There may be additional violations that are not obvious until the site check is performed, a notice may be left for these violations as well.

So far everything is looking really good and we would like to extend a giant **"Thank You"** to all residents that take pride in their homes and our community.

Resident objection forms—If you have a complaint, please complete a resident objection form and return it to the office, drop it in night drop or give it to Linda Thoma. Please allow two weeks for review and action if any is deemed necessary. Please remember that these forms are for use regarding rules and regulations violated as outlined by the prospectus, we can only take action against these violations. If you do not have a copy of the prospectus please contact the office and we will be happy to provide one to you.

The resident objection forms can be found in the billiards/library in the clubhouse and in the office. These forms must be signed and dated, if all information is not included the form will not be reviewed and will be discarded. These forms can also be used to give someone notice for something well done or to report a problem with park property such as a broken toilet paper holder or a stuck door.

Residents must register their guests that are staying longer than a day visit. The forms are available in the billiard/library in the clubhouse and at the office.

The back gate—First let me say **"Thank You"** to those residents that have volunteered to open/close the gate, it is truly appreciated. This is a courtesy to our residents, it is not a rule or regulation governed in the prospectus. On a very rare occasion that it is not opened in the morning there are other resources to refer too.

Water shut off in the community is a necessity when there is an issue. We have no way of informing you when this is going to happen, from past experiences it lasts anywhere from 5-15 minutes. If it is any longer we will let the HOA know about it. They have put it on your Down Yonder FB page. Before calling the office or Linda, take a look at you community facebook page to see if it is posted. We appreciate your cooperation.

Animals **MUST** be on a leash at all times!!

Please clean up after your pet! We have received several complaints about this at the office. There are 2 pet stations available and a 3rd station is being installed on Basin in the very near future. If you do not walk your pet near a station, please carry your own bags to clean up with and dispose of the bag in any of the several dumpster located throughout the park.

A closing thought: We would love to hear a thank you from the complaints when we cure your issue. It would be greatly appreciated on our end. The multitude of complaints far out way the thank you's and sometimes it is a little stressing.

Thank you to everyone who does say "thank you".

We are going to have work done in the community this year, thank you for your patience.

Have a great month and I look forward to seeing you in May.

Media Deadline

Elaine Handrigan

Deadline for June is May 12th.

Remember, if you have any pictures that you would like to see in the media, either e-mail them to me at ehandrigan@tampabay.rr.com.

Homeowners Association

Linda Thoma

The last meeting for the season of the HOA took place on Tuesday, April 14, 2015. The first meeting for the new season will be October 13th at 7:00 p.m. in the Manor House. I want to thank everyone who came to the meeting. We also want to thank our six (6) new members for joining.

Membership

Membership is important in a community like ours. We need to stand united in an effort to be effective towards the corporation that owns us.

The Homeowners Association is the major group in the community that is the liaison with management and problems within the park according to Florida Statute 723.

Once again, the HOA Board asks everyone to please consider joining the Homeowner's Association when we resume in October, and help strengthen YOUR community!

Manor House: Please remember that when anyone uses the Manor House for any functions, private parties and etc., they also must set things back up the way they were. Also we need to at least look under the tables for any leftover food as we only have someone clean once a week and if food lies on the floor it could cause critters we don't want to see.

Pool – Hot Tub - Please remember that although there are no laws barring small children from the Hot Tub, there are medical recommendations that tell you that the bodies of children up to 10 or 12 cannot handle the heat of the Hot Tub.

Here are just two paragraphs from the warning:

“Another factor is the ratio of skin area to body mass. Children have a much higher ratio than do adults, so they can absorb or lose more heat per gram of body weight more quickly than an adult. As a result, in a hot tub, their internal body temperature will rise more quickly than an adult's body.”

“So what is the effect on a child with an immature hypothalamus having an internal temperature of 104°? The effect is, in some ways, equivalent to a stroke. The child acts normal for a short time, and then suddenly starts to lose consciousness. Even if the child doesn't disappear

beneath the surface of the water and drown, a type of coma is produced. Death can follow very quickly unless the child is entered in to the emergency medical system very quickly.”

Also, children under 12 are not to be left alone in the Hot Tub.

Safety –A quick reminder to be watchful of your surroundings and neighbors. If you see something that doesn't look right please call the police first. If it is a non-emergency contact the office during work hours or me (Linda-330-6059) in the evenings and on weekends. There have been many cases of things being stolen within the park. Please be sure to lock bikes and golf carts up at night. The Largo Police Dept. has suggested that we mark under the seats of both the bikes and golf carts "Down Yonder and your lot number". This way if they are found they can return it to you.

Volunteers are always welcomed and needed for many aspects of the functions that the organizations have during the year. Anyone interested in giving a helping hand please contact either myself or any board member of the HOA, the Community Association or Ladies Auxiliary. We are also looking for late night people to take one week a month to lock up the Manor House and Pool. Please call me or contact our manager if you are able to do this.

TELEPHONE DIRECTORY – For all the new residents, we urge you to have a number listed in our directory for emergency purposes. This will also help our street captains that will ONLY call you in case of emergency situations in the park (i.e. water shut-offs/water boil [when advised by the county], electrical shut downs and etc.) Remember they are only disbursing information for your safety and you should not be calling them for any other information about the situation. Please check the directory at this time to make sure that your name and number are correct. The Directory will be going to press by mid-February, so be sure to check the spelling of your name, phone number and unit number and advise Geri Szczepanowski of the changes.

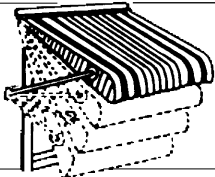

NEW RESIDENTS–We are a community that is governed by a Prospectus which contains the rules and regulations of what is allowed and not allowed, what is expected of the corporation that owns the property and what is expected of us as residents. Please take the time to read your Prospectus and know the rules set forth many years ago. Please remember when you signed your lease assumption you agreed to abide by these rules and regulations.

The HOA wishes everyone a safe and enjoyable summer. We look forward to seeing everyone for our first meeting on October 13th at 7:00 p.m. in the Manor House.

You may call me (Linda) if you have any problems or concerns. Please be sure to leave your name and unit number and your question or concern. This way I can have your answer prior to returning your call. You may also email me at lthoma29@yahoo.com.

Our phone numbers are on Page 4 of your yellow phone directory.

We had our spring dance a few days ago. It was a mix and match dance with prizes given for the "best dressed". We had a new entertainer and most people seemed to enjoy his style. We have requested he play for us for New Year's Eve 2016. We have found that we have to book for New Year's Eve way in advance. We have also found that we are going to have to raise the price we pay for our entertainment as it is getting hard to find someone to play for the \$350.00 we have been paying. Even our old standbys are requesting more money for each engagement.

We plan to add a few activities over the summer months. We will be having a pool party and cookout in June. If you have any suggestions for an afternoon or evening of fun, please let one of us on the DYCA board know. We are always looking for ideas. The pool party is one of the suggestions we received. We are having a cookout for Memorial Day. That will be held on the 25th of May. Please watch for those tickets to go on sale. We will have a cutoff date for the tickets because it involves the planning and purchase of food. We will be sticking to that cutoff date.

For the block party we ended up selling tickets after the cutoff and those in charge had to buy extra food the day of the event. That is not fair to those trying to provide food for everyone. So buy your tickets early.

For those of you that are leaving us for the summer please be careful driving and have a safe trip home.

To everyone, Be safe and be well.

This will be my last report for the spring, someone else will take over for the summer. Happy to report Beverly Clark is doing much better now that she is in the care of her daughter in Atlanta.

Let's all pray for her and Bob Weider have a healthy and blessed summer

Dancing

Barbara Bowdoin Kassel

Line Dancers: So sorry to see the snowbirds head north. We had a good season and a good time this 2014-2015 season. Hope all reach home safely and look forward to seeing them back next fall and winter.

We will be dancing all summer except for brief periods when vacations are taken. We will still dance Monday and Friday mornings at 10:00 AM. Last media was in error when it said 9:30--so please note the time is 10:00. The summer gives us a chance to work more individually, and also to try out new dances.

Come and join us for some good exercise and fun. Ya'll come!!!
