Welcome back to all the snowbirds!

I just wanted to mention that I noticed an article in last month's media from a resident who is giving away seedlings to plant trees, please be aware this is not allowed in the park, if you will look to your Rules and Prospectus no new trees are allowed without authorization from the office, I am not approving any new trees to be planted in the park, we do not need new trees growing as the ones we have are more than enough.

If you have any questions or concerns please call the office.

Media Deadline

Elaine Handrigan

Deadline for December is November 12th. I am looking for someone to take over the media, please let me know.

Home Owner's Association

Sue Arquette

I Hope everyone had a great Halloween. Now we start our holiday season with Thanksgiving approaching.

Our Veteran's Day, November 11th a huge **THANK YOU FOR YOUR SERVICE TO ALL OUR VETERANS**, both Men and women, who are usually forgotten about.

We had our HOA meeting on October 8th with about 40 residents attending. Our HOA membership is now at 165 homeowners residents. This is awesome. By the time we have our November meeting, a lot of our northerners (snowbirds) should back home in our community. Our Welcome Back Dinner will be held on Wednesday, November 13th at 6:30 PM. **No cost to the residents.**

Our liability insurance for the HOA, DYCA and Ladies Auxiliary functions comes due the end of November. I asked our membership if they wanted to table this until November when our northerners return, and the membership said yes. So this will be added to our next meeting.

Rent Negotiations Committee met with ELS on Wednesday, October 16th and they will be giving an update at the November 12th Meeting.

...continued on page 6

The By-laws have been revised and we need to have a special meeting to go over these so we can have our By-Laws updated and ratified. This should have been done back in 2015 but never was. We are waiting for our Northerners (Snowbirds) to return for this meeting. So more residents can participate in this important decision.

The Community Health Fair has been tabled until after the holidays. We hope possibly January or February for this On-Site Screening. There is **NO** cost to the residents.

Our next HOA Meeting will be on November 12th at 7:00 PM at the Manor House.

Stay Safe and Have Fun!!!

Thank you and God Bless to our Veterans!

Down Yonder Community Association

Michael Higgins

New month, new chapter, new page, and new wishes. May the month give you courage, strength, Confidence, patience, self-love & inner peace. May everyday in November fill your days with Hope, love, sunshine and energy. Let there be Joy, Fun and Laughter.

Let's not forget our Koffee Klatch, the first and third Saturday's of the Month, [2nd & 16th], and our pancake breakfast [watch the board out in front of the manor house]. Please come out and meet your neighbors, you know when your breakfast is done when your home, the smoke alarm goes off, our starts at 8:30am.

We will be Cooking Thanksgiving Dinner again this year,[American Style] Thursday November 28th, please sign up in the library, The cost is going to be \$7, dinner and desert, you can't cook soup and a sandwich for that.

The Welcome back Dance will be coming up soon, again watch the board out front.

If your willing and able to volunteer for anything please see me or call me, 727-401-8289 or stop by lot#214. Remember volunteers are not paid... not because they are worthless, but because they are priceless....

Thank You! (Michael Higgins, President DYCA)

DOWN YONDER NEIGHBORHOOD WATCH PROGRAM

Whether it be watching out for suspicious activity, making sure each other's homes are secure when we are away, or making sure all of our neighbors have a place to go in case of an emergency evacuation, our purpose is to help our neighbors. We need to make sure that all of our neighbors can count on others when they need help. Our residents have a part in what happens to the entire park.

You can help by keep your eyes open to anything that does not seem right. Keep an eye on any suspicious activity but if it is a crime DO NOT try to stop it. Contact the Largo Police Department.

If you call the police you should report it to management as soon as possible. When calling the Largo Police you will be asked:

Name, lot# and street, Phone #, location of incident, incident in progress, description of vehicle and tag number.

Down Yonder Village is identified as Location #376B on the Largo Police and Fire Department grid map.

Down Yonder Dance Classes

Barbara Bowdoin-Kassel

We are meeting on Monday and Friday at 10 AM. Come join us.

I am not able to dance at this time, but I do introduce each dance, go over how it is done and provide the music. If there is problems with the dance, I stop the music and go over the problem areas again. It is a bit harder to do this way, but necessary right now. Usually there is someone who knows the dance well enough to lead it so everyone has someone to watch.

Hopefully, when our snowbird friends return it will get a lot better. Meanwhile, I am just trying to keep the class going. Maybe some time in the future I will be able to dance again.

Golf Cart Identification

Please fill out this form and return it to the office, so they can keep track of your golf cart in case it gets stolen. Without this form, Largo Police Dept will have no way of tracking you cart. Golf Cart Identification Form

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Ditch these financial bad habits

Want to handle your money better? Most of us do. The Motley Fool website advises breaking these three bad habits:

- **Paying bills late.** A few days or weeks may not seem to matter, but you'll be hit with late fees, interest, and damage to your credit rating. Do your best to pay all your bills on time. Set up reminders so you're always on schedule. Automatic payment is one reliable option.
- **Accumulating too much debt.** Not all debt is bad, as long as you manage it sensibly and pay it off in a reasonable time. If you can't pay off your credit cards and other debt by the end of the month, set up a budget that helps you monitor and control your spending before debt gets out of control and hurts your credit rating.
- **Not saving.** Putting money away can be difficult, but not saving any money is a mistake. You should have a reasonable cushion in case of emergencies—at least three months' worth of living expenses. Look for ways to cut costs, and set up a separate savings account so you're able to keep track of savings and spending money easily.

When and where to pay cash

Credit and debit cards are convenient, but sometimes you're better off using cash. The Reader's Digest website suggests keeping your card in your wallet in these situations:

- **Tipping.** Tipping in cash instead of adding it to your bill ensures that your server gets the full amount.
- **Farmer's markets.** Many vendors have credit card machines nowadays, but not all of them. And the machines can always go down because of a power outage or spotty Wi-Fi. Keep cash handy so you don't miss out.
- **Minimum purchases.** Coffee shops and other venues frequently have a \$5 or \$10 minimum for credit card purchases. Paying cash ensures you don't buy more than you need in order to meet the minimum.
- **Private transactions.** You want to buy a special gift for your spouse, but you don't want him or her seeing it on a credit card statement. Use cash to keep the transaction secret.

Money and beauty are defenses against the sorrows of this world, but neither can undo the past. Only time will conquer time. The way forward is the only way back to innocence and to peace.

Brainstorming isn't the only solution

Fun fact: The man who popularized brainstorming in the 1940s also touted the benefits of solitude when searching for creative ideas. Alex Osborn's book, *Your Creative Power*, described how he brought a practice he'd seen in a previous job to the advertising firm BBD&O (he's the "O").

"The early participants dubbed our efforts 'Brainstorm Sessions,' and quite aptly so," the book says, "because, in this case, 'brainstorm' means using the brain to storm a creative problem—and do so in commando fashion, with each stormer attacking the same objective."

But he also advised solo thinking. "A good long shower or a hot tub often induces ideas. One reason is that while we bathe we are shut off from distracting influences." And he describes one particularly fruitful effort:

"Once when I faced a hard creative task, I went to an inn over 100 miles away. Not only was I uninterrupted—not only did I get away from routine—but, because I had made such effort to go so far solely to engage in creative effort, my imagination seemed to work far better. The very taking of that trip tended to sharpen my imagination."

Brainstorming can be useful, but it's not the only tactic for sparking your creativity.

An alphabetical guide to inspiration

Is creativity as simple as ABC? Harvey Mackay thinks so. The businessman and bestselling author shared his formula for innovation and inspiration in a column on the Daily Herald website. Here's how his list begins:

- **A: Advertising.** "Expand your brand beyond media-generated advertising. For example, we painted our company name and phone numbers on top of our delivery trucks so they were visible to people who worked on upper floors of tall buildings."
- **B: Bold.** "People are not inspired by ordinary messages, so give them a reason to remember you."
- **C: Curious.** "Curiosity may not have been good for the cat, but it's a winning formula for people."
- **D: Different.** "Don't be afraid to do things that have never been tried before. You have to have enough faith in yourself to trust your instincts."
- **E: Everyone.** "I firmly believe that everyone has the capacity to be creative, if only they allow themselves to be."
