natural gardens with colorful flowers. All four of these Doral residents dedicate much of their time to help make our property look colorful, lush, clean, and natural! Please reach out and thank them when you can. We appreciate their volunteerism and hard work!

RONALD MCDONALD HOUSE

Doral residents have supported Ronald McDonald House for several years with our pennies.

Because of the COVID 19 Ronald McDonald House is having trouble feeding the 50 families at the Home. After talking with Karen (RHM Representative) she said we could use the website to donate. Because so many residents are away, we decided using the Monthly Media would be the best way to contact you. If you are interested in donating just go online and search Ronald McDonald House Tampa Bay, you will see a link for donations. Click on the link and follow the instructions. You can also call Karen at 727-767-7685 and she will be glad to help you. I tried the website and was able to donate with no trouble. If you have any questions, contact me Jean Scudder Lot #406 at 727-772-8412.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. For more information: [BayCareEmergencyCare.org](https://www.baycareemergencycare.org)

Manager's Corner, August 2020

Hello Doral Village Residents!

To begin, I would like to say THANK YOU, for the warm welcome Leslie and I have received. Many of you have seen me on the street, or we have spoken on the phone. Leslie and I have been busy learning the lay of the land, daily business, and the issues important to you. We like to promote the idea of community because we all benefit when we work together and help each other.

Update on the fire hydrant project: I understand this has been a long process, but there have been some challenges that needed to be worked out. We are now back on track. Piper is working with the fire marshal, continuing to lay the remainder of the pipe, and will be patching up the asphalt.

Safety FYI - We have a new fire extinguisher in the pool area located near the west fence closest to the pool and spa equipment area.

Be advised- The office is open, but for the safety of the staff we are not allowing visitors inside. You can still communicate with us a few different ways:

Knock on the door during business hours

Fill out a form located at the front door then drop it in the box

By calling the office

Make it a great day!

From your Doral Village Board

Reminders:

Children are NOT allowed to drive golf carts unless they are 16 years of age or older.

PLEASE: TOO many of you, appear to be going much faster than 15mph in the park and in addition some of you seem unable to stay in your own lane when going around corners. Please slow down to 15mph and STAY IN YOUR LANE!

ALSO: remember if you have guests staying with you; you are required to fill out a Guest Registration form with ALL names and turn it into the office. Guests under the age of 40 are limited to no more than a 2 week stay per Doral Rules and Regulations.

Lastly; Please take the time to read Doral's Rules and Regulations. Thank You

SUB-FLOOR & FLOORING EXPERTS!

COVID-19 NOTICE:

We are taking as many precautions as we can to ensure not only our workers safety but yours as well. We are checking employee temperatures daily, limiting contact between crews, and offering no customer contact if you choose. We are an "Essential Business" and here for you when you need us.

Interviews by Julie Green # 564

BETTY GEORGE #642

Betty and her husband Mike bought their home in Doral Village in 1990, 30 years ago. They rented out their home for the first 2 years and then they began snowboarding. Betty was born Helen Elizabeth Peters in Port Hope, Ontario, Canada to parents Herman and Pearl (née Vesta McKenzie). Herman's first wife died in her 30s and left him and a 3-year-old son called Arthur. When he was widowed, he went to work in a resort in Muskoka where he met his future wife when she was just 18. They lived 150 miles apart making it a long commute for herself and later her parents. Betty's father was a reluctant farmer. The farm was a mixed farm. One night a hobo came and slept in their barn and accidentally set it alight. The barn burnt to the ground and the family lost everything. This happened in the days before the Great Depression. This event affected her Dad until the day he died. Betty was the third child of 7. Her mother not only raised 7 children but worked on the farm milking cows etc. She would travel to town on her horse and buggy to sell products the farm produced. Betty went to the local village school and the local High School. She had been at high school for 2 years and the family moved. Betty went to live with an aunt until she graduated from school. During WW2 her father worked in a ammunitions factory along with many others who, for one reason or another were not able to serve. Her mother moved back to Muskoka, with the children, to be close to her family. Her dream was to own a tourist home and she bought a home on the river to fulfill this dream. Sadly though, not long after, at just 41 she died of breast cancer. This left the children to virtually raise themselves. The oldest girl was about 18 and Betty was just 14. These teenagers were left to run the home and business. They decided it wasn't viable, so they sold the property and moved back to Port Hope. At 18, Betty had another big change in her life when she moved to Oshawa, 30 miles east of Toronto to begin training as a nurse. By now her sister had fallen in love and wanted to marry but had to wait for Betty to complete her training, graduate and move back to Port Hope. When Betty was 22 her father suffered a cerebral hemorrhage and was in a coma for 2 weeks. He survived but was never the same. This left the children raising themselves. Bettys brother, Blake, who was 2 years younger took over the male patriarch role in the family and did an admirable job. The siblings all chipped in their salaries to support the household. Betty worked as a nurse, and then Joined Trans Canada Airlines (now Air Canada) as a stewardess. In those days' airlines preferred to employ nurses. She was there for 3 years. She met her husband, Mike in 1954, he worked in Toronto for Gulf Oil, but his parents lived in Port Hope. They owned the local funeral home, where Bettys brother Blake worked. He introduced the pair, at the Officers Mess in Port Hope. Mike was an only child and had no interest in working in the business so eventually his parents sold it. Mike joined the Air Force in WW2, he served in London as an Adjutant in the Medical

Field. Betty and Mike had a long engagement as Betty wanted to do an extended trip to Europe before settling into married life. When they married, they lived in Toronto as Mike was still working for Gulf Oil. They had 3 children, 2 sons and one daughter. Once the children were in school Betty returned to work in the Public Health Department for the next 14 years. Her son, Paul now lives in Denver, Colorado and works in the oil business, her other son Brian lives in Pembroke and has an optical business. Daughter, Elizabeth now married, and lives in St Petersburg. She and her husband own the American Freedom Distillery. Paul, her son, had a career in the oil business and was posted to countries all over the world. This gave Betty and Mike the perfect excuse to travel and visit him wherever he was at the time. In the mid-1980s, Bettys older sister and her husband bought a manufactured house near Oldsmar. One trip while visiting Mike and Betty decided to buy in Florida. They saw an ad in Toronto from a real estate agent selling properties in Doral Village. They bought their home and “snow birded” from then on. At the same time, they travelled extensively overseas. In 2013 Mike became ill and eventually passed away. Betty still enjoys spending 6 months each year in Doral Village. She loves to bake and makes excellent preserves. What employees expect upon return

Seventy-two percent of employees are eager to get back to the office, according to the Human Resource Executive website. What do they expect when they walk through the door? Here's what they think employers might do:

- Seventy-nine percent expect their employer to provide disinfectant or hand sanitizer.
- Fifty-four percent expect employers to require masks and gloves in the office.
- Forty-five percent anticipate that employers will space workstations at least six feet from other co-workers.
- Thirty-eight percent expect their employer to check employees' temperatures upon arriving at work.

What exactly is mathematics? Many have tried but nobody has really succeeded in defining mathematics; it is always something else.
