**G**reetings and Happy New Year, East Bay Oaks!

I'm hoping everyone enjoyed a pleasant and joyous holiday season. As the new year begins, we can reflect on the good times we experienced in 2018, as well as the hardships many of us endured. My hope is that 2019 will bring everyone the strength to face the challenges we all face on a daily basis, and a sincere appreciation for the blessings that are in abundance.

As we look forward to this new year, there are a number of events on our social calendar that are worth highlighting. The Friendship Dance is on January 18th, with musical entertainment by Stefan again this year. Pancake Breakfast is on the first Sunday of each month, with a special "Superbowl Breakfast" on February 3rd. A Carport Sale is set for February 16th, and we will be advertising it in the Monthly Media. An International Dinner will be on February 22nd. On March 17th there will be a St. Patrick's Corned Beef Dinner, always a great event. The Spring Fling Dance is on March 30th, with musical entertainment provided by the ever popular Carlo! April 13th is the date for our Spring Picnic - bring your appetite and expect to have a

*...continued on page 6*

wonderful day, as each year this party gets better and better. On a date yet to be determined, we are hoping to have "Elvis In The House". Recently, our very own Elvis 'aficionado' Pat Tymchuk raved about a new Elvis impersonator she saw perform at the Largo Moose Lodge. We are hopeful that, if there is enough interest, we will be able to book an appearance of "The King" sometime in March.

Also, Eldorado Village is going to be busy these next few months, hosting a Chili Cook-Off (January 26th), a White Elephant Sale (February 2nd), a Valentine's Dance (February 16th), Casino Night (February 23rd), and a St. Patrick's Dance (March 15th). East Bay Oaks residents are welcome to attend, thanks to our gracious neighbors.

I, for one, am very much looking forward to the New Year. May we all be happy, healthy and thankful for all that we have!

Scott

## **Recycling is ruined when ...**

---

... you put garbage in the dumpster meant for recycling. That includes sheets and pillows or old clothing, construction debris, any **plastic bag of any kind** (garbage, grocery, sandwich) and any obvious trash. The last time I threw in my cans, bottles and newspapers, there were piles of all of the above and that means the entire container is contaminated and will be trashed.

Please: Garbage in the garbage dumpsters, recycling **ONLY** in the proper bin.

## Keep uninvited guests out

By Jennifer O'Connor

If ants or cockroaches are calling your house “home,” there’s no need to resort to cruel and toxic pesticides or traps. Like all animals, these tiny beings suffer when they are poisoned, trapped, or otherwise killed. Pesticides can be hazardous to humans and other animals and, like all killing methods, don’t solve the problem, since more insects will soon move in to fill the vacancy left by those who were killed.

Humane control methods—including removing food and water sources, sealing entry points, and repelling insects with safe and natural substances that you probably already have in your home—are much kinder and will keep “uninvited guests” out for good.

**Ants:** A product called Orange Guard is a nontoxic organic ant repellent that is harmless to humans and other animals and will drive ants away from areas where they are not wanted. However, when applied directly to ants, the active ingredient d-Limonene (orange peel extract) destroys the waxy coating of the insects’ respiratory systems, causing the ants to suffocate, so please do not spray ants with the repellent. Simply spray the repellent around your home—the citrus fragrance of d-Limonene will repel the ants without killing them.

If ants are coming in the cracks of doors and windows, put a cinnamon stick, coffee grinds, chili pepper, paprika, cloves, or dried peppermint leaves near the openings. You can also squeeze the juice of a lemon at the entry spot and leave the peel there. Planting mint around the foundation of the house will also keep ants away. Place cloves of garlic around indoor and outdoor ant pathways

**Roaches:** Once you have taken away food and hiding places for roaches, you can place bay leaves, cucumbers, garlic, hedgeapples, or catnip in high and damp spaces around your home to repel them.

# EBO WINTER POOL LEAGUE

By Mike Mahoney

Our winter pool league kicked off on Wednesday, Nov 7th at 6:00 PM, in the Continental Room at the clubhouse and every Wednesday after that until April.

The league is open to both men and women, so ladies, don't be bashful - come and join us. We had two ladies play with us last year and everyone had a good time.

The format we play is 8-ball with partners. Partners rotate each week so everybody gets to partner with everyone else on a rotating basis. There is no charge to participate.

At the end of the season, awards are given out at the sports banquet in April. Standings are based on the highest percentage of wins during the year.

## EAST BAY OAKS HOMEOWNERS ASSOCIATION

### ANGEL FUND

Thanks to the generosity of numerous EBO residents a fund has been set up to help neighbors attend a variety of the park's social events from luncheons, to dances or socials or trips. Donations are still being accepted for a specific person or event or general donation, but we are also looking to distribute the funds. Nominations will be kept anonymous and may be given to anyone on the EBO Board or Sue Cooper #166.

## Manager's Corner

Debra Puckett, General Manager, East Bay Oaks and Eldorado Village

---

Happy New Year!

We want to welcome all our Northern residents home again! It's been a long hot summer and we look forward to the cooler weather coming in.

As you get settled back in your homes, keep in mind we are having the HAZ to GO again in January. We will post fliers when we have a definite date. So here's your chance to clear out that old TV, paint or other electronics you have been sitting on. All you need to do is take it to Eldorado mailbox location on the specified date and they will haul it off.

Reminder!!! Per your Rules & Regulations, there is NO parking on the streets overnight. Violators WILL be sent to legal. This is not permitted and can be serious safety hazard in an emergency. Also, parking at the Clubhouse is by signed permits only. If the office staff has not signed it, it is not valid! We are working to have the towing enforced. This means **ANYONE parked on the street after a certain time of night will be towed, at your own expense.** This is and always has been in your Rules & Regulations.

While we all love our four legged friends, they must obey rules too! It is your responsibility to be sure they are leashed and picked up after. Again, this is a health hazard! If we receive complaints, even on service or companion animals they will be addressed appropriately. They are not above the rules or laws.

Remember, if you have guests they need to register at the office. As a reminder, your guests are not to bring in their pets when visiting, per your community pet rules.

Let's pull together and make our Communities where everyone wants to be!

Thank You  
Debbie

# January

---

"The name, given to the month of 'January', is derived from the ancient Roman name 'Janus' who presided over the gate to the new year. He was revered as the 'God of Gateways', 'of Doorways' and 'of the Journey.' Janus protected the 'Gate of Heaven', known as the 'Lord of Beginnings', is associated with the 'Goddess Juno-Janus', and often symbolized by an image of a face that looks forwards and backwards at the same time. This symbolism can easily be associated with the month known by many as the start of a new year which brings new opportunities. We cast out the old and welcome in the new. It is the time when many reflect on events of the previous year and often resolve to redress or improve some aspect of daily life or personal philosophy."

- Mystical WWW

The Roman Senate, in 153 BC, declared January 1st to be the beginning of the new year. During the Middle Ages, the Church remained opposed to celebrating New Year's Day - it has only been celebrated in the western world for about 400 years.

"January is named for Janus (Ianuarius), the god of the doorway; the name has its beginnings in Roman mythology, where the Latin word for door (ianua) comes from - January is the door to the year. Traditionally, the original Roman calendar consisted of 10 months, totalling 304 days, winter being considered a monthless period. Around 713 BC, the semi-mythical successor of Romulus, King Numa Pompilius, is supposed to have added the months of January and February, allowing the calendar to equal a standard lunar year (355 days). The first day of the month is known as New Year's Day.

Although March was originally the first month in the old Roman Calendar, January assumed that position beginning in 153 BC when the two consuls, for whom the years were named, began to be chosen on January

1. The reason for this shift of the new year into the dead of winter was to allow the new consuls to complete the elections and ceremonies upon becoming consuls, and still reach their respective consular armies by the start of the campaigning.

Various Christian feast dates were used for the New Year in Europe in the Middle Ages, including March 25 and December 25. However, medieval calendars were displayed in the Roman fashion of twelve columns from January to December. Beginning in the 16th century, European countries began officially making January 1 the start of the New Year once again, sometimes called Circumcision Style because this was the date of the Feast of the Circumcision, being the 8th day from December 25."

## Monthly

---

**Financial Wellness Month.** Are you saving enough for retirement? Are you saving at all? Will you owe the IRS money this year toward your 2018 taxes? What are your financial goals for 2019? These are just a few of the questions to ask yourself while you review your spending habits and determine your preparedness for any "rainy days" ahead.

**Get a Balanced Life Month.** It's the start of a new year. Use this new beginning as time to review, reconsider, streamline—and maybe even eliminate—the unnecessary commitments, responsibilities, and activities that fill your days.

**Get Organized Month.** It's cold outside, and more than likely you're spending more time indoors fretting that there's nothing to do. Here's an idea: Don't wait for spring to purge your work and living spaces of unnecessary clutter and unused or unwanted items. There's no better time than the present to restore a sense of order to your life.

**Learn to Ski and Snowboard Month.** If saying "yes" to new adventures tops your to-do list this year, why not start things off right by developing your ski legs? Go online to [learntoskiandsnowboard.org](http://learntoskiandsnowboard.org) to find information on destinations, deals, and other considerations.

## Wasted days

---

A man was diagnosed with a rare but fatal illness and was told he had one year left. Because he believed he had nothing to live for, he refused treatment, quit his job, withdrew from the company of family and friends, and began to drink heavily and adopt other self-destructive behaviors.

Two years later the man realized he'd outlived his initial diagnosis. He made an appointment with a new doctor, who ordered lab work and a battery of tests. The results were shocking: He'd been misdiagnosed.

As he sat in the doctor's office trying to make sense of the news he'd received, his thoughts turned to how he'd been infected with hopelessness and wasted his days over the past few years. He knew he could never reclaim that time, but he vowed to live a more purposeful life starting that day.

He stopped drinking and took an active role in maintaining his health. He returned to work and spent time with family and friends. He even made the effort to do things that he'd always dreamed about.

His advice to those who might be sick or troubled or simply down on their luck is to make every day count for something meaningful and good. Life is too precious for wasted days.

## It's all about the journey

---

Inspirational author and minister Steve Goodier often shares a version of this story to remind us to enjoy the journey as we set out to explore our horizons.

Armed with shovels, two young boys were hard at work, digging a hole in the corner of their backyard. Their older siblings came over to find out what they were doing.

"We're explorers!" one of the youngsters shouted. "We're digging a hole to the center of the earth."

Their older siblings began to laugh. One said, "I hate to tell you this, kiddo, but you won't make it."

"You'd need a lot more than those shovels if you really wanted to go deep into the earth," the other sibling added.

"It doesn't matter," one of the younger boys replied. "We may not get far, but we sure did find some treasures."

In his outstretched palms were a live worm, a shiny rock, an old skeleton key, and a nickel.
