Summer officially begins on June 21st, though we have indeed been experiencing summertime weather for quite some time now. Hope everyone is able to make the best of the season, find enjoyable activities to engage in and attempt to remain as comfortable and as cool as possible.

Our annual 4th of July Picnic, hosted by Tammy and Colleen, promises to be an outstanding event. Great food and festive musical entertainment!

Over the summer season, Colleen will also be hosting Shuffleboard on Saturday evening at

...continued on page 6

7pm. Everyone is invited, it is purely for fun and novices are encouraged to attend.

We will be holding Bingo here in East Bay Oaks through the summer, each Wednesday evening. Tickets are on sale between 5:45 and 6:30pm. First call is at 6:45pm. Many thanks to Colleen for all of her efforts, past and present, with making EBO Bingo a fun experience! The fall season is sure to bring some exciting surprises.

Please check the bulletin boards at the mailboxes and inside the clubhouse for all of the upcoming summer events.

For anyone travelling over the summer, please be safe and have a wonderful time.

Scott

Social Director

Susan Cooper

As your Social Chairman this year, I've enjoyed working with an incredible number of volunteers who have stepped up to organize, promote and host a variety of fun parties, breakfasts, dinners, trips, a craft fair, and even a dog parade. But none of those events would have been successful without the support of our community members who have attended and enjoyed each special time.

We will miss some of our long time hosts, who have moved this spring like Glenda Conant and her fabulous "Bake Potato" dinner, and Hilary and Andy Vavasour who's Valentine Dance with the King and Queen have been a real hit with everyone. We will miss you all, and come visit us often.

Coming in the fall through next spring will be some new events that will be detailed in coming months. In addition we are combining efforts with our neighbors at Eldorado to host events that will be very successful instead of simply breaking even. A dance of 80 -100 is much more fun, than 30 -40 people and can keep costs down so more activities can be planned.

I will be returning mid October once my summer job in Newport is over, but I can be reached at coopsull@gmail.com until then.

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Manager's Corner

Debra Puckett, General Manager, East Bay Oaks and Eldorado Village

We will be working on several projects during the summer months.

Eldorado Village pool will be getting worked on this summer starting in June.

Please be welcoming and patient as they us the East Bay Oaks pool.

We are hoping to have the kitchen completed with the suppression system by September or sooner. This is a long process we must go thru.

I hate to keep repeating myself, but you CANNOT park on the front lawns of your lots. I have sent several notices and this still happens. We are trying to improve the complexion of the community. And this takes assistance from all our residents. Help us help you!

Just a reminder, that ALL residents need to have their pool pass when at the pool. If you do not have it on or with you, do not be offended if someone asks. This is to protect you as a resident. Also, to be sure outside people are not freely using our pools.

Remember, if you have guests they need to register at the office. Parking overnight at the clubhouse is NOT permitted without a pass from the office. Any vehicle that is unregistered on the property will be turned over to legal. This is in violation of your Prospectus & Rules. It is also required by the state.

Thank You
Debbie

June Fun Facts

Did You Know?

There is a term called, June Bug, which is given to many large bugs found in the United States, during May and June. The bugs get this name because the transition of larva to adult happens in this month. These are usually seen in the dark when they are attracted to light.

June is the sixth month of the year, according to the Julian and Gregorian calendars. The name of the month comes from the Roman goddess Juno, who was the wife of Jupiter. She was the goddess of marriage. This month is special because it has the longest day hours in the Northern Hemisphere and the longest night hours in the Southern Hemisphere. Another special thing about this month is that no month starts on the same day of the week, in common or leap years.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
