HOA President

Scott Gralinski President

Greeting friends and neighbors.

As I write this, it is early January and the recent Holiday season is still fresh in my mind. First and foremost, on behalf of our community, I want to thank Steve Lowe for providing us with what was, without a doubt, the finest Christmas dinner celebration we have ever had the privilege to enjoy as a neighborhood. For all of his efforts, given the adversity of us not having a fully functioning kitchen for the preparations, yet still having made this dinner such a spectacular event, we all owe Steve and everyone who assisted him a huge debt of gratitude.

The New Year's Eve poolside celebration was yet another great success for our Holiday season. Several in attendance said that it was one of the best parties they had ever attended at East Bay Oaks. The photographs posted on our facebook page attest to that! Many thanks to the organizers, Colleen and Tammy Huckins, Shannon Shakespeare and Roxanne Jennings, for what you managed to put together on such short notice was nothing short of amazing.

...continued on page 6

Looking forward, the Annual Meeting of the East Bay Oaks Homeowner's Association is coming up in March. Elections will be held and I urge HOA members to attend this meeting and meet your new Board. Membership in the HOA is \$10 per year, and if you haven't already joined for 2019, please see anyone on the HOA Board and we will gladly process your enrollment. Given the current financial situation we find ourselves in, with significantly decreased funding for our activities from the property owners, it is vital that the community join together and assist the HOA in continuing to provide activities and events that serve to make where we live vibrant, spirited and engaged.

Wishing everyone a great February, with all that Florida gives us when so many others elsewhere are burdened with snow and ice. Cherish and enjoy the sunshine, wherever you may find it!

Scott

“If you want something you've never had you must be willing to do something you've never done.” - Thomas Jefferson

Be ready to rescue

By Jennifer O'Connor

Spring is around the corner and lots of new life will be coming into the world. Unfortunately, well-meaning people with the best of intentions often “rescue” young animals when, in fact, these baby birds and mammals are perfectly fine and their parents are probably foraging for food nearby. In most cases, young wild animals should be left alone. However, when in doubt, please use the following guidelines as to how you can best determine whether a young animal needs help and, if so, what to do.

If you see a wild animal in distress, it is important to resist the temptation to interfere unless the animal is clearly sick, hurt, orphaned, or in immediate danger. In particular, people often mistakenly “rescue” baby animals when their best chance of survival is staying in the care of their parents. Wild animals need help if one or more of the following are true:

- They are clearly injured (e.g, they have a broken wing or leg, they are bleeding, they are unconscious).
- They are caught by a cat, dog, or other predator.
- They are weak and shivering or emaciated.
- They are in immediate danger.

*Fee may vary with complexity of case. If any service, examination or treatment is performed within 72 hours & is a direct consequence of the original advertised full-fee or discounted service, examination or treatment, a patient or any other person financially responsible has the right to refuse, cancel, or be reimbursed for payment of the resulting procedure. Offers may not be combined.

It is not true that parent birds will reject or kill their babies because a human has touched them. Birds have a poor sense of smell and are more bothered by human noises and presence. If fallen nestlings—babies with no feathers, a little fuzz, or pinfeathers—aren't injured, shaking, or weak, cover their heads with a small towel and use clean or gloved hands to quickly place them back into their nest.

If you either can't see or can't reach the original nest, you can make a surrogate home for nestlings out of a small basket, kitchen strainer, or small plastic container with holes punched in the bottom. Line it with shredded tissue paper; don't use cotton, grass, hay, straw (they can cause respiratory problems), or old birds' nests (which can contain parasites). Hang it in a sheltered place that is not accessible to cats or dogs and is close to the original location. Watch quietly from a distance for several hours to make sure a parent returns. If a nestling is injured, weak, and shaking or if his or her parents do not return, **do not offer the animal food or water and please do not attempt to care for the animal yourself.** Contact a wildlife rehabilitator and arrange transport to a licensed facility immediately—every second counts! Here's how: <http://www.fwra.org/injuredwildlife.html>

Let's Recycle Smart

A ddendum to Recycling Issues: People are putting obvious GARBAGE in the recycling bin, including piles of broken ceiling tiles, hoses, garden clippings, clothing, sheets, pillows, Styrofoam "popcorn" and egg cartons, etc, and most of all, plastic bags. I had to stop a guy from attempting to jam in a mattress the other day! Use the large dumpster for garbage, debris, construction materials, garden clippings, etc.

Plastic bags of any kind - garbage, grocery, sandwich - contaminate the load and get caught in the sorting gears. Please do not put plastic bags in the recycling bin - empty your things and take the bag with you.

You **CAN** recycle:

- Aluminum, steel and tin cans.
- Flattened, clean cardboard - including boxes and boxboard (cereal, rice, dried good boxes).
- Milk, cream, soy milk, half-and-half cartons.
- Glass bottles and jars. NO OTHER types of glass, including broken dishes or lightbulbs.
- Newspaper and mixed paper. NO shiny wrapping paper.
- Plastic bottles #1-7 (code is on the bottom). NO OTHER broken plastic. NO straws! NO used coffee pods.

You **CANNOT** recycle:

- Styrofoam of any kind. Publix has green bins outside their doors for that. Publix also has bins for plastic bags.
- No plastic bags, wrap, packaging or film.
- No paper towels, plates, cups, tissues or wax paper.

EBO WINTER POOL LEAGUE

By Mike Mahoney

Our winter pool league kicked off on Wednesday, Nov 7th at 6:00 PM, in the Continental Room at the clubhouse and every Wednesday after that until April.

The league is open to both men and women, so ladies, don't be bashful - come and join us. We had two ladies play with us last year and everyone had a good time.

The format we play is 8-ball with partners. Partners rotate each week so everybody gets to partner with everyone else on a rotating basis. There is no charge to participate.

At the end of the season, awards are given out at the sports banquet in April. Standings are based on the highest percentage of wins during the year.

EAST BAY OAKS HOMEOWNERS ASSOCIATION

ANGEL FUND

Thanks to the generosity of numerous EBO residents a fund has been set up to help neighbors attend a variety of the park's social events from luncheons, to dances or socials or trips. Donations are still being accepted for a specific person or event or general donation, but we are also looking to distribute the funds. Nominations will be kept anonymous and may be given to anyone on the EBO Board or Sue Cooper #166.

NOMINATION FORM

I would like to nominate for the fund: _____

The activity I'd like them (or I) to attend: _____

Please nominate at least 2 weeks prior to deadline for event

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Manager's Corner

Debra Puckett, General Manager, East Bay Oaks and Eldorado Village

Welcome to 2019! We are looking forward to a progressive year ahead. I hope that everyone has had a safe and joyful Holiday Season.

In the next few weeks we will be doing site inspections.

So, if you know of a resident that is unable and needs help, please reach out

And give them a hand. Something as small as pulling weeds is a big deal to others.

We are working closely with code enforcement to ensure that homes are not in violation.

Remember, you cannot just build a shed or other item without property approval and any permits needed. You may end up in court otherwise!

We are working on the schedule for paving this year. Notices will be posted as to when.

February Facts

The 2nd month of the year brings us George Washington's Birthday, Valentine's Day, and the shortest month of the year.

In the Gregorian calendar, the calendar that most of the world uses, February is the second month of the year. Most of the months have 30 or 31 days in a month but February is shorter. February has 28 days until Julius Caesar gave it 29 and 30 days every four years. This is because the Roman emperor Augustus took one day from February and added that to August because August was a month that was named after him. February is a very cold month followed by January in the northern half of the world. However, there are sunny days in February that indicates that spring is almost here. Different from the northern half, the southern hemisphere usually enjoys midsummer weather.

Below are some fun facts about February:

1. The birthstone for February is Amethyst.
2. Two zodiac signs for February are Aquarius (January 20 - February 18) and Pisces (February 19 - March 20)
3. The month has 29 days in leap years, when the year number is divisible by four. In common years the month has 28 days.
4. Viola (plant) and the Primrose are the birth flowers.
5. Black History Month is celebrated in Canada and United States.
6. National Day of the Sun is celebrated in Argentina.
7. In order to complete the Soviet Union's victory in Stalingrad during World War II, the last German troops surrendered in the Stalingrad pocket.
8. On February 4, 1861, a temporary committee met at Montgomery, Alabama where they organized a Confederate States of America.
9. On February 6, 1933, Amendment 20 to the United States was proclaimed which moved the Inauguration Day to January 20th.
