## Media Editors

Dick Hambley ([richwham@aol.com](mailto:richwham@aol.com))

---

Well, the end of this month marks the end of another year and an opportunity to look forward to a new beginning. It has been an eventful year here in Eldorado what with the hurricane and the lock box break in. But we residents of Eldorado are a resilient bunch and we are looking forward to a new year of great activities and the usual camaraderie that has been a hallmark of Eldorado living. So we urge everyone to keep their eyes on the calendar in the media and the bulletin boards in the clubhouse for things to do.

## From the H.O.A.

Dorisanne Gibson

---

A word to the new residents in the park. We have a Facebook page at “Eldorado Village page”. In addition to the Media we use the Eldorado page daily to keep residents apprised of what is going on and just general items of interest. Check it out, especially if you cannot make it to Coffee on Tuesday mornings at 9 a.m. Also, be sure to get your phone number registered on our Robo Call list. You will be automatically called if there is a water shut off in the park, or any other important news you need to know. Call the office and ask to have your name placed on the list.

As a result of what we have learned from hurricane IRMA, on October 25 a group of interested residents met and formed an “Emergency Response Team. It was a very good meeting with lots of ideas shared and we have come up with a plan. We passed out a Newsletter in November outlining what you can do right now to prepare for hurricane season 2018. If you did not get a newsletter please see a HOA board member to get one.

Remember, we have Toys for Tots boxes in the clubhouse. Please donate new unwrapped toys. The toys collected will be kept under lock and key so as not to have them stolen.

On Monday evening, Dec. 18th we will have the Gold Wing Road Riders Motorcycle club here in the park with their Lighted Christmas Decorated Bikes. If you have never seen this display, you must be sure to see them. The bikes will parade thru the park about 8 p.m. and then park in the lot and come into the clubhouse for refreshments. You can view the bikes up close while they are parked. You absolutely do not want to miss this event.

The next Homeowners Association General Membership meeting will be January 18, 2018. This meeting will be specifically to take nominations for Director from the floor. We will have at least one vacancy on the Board, this is your only chance to nominate a new board member. Elections will in regards to reselling and marketing take place at the Annual Meeting February 15th, there will be NO nominations taken at that meeting. In January we will be entertained by our own residents, Kathryn Kraus and Kevin Short. They are actors, film makers, entertainers, movie stars, etc., etc., and very talented. We will have a great evening.

## Notes from the Manager

---

**A**s you know by now, our rent drop box is out of commission, for now. If and when that should change we will let all know asap. At this time corporate has decided to assess the losses and not to mention the aggravation to the residents and the office staff.

There are several ways that you can avoid the entire issue. You can choose to set up a direct debit account and the company is now offering an online portal to pay your account and keep an eye on the activity on your account. You will still receive your invoice from Chicago corporate offices. Also the office is open Monday thru Friday until 5 p.m.

The aftermath of hurricane Irma is taking place and the arborist is still coming to the property sometimes daily so if you have discovered some dead branches or something that is possibly storm related p.et Cheryl in the office know right away.

With regards to reselling and marketing your home with sales offices outside the community, please have them let us know so that we can assist in the progression of the sale and there are no surprises for your buyers or you after you sign the title to your home over to your buyer. We have run into some issues in the past with disclosures and misinformation. Please be sure that your buyers are approved applicants

We also want to take this time to wish all of our residents a Safe and Happy Holiday Season.

## Thank You

---

**W**e would like to thank everyone for their kindnesses, thoughts and prayers as we found our way through our recent loss.

Thank You with Love

Pat and Sharon Laney

## Fifty Years

---

**T**hat is a long time to be married, but we have had many many couples achieve that milestone over the years here in Eldorado. For that reason, we are asking “are you celebrating 50 years this year”? We would like to recognize your accomplishing that feat, so we are asking you to let us know that you have. You can contact either Sandy Yost (Lot 62 phone 412-8234) or Dick Hambley (Lot 51 phone 535-0693). We look forward to your response.

## Social Club Dues

*Dick Hambley*

---

**A**s the year 2017 winds down, I will begin collecting dues for the Social Club for the year 2018. I would urge all residents to consider paying their five dollars for a years membership. The Social Club is an organization that tries to provide something for everyone and has for years. We have activities that are for some but maybe not for others. However, we are always looking for new things and are willing to listen to what you may have to offer. We have found that, in the past few years, we have had some of our newer residents do just that and this has made Eldorado a better place for it.

## Email List

*Dick Hambley*

---

**F**or those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method, so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

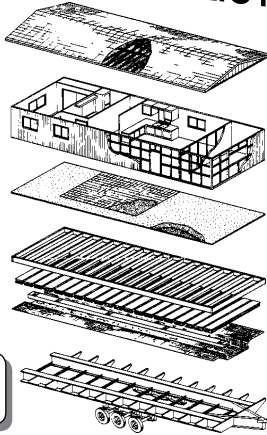

My email address is [richwham@aol.com](mailto:richwham@aol.com).

## Information about water shutoff's

---

**A**s most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so that you will not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFF'S THERE IS NOTHING THEY CAN DO TO CHANGE WHAT IS HAPPENING.**

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## SPEED LIMIT IN ELDORADO

---

**T**he speed limit in this park is 10 miles per hour. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## RECYCLE

## RECYCLE

## RECYCLE

---

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

**T**he Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.
