The month of May is upon us and most all of our Northern friends have headed home or to other destinations. What a wonderful season we have had here at East Bay Oaks. So many activities, many new friends, all of the outings, the sports adventures and all the food. Seems we can never get together without delicious food. The last six months have just been fantastic in getting to know so many new people, experiencing other traditions and sharing lots of laughs and hugs. It's been a real treat to get to know some of the folks that have lived in the park for several years that I never really knew. Living in a community like this has so much to offer if we just get out of our comfort zone a little and take advantage of what is in front of us. A smile, a handshake or a hug goes a long way because you never know what the other person is going through. Take a few minutes to get to know your neighbor, who knows, you may really have a lot in common.

Now things will be somewhat quieter as we prepare for our long hot summer. The good news is we have the pool and beach right at our fingertips. It can't get much better than that. As always, the Summer will still have activities for us full time residents so let's get out and support those that devote their time and effort in helping make our Community a great place to live by hosting events.

Last month I encouraged everyone to familiarize themselves with the park's Rules and Regulations. I applaud everyone that has taken the time to read and understand your Rules and Regulations and a bigger applause to those that have taken steps to correct some things that weren't in alignment with the Rules and Regulations. You never really know how much you may be helping your neighbor by simply adhering to what you initially agreed to do. If you are uncertain about any of the Rules & Regulations, please do not hesitate to ask Management. When living in a small community such as ours, breaking the rule and later asking for permission does not work. Please let's make everyone's life easier and just follow the rules. Just as a heads-up, the Pinellas County Watering Schedule / Restrictions for 2016 is currently online. Please go online to <http://www.pinellascounty.org/utilities/water-restrict.htm> to verify your scheduled day and time. This information is also posted in the Clubhouse and on the East Bay Oaks Facebook page.

I hope everyone has an enjoyable Cinco de Mayo, a wonderful Mother's Day and of course, an honorable Memorial Day which is the American holiday observed on the last Monday of May to honor men and women who died while serving in the U.S. military. Let's all try to get outside and enjoy some beautiful Florida weather before it becomes too hot. Until next month, take care and enjoy all that life has to offer!

MANAGER'S CORNER

Deb Puckett

I want to thank everyone for the wonderful clean up in the communities! Regional was here and we got a big "Nice Job"! So thank you, we cannot do this without you. Thank you, Will Bracey, for giving your time to assist with them. I know you took unnecessary flack about this.

In recent weeks we have been tagging autos that are illegally parked. Some of you have blatantly disregarded these notices. I have had several complaints about this and it takes too much time from my schedule everyday to deal with them. Read your rules & regulations! It clearly states no parking on the streets, grass etc. These rules are meant for ALL residents, not just the ones who follow them. If you are parking your second vehicle at the Clubhouse, this will stop, or it will be towed legally! You have a driveway, put your car there. If you are driving a commercial vehicle, again read the rules & regulations, no commercial vehicles. Tag numbers are being recorded going forward. If this continues, you will be turned over to legal for rules violations and risk getting your vehicle towed at your expense.

On a positive note, as the season comes to a close we hope everyone will be back in the fall. Thank you to all the people that have made this season great! David MacAskill, for the

wonderful job you do with all the events. All the volunteers that jump in there as well.

Have a wonderful and safe summer!

Thank You
Debbie

Volunteer Appreciation Luncheon

David MacAskill

Thank you to everyone that attended our first volunteer appreciation luncheon.

When I took over this time last year, one of my objectives was to focus on bringing the Community together. I had a sense that there was a lot of segregation, hurt feelings, and a lot of bad history. I was hoping to focus on the positive, give people a lot of options, welcome them with a smile and try to be as flexible and helpful as possible. I also wanted those that volunteered

to have a voice and a feeling of accomplishment and that good feeling when you know that your efforts are making a difference in the Community. I approached Glenda who was HOA President at the time and pitched the idea of doing something nice for our volunteers and the

idea of a luncheon was born.

We had a volunteer appreciation luncheon as a way of recognizing you, our volunteers for the tremendous efforts that you put into making East Bay Oaks a great place to live and play. When we talk about recognizing volunteers, we sometimes confuse "recognition" with "appreciation." These are not the same things and do not always go together, however, the common denominator is "acknowledgment." It's nice to have a luncheon like this to thank those of you that volunteer. It's our way of acknowledging you and to say that we appreciate all that you do and we recognize the many long hours that you contribute to our Park. Without you we wouldn't have such a vibrant Community.

In my opinion, the sincerest form of recognition is to see one's ideas put to use. For volunteers, recognition means feeling that your efforts make a real contribution. I can say thank you a million times, but if you sense that your efforts are wasted, you will never feel good about your volunteer work. I hope that other's get inspired just as you have to host an event, to sign up for lock-up duty; to sell bingo cards; to cook hotdogs at our picnic; to sell tickets; to host or MC or to make coffee; to clean the kitchen or to keep it stocked; to decorate or move tables; to wipe down the tables to keep them clean; to organize the library; to clean the BBQ's; keep the shuffle courts clean; lead the pool exercises; sit on the HOA; to just name a few ways you all volunteer and the list goes on and on.

You are all inspiration and set an example for the rest of the residents and the luncheon was our way of thanking you for all you do.

BINGO

Ernie Ranger

Bingo will resume again in November. If you have any comments or suggestions to help make Bingo a better experience, please email me (jranger67@live.ca) or drop a note off in the suggestion box in the Clubhouse. I'd love to hear from you.

**Become
a
sponsor!**

The East Bay Oaks Shuffleboard Team is currently looking for a sponsor for the upcoming season. They are in desperate need of new team shirts, which is what they need sponsored. If you know of any business that would like to have their name on the EBO Shuffle

Shirts, as well as shameless promotion whenever possible, have them contact Ernie Ranger at jranger67@live.ca.

Telephone Directory

Will Bracey

It's that time of year again to ensure your contact information in our upcoming EBO August Park Directory is correct. **The deadline for directory changes is June 15, 2016.**

Ask yourself:

- Have I changed telephone numbers?
- Do I want my cell phone or land line number printed in the directory?
- Have I moved to a different lot?
- Has anyone moved in with me that needs to publish their number?
- Has my email address changed?

If all of your information is already correct in the August 2015 directory, no action is needed. If you answered yes to any of the above questions, you will need to notify David MacAskill or Ernie Ranger with your new contact information. You can reach David at dsmacaskill@gmail.com. Ernie can be reached at jranger67@live.ca. In the event you can't reach them please feel free to reach out to me and I will get your information to them. I can be reached at willbracey@aol.com or (727) 482-4445.

Having an up-to-date directory is very important to all of your friends and family in the park so they can reach you. All of us know how frustrating it is to try to call a friend and calling the published number results in a disconnect recording or wrong number.

Thanks for keeping your contact information up-to-date.

THE SOCIAL COMMITTEE

David MacAskill, Social Director

Well another season has come and gone. It was a wonderful year, full of events, which were very successful and well attended. We have seen record numbers of residents coming out to support our events. We had many people hosting events for the first time and had such successful turn outs. Bingo saw attendance soar to numbers not seen in this Park in many many years. The upcoming year promises to be another stellar year, chalk full of some old standards, such as Christmas Dinner, Valentines and St. Paddy's Day to name

...continued on page 14

just a few, as well as new events that are sure to bring a smile or two. If you have any ideas or suggestions please feel free to contact me. We always bring up your ideas at the Social Committee. If you are interested in attending a social committee meeting, they are held periodically through the year. The next one will be in early November. Also remember to always watch your EVENTS BOARD in the Clubhouse. It is always up to date with the latest happenings around the Park and of course read your monthly media. Please note for future reference, that the BBQ's are for Clubhouse events only and not an amenity for residents. There is also a change in the procedure for clubhouse bookings. If you need to book the Clubhouse, you must contact the office with the specifics of your request. The office will administer the signing of a contract along with the securing of a deposit.

Thank You to ELS Management

David MacAskill

As our season slowly draws to a close and Snowbirds start thinking about flocking back North, and our winter activities come to a close, I want to take this opportunity to formally say thank you to Debra Puckett for all of the support and encouragement that she's given me over this past season.

Being new in the position as Activities Director, I was very apprehensive given my past experiences here in East Bay Oaks. I knew that I had a challenge ahead of me and in order for the Community to become rejuvenated, it would mean making some changes. When changes are introduced, people become reluctant and set in their ways and change is often met with resistance.

I have to say that I have been pleasantly surprised. It has been a very successful season with record numbers of residents participating in our events. I've made it my mission to ensure that everyone is made to feel welcomed, is able to participate and that every voice gets heard.

Having residents tell me that they feel a change in the Community this year, that it feels revitalized, energized, more positive than ever before and charged with excitement makes everything that I do worth while. When I have long-term residents tell me that an event that they attended was "the best" that they've been to in a long long time, it puts a smile on my face and gives me a sense of accomplishment.

I couldn't have done any of it without Deb's support and her sense of what a Community is. I truly appreciate what she has done, and I look forward to working with her again next season. I think we all have a wish that this Park be the best that it can be, and working together, we all can accomplish that.

Getting to Know Peg Hamlin

As Peg Hamlin would say “#1 in the Park #1 in your heart”. Peg is formerly from Michigan but now has called Largo her home since June 2015. She was born in Fremont, MI, Gerber Baby Food Capital of the World. Her family consists of a 6 year old Boston Terrier named Navin. Peg has an exuberance for life. She has seen too much sadness not to take each day by the Kuhunas and Live!!!

Coffee or tea?	Coffee with flavored creamer or Baileys
Favorite Food?	Mexican
Favorite Book?	“Living, Loving. Learning” by Leo Buscaglia
Favorite Movie?	“The Jerk” with Steve Martin
What kind of music do you like to listen to?	All kinds, favorites R&B, Motown, Earth, Wind & Fire, Commodores
What trait in people do you most admire?	Positive attitudes, glass half full, partly sunny etc.
What is your pet peeve?	Don’t tell me that you are going to do something and don’t do it!

Where is your favorite place to travel?	So far Jamaica. Would one day like to travel to Italy
How do you spend your leisure time?	At the beach/pool with friends, walking on the beach, crossword puzzles, playing/snuggling with Navin; watching movies, going to sporting events
Favorite thing about living in EBO?	The people! The sense of Community, the changes, and the activities – it all makes me feel a part of a great place to be.
Occupation/Profession?	I've been in education all of my life but retired when I moved down here in 2013. I have 2 Master's Degrees; One in Administration and One in Leadership, so even though I may come across as crazy and ditzy to some, there is a bit of intelligence in there!! I loved teaching/working with students, but working in administration had its downfalls.

Clubhouse Bookings

David MacAskill

Please note that from this point forward, all Clubhouse booking (requests to use the clubhouse for private events) are now being handled by the office. The office will administer the signing of a contract, if applicable, as well as the securing of a deposit.

Keep in mind these top four fraud prevention tips to ensure you aren't the next victim:

1. Be vigilant - ask questions!

The more questions you ask, the more likely scammers will not have the answers, and you can catch them in their lies before they take advantage of you.

2. Don't give money to get money.

Legitimate sweepstakes companies do not require you to pay anything - fees, shipping, or prepaid taxes - to receive the prize you "won." If it sounds too good to be true, it probably is.

3. Research, research, and more research.

The Internet is a valuable tool. If you aren't the first person a scammer has tried to swindle, others have likely shared their experiences online. If the scammer claims to be from a legitimate company, hang up, and directly call the company to determine legitimacy.

4. Don't provide credit card information via telephone.

And be wary if someone demands you transfer funds via a prepaid debit card (e.g., Green Dot, Pay Pal, Visa Vanilla, etc.) - because they aren't traceable, they are a scammer's best friend.

When in doubt, call law enforcement!

Wednesday Night Social Hour

Peggy Hamlin

Since Summer is here and Wednesday night Bingo is on a hiatus, come join us at the Clubhouse for the "Wednesday Night Social Hour". No sense in sitting at home on Wednesday night with nothing to do. We want everyone to continue to enjoy each other's company in a social setting throughout the summer. We will get together every Wednesday evening at 6:30pm to play "Card Bango" and/or "Left, Center, Right" (LCR). You only need \$2.50 in quarters to play. Be sure and bring your own drinks and snacks or you can bring some to share with the group. Our goal is to continue the Social Hour until Wednesday night Bingo starts back up in November. Please contact Peggy Hamlin at (727) 710-4821 for more information.

Caregiving has its rewards

As Americans live longer, families are feeling a heavier burden in the caregiving area. The Bureau of Labor Statistics estimates that some 40.5 million Americans are acting as unpaid caregivers for older family members. Most just help one person, but 22 percent are responsible for two people and 7 percent provide help to three or more. Most caregivers are between the ages of 45 and 64 (23 percent), but 17 percent of people older than 65 act as caregivers as well.

The demands may be high, but many Americans find the work worthwhile. Yes, 32 percent describe caregiving as stressful, but 88 percent say helping out an elderly loved one is a rewarding experience.

Try these year-round common cold remedies

You can catch a cold any time of the year, no matter what the weather is. Although you can't cure it, you can relieve its symptoms with some simple remedies. Try these:

- Honey. Honey mixed with tea or warm lemon water can relieve coughing and sore throat.
- Zinc. Zinc supplements taken within the first few days of having a cold can shorten your illness and could prevent a cold in the first place.
- Hot liquids. Hot tea or water can loosen up congestion in your chest and sinuses.
- Salt water. Evidence suggests that rinsing your mouth with salty water can clear up nasal congestion and unclog your sinuses.
- Vitamin C. Evidence that vitamin C can help you avoid or shorten colds is mixed, although research does hint that it may be effective for those with a vitamin C deficiency.

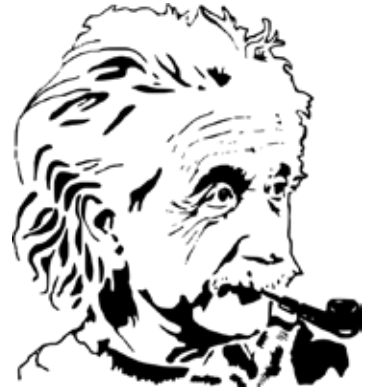

We must respect the past, and mistrust the present, if we wish to provide for the safety of the future.

—Joseph Joubert

Einstein: A genius with a human touch

Albert Einstein was a scientific genius, and stories about him are legendary. Three stories illustrate that he was as human as the rest of us:

- When Einstein went to Princeton University in 1953, someone asked what he would need for his office. His reply: “A desk, some pads and a pencil, and a large wastebasket to hold all of my mistakes.”
- A student visited Einstein in his Princeton office one day with a copy of this year’s final exam in his hand. “Professor, all the questions on this year’s test are the same as last year!” “Yes,” Einstein replied, “but this year all the answers are different.”
- After finishing a paper, Einstein and his assistant could find only one paper clip in his office to hold the pages together. Unfortunately, it was bent out of shape and impossible to use. They searched the desk for something to use as a tool to straighten the clip, and found a full box of paper clips in one drawer. Instead of taking one of those clips, Einstein used one as a tool to straighten out the bent clip.

The assistant asked why he didn’t just use one of the fresh clips. Einstein answered, “Once I am set on a goal it becomes difficult to deflect me.”

Too much of a good thing

A farmer went to church one Sunday. To his surprise, he and the minister were the only people there.

“This is a little embarrassing,” the minister said. “Since you’re the only one here, would you really like to hear my sermon?”

The farmer said, “Well, I’m not too smart, but if I went to the barn to feed my cattle and only one showed up, I’d still feed him.”

So the minister began his sermon. He spoke passionately for an hour and a half. When he finished, he asked the farmer what he thought.

The farmer answered, “Well, I’m not very smart, but if I went to feed my cattle and only one showed up, I sure wouldn’t feed him all the hay.”

Tarantulas have their own ‘Man in Black’

A new species of tarantula has been identified by a postdoctoral researcher at the Florida Museum of Natural History. Actually, Chris Hamilton discovered 14 previously unidentified species during his Ph.D. research at Auburn University, but only one of them was named after one of his favorite entertainers: country singer Johnny Cash.

Aphonopelma johnnycashi can be found, appropriately enough, near Folsom Prison in California, the setting of one of Cash’s most famous songs and the site of several concerts the “Man in Black” performed during his lifetime. Tarantulas have more than 50 different species, and Hamilton examined more than 3,000 specimens, narrowing the field initially to 29 possibles and finally to 14 completely distinct species. Given that Hamilton has a tattoo of Cash himself, the name came naturally.

Shark attacks on the rise

The movie *Jaws* scared lots of people off the beach, but the danger of shark attacks is very real—and it’s increasing. Last year saw a record number of shark attacks, totaling 98 around the world, according to the Florida Museum of Natural History.

The U.S. had the most attacks in 2015, with 30 in the waters off Florida, eight in the Carolinas, seven in Hawaii, two each in California and Texas, and one apiece in New York and Mississippi. Other attacks occurred near the island of Reunion in the Indian Ocean, along with Australia, New Caledonia, and Egypt.

Scientists believe that attacks are rising because the shark population is recovering from low levels, and human populations are increasing as well.

Do not sit still; start moving now. In the beginning, you may not go in the direction you want, but as long as you are moving, you are creating alternatives and possibilities.
