Numbers in the News

Study shows an unclear linkage between cell phones, poverty, and health issues. More and more Americans are getting rid of their landline telephones and opting to go completely wireless: two out of five, according to the Centers for Disease Control and Prevention. And the CDC is tracking some interesting correlations between wireless phone use, poverty, and health.

Adults who live in poverty are more likely to use cell phones exclusively, the CDC found, with 56.2 percent of landline-free households living below the poverty threshold, as compared to 36.6 percent of households with higher incomes. Adults in wireless households are less likely to receive yearly flu shots, and more likely to drink and smoke heavily, and to have trouble finding access to health care.

The connection between wireless use and health/poverty issues isn't clear. One problem, The Washington Post reports, is that gathering demographic data gets more complicated when an increasing percentage of the population relies on cell phones exclusively, since contacting these users is more difficult than conducting surveys via landline.

SHUFFLEBOARD

Pat Bryant

It's that time of year again Shuffleboard!!
A shuffleboard meeting will be held at the Club House on Thursday, November 6th, 2014 at 10am. Anyone interested in playing are encouraged to attend.

LUMINARIES

Bill Phillips

Christmas is coming! Our annual Christmas Eve celebration will be observed with the lighting of our park entrance and club house frontage.
I am asking for at least 100 empty gallon or half gallon milk jugs, with caps to prepare for the celebration. If you would place them in the rear of the club house kitchen on the counter, I will pick them up and take them to my home. The park provides the sand & a few generous residents provided the candles. I will need no help to cut the jugs & fill with sand & candles. I have some one to place them on the morning of Christmas Eve. I only need 10 volunteers to light them at dusk.

PHONE DIRECTORY

Glenda Conant

If you still haven't received your 2013-2014 Community Directory, please contact Glenda Conant at (727) 239-0460 to make arrangements to get a copy. Since we have a very limited number of directories, each household will only receive one (1) directory. We will not be leaving directories at unoccupied homes or in the clubhouse.

40th ANNIVERSARY

Stephen & Christine Lowe of Lot #202 EBO, will be celebrating their 40th Wedding Anniversary on Oct. 5. They will be Celebrating together by taking a Hot Air Balloon Ride over the "Quechee Gorge" in VT. Pictures to follow on their return.

Lots of Love and Best Wishes from everyone at EBO

EDITOR'S CORNER

Ernie Ranger

A snowbird is someone from the U.S. Northeast, U.S. Midwest, Pacific Northwest, or Canada who spends a large portion of winter in warmer locales such as California, Arizona, Florida, Texas, the Carolinas, or elsewhere along the Sun Belt of the southern and southwest United States, Mexico, and areas of the Caribbean.

Well it's almost that time of year again when Snowbirds flock south. Some will arrive in RV's, some will rent a condo or home and some of us will return year after year to our winter "home". Reuniting with friends is always something to look forward to, almost as much as reacquainting our selves with the warm weather. To have white snow at Christmas replaced by white sand is always on the wish list of snowbird wantabes. A few important things that all snowbirds should remember to do before heading south is to make sure that your healthcare is covered; update insurance; plan for your necessary medication and ensure that your pets have their shots.

As a newbie, I took to snowbirding like duck to water. They say that you can usually measure how long a person has snowbirded on a suntan scale. The more years you've been a snowbird, the tanner you're likely to be, because you're apt to spend more time each year down south and in the sun. Well if you recall, I went from white to red pretty fast last year. I can laugh now in hindsight, but at the time, my beet red face was pretty sore and funny looking. A novice in the sun, I've had a learning curve. Hopefully this season will ease me into snowbirding and I look forward to being back home with all of my friends and those that I've missed so dearly. Safe travels everyone.

KEEP SMILING

Joke of the Month

A Perfect Marriage?

A man and woman had been married for more than 60 years. They had shared everything. They had talked about everything. They had kept no secrets from each other, except that the little old woman had a shoe box in the top of her closet that she had cautioned her husband never to open or ask her about.

For all of these years, he had never thought about the box, but one day, the little old woman got very sick and the doctor said she would not recover.

In trying to sort out their affairs, the little old man took down the shoe box and took it to his wife's bedside.

She agreed that it was time that he should know what was in the box. When he opened it, he found two crocheted dolls and a stack of money totaling \$95,000. He asked her about the contents. "When we were to be married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doll."

The little old man was so moved; he had to fight back tears. Only two precious dolls were in the box. She had only been angry with him two times in all those years of living and loving. He almost burst with happiness.

"Honey," he said, "that explains the dolls, but what about all of this money? Where did it come from?"

"Oh," she said. "That's the money I made from selling the dolls."

EBO Mail Service

by Scott Rasbach, EBO Treasurer

The U. S. Postal Service notified the Park last spring that it would be transitioning to Kiosk (or Pod) service in our two parks (East Bay Oaks and Eldorado). This was not an option, the Post Office is making this change in mobile home parks, apartments, condominiums and sub developments to become more efficient.

The Post Office granted an alternative that should the residents choose to adopt the kiosk boxes early the Post Office would waive the cost of the boxes. If not, when the boxes were eventually installed in 2015, each resident would be charged for his or her box. It was overwhelming decided to opt for a "no charge" option. Remember, this change to centralized mail service was not optional! The boxes will soon be installed east of the laundry building. An extension to the sidewalk for this purpose has already been installed. You will receive notice directly from the Post Office when the change becomes effective and will be given a key to your box.

Should you have large items which will not fit inside your box a few large boxes will be available for those items. The Postman will place a notice in your mailbox and a key for the large, package bin nearby. You simply unlock the larger box, retrieve your package and let the key in the lock.

These changes effect only service from the United States Postal Service. FedEx, UPS, and other private carriers will continue door stoop service.

Macs taking over? Maybe not yet

Are you a Windows person or a Mac user? Conventional wisdom says that Windows computers belong in business environments, while the Mac is favored by educators, creative artists, and the elite. But that may be changing, according to data from VMware and reported on the InformationWeek website.

A survey of more than 370 IT professionals found that 71 percent of organizations support Macs, not exclusively Windows computers. Employee preference is the dominant reason, cited by 73 percent of the survey participants. The next most common reason was the need for applications that run only on Mac's OS X platform, named by 41 percent. The "Bring Your Own Device" movement surge in workplaces is also a major factor.

IT teams aren't necessarily happy about all those Macs, however. Forty percent of respondents said they find Macs more difficult to support. In any event, Macs seem unlikely to outnumber Windows-based computers anytime soon, since such machines still dominate over 90 percent of the market.

EBO Major Repair Issues

by Glenda Conant, HOA President

Recently a meeting was pulled together with several residents of the park and the following ELS management team:

- Sara McFarland, Vice President
- Joseph Oxford, Regional Manager
- Dean Fondale, Community Manager

The purpose of the meeting was to discuss some major repair issues for the park. The three (3) major repair issues include:

- Repair of Sidewalks
- Pavement of Streets
- Back Fence

We were advised that \$10,000 each has been allocated for the sidewalks and the pavement of the streets. Dean has already put these two items out for bid and is waiting to hear from the contractors.

The repair work will be done on a most needed basis. As far as the back fence is concerned, this project is a "three stage" project and will be started as soon as the City of Largo does their job in cleaning up the portion of the property that belongs to them.

We were also advised that the Capital Budget preparation is under way and ELS is making changes in the allocating of monies. For instance, if say \$30,000 are allocated for road work, that money is for roadwork ONLY, and cannot be used for anything else. They will also have a "contingency" budget (which they apparently did not have before), and monies will be set aside for emergencies and thus the funds will not have to be taken from another budget item.

The new Regional Manager has a program in place which he has used in other Parks concerning the appearance and upkeep of homes, carports, etc. We will hear further on this subject from him.

Also being discussed are items concerning overnight street parking, stop signs at intersections, speed limit signs and various maintenance matters

Telephone Number Change

by Scott Rasbach, EBO Treasurer

Please make note of my new telephone number. My number has changed since the directory was published and I get asked about that often. My new number is (727)251-2021.

Not only will you be letting the advertisers know you appreciate their supporting your newsletter but you may also become eligible to win up to \$100 in cash prizes! **And Now Monthly Media will donate 50¢ for every ticket submitted for the Monthly Mania Contest to...**

American Red Cross

Even if your contest ticket is not a winner for you... 50¢ will go to American Red Cross for your ticket and every ticket turned in. This Month \$80⁵⁰ Went to The American Red Cross Because of Your Tickets

14,492 manufactured home residents have won over 124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check. (Allow 4-6 weeks for mailing of check). **This month's cash winners are:**

James Wright \$100 Appliance Speciality

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
