MEDIA EDITOR

Joan Lowe (joanclowe@aol.com)

Many of the March parties were well attended and I hope that everyone enjoyed them. IT'S NICE TO SEE THAT THE DOCK IS FINISHED AND THE PARTY PUT ON BY THE OFFICE WAS WELL ATTENDED AND MANY RECEIVED DOOR PRIZES. THERE IS STILL SEVERAL PARTY'S PLANNED BEFORE YOU START YOUR TRIP TO THE NORTHERN COUNTRY AND EN YOUR WINTER VAATION. HOPE THAT THE SNOW WILL BE ALL MELTED WHEN YOU GET THERE.

We will be celebrating Easter in a few weeks with a service at the club house with the new Minister that has moved into our park. Let's all welcome him and attend the planned service.

For those who are starting their trip north be safe and we hope to see you in the fall, and have a great summer.

PRESIDENT

Joanne Gallivan; President's Message – April

March has been another active and fun-filled month in Eldorado Village. The recent dances, Thursday karaoke parties and Friendship Luncheon have been very well attended, as was the ribbon-cutting ceremony in celebration of the reconstruction of Friendship Pier. Our park manager, Dean, has plans to add to the amenities near the lake to make it a more welcoming picnic and party area. These improvements are being appreciated by a lot of residents, as we see much more activity at the dock.

In March as well, a group of us enjoyed a great bus trip to St. Augustine, Jacksonville and Amelia Island. Diamond Tours did a wonderful job organizing everything and we had the world's best bus driver, Charles. At the party on the last night, we found out he can sing and dance too!

There are lots more activities coming up this month; just check out the information elsewhere in the Media or on the bulletin boards at the Clubhouse. Of particular note, volunteers have stepped forward to make sure our year-end BBQ (March 28) and Easter Service happen. So join in these or any of our other activities that interest you, have fun and meet more of your neighbors.

COMMUNITY MANAGER

April Showers Bring May Flowers

It is truly wonderful to walk around the community and see all the colorful spring flowers in bloom. If you haven't planted any flowers...WHY NOT?

I am very pleased to announce that everyone is invited on Easter Sunday, April 5th to the Eldorado Clubhouse for an interdenominational worship service led by Pastor Steve Kocsis and his wife, Tina. They are new residents of Eldorado Village. Won't you join us in worship? This invitation is open to both parks.

If at all possible, please pay your monthly rent by direct deposit. You can pick-up these forms in the office. I continue to receive checks in the office without lot numbers each month, this omission causes posting problems.

In addition, neither Dean or I have anything to do with late fees that are posted to your account. All payments are due no later than 11:59 p.m. the night of the 5th. ANY check received after that time are considered, LATE. Example: If you mail a check to us on the 1st and we receive it on the 6th the payment is late and you will be charged a fifty dollar late fee.

In an effort to improve our community, letters are being mailed to households that are not abiding by park rules.

If you need to dispose of paint, hazardous chemicals or Electronic equipment, please take your items to; 2855 109th Ave. North, St. Petersburg, FL 33716.

Can't come to HEC? Use on of the numerous mobile connection trucks conveniently located in the county. Call 727-464-7500.

THANK YOU

On March ninth we delivered on behalf of the Eldorado Social Club two cakes. One was delivered to the Fire Department's Station 42 on Belcher Road, the other to Police Headquarters break room on Highland Ave. This was a small way of showing our appreciation for the men and women who serve in these two very important part's of our community. They have always been quick, efficient and kind when we have had need of their services and this was a small way of saying thank you. The staff at both locations appreciated the gesture.

50 YEARS!

Ian & Marion Milne celebrating their 50Th Wedding anniversary. Everyone at Eldorado sends you Best Wishes.

Marian and I Milne celebrated their 50th anniversary on Feb 20th. They were married in Yorkshire, England on Feb 20th 1965 and came to Canada in June of that year. They settled in the Kitchener, Ont. area where they both worked very hard to establish a good life for themselves. They have 1 son, David who lives in nearby Stratford, Ont. Marian also has a sister and nieces and nephews in Kitchener.

They retired about 8 years ago and started coming to Eldorado for the winter months. After meeting lots of snow-birds from Grand Bend they decided too to move to Grand Bend, Ont, so then became part of the Grand Benders.

We wish Marian & Ian many more years of health & happiness.

The Grand Covers.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint,

HOMEOWNERS ASSOCIATION & LIAISON COMMITTEE

On Monday, March 30 between the hours of 10 a.m. and 12 a.m. the Largo Police Department will be in the park to register bikes. If your bike is stolen, it will be beneficial to have it registered if you want a good chance at getting it back. Also, on April 1st the HazMat truck will be in the park collecting hazardous materials, computer parts, batteries, paint, etc. You should have received a flyer detailing the program.

Please continue to recycle. We are hopeful that by doing so our garbage bills will go down and we will see a direct benefit to our efforts.

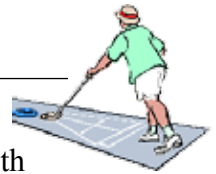

Once again I urge you to be sure the HOA has your northern address and email address before we have rent negotiation meetings starting in October 2015. There are always unforeseen circumstances where we would need to contact everyone in the park. At this point in time, that would be impossible. The HOA represents everyone who lives in the park, whether or not you have paid your assessment, but can only work for you effectively if we can contact you.

SHUFFLEBOARD

Michelle Swanlund, Captain; Joanne Gallivan, Co-Captain

Our regular season is over. The weather warmed up making playing our games a bit more pleasurable. We played our last game on March 12th against Embassy. And we won. How great is that. We still have our 4 days of tournament coming up and I will have the results in the May edition of the Media.

Next year we will have an extra team joining our League and this means that we will be playing 18 games. Our first game will be Nov 5th and our last game being played March 24th.

Although we have not come up in the ranks, we have new players who, I believe, are enjoying the game and are an asset to our team. Hopefully there will be more people wanting to try their hand at the game. We are always looking for regular players who are willing to commit to two half days a week socializing with other residents and other residents from various parks. Substitutes are also very important throughout the season and especially at the beginning of the season as not everyone arrives early in November. So think about it and come and join us.

There is another tournament in Clearwater on March 28th which should be a lot of fun especially since we will be partnered with a pro. Some team players are interested in signing up so I'll have more news to share in the May media.

Our sponsor, BOB STAPLETON Heating and AC will be sponsoring us again next year. I thank those of you who call on him for your units. You will not be disappointed. I always say they are as honest as the day is long and they will not overcharge you. Promise!!!

Happy Easter from the Shuffleboard team.

NOTICE

NOTICE

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

COFFEE AND DONUTS

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

FRIDAY AND SUNDAY NIGHT MOVIES

Patty Gregg & Larry Houff

Movies are run every Friday and Sunday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can call or see Patty Gregg or Larry Houff.. Time of the movies is 7:00 p.m.

HIKING

Don O'Reilly

April will be our last month this season for scheduled hiking. With the snowbirds returning north, we will hike only til midmonth. If you have been considering hiking, then why don't you come along on Wednesday mornings at 9:00 a.m. for a little exercise and socializing. We meet at the poolside, where we carpool to various parks in the area.

The parks selected for April are as follows:

April 1 – Sawgrass Park and Peter's Restaurant

April 8 – Taylor Park and Eastside Family Restaurant

April 15 – Eagle Lake Park and Rosie's Restaurant

PARK MAIL BOXES

Now that we have mail boxes near the clubhouse please do not remove your old boxes at your house.

The mail box now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

TIME FOR DUES

See Sharon to pay your assessment to the Homeowners Association (\$10 per homesite) or Dorisanne for Social club dues (\$5 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

FOOD COLLECTION

Michele Lemon; John Campbell

Donations to the food bank will be accepted up to April 8..

At that time the last donation before heading north will be delivered to RCS.

Thanks to everyone for your generous support.

SPEED LIMIT!

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time:
We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER.

Water Shutoff's what can we do

We have had some problems in the past with folks not knowing that the water was going to be turned off. They are not alone; no one knows when this may be necessary. Please bear in mind; we can never know when a leak in the water pipes is going to be found. When this happens, the plumber who repairs the pipes needs to turn off the water in order to do his work. Not that this is something we are happy about, but it is just a fact of life that this must be done.

We would like to make some suggestions as to what to do if you discover that the water is turned off. First, turn off your hot water heater. This assures that the elements in the heater will not burn out if the water in the heater drains down. This can be done at your circuit breaker panel of some homes have a separate switch for their hot water heater. Second, do not turn on a

hot water faucet. This will keep air from getting to the heater and allowing the water to drain. If no air gets into the heater, the water will not drain. You can turn on a cold water faucet slightly so that you can know if the water does come back on, but it is probably best to just turn on a cold water faucet from time to time to check. It is a good idea to have a few gallons of water on hand to use in the event you need some while the water is turned off. Bleach jugs make good containers for this backup supply. You should refresh the water in the jugs from time to time so that it is fairly fresh water. Most people nowadays use bottled water for drinking so that is taken care of. But, if you need water for cooking or drinking, the water in the jugs can be boiled to assure it is safe to drink.

There is one other thing that can be done. That is to have a check valve or back flow valve installed in your home where the water comes into the home. This is like an automatic shutoff that will keep the water in your home from flowing back out into the system. Bob Washam has one of these installed in his home and he has said that he would be glad to discuss this with anyone who is interested.

When the water comes back on, run the cold water for little while to make sure that any air or contaminants in the water are flushed through. Sometimes this will bring particles that might be in the pipe to the faucet and block the filter on the faucet. This can be unscrewed and tapped lightly on the countertop to remove the particles, and then replace the filter.

We are planning on putting together a call list so that we can alert folks that the water is going to be turned off or if there is some other type of emergency. We will be using the residents who are here year round and do not work to start the chain of calling. Hopefully this will give us the best coverage. We will then go to those who work. The seasonal folks who are only here part time will make up the rest of the list. We feel that, if we are notified when the plumber is called, we can be through our list and have everyone who is available notified by the time the water is turned off. One of the problems we face with this is that of the 227 homes in the park we only have 159 phone numbers. We are hopeful that this will help us to avoid any inconvenience that water shutoffs cause. But, remember, we will be having water shutoffs in the future and we cannot predict when they will occur.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department.

It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
