Glenda Conant

Hello everyone;
 What a month of July we have had! It has rained for 21 days straight. Not your normal summer rain that comes every afternoon. In less than a month some of us have had about 18 inches of rain. I thought we all were going to rust. Still trying to dry out. Oh and the heat was still upper 80 or 90 during all of this.

We had a meeting with an organization that is called networking for progress. We were ask to host with Eldorado. It was very informative. Even in the pouring rain we had a good turn out. It is a group of ELS parks board members and they meet quarterly to discuss problems and concerns. Then they have a Select Committee that meets with ELS representatives. We will have more about this when we are all back together in the fall.

We are still waiting on the announcement that we have a new manager that still has not happened.

A lot of work has been going on. We have had the palms trimmed and they are now working on the sidewalks. A lot of painting has been done. The floor in the Clubhouse has been professionally cleaned and it looks like a new floor. The carpet in the Continental Room was also

cleaned. We are hoping to get more done. We have been very busy this summer. I hope a lot of you saw our pictures of the Ice Cream Social. Again, it was pouring out but we had a good turn out. The sundaes were very tasty and everyone had a good time. I feel we need a better photographer. The one we had was not real good (it was me).

We have the Labor Day event coming soon and then the summer events will be over. We will be looking forward to all of your safe return.

See you soon; safe travels,

Glenda

MESSAGE FROM ACTING MANAGER

Debra Puckett

I want to take a moment and introduce myself. My Name is Debbie Puckett; I have been with ELS for almost eleven years. I will be your acting manager until a final decision is made. While this process is ongoing, I will do my best to be available as much as possible.

I have had the pleasure of meeting quite a few residents in the past several weeks.

I am aware of a lot of the issues within the community, and although I may not get them resolved as fast as you may like, rest assured they will be tended to.

I am available if you need me. But, please do not call my cell at night UNLESS it is a true emergency.

Thank you Debbie

THE SOCIAL COMMITTEE

David MacAskill, Social Director

Here we are, the summer is coming to a close and we will soon be into the fall season. As fall approaches, you will be hearing more and more about our upcoming events. It is going to be a very busy winter at East Bay Oaks with many events planned. Some are old standards, while others are first time events. To ensure that our events are successful, we do need your participation and support. Also remember that everyone is welcome and your participation, whether big or small will be appreciated.

➤ Mark your calendar for one of the most popular events in the Park. “Afternoon tea” with Chris Lowe. The next tea will be held on October 7th at 2pm at the Clubhouse.

➤ Start getting prepared to have a spooktacular time at our Trick or Treat Social on October 31, 2015 from 2 until 4 pm. There will be a prize for best costume! Your event host will be

Ernie Ranger.

➤ Plan on ringing in the New Year at East Bay Oaks. Our New Year's Eve Extravaganza will be an event not to be missed! Invite your friends and neighbors for an amazing evening featuring JA the DJ. Details on how to purchase tickets will be available soon. It is an event that is sure to sell out fast.

If you would like to join The Social Committee and help shape our entertainment and events at East Bay Oaks, please send me a message on facebook or an email. Our next meeting will be held in November. Members of our Social Committee include: Sue Cooper; Marilyn and Gordon Ford; Carolyn Frase; Barbara Gallagher; Mary Julian; Chris Lowe; Fred and Linda MacKenzie; John and Megan McWade; Ernie Ranger; Lil Sherman; Sara Spanos; Virginia Taylor; Andy and Hilary Vavasour; Diane and Robert Ward.

Wi-Fi

There is now Wi-Fi access at the Clubhouse.

Help Wanted

We still need an event host(s) for New Year's Eve and the Elvis Impersonator evening on January 9th. If you like Chili (or even if you don't) host our first Chili Cook-Off. Maybe Mardi Gras is more your style? We are bringing back Mardi Gras, so be the first to sign up to host this event. Remember that hosting is easy and you will receive lots of support from the Social Committee. Find out just how rewarding it can be by hosting one of our fabulous events.

EBO FACEBOOK GROUP

David MacAskill

Our Facebook Group has surpassed 100 members. Congratulations to everyone that has made this venture such a huge success. If you have friends or neighbors in the Park please add them or tell them about our page. It is a great source of information and sharing and many things can be communicated so much more quickly than ever before. I would like everyone to be mindful of how we communicate. It's important that whatever we post, that we are respectful. Communication can still be successful when we are respectful of one another.

SICK BAY AND CONDOLENCES

Janice Wohlhaupter

We were all saddened to hear that Marilyn Wehner passed away after her courageous fight with cancer. We all feel blessed to have had Marilyn in our lives for the many good times we shared at East Bay Oaks. She will be dearly missed.

Tom Myers is still undergoing his treatments at Moffitt Cancer Center. He and Debbie had a very enjoyable trip to PA for his family reunion.

Please remember these friends and keep them in your thoughts and prayers.

Jack was in front of me coming out of church one day, and the preacher was standing at the door as he always is to shake hands. The preacher grabbed Jack by the hand and pulled him aside. The pastor said to him, "You need to join the Army of the Lord!" Jack replied "I'm already in the Army of the Lord Pastor." Pastor questioned, "How come I don't see you except at Christmas and Easter?" Jack whispered back, "I'm in the secret service."

City life? Not for all young adults

The TV sitcom *Friends* depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

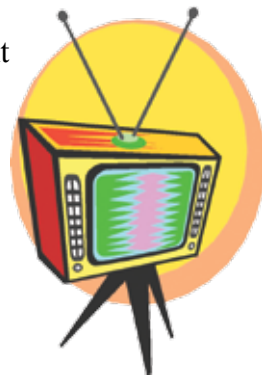

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

Online videos bigger than TV these days

Video has taken over the Internet, especially among the younger generation. A survey of 13- to 24-year-olds by Defy Media found this evidence of the influence of YouTube and other video providers on youthful fans:

- Millennials watch an average of 11.3 hours of free online video a week, and 10.8 hours of subscription video—but only 8.3 hours of scheduled broadcast TV.
- Videos are more popular than online TV content. Seventy-six percent of young people in the survey said they find YouTube more entertaining than TV programs (more popular with 55 percent of participants).
- They're tolerant of advertising on the Internet. Fewer than half—41 percent—said online videos have too many advertisements, but 63 percent feel TV does.

Mathematics is the art of giving the same name to different things.

Get the full impact from these healthful foods

Certain foods have definite health benefits, but you have to eat them the right way to get their full impact. Here are some common foods you might be eating “wrong,” according to the CNN website:

- Flaxseed. Full of fiber and omega-3, these little seeds may improve your heart health—as long as you grind them up first. Sprinkling them whole over your cereal or yogurt will keep their nutrients locked inside.
- Broccoli. Eat this raw or steamed, not cooked, to receive the full dose of vitamin C, chlorophyll, and antioxidants this vegetable offers.
- Strawberries. Slicing this delicious fruit exposes its healthful nutrients to light and oxygen, which can dilute their effects. Eat them whole, or hold off cutting them until the last minute.
- Garlic. The enzyme allicin, found in garlic, may help ward off cancer, but its benefits are more pronounced when it’s exposed to air. Let garlic sit for about 10 minutes after chopping to release this enzyme fully.
- Tomatoes. Fresh tomatoes are tasty, but you’re better off cooking them. The antioxidants in them increase in potency when they’re heated to about 190 degrees Fahrenheit.
