# HOA President

Scott Gralinski President

As May arrives, we wish many of our friends and neighbors safe travels as they return north for the summer. I want to extend my thanks to everyone who contributed and participated in all of the wonderful activities and events we all enjoyed this past season.

While they continue to be delivered door-to-door each month, please be aware that you may access the East Bay Oaks edition of the Monthly media at <http://www.monthly-media.com/> and by clicking on the "Park Newsletters" tab (East Bay Oaks is contained within the "Eagle Zone").

Wherever anyone may be spending the upcoming summer, I hope it is a happy one, filled with all of the good things in life.

Scott

Nominations will be kept anonymous and may be given to anyone on the EBO Board or Sue Cooper #166.

# Manager's Corner

Debra Puckett, General Manager, East Bay Oaks and Eldorado Village

I am happy to see that the overnight parking has lessened greatly! There are still kinks in the program that we are working on. But rest assured, we'll all get there if we keep working together!

If your vehicle gets towed, you need to call **813-516-7795 not the office.** There is nothing we can do for you but give you the same number.

In the near future, we will be preparing the 2019 Hurricane docs to hand out. If you are new to Florida and manufactured home living.

**Evacuation is MANDATORY**, and for your own safety. If you are going to need mobile assistance there will be numbers for you to contact ahead of time. And pet friendly shelters to go to.

Here is hoping we don't have to!

One last note! Thank you to all the residents that assisted in catching our vandal! It takes a COMMUNITY pulling together to get things done.

## May Facts

---

**T**he 5th month of the year brings us Memorial Day, Mother's Day, and the last full month of Spring.

According to the early Roman calendar, May was the third month. Later, the ancient Romans used January as the first month and therefore, became the fifth month and it always had 31 days. May was first named for Maia, the Roman goddess of spring and growth. In the North Temperate Zone, may is one of the most beautiful months of the year. Usually, the snow and ice are gone by this time but the hot temperature hasn't arrived yet. In May, the first garden begins to sprout and the wild flowers start to bloom and the trees and grasses turn green. Wild flowers such as forsythia, dogwood, violets, and jack-in-the-box bloom and many birds build their nests to sit on the eggs that will soon hatch.

## Monthly

---

**Better Hearing and Speech Month.** The American Speech-Language-Hearing Association uses this month to raise public awareness of communication disorders and the treatments and strategies necessary to overcome them. The 2019 theme is “Communication Across the Lifespan.” To learn more, visit <https://www.asha.org/bhsm/>

**Clean Air Month.** The quality of the air we breathe affects our general health, well-being, and ability to function daily. Are there hidden toxics lurking in your home, community, or workplace? If so, what can be done about it? Visit the American Lung Association website to learn more and read its annual State of the Air report.

**Gardening for Wildlife Month.** If you’re planting a garden this year, make sure to include plenty of native flora. Restore the balance of nature by creating a thriving ecosystem that will attract and sustain insects, birds, and other animals. Locate resources and other ideas on the National Wildlife Federation website.

**Get Caught Reading Month.** Librarians, teachers, and other advocates will take up the charge launched by the Association of American Publishers 30 years ago. Read for pleasure, read for fun, read to your children, and encourage them to read and grow intellectually and linguistically. If you’re going to get caught doing something this month, let it be reading.

## Weekly

---

**National Hurricane Preparedness Week, May 11–19.** Hurricane season typically runs July through October, but it’s not too early to plan for disaster if you live in an area where these storms are common. Visit the Department of Homeland Security at <https://www.ready.gov/hurricane-toolkit> for safety tips and tools, and bookmark the National Weather service site at <https://www.weather.gov/wrn/hurricanepreparedness> for even more information.

**National Women’s Health Week, May 12–18.** Women’s health needs change as they age. Visit <https://www.womenshealth.gov/nwhw/to> to take a quiz, get your health score, and find out where to focus your efforts to maintain your optimal health.

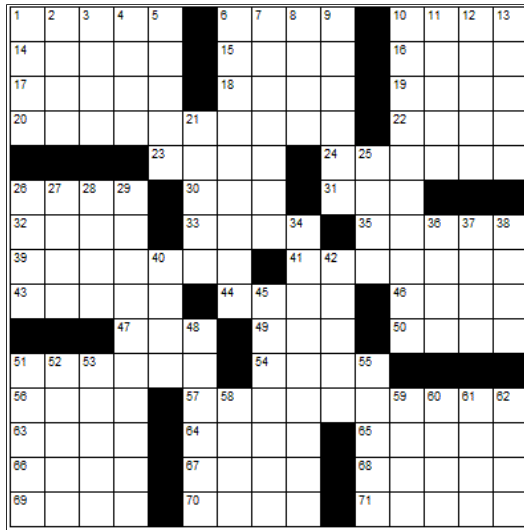

**National Bike to Work Week, May 13–19.** Who needs cars, buses, and trains? If you have the wheels and a safe and manageable route to your workplace, pedal it out. It’s great exercise that will get you pumped up at the start of your workday and help you wind down in the evening. It benefits the environment, too. Go to <https://bikeleague.org/> for more information.

**National African Violet Week, May 26–June 2.** Serious gardeners take note: If you want to learn more about growing, caring for, and showing these beauties, pack your bags and get to Houston, where the African Violet Society of America will host its 73rd annual convention and exhibition. “Violet Fun in the Texas Sun” is the theme for this year’s event.
