HOA President

Scott Gralinski President

Greetings, everyone. Another year is nearing a close, and with its passing it is important to remember all that we have to be thankful for. We've all weathered some ups and some downs, but each day ultimately proves to be a blessing in its own way.

Significant December dates include Pearl Harbor Day, observed on December 7th to remember those killed in the surprise attack on Hawaii by the Japanese that precipitated the entry of the United States into World War II. A solemn date, one which, as President Franklin Roosevelt put it, "will live in infamy".

The winter solstice, Friday, December 21st, marks the 2nd shortest day of 2018, the shortest already having occurred on June 21st. The winter solstice does, however, mark the midpoint of the winter season, and ushers in the slow beginning of longer daylight hours. Something we here in the Florida sunshine can very much appreciate!

December also is a month of holidays. Hannukkah, the Jewish holiday celebration also known as the "Festival of Lights", begins at sundown on Sunday, December 2nd, and ends at sundown on Monday, December 10th. The December 25th Christmas holiday, observed by Christians around the world, is on a Tuesday this year. And New Year's Eve, the last day of 2018, falls on a Monday this year.

With a hearty welcome to 2019, I wish everyone a joyful and happy holiday season.
Scott

"Another fresh new year is here, another year to live! To banish worry, doubt and fear, to love and laugh and give!"

Please Don't Poison The Animals

Jennifer O'Connor

No one wants an uninvited critter to make themselves at home, but poisoning has unintended consequences. When we had to pull a dead opossum from under our floor, and she had a poison pellet clenched in her jaws. Besides being an extremely cruel method of killing (animals suffer violent seizures and excruciating pain for extended periods of time while their lungs flood, eventually suffocating them) dying animals will find a dark, dry place - like the underside of your house - to die and decompose. Innumerable "non-targeted" animals can also suffer and die after consuming animals who have eaten poison. Birds in particular die in droves after eating mice and rats who have eaten poison. So please, if you think someone is trying to move in, borrow a live trap (there are several folks willing to loan theirs, ask me), or buy an inexpensive live trap from the hardware store for smaller critters (Have-A-Heart is a good one) and not only save a life, but save yourself a very unpleasant task.

On a related note: If you spot a snake near your coach, consider yourself very lucky! Snakes will keep all rodents far away from your place. Please do not kill snakes and try to get over your fear - they want to avoid you at all costs.

We're in Florida - let's live in harmony with wildlife.

Teddy Bears

By Helga Kelly

Quite a number of years ago, one of our residents, Clarice Carl, started a charity drive with the Roughriders Motorcycle Club, which, during the Christmas Season, collects Teddy Bears for distribution to children in various local hospitals.

Since Clarice moved up north, Walter and I have taken over this worthwhile cause and in the past two years we have collected almost 400 teddy bears through the generosity of our homeowners.

Our goal this year is to exceed the 200 number for one year. We normally bring up this subject during the Saturday Coffee Hour and ask our residents to bring a teddy bear to coffee or to our home, Lot 228. Since we have so many new residents who do not partake in Saturday Coffee and do not know of this charitable cause, I thought a reminder in the Media would be appropriate.

So, if you could, between now and Christmas, find it in your heart to put a smile on a child's face in a hospital, PLEASE, donate a Teddy Bear.

Thank you in advance for your generosity.

EBO WINTER POOL LEAGUE

By Mike Mahoney

Our winter pool league kicks off on Wednesday, Nov 7th at 6:00 PM, in the Continental Room at the clubhouse and every Wednesday after that until April.

The league is open to both men and women, so ladies, don't be bashful - come and join us. We had two ladies play with us last year and everyone had a good time.

The format we play is 8-ball with partners. Partners rotate each week so everybody gets to partner with everyone else on a rotating basis. There is no charge to participate.

At the end of the season, awards are given out at the sports banquet in April. Standings are based on the highest percentage of wins during the year.

East Bay Oaks Clubhouse Activities

Michael Crofts
 FL Licensed Independent
 Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Manager's Corner

Debra Puckett, General Manager, East Bay Oaks and Eldorado Village

We want to welcome all our Northern residents home again! It's been a long hot summer and we look forward to the cooler weather coming in.

As you get settled back in your homes, keep in mind we are having the HAZ to GO again in January. We will post fliers when we have a definite date. So here's your chance to clear out that old TV, paint or other electronics you have been sitting on. All you need to do is take it to Eldorado mailbox location on the specified date and they will haul it off.

Reminder!!! Per your Rules & Regulations, there is NO parking on the streets overnight. Violators WILL be sent to legal. This is not permitted and can be serious safety hazard in an emergency. Also, parking at the Clubhouse is by signed permits only. If the office staff has not signed it, it is not valid! We are working to have the towing enforced. This means **ANYONE parked on the street after a certain time of night will be towed, at your own expense.** This is and always has been in your Rules & Regulations.

While we all love our four legged friends, they must obey rules too! It is your responsibility to be sure they are leashed and picked up after. Again, this is a health hazard! If we receive complaints, even on service or companion animals they will be addressed appropriately. They are not above the rules or laws.

Remember, if you have guests they need to register at the office. As a reminder, your guests are not to bring in their pets when visiting, per your community pet rules.

Let's pull together and make our Communities where everyone wants to be!

Thank You
Debbie

WHAT IS CHRISTMAS?

By Richard Wagner, Kurt Warner

You probably know that Christmas is celebrated on December 25. In the United States, families distribute gifts that Santa Claus left under the Christmas tree on Christmas morning. Many attend church services on Christmas Eve and Christmas morning, and later gather for Christmas dinner with extended family.

Christmas is the observance of Jesus' humble birth to a virgin in a stable in Bethlehem. The holiday also celebrates the events surrounding his birth, such as an angel's appearance to shepherds, telling them to visit the newborn king.

Although the Church doesn't consider it the most important Christian holiday, Christmas is certainly the most popular, at least in terms of cultural and social significance.

The early Church, believing that events later in Jesus's life should be the focus, didn't even consider it all that significant. What's more, when Church leaders first discussed observing the birthday of Jesus, some argued against celebrating it like you would another great person in history. Nonetheless, the Church had enough pro-observance support to mark the calendar.

Neither the New Testament nor any historical record marks the exact date of Jesus's birth. As a result, the Church initially considered many different dates, including January 2, March 21, March 25, April 18, April 19, May 20, May 28, November 17, and November 20. The Western Church first observed December 25 in the fourth century, and eventually Eastern Churches followed suit.

Christmas has its origins as a pagan holiday. December 25 was selected to line up with several pagan Roman holidays that celebrated the winter solstice and worship of the sun.

Most of the traditional customs of Christmas, such as gift giving, tree decorating, light hanging, and feasting, come from sources other than the Church.

The historical roots of Santa Claus come from many sources. The earliest known inspiration for the legend comes from the fourth century in the form of Saint Nicholas of Myra, a Greek Christian figure known for his generosity to the poor.

Mentions of Santa Claus types of figures appear in Germanic lore and various northern European religions that thrived before Christianity took hold. The American version of Santa Claus seems to have originated from a Dutch legend about Sinter Klaas, which settlers brought to America in the seventeenth century. Americans embraced the idea of Santa Claus, who was said to deliver gifts to good boys and girls on Christmas Eve.

To many Americans, Santa Claus embodies the spirit of giving. To celebrate the nature of Santa Claus during the Christmas holidays, many people not only give gifts to loved ones, but they also donate time and money to charities.

Coldest place in the world

You may think it's cold where you live right now—if you're in the northern hemisphere, at least—but scientists have located the absolute coldest spot on Earth. No surprise—it's in Antarctica.

The National Geographic website reports that satellite data have identified an ice sheet in the middle of the southern continent with a temperature of minus 144 degrees Fahrenheit. This breaks the previous record for the chilliest place on the globe—minus 128 degrees, recorded in 1983 at the Russian Vostok Station close to the South Pole. At that low temperature, breathing itself is dangerous—more than a few breaths would make your lungs hemorrhage.

Chances are we won't find any colder places. Increases in greenhouse gases and water vapor in the air have scientists expecting a rise in temperatures across the Antarctic of three to four degrees in the coming years.

Next time around

A student spent a semester abroad to learn about life in a different culture. Each day he left the home of his host family to walk several miles to the school for his classes. Along the way he'd pass a river.

Seated near the bank of the river was an old man. He was there every morning and also in the evening, no matter the time. He was also there on the weekends, sitting and staring off into the horizon, not interested in the comings and goings of the world around him.

After several weeks, the student's curiosity got the better of him. He approached the man and initiated a conversation. Eventually, the student asked the man why he sat by the river all day long.

The man explained that he believed in reincarnation and that his soul had been reborn many times. He said that life was filled with many lessons and that one might be reborn and faced with the same lessons many times before ascending into a different life the next time around.

He went on to say that some lifetimes were good, others were not. "This life is neither beautiful nor challenging, nor interesting nor exciting," the man said to the student. "I'm content to sit out this one."
