Media Editors

Joan Lowe (joanclowe@aol.com)

Dick Hambley (richwham@aol.com)

Summer is half over and it will only be a few more months until we are looking for our returning snowbirds. We are fortunate that we have folks who continue to find things for our summer entertainment.

From the H.O.A.

Dorisanne Gibson

It recently came to our attention via the ELS Networking Meetings, which we attend on your behalf, that “boil water notices” are in some instances to be issued by park management when there is a water shutoff in the park. We have discussed this issue with management and it is possible that you will be getting such a notice in the future. We will be discussing this at our coffee meetings and our HOA meetings, explaining the process and answering questions. Please plan to attend the upcoming HOA meetings.

Thursday evening, September 24, HOA membership meeting with our guest speaker Summer Mahr from Largo Fire Department here to discuss hurricane preparedness.

Thursday evening, October 12, HOA membership meeting with our guest speaker Dr. Woody Brown, Mayor of Largo, visiting with us to discuss upcoming election issues that will impact us.

Tuesday morning at 10:30 November 14, HOA will bring us Mary McManus Taylor, Estate Planner Attorney, to speak with us, especially our new residents, about

Food for Thought

Dorisanne Gibson

We all love our furry friends and would never knowingly do anything to hurt them. However, in Florida, in the summer we need to be aware of how our streets burn our doggie's paws.

Pavement, asphalt and carport surfaces can become very hot during the summer months. These materials absorb heat from the sun and can stay hot for hours even after the sun has gone down. Temperatures on these surfaces can exceed 145 degrees F.

The skin on a dog's paws is no thicker than the skin on our feet.

Check the pavement for heat before taking your dog on a walk. Place your hand or a bare foot on the surface for ten seconds. If it is too hot for you to keep your hand or foot on it, then it is too hot for your pet.

Phone Directory

Pat and Sharon Laney

Please write any corrections or additions to the Eldorado Village Phone Directory. Submit to Pat or Sharon Laney in writing, Lot #47

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

VINYL IS FINAL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

visit: www.ascaluminum.com

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S CLUBHOUSE COMMRADERIE

Weekly:

1. Tuesday night is BINGO! Come on out and enjoy an evening with your friends and neighbors!
2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Below are the events planned so far for the coming winter season. Please look it over and heed the advice of our president and put together a team (2 or more) and consider spearheading an event. We all enjoy the various events, but it takes someone to get the ball rolling.

Bingo

Sharon Laney

Bingo Hours:

Start selling at 5:00p.m.

Stop selling at 6:15p.m.

Start playing by 6:30p.m.

Bingo has been going well and we have had pretty steady attendance. Consider coming out and joining us, who knows, you might win a couple of bucks.

Bingo is over by 8:45p.m.

Park Mail Boxes

Now that we have mailboxes near the clubhouse please do not remove your old boxes at your house. The mailbox now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

Sunday Night Movies

Patty Gregg

Movies are run every Sunday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can call or see Patty Gregg Time of the movies is 7:00 p.m.

23rd	Larry & Pam Spilbeler

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

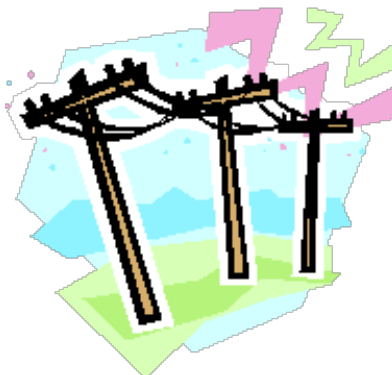

Duke Energy

Duke has an energy saving program. If you are interested call the numbers listed below:

1-888-302-8348

1-727-443-2641

1-407-203-9550

TRASH/DUMP AREA SCHEDULE

Dump hours: Monday - Friday 8:00 am - 3:30 pm

Pick-up hours: Tuesday and Friday

8:00 am till 12 noon

Closed Saturday and Sunday

TRASH PICK-UP SERVICES

1. All garbage must be placed into plastic bags and securely tied weighing no more than 25 lbs.
2. Please do not place trash into boxes. Boxes must be flattened and tied with string.
“all broken glass/mirrors must be placed into a box and taped securely
dispose of all medical needles and medicines properly do not place in trash bags.
3. All newspaper should be bundled and tied securely with string.
4. Trees and brush trimmings must be cut into no larger than 4 foot lengths and bundled in no more than an 18 inch diameter, in order to be picked up.
5. All weeds, leaves and lawn trimmings must be placed in plastic bags and tied closed for proper pick-up. Bags are to weigh no more than the 25 lbs as specified above.
6. Furniture appliances paints and any constructional materials will not be picked up.
 - a. Place furniture and construction debris in open top dumpster.
 - b. Appliances and paint please call Pinellas county solid waste division 727-464-7500.
7. Please do not place any trash out the night before pickup p. this will invite animals to rip and open your garbage making it more difficult and time consuming for pick-up. Uncontained garbage and fluids are a great health risk if inhaled to your neighbors and to our staff.

Thank you for your cooperation

Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules they are for everyone.

Notice

Notice

Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

SAVE TIME AND MONEY BY CALLING US TODAY TO GET YOUR PROJECT STARTED!

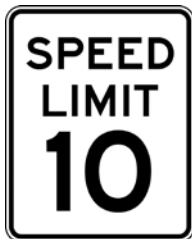

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office
601 Starkey Road Lot # 78
Largo, Florida 33771

SPEED LIMIT IN ELDORADO

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

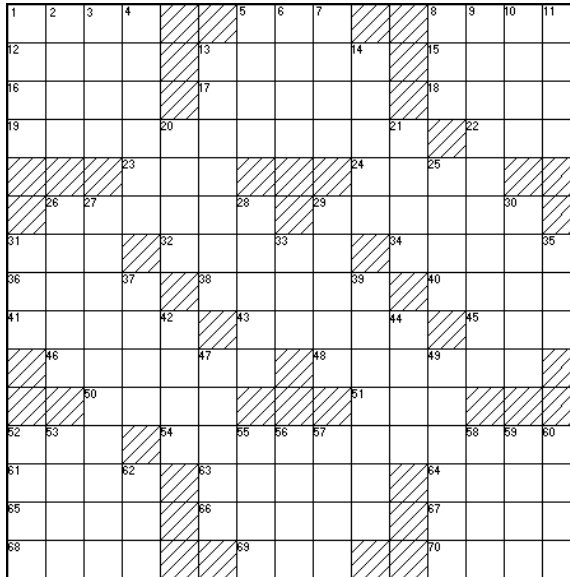

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Columbus' anchor salvaged from the depths

A team of explorers believe they've discovered an anchor from one of Christopher Columbus' ships in the Caribbean. According to a story on the Fox News website, an analysis of the anchor shows that it dates from somewhere between 1492 and 1550. It weighed 1,200-1,500 pounds and probably belonged to a 300-ton vessel, typical of Columbus' time.

The anchor is believed to come from a fleet of smaller ships called caravels, which included the Pinta. Captained by Vicente Pinzon on one of the "minor voyages" of Columbus' third expedition to the New World, the ship sank in a hurricane near the Turks and Caicos islands in 1500.

In addition to the anchor, the team brought up other artifacts at the shipwreck site, including grappling hooks used for salvaging cargo from shipwrecks, as well as pieces of pottery and an olive jar painted with indigo.

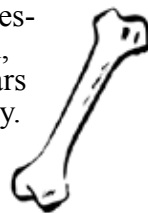

Scientists create negative mass in the laboratory

Negative mass might sound like something out of science fiction, but physicists have created it in a laboratory. The BBC News website reports that scientists at Washington State University have created a particle composed of negative mass by using lasers to trap atoms of rubidium and then cooling them down to just above absolute zero. This caused the atoms to behave as a superfluid liquid, flowing without losing any energy.

Paradoxically, if you push something with negative mass, it accelerates in your direction, following behavior predicted by quantum mechanics. Scientists expect the technique to help them solve questions about black holes, neutron stars, and dark energy in the cosmos.

Ancient bone raises modern questions

An artifact unearthed in Crimea may shed new light on our Neanderthal ancestors, according to the Sci-News website. It's a bone fragment from a raven, and it's approximately 38,000 years old. A mere 18 mm long, the bone bears a series of notches that are too evenly spaced to be the result of everyday butchery. Archaeologists believe that two notches on the raven bone could have been made intentionally by Neanderthals to create a pattern meant to be consistent or symbolic. The bone may have worn as a personal ornament, some speculate.

Traditional books are alive and well

Publishers and traditional readers alike have long been worried about the rise of electronic books as sales of Amazon's Kindle and other devices have grown, but their concerns may have been at least somewhat overblown. New studies suggest that the growth of e-book sales is leveling out—and possibly declining.

According to the Chicago Tribune website, during the first nine months of 2016 e-book sales dropped by 18.7 percent compared with the same period a year earlier. On the other hand, hardcovers, paperbacks, and audiobooks did not suffer a similar decline. In the same time frame, e-books' share of the total market fell to 17.6 percent from 21.7 percent. In addition, sales of hardcover books in 2016 outpaced e-books for the first time in five years.

Don't panic—books don't look like they're being replaced any time soon.
