"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

From the Manager's Desk

Debbie Gibb

We have completed all of the Home Inspections. I want to compliment you for caring for your home and making the community a desirable place to live. THANK YOU! The high quality of our rental homes is a priority as well, you will see us out there making sure we address any issue that arises. For clarification: ELS will take care of the trees on the common areas and dead trees but not trimming of them on your lot.

We now have our beautiful new home on Lot 43 and I want to thank you all for being patient while they worked on the home. Swan Lane was a busy street for about a month.

Here are a few things, on our to do list for this year, more paving will be done, and signs will be addressed. We are working on a consolidated sign for the pool area as well. We will keep certain signs for the spa and hours of the pool posted on the gates.

We are addressing the issue with the deck at the pool area between the clubhouse and the pavers. We just had it painted recently in which it did not last. We also are addressing the re-strapping of the chairs.

Please if you have any questions, check your prospectus, it covers all the issues.

If you are not sure please call the office and we can direct you to the right resources.

Enjoy your summer!

Homeowners Association

Michael Higgins

Spring has sprung. March was a very busy month with many activities. A good time had by many! In March we started to see some improvements. The pool area was cleaned up. ELS home Inspections will be taking place with most to be completed by end of March. Please try to keep and maintain your homes. Washing the homes is a good improvement for all. Tidy your surroundings. Keep watch of your gutters. Clogged gutters with weeds growing and plants growing block the drainage and could harm your interior if water cannot drain free. Continue to keep carports neat. Weed your gardening close to the home that the park does not maintain. It is time to spruce up and make our community look nice.

The park is going to cut back trees in front of park near horse shoe pits. Looking for people

...continued on page 6

interested in playing again in that area. ELS is supplying new horse shoes and sand to play! ELS purchased a meat slicer for us to enjoy for entertainment needs.

Road bids are forthcoming. ELS will repave more roads and will paint the yellow stripes nears stop signs and have interest in having the contractor handle street stripes and reflectors. Reminder: 10 miles per hour in the park.

There are a couple of people we need to thank for years of doing a thankless job for all of us. Geri Szczepanowski for keeping the directory up to date yearly and Elaine for the Monthly Media updates. These are unpaid jobs that they do year round. We all enjoy these two very important communication pieces and extend gratitude to those making them happen.

On that note Communication is the key! Neighbor disputes that become ANGER issues can create, stress and health problems. No one wants that or needs that. Try to understand by LISTENING. You may not like what is heard, nor agree with what is said, nonetheless a positive way to resolve a concern is listening by both sides. Agree to disagree and work on a resolution fairly. Distance makes things worse – Understand the issue first. Hear- Listen- Understand= open communication. Do not judge unless you have walked in another's shoes. Open up do not be closed minded and one sided instead of going for a win/lose- bring yourself together to form a WIN/WIN.

Cherish and protect your pet in the community by leashing them when outside with you. Do not leave pets on carports tethered without being there with them. Do not leash a pet and leave it outside alone. Keep fresh water available for your pets and remember the ground gets hot and their paws can burn walking on hot sidewalks and streets.

REMINDER:: Keep a bag in your pocket or on leash and use it to pick up after pets immediately and dispose of it properly. There are three areas with pet waste bags and containers we ask you use them.

Those going Home for summer a reminder to notify office and leave contact information. Also you can contact Largo Police and ask them check on homes. April 12, 2016 IS NEXT HOA MEETING 7PM.

We wish everyone a lovely spring and safe travels to our departing snow birds.

The month of April we have a few exciting events. Eddie Coffey will be playing on the 1st of April. That is a Friday night. So everybody get your ugly sticks ready. If you don't know what an ugly stick is talk to Bob or Linda Lowe. We also have a dance on the 9th of April. The theme for this dance is Hawaiian. We hope you will enjoy the night. The 9th is also the last pancake breakfast of the season. Please come and join us Joe and Nancy have done a good job this year of providing us with extra choices for or breakfast. On the 10th, which is a Sunday, we are having a golf kart poker run. We did this a few years ago and everyone enjoyed it.

We plan to continue with events over the summer. In the past the season went from November to April when most of our residents were here. The last few years we have found that more and more of our residents are year round. Last year we did more events in the summer months and we plan to do the same this year. If you have any ideas for summer events please let us know. We did more cookouts last year, a couple of pool parties, and some dances, along with an ice cream social. If you have other ideas we would be happy to work out a plan.

Remember if you want to use the clubhouse you need to contact me and make sure we do not have a conflict. We are having more private parties in recent months and do not want to double book the clubhouse.

As always, be safe and be well.

DOWN YONDER NEIGHBORHOOD WATCH PROGRAM

Dave Lipp

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling

DANCING

Barbara Bowdoin

Come join us in Line Dance Class. Monday morning at 9:30 we teach beginners. We have several beginners this year and they are doing well. If you have not joined in before this is a good time to learn and we would love to have you.

Friday morning at 9:30 is the time for more experienced dancers--don't let that keep you beginners away. The more you come and watch or join in the sooner you too will be an experienced dancer.

Ya'll Come!!!

BOWLING:

Paula & Ed McGuire

Please join us for bowling every Wednesday at 12:30. We bowl at Liberty Lanes on Starkey.

The cost is \$9 and we are a "fun" league so you don't pay if you're not there. Some of us go out to eat after bowling. No one has more fun than our DY bowlers!

Head "greaser" Danny and new (good) girl Sandy try to relive the high romance of their "Summer Nights" as the rest of the gang sings and dances its way through such songs as "Greased Lightnin'", "It's Raining on Prom Night", "Alone at the Drive-In Movie" recalling the music of Buddy Holly, Little Richard and Elvis Presley that became the soundtrack of a generation. Our Fundraiser Dinner was a GREAT success. Thanks to the food preparer's and to you all for coming to help us enjoy socializing with people you may not have seen around lately. The money will go to good use as we have several needs that have come up. ELS can't do some things as there is no CAP money for anything this year.

March 8th was our last meeting for this year, we resume in October and November. The courts are open for anyone to play.

Our new board for next year are: Linda Schlick- President, no Vice – President, Linda Thoma – Treasurer/Secretary

I want to thank management and maintenance for helping us whenever they could.

I will be doing training and overseeing the needs of supplies we need to keep the courts looking good.

LEAGUE NEWS: Bud Schlick is still Captain but really needs a Co-Captain. I share the responsibility of the job. I want to thank him for his faithfulness all year, without him there would not be a league at all.

We are still in serious need of more players to learn the game and enjoy it with your company and when you feel you would like to try getting on the league. We play 8 other M.H.P. in nearby parks. We play our league games every Thursday from Nov. to March, only unless cancelled due to rain or too cold days. Most courts are open air courts, we are fortunate to have one of the very few closed courts around.

We have 2 more games as I write this, so I will post our final position of this year in May's media.

Don't forget to call me for any questions regarding the shuffle courts or the game itself. I have D.V.D.'s to get the basic of the game and books to learn to better your strategy of the game.

I pray all our Northerner's and Canadian's to have a safe trip home and stay healthy so we can see you next season.

April Is...

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 2-10. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

Animal Control Officer Appreciation Week, Apr. 10-16. This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 17-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

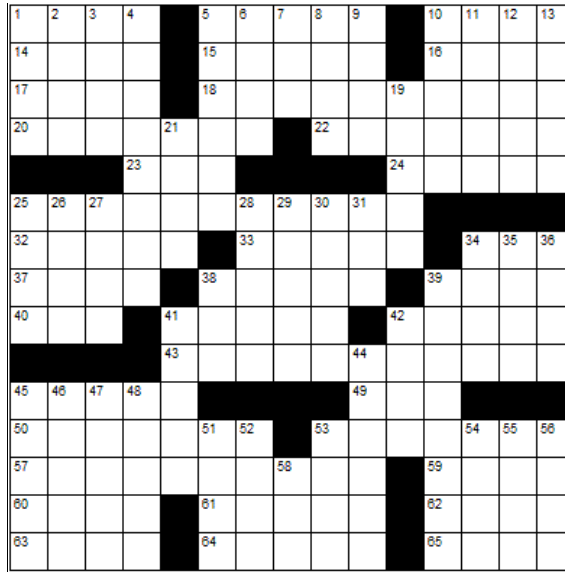

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.
