We are asking for your understanding and cooperation. This is your home and community. By working together we can make it a better place in which to reside. Periodically, exterior inspections are necessary to assure compliance with the community rules and regulations, as well as state and local laws.

With the rainy weather comes quick growth of weeds in your flower beds. If you would kindly take a look at your flower beds and around your home to see if you need to clean up, please do. We take pride in our community. Thank you, the high quality of your home and home site upkeep enhances the beauty of our community.

I would like to address the following:

- Unauthorized occupants living in the community. Prospectus states your guest needs to be registered in the office and they are allowed to stay for 45 days. Longer than the 45 days they would need to fill out an application for a background check.

- Swimming pool and spa area: Passes are a MUST to be seen by members of the community assigned to verifying that the people at the pool are residents of Down Yonder and their guests. If you do not have a pool pass please come to the office and we will provide you one.

Thank you,

Kim would like a moment of your time:

Dear Down Yonder Residents,

I just wanted to take a moment (and hijack a few lines of Debbie's message) to say good-bye and thank you! I've recently left my position as the admin assistant here. I have so many family commitments that require me to be back up north for just too many days.

There will be a new Assistant soon, though I can't guarantee another "Kim" like the last two. You all may have to learn a new name! Please treat whoever it is with patience, as learning the ins and outs of this community can be a bit trying at times.

I've meet some really nice people and dealing with most of you has been a pleasure. Sure, there where bumps in the road and a few difficult situations did occur. But all in all, I've enjoyed my time and will miss (most) of the craziness!

Be nice to Debbie, Joe and Tom. They ALL really work hard to make Down Yonder a lovely place to live.

Sincerely

Well the dog days of summer are upon us, I hope everyone is having a great and safe summer so far. Not many residents In the park this time of year, we're still checking pool passes, so please have them with you, there's a lot of family visiting so it's hard to know who's with who, even though they are supposed to be accompanied by a resident. We're not picking on anyone, so please don't take it personally , some people we've asked will actually tell us they're going home to get them, they get in their car and drive out of the park, (it takes some big ones), so again don't take it personally..

The new signage is starting to be installed and should be completed by the time this is

published. Motion spotlights in the pool area are installed, hopefully keeping the night time frolicking from continuing. Street paving is starting, we just have to be patient with any inconvenience, the new fountain is approved and ordered, now getting bids for electricians to install them.

I set up for Flu shots in the manor house in October, no date set but I'm leaning towards the third week, if you need a shot and cannot get out of the house they will come there, they do all the paper work and submit it for you, saves you a trip to your doctors or pharmacy.

I know no one likes to think about it, but there comes a time in our life when it's going to happen, I'm working with Sun Coast Community Services to come in and talk about pre-planning for the death of a loved one, they explain about transporting the deceased back home, cremation, I guess they have all the answers to the questions no one wants to talk about, that I'm going to wait for until the first week of November.

We are going to try to get a horse shoe league started in the fall, the tree has been trimmed back and we are cleaning up the pits, I think it would give something else to do.

With that being said, everyone have a great rest of your summer and safe travels as you start heading back.

Please keep Mike Conway in your thoughts as he mends from recent surgery. The fall is upon us let us enter this new season with good health and happiness.

Media Deadline

Submitted by Elaine Handrigan

Deadline for October is September 12th.

I would like to post vacation pictures. Please send me either by e-mail or regular mail a picture of where you went on your vacation with a description of where it was taken.

If anyone should see a birthday or anniversary of a resident who is no longer in the park, please notify me. It has been quite hard keeping track of the comings and goings in the park. Your help will be appreciated.

DOWN YONDER NEIGHBORHOOD WATCH PROGRAM

Dave Lipp

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

I am sorry to report that our president, Rev. Pat Evanoff has moved up to Tennessee to be closer to her mother. I will fill in as interim President until December when we can hold another election.

By the time you are reading this we will have had a tasty dinner sitting on the waterside patio at the Madeira Beach legion hall, as well as a yummy lunch at Applebee's, for our August meals together. Watch the board in the library for news about our September outings.

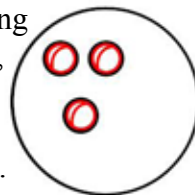

The Talent Show planned for September is postponed until further notice. There is just not enough talent in the park right now! Coming up later this year will be the Pasta Dinner in November and possibly a Craft Fair in December. Right now we are waiting to see if we get enough outside the park participation to make it worthwhile to hold the Craft Fair.

The Cookie Walk and Cookbook ideas have been tabled as of now.

BOWLING:

Submitted by Paula McGuire

We bowl at Liberty Lanes on Starkey at 12:30pm on Weds. Bowling will start on Sept 7th also, due to an increase in the cost of bowling, we are charging \$9 this season.

We hope all you new people will consider joining us for a good time. Please try to be there by 12:15 to allow time to make up groups.

The cephalopods are coming

Don't look now, but cephalopods are on the rise. A team of scientists have determined that cephalopods—sea-dwellers including mollusks, squid, cuttlefish, and octopuses—are increasing their numbers below the waves.

As reported on the Sci-News website, scientists at the University of Adelaide created a database of catch rates for 35 species of cephalopods from 1953 to 2013. They found that cephalopod populations have increased across three distinct groups since the 1950s.

The sea creatures are able to adapt to environmental changes quickly due to their short lifespans, rapid growth, and life-history plasticity. Their growing numbers could have both positive and negative effects: increased pressure on the undersea species they hunt for prey, but also benefits for marine predators who in turn hunt them, as well as humans who harvest them from the sea for food.

Chinese brewed beer in ancient times

Crafts beers are thriving these days, but beer has been around for a long time, scientists say. Researchers in the United States and China have revealed that the Chinese brewed their own beer some 5,000 years ago, much earlier than previously believed.

As reported on the Voice of America website, archaeologists have uncovered brewing equipment in underground rooms in China's central plain region. Traces of ingredients found on the equipment suggests that the ancient brewmasters used a recipe of broomcorn millet, barley, a grain called Job's tears or Chinese pearl barley, and a form of tuber to brew their beverage. The presence of barley 1,000 years before it was believed to have been grown in China suggests that it might have been brought in from other regions, making beer an ingredient in early trade.

Researchers describe the possible taste of the beer as “a bit sour and a bit sweet.”

Science is most significant as one of the greatest spiritual adventures that man has yet known.

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
