Scott Gralinski President

**G**reetings all!

Spring has sprung and with it comes some decidedly warmer temperatures. April is one of my favorite months to be in Florida!

Looking forward to our community's Spring Picnic on Saturday, April 6th. Julie Brower is the host for this event and I'm expecting it to be a blast of a pool party with a lively game or two of Jenga for all to enjoy. Please come on out and celebrate the season with your friends and neighbors!

Easter falls on Sunday, April 21st this year. Wishing a Happy Easter to all, and hope you are able to celebrate it in whatever way pleases you most. I've personally found it to be an excellent day for brunch and beach :)

As happens every year around this time, we bid farewell and safe travels to our seasonal friends and neighbors as they return north to family and friends. For those remaining here, I hope you are able to get out and enjoy all that Florida has to offer. Best wishes for everyone to have a wonderful summer.

*"Not everyone thinks the way you think, knows the things you know, believes the things you believe, nor acts the way you would act. Remember this and you will go a long way in getting along with people." - Arthur Forman*

## Manager’s Corner

*Debra Puckett, General Manager, East Bay Oaks and Eldorado Village*

As we round the corner to the season, we are working on 360 inspections. It takes time for us to get thru all the homes. But, you can ask us to inspect your home any time. If you are getting ready for your time to go home again, please have this done so you know what needs to be addressed before you leave.

Keep in mind, your weeds and bushes still grow, even if you are not here! So, have someone lined up to take care of this while you are away.

With the towing service started, I am happy to see that the overnight parking has lessened greatly! There are still kinks in the program that we are working on. But rest assured, we’ll all get there if we keep working together!

If there is something reasonable you would like to add to the “Wish List”, please contact your HOA Board and they can compile it and turn in. Remember, reasonable not silly!

I am working on getting the billiards table refelted.

On a final note, again your little four-legged friends are NOT to be using the pool area! Especially for a potty! Remember, we do have video cameras and the guilty dog and it’s owners will be seen!

# 10 April Facts

In the northern hemisphere April is a most confusing month; rainy and wet one day, the next full of a warm promise of green growth to come. Besides the weather, the month is full of surprises and contradictions, prized for rebirth and endings, and a birth month to amazing geniuses and crazed despots both, making fun of astrological predictions.

# April Is Named for Aphrodite

Ken and Nyetta/Flickr/CC by 2.0

April is named after the Greek goddess of love, Aphrodite. In the Roman calendar, the fourth month April is spelled Aprilis, meaning "to open." Festivals which were planned for April included Parrilla, a day celebrating the founding of Rome.

The name *Aprilis*, then, fits April, because in so many places in the northern hemisphere April is the month when trees and flowers begin to bloom and go on to flower.

## April's Zodiac Signs Are Four-Legged Hooved Creatures

Andreas Cellarius/Dominio Público/Wikimedia Commons/CC0

Two signs in the traditional Zodiac calendar fall in April, both of which are domestic animals, quadrupeds with cloven hoofs. People born in the first part of the month between March 21st and April 19th are said to be born under the sign of Aries the Ram, a Sun sign which is ruled by the planet and the Roman god of War, Mars. Those born from April 20th to May 20th are born under Taurus the Bull, an Earth sign who is ruled by the planet and the Roman goddess of love, Venus. No wonder people born on the cusp (between April 19th and 20th) are just confused.

## April's Honorary Flowers are Daisies and Sweet Peas

Garden Photo World/Georgianna Lane/Getty Images

Two flowers signify the month of April: the daisy and the sweet pea. The daisy symbolizes innocence, loyal love, and purity; but it also means "I'll never tell!" The oldest daisy on record is the *Bellis perennis*, known as Daeges eage (or Day's eye) in the Middle Ages because its petals close at night to cover the yellow center.

Today there are more than 90 varieties of flowers that are called daisies, and they come in red, yellow, purple, orange, blue, and pink colored petals,

and vary widely in size. But they are, as director/writer Nora Ephron once wrote, "the friendliest flower."

The sweat pea signifies blissful pleasure, and are used to say goodbye. Sweet peas may be a pretty flower, but they are also one of the oldest food crops on our planet, domesticated by humans about 11,000 years ago.

## The Diamond Is April's Birth Stone

Coal Photography/Alexander Legaree/Getty Images

The birthstone for people born in April is the diamond, one of the hardest substances on earth, and one that formed deep in the earth, even if we don't know how long ago that happened. The word diamond comes from the early Greek word *adamas*, meaning untamable and related to our word *adamant*. That's because the Greeks knew a tough customer when they saw one. Among the earliest historical mentions of diamonds is found in the book of Exodus, where diamond (*jahalom* in Hebrew) is mentioned as one of twelve engraved precious stones set in the breastplate of the high priest.

Diamonds are said to bring all kinds of benefits to their owners, supposedly leading the wearer to experience better relationships and an increase in inner strength. They are supposed to bring balance, clarity, and abundance, and it is symbolic of eternal love and the bringer of wealth to six centuries of the diamond trade.

## Poet William Wordsworth Was Born in April

Nicolette Wells/Moment/Getty Images

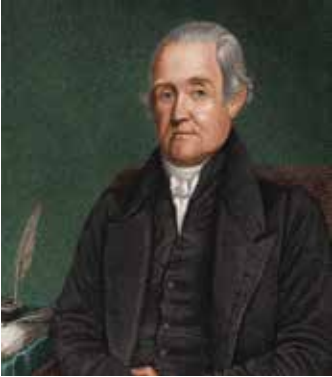

The English poet William Wordsworth was born April 7, 1770, and one of his best-known poems is perfect for April in the northern hemisphere: "I wandered lonely as a cloud," which he first published in 1807. Here's a little snippet for an April day:

- I wandered lonely as a cloud
- That floats on high o'er vales and hills,
- When all at once I saw a crowd,
- A host, of golden daffodils;
- Beside the lake, beneath the trees,
- Fluttering and dancing in the breeze.

## Noah Webster Copyrighted the First Edition of His Dictionary in April

Stock Montage/Getty Images

The famous language expert Noah Webster was a bit of an April fool: one of his dearest wishes was to reform English spelling for Americans, to make it simpler and more obvious. While millions of school children could go for that; Webster's proposals included removing all double vowels. Bread would be spelled bred; friend would become frend; tuf for tuf, laf for laugh, kee for key, and speek for speak. He also wanted us to spell machine masheen, and pique peek.

His successes included changing plough for plow and draught for draft; but if you're a poor speller, you might just peek your frends and attribute that to your fondness for April's Noah Webster.

## Leonardo da Vinci Was Born in April

Dea/R. Bardazzi/Getty Images

What can you possibly say about Leonardo in 100 words? He was a painter, a scientist who painted many pieces of religious art; he was fascinated by the flight of birds and the mechanisms of guns. He was a Renaissance genius for his and any other time, capable of turning his hand to anything. And he was born in April.

## William Shakespeare Born and Died in April

The Elizabethan playwright William Shakespeare was another April genius, born on April 23, 1564, and died on or about his April birthday at the age of 52 in England in 1616. He may have stolen whole plots and plot twists from his fellow playwrights and ancient history, but his prose and poetic output is unmatched for originality and complexity. William Shakespeare is still rightly revered today.

## Adolf Hitler Was Born in April

Just in case you thought that only marvelously talented people and gifted people were born in April, Adolf Hitler, surely one of the most depraved leaders ever, was born in Austria on April 20th, 1889. His brand of crazy involved world domination and extreme mass murder that makes you wish there were a better word than "mass murder." Maybe it was that "cusp" thing.

# A Snippet of a Poem for April by Sara Teasdale

There are so many different poems written for April that it's hard to pick. Here's one from Sara Teasdale, called April Song.

Willow, in your April gown  
 Delicate and gleaming,  
 Do you mind in years gone by  
 All my dreaming?  
 Spring was like a call to me  
 That I could not answer,  
 I was chained to loneliness,  
 I, the dancer.  
 Willow, twinkling in the sun,  
 Still your leaves and hear me,  
 I can answer spring at last,  
 Love is near me!

David Beaulieu
