From the Manager

Marilyn Sisti

I just wanted to remind you that please respect the maintenance and office staff, it is not acceptable to come in the office yelling or yelling at the maintenance staff, if you have a complaint please come into the office and speak with the staff respectfully, this was particularly noticeable when we had the water main break under the road, I could not believe the yelling at the Admin and myself, that was an emergency water shut off and it took most of the day to fix it because it was under the road and they had to dig up part of the street, the staff did not cause this to happen nor can we foresee when the pipe would be repaired, some residents cannot understand emergencies and become so aggressive, please have some understanding when these things happen.

If you want to purchase another home in the park the office needs to be notified before you purchase, new paperwork needs to be filled out, we need to check to see if you are qualified financially to pay two lot rents.

We will be out doing 360's in the next month, please keep your homes cleaned and free of clutter on your carports, power wash homes and paint if needed. I have received feedback from some of you when I give you a notice that your home needs to be painted and you say you cannot afford it, please understand that you signed rules and prospectus that states your home must be kept up at all times this is your responsibility, if you cannot afford it reach out to your neighbors or call the HOA they may have some ideas who you can get to help.

Reminder, trees on your lots are your responsibility no matter how large, trash has to be put in trash bags then put in trash cans, yard debris will be picked up on Thursdays if it is in a trash bag or bundled where it is not too heavy for maintenance to lift.

I ask for patience when the pool heater is down, it seems that some of you think that it is instantly going to be fixed, we call the pool company and we have to be at the mercy of their schedule when they come out to repair it, has anyone had anything broken down in your home? Is it instantly repaired? Have patience please!

Just a warning, a towing service has been hired by the company to ride all of the parks, they will be looking for cars parked on the street at night, illegal parking, out of date registrations, inoperable automobiles, you will be towed with no notice.

Reminder the clubhouse parking area is not for overnight parking, you need to use your

...continued on page 6

carport, when you purchased your home that is the first item you should have noticed will the carport fit all my cars?

One last item, please remember what your lot rent is, the office gets overwhelmed with residents calling not remembering their lot rent, when you receive your notices in September for rent increases in January please put them where you will find them. Please post your lot rent amount somewhere that you will see it every month, thank you for your cooperation in this matter.

When you put your checks in the rent drop please do not put them in envelopes just drop the check, envelopes are jamming the drop box, thank you.

As always my door is always open, no appointments needed.

Whether it be watching out for suspicious activity, making sure each other’s homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

Employee Spirit Month. The holidays are over, but cold and flu season is still here, tax time is around the corner, and the weather leaves much to be desired. Boost workplace morale and engagement by giving employees a reason to celebrate this month. Cater lunch or provide a tasty snack to show workers how much they mean to you. Spread good news and encourage others to do the same. Whatever you decide, do something. Your staff deserves it.

International Mirth Month. Keynote speaker, author, and self-proclaimed “Jollytologist” Allen Klein developed this month’s theme as a way of encouraging others to find humor in the mundane and stressful occurrences of life. Beat back the end-of-winter doldrums by infusing a healthy dose of mirth to your home and workplace.

Spiritual Wellness Month. Shift the focus to yourself to keep your spirit nurtured, and encourage others to do the same. It can be as simple as pushing back from your desk each day at 3 p.m. to observe a minute of quiet reflection and deep breathing, or creating a meditation station in an unused cubicle where you can retreat to enjoy a few minutes of quiet and space.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. The wisest among us

An African folktale recounts a time long ago when the sky god challenged the spider Ananse to go into the world and collect all of the wisdom available.

“I can do this,” said Ananse with confidence. “I will return in three days with everything you have asked for.”

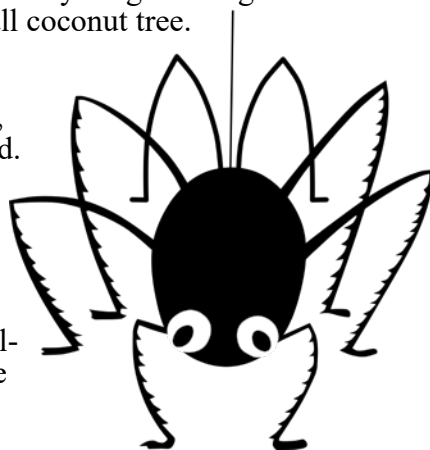

“If you do this for me,” the sky god said, “you will have earned the title for all eternity as the wisest among us.”

With a clear purpose, the spider took his leave and worked tirelessly, gathering all of the wisdom throughout the world in a matter of days. He stored everything in a large urn that he fastened to his back. He rested for a while at the base of a tall coconut tree. This would be his route to return to the sky god.

A curious and growing crowd began to assemble nearby, with many willing to help Ananse carry this tremendous load. “Let us help you, brother,” someone called out.

“No,” Ananse replied. “I am the gatherer and keeper of this wisdom. It is my mission to deliver it to the sky god.”

As Ananse began to climb the tree, the curious crowd followed closely behind. When he reached the sky god, Ananse said, “I have done what you’ve asked.”

He unfastened the heavy urn from his back and, in doing so, stumbled from the weight of his shifting load. The urn fell down to earth and shattered. The knowledge that was tightly packed into it spilled over the ground. The curious followers descended the tree and began to snatch and grab and gather all of the wisdom within reach.

“My wisdom!” Ananse cried.

The sky god said, “Ananse, no one can possess all of the wisdom there is. Everyone is entitled to some, and the wisest among us always share what they have.”

YESTERDAY IS NOT OURS TO RECOVER, BUT TOMORROW IS OURS TO WIN OR LOSE.

Americans prefer to stay at home

Planning a vacation overseas this year? You're not exactly alone, but you're not in the majority. As reported on the NerdWallet website, a survey by Priority Pass found that only 14 percent of Americans plan to leave the United States for a vacation this year. Forty-five percent said they'd prefer to stay in the U.S.

The survey included 10,000 people in nine countries. Overall, 32 percent of respondents said they expect to go abroad for their holidays. Among other travel-related findings from the survey:

- **Americans are least likely to spend a cash gift on travel.** If given \$300, U.S. residents are least likely to use it to help pay for a trip. People in the United Kingdom and Mexico are most likely.
- **Americans spend more on travel.** Although they travel less, Americans have the highest per-person budget for overseas travel.
- **Americans don't share.** Finally, the survey found that Americans are least likely to share their travel memories on social media, or recommend hotels, airlines, and transportation services than residents of other countries.

We're still looking at our phones on the road

We all know the dangers of texting while driving—or do we? A survey of drivers in Philadelphia, as reported on the Fox 8 website, found that 75 percent admit to using mobile devices behind the wheel.

They're not all kids, either. Although 91 percent of millennials reported using a smartphone or other device while driving, so did 79 percent of Gen Xers and 64 percent of Baby Boomers. What are they doing? Reading text messages or emails (48 percent), updating or checking social media (23 percent), and recording videos (18 percent). Only 9 percent of drivers in the survey said they use a "Do not disturb" app on their phones while driving.

Arithmetic is where you have to multiply—and you carry the multiplication table in your head and hope you won't lose it.
