SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

The Ladies' Night out Paint Party was a huge success! There were 45 women painting the same direction post, but each was unique in its own way! And Sue forgot to insert the picture!

April Social Club News

We now have a final update on our Bazaar! Arla received a few gift cards after the Bazaar was over and we gave them away at coffee hour during Share the Wealth! The grand total of donations was \$6,706.98! We met our goal and Arla already has a great plan for donations for our next Bazaar! Linda finalized the totals from each department and has now paid all invoices from our Bazaar. We grossed \$9,063.92 and our net profit was \$7,089.89!! We actually cleared almost \$400 more than last year and that is due to the hard work and dedication of this community! Thanks again for everything!

We had 83 participants in our Poker Run Fundraiser. Thank you to the five “dealers” that helped with this event! After everyone was finished walking, riding bikes, or driving golf carts, we enjoyed lots of food, snacks, and fun at the Block Party held at the Cottage! The best hands won cash prizes: 1st-place, Janice Evelyn, \$80; 2nd-place, Diane Kowalski, \$50; 3rd-place, Holly (Bob Johnson's daughter), \$30, and 4th-place, Sonya Butler (Ray Butler's daughter) and Waivah Filcheck won \$15 each! Helen Leskovsky drew the lowest hand and won \$10! We profited \$215 from this event to pay the cost of decorations for our New Year's Eve dance. Everyone had a blast and we will definitely do this event again soon!

With help from all of our Doral Clubs, we purchased an \$800, Weber, stainless steel grill in March! We appreciated the help from Ace Hardware for giving us assistance with this purchase and delivering it to our property! This is another example of the great way our clubs and community work together!

At our April meeting we discussed and voted to research and purchase several items needed as necessities and some for enjoyment in Doral. We are purchasing new coffee pots to use at Clubhouse functions, clothes racks for the clothing department during the Bazaar, table tents to post information and announcements at upcoming events in the Clubhouse, six new chairs for the pool area, and outdoor games for our Cottage outdoor activities. We are able to make these major purchases because of our hard work at the Bazaar!

I hope each of you who are leaving for the summer has safe travels. We cannot wait to see you this fall! For those of you remaining at Doral, we will battle the heat and enjoy each other's company until our northern friend's join us again soon! Thanks again for all of your hard work for the last few months! M

We appreciate all donations of books and newer magazines. Due to limited space, please do not bring old magazines, tattered books, obsolete/ old reference books or dictionaries. In addition, we are only able to accept a few books at a time; the shelves fill quickly.

In the conference room cupboards, there are several jigsaw puzzles for you to enjoy.

Doral Shuffleboard Club

Tim Dixon Vice President

Thanks so much for your support throughout this season with our Spaghetti Dinner and Pancake Breakfast each month! We will be purchasing new maintenance equipment for our shuffleboard courts with our proceeds from these activities!

Doral Golf League 19th Hole

Tim Dixon, President Bill McVay, Vice President

Our golf season has ended and thanks to all the volunteers that helped with our awards banquet and dinner. We owe a huge thank you to Countryway Golf Club for their great accommodations this season and especially for all of the great door prizes and donations they gave out at our banquet.

Our Sebring trip was very successful and everyone loved our new location at Inn on the Lakes and golf courses. We are already looking forward to our trip to Sebring next year!

Our league enjoyed viewing the Masters Tournament on the big screen at the Clubhouse. We also had a great meal after the tournament!

Look for our schedule of events posted in late August or early September for our next season's activities. We had a great year, and we appreciate all of the new members who joined this year. Please enjoy your summer and practice for our upcoming fall season of golf!

Manager's Corner May

2018 Jeff Hahn, LCAM

- A couple of improvements have been added to your community this month. First, two new drinking fountains were placed, one in the clubhouse and one on the pool deck. These replaced the two that were in disrepair, both having been installed quite some time ago, and both looking very dated. The second improvement was the placing of pavers at the clothesline area by the cottage. This is a vast upgrade from the dirt, grass and weeds that were there previously.
- Some other changes that have taken place recently include the repainting of all the wrought iron benches in the Park along with the pavers that they sit on. Another very slight change was the painting of the gutter and down spouting at the clubhouse. New bricks and red mulch has been added around the palm trees in front of the annex. Although these may be only subtle changes, we hope these projects help with your comfort level and make the appearance of your community more attractive to you and more inviting for the visitors and prospective residents who may be looking to move into Doral.
- Another continuing project will be the attempt to remove the rust from the sidewalks where the rust is at its worst. This is an ongoing project, but for the most part, the condition of your sidewalks are mostly good where rust is concerned.
- One of the major projects currently underway in the Park is the changing out of the water valves, some of which may be the original valves when the community was first developed. This project also ultimately includes the reduction as to the number of areas where water needs to be shut down when there is a pipe issue at one isolated area. Presently, because of the location of the pipes and valves that control the flow, there are instances where water to every home needs to be shut off to make a single repair. In the long run, this will be alleviated. Thanks goes to Dale Karpp and Richard Gimbert for all their efforts in undertaking this enormous project.
- The installment of the front gate has been approved by the Membership and for those who are either leaving the Park soon for the summer or for those who already have, by the time you come back, the gate will be in place. (This is scheduled for the mid May timeframe) This gate should eliminate drivers using Doral as a pass through to Belcher and is also looked at as a deterrent for any future criminal activity. More details regarding entrance into the Park and other needed information will be forthcoming as soon as some of the idiosyncrasies of this major work have been addressed.
- To all our seasonal residents, we hope that you had a great time at your winter, Doral home, and wish you a wonderful summer and safe trip back to Florida in the Fall.
Take care everyone!!

FAMILIES IN DORAL VILLAGE

ARNOLD BERNDT # 572

Arnold was born to Olga and Henry Berndt in 1955, in Leamington, Ontario, Canada. Olga and Henry were immigrants escaping war torn Europe. Arnold had a younger brother.

In 1960, his parents along with Olga's parents and siblings relocated to Illinois USA, and then to Michigan where Arnold completed his schooling. His chosen career was in the hospitality industry and he quickly advanced to a managerial position.

In 1980 Arnold was offered a job in Texas. Not one to miss a great opportunity to not only advance his career but to escape to better weather, he took the job. This was obviously "meant to be" as not long after he met and married his wife Norie. Olga and Henry followed their son in 1981 and lived nearby.

Arnold and Norie moved to Doral village in 2009, after Norie's parents passed away. He continues to work in the hospitality industry. Their son, David who is an accomplished musician still lives in Houston, Texas, where he not only teaches music, works as a band director and performs with the Houston symphony orchestra. He plays a variety of wood instruments.

Arnold contributes his computer talents to Doral village by maintaining the website and offers IT support to the management.

In 2015 Arnold's parents also moved to Doral village, Henry unfortunately passed away just a few months later; Olga continues to live here.

NORIE BERNDT

Norie was born in 1963 to Carl and Norma Johnson in Royal Oak, Michigan. She was the first born and has 2 younger brothers.

In 1978, the family moved to the Houston area in Texas where Norie completed her schooling. Not long after graduation she met and married her husband Arnold. Norie worked in the human resources industry, for the retail industry, had her son, David, and continued in her career.

In her late 30s she decided to change careers to one she had a long interest in. The food

industry. She went to culinary school in Houston and graduated as a chef.

She then worked in a number of jobs, and opened her own cooking school teaching others cooking skills.

Norie's parents by this time had retired to Florida and eventually settled in Doral village. Carl's 2 brothers David and Bob (bingo Bob) and their cousin Jackie O'Dell also settled in Doral.

Carl passed away in 2006 and Norma in 2007. If you look outside the clubhouse there is a memorial plaque and palm tree remembering them. Not long after this Norie and Arnold decided to join the rest of the family and also live in Doral Village.

Again, Norie changed careers and currently works as a travel consultant specializing in selling cruise packages.

OLGA BERNDT # 60

Olga was born in 1931 in Poland, to Gottlieb and Berta Koth, she has a sister and a brother. Her father was a policeman.

World War II broke out in 1939 when Olga was just 8 years old. The country was war torn and occupied by both the Germans and the Russians, virtually 50/50. It must have been a terrifying time for a young girl as over 6 million Polish citizens (almost 22% of the population) died during the occupation.

Germany also, immediately after the occupation, started forcibly conscripting labourers to work in German industries. In 1944 as the war was ending, and the Russians advancing, the family fled to Bavaria, Germany. Here Olga met her husband Henry and married. Henry had been one of those sent to a work camp in Germany.

Once the war was over Olga and Henry, and Olga's family came as settlers to Ontario, Canada. Here they had 2 sons, Arnold and Erwin. The family then moved to Illinois (4 years), Michigan (16 years) and then Texas (29 years.) Henry was both a cabinet maker and a carpenter, as well as a finishing carpenter. In the USA, he worked in framing residential homes, and in air conditioning.

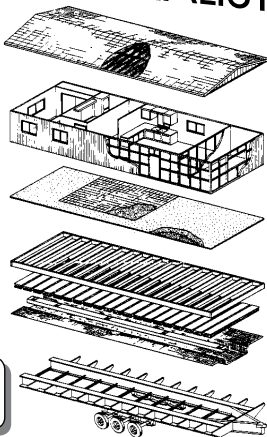

Olga and Henry moved to Doral Village in 2015, sadly Henry passed not long after. Olga continues to live here enjoying being in close proximity to her son Arnold and daughter in law Norie.

Olga enjoys reading, sewing, and taken on trips to the shops and local parks.
