MEDIA EDITOR

Joan Lowe

Election will be coming up soon. I hear thru the grape vine there will be a lot of changes. Keep in mind those that have been on the board and have worked hard to keep us on the right path.. There should be some people who are here year round on the board to help the park run smoothly in the summer months. We need people who are willing to work so that we can have some of the old functions back. What ever happen to the friendship luncheons, and dinners other than pot lucks? We need some of the new people to the park to come forward and get involved.

I want to wish everyone a Merry Christmas and Happy New Year.

FROM YOUR PRESIDENT

Judy Hedges

Well her we are the middle of November and turning our information for the December Media. So what can I say, The summer has been busy and with the arrival of our northern folks it will be busier.

We are looking forward to the Welcome Back dance and Thanksgiving dinner.

Just in time for our northern neighbors, the pool is cold for a couple of weeks now. When it was first reported to the office, we were told the new heater would be installed Friday, Bad us we did not ask WHICH Friday. Hopefully the heater will be fixed before you read this in the media. The other half of "doggie row" has been paved. I do not have any information what will be next. The sidewalks are also planned for repair.

That's about all the news I can help with so have a great rest of November.

Reminder Social club dues are \$5.00 per person, and Homeowners dues is \$10.00 for the home. You will probably see this in several places in the media so sorry for the repeats.

God Bless, be good to one another, till next time.

Judy

SeaSon’s Greetings to all the residents in our community. We are looking forward to seeing all of your homes beautifully decorated and lighted for the holidays.

The Management staff at Eldorado/ East Bay Oaks wishes everyone joy, love, health and happiness, and friendship. May the peace of the holiday season be yours today and throughout the New Year.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam contain-ers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment.

WHITE ELEPHANT

White Elephant

Mel Ascott & Dick Hambley

Now that our “snowbird” friends are returning, things are picking up in the White Elephant field. We have had several donations and as I write this we have some pending. So, please keep us in mind when purchasing new items and the stuff you want to get rid of is still in decent shape.

Until Mel comes down in January, Dick Hambley has the key to the garage where we store items until the sale. We are looking for items that will enhance the sale and help to increase the treasury of the Social Club. If you have items you would like to contribute you can contact Dick for now and Mel when he returns. Please consider what you are planning on donating. If it is really not saleable, please dispose of the item in some other way. We want as much material as we can get to make the sale as profitable as can be but we are limited in storage space so we have to be judicious in what we take. So, when you are cleaning out that closet or buying new furniture keep us in mind. Until Mel returns, you can contact Dick at his home in Lot # 51 or call him at 535-0693. We look forward to hearing from any and all who want to help us with this, the main source of our income for the year.

TRIP TO ST. AUGUSTINE

JOANNE GALLIVAN

Recently I have been communicating with a representative of Diamond Tours, a national company that other groups in the area have used with very good results. Their web site and promotional materials are very professional and the agent has provided excellent service so far. For each trip, there is a destination manager to provide assistance and local guides narrate an included tours.

I have reserved the dates of March 2-5, 2015 for a trip to St. Augustine, Amelia Island and Jacksonville. If we have the minimum required number of paid passengers (30) by their deadline (Jan. 3rd), they will confirm those dates. The fare of \$335 per person includes 3 nights accommodation at a national brand hotel (such as Holiday Inn Express or Comfort Inn Suites), six meals including a dinner party with entertainment, a cruise on the St. Johns River, a visit to a historic plantation and guided tours of Amelia Island and St. Augustine.

The company has provided detailed flyers that I will have available when I get back to Eldorado in November. If you would like to receive a copy by email, just let me know at joanne_gallivan@cbcu.ca and I'll send it out to you.

BINGO

Joan Lowe

Bingo is going along very well. A lot of the snowbirds are back so that are money pots are growing. We start playing by 6:30 and finish by 8:45p.m. Come out and join in the fun and you might make a few dollars. My thanks to Henri Lussier for his work on the Bingo machine, he keeps it running well. Thanks also to my team of sellers. Everyone helps to make bingo a fun evening.

HOMEOWNERS ASSOCIATION & LIAISON COMMITTEE

Dorisanne Gibson

The DBPR (Department of Business and Professional Regulation) in Tallahassee which oversees Homeowners Associations and Florida Statute 723, has determined that the date of Homeowners Association Meetings given in the Medias will suffice as notice. Eldorado Village Homeowners will be having a meeting on Thursday, December 4th, at 7 p.m. in the clubhouse. You have already received a flyer to that effect in your mailboxes. No additional notice is required or will be given. Please plan to attend. Thank you.

SHUFFLEBOARD

Michelle Swanlund, Captain
Joanne Gallivan, Co-Captain

December is finally here and shuffleboard is well on its way. We've had two practices and one game which we lost against Pointe West. However there was a lot of laughter and bantering around since it was the first game of the season so it appears everyone had fun. Some residents are showing interest in joining our team. Everyone is welcome and do not fear not being good enough. This is a fun game and there is always someone ready and willing to help you out. Although it is encouraging to win games and we try our best to do so, this is a great social activity where you meet residents from other parks.

We are supported by the Social Club and I might add here that we are the only team that is supported by their Social Club. We also have a very generous sponsor in Bob Stapleton so when you need some work done on your a/c or heat unit, please think of calling Bob Stapleton.

Come and join us or feel free to go out and try your hand at it. The equipment is there for you to use.

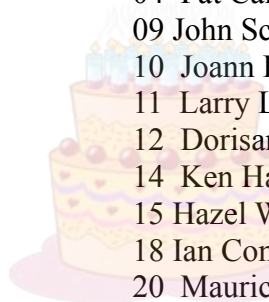

The team also want to wish everyone a Merry Christmas and a Very Happy New Year.

November 7 at 4:38pm •

Just to update fb friends on what's been happening to me this year. As you know, I had a melanoma on my back removed in June. The surgeon made appointments for me to have a cat scan and to see an oncologist since this was my 2nd melanoma in three years. The cat scan determined that melanoma had reached the lymph nodes in my left armpit and the oncologist then arranged for a pet scan to see if cancer would show up elsewhere. I was lucky because it didn't reveal anything else. So I went to a wonderful general surgeon who performed a left axillary lymph node dissection exactly two weeks ago today, i.e. removed the melanoma and all the lymph nodes which are being examined for signs of disease. I should hear back from the path lab in a couple of weeks. Then, the surgeon will recommend to the oncologist what further treatment may/will be necessary. I have a follow up appointment with the oncologist on Dec. 16, so it would appear that we will not be going to Florida until at least after Christmas. I did have a drain placed in the wound following surgery to collect any fluid building up under the incision. It was only taken out today. Ann looked after this, removing the fluid four or five times each day over the past two weeks, as well as changing dressings. I don't know what I would have done without her! Anyway, I feel really blessed because if the pet scan had showed

cancer elsewhere I would not have had the surgery at all, and other treatment would have been required. So we are hoping for the best, and that at worst if I require radiation, we should be going back to Largo early in the new year. I feel pretty well now, with the drain and tube gone, and will be able to SHOWER Sunday. All for now folks - stay well and keep in touch. Lol.

YOGA

Joan Haggerty

Hi Friends & Neighbors:

Because of some recent health issues Yoga class has been postponed until after the New Year. I miss all of you and the energy that is created during our class. I will be sure to write in Media when we begin again. Namaste.

Joan.

NOTICE NOTICE NOTICE NOTICE

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

Friday Night Movies

Patty Gregg & Larry Houff

Movies are run every Friday and Sunday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can call or see Patty Gregg or Larry Houff.. Time of the movies is 7:00 p.m.

THANK YOU FOR YOUR COOPERATION

MANAGEMENT AND STAFF

THESE RULES ARE FOR EVERYONE NOT A CERTAIN FEW.

People are still putting their trash out before Tuesday or Friday mornings.
Please try to obey these rules they are for everyone

OFFICE ADDRESS

Due to the changing of the mail carrier often, we are including the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming on where you are to send your rent check in the future.

Eldorado Village Office
601 Starkey Road Lot#78
Largo, Florida 33771

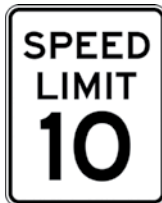

DOG POOP

The office has notified us that they are getting complains about dog poop. If you cannot pick up your dog poop you should not have a dog. Please think of your neighbors and keep your dog off of other people's lawn and pick up your poop.

Some of the new residents to the park are not obeying these rules. Please think of your neighbors when walking your dogs.

BEWARE TRAFFIC SPEEDING THRU OUR PARK

It has come to our attention that traffic is speeding thru the park with no concern for speed limits.

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time:

We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

Any Questions, please call your president.

PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.
Please call Judy Hedges if you have questions, her number is 501-2695

The girls in the office have much more too due than answer your calls inquiring about the water.

Please be understanding about water shut-offs. We all go thru the shut-offs from time to time and it is easy to keep some water on hand for this purpose

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department.

It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

SPARE YOUR BACK AT WORK

You don't have to dig ditches or load trucks to experience back pain on the job. Workers in all occupations can suffer from it, with serious consequences for their health and safety. The first step to protecting yourself is recognizing the common causes of back strain and injury. The Mayo Clinic website lists these major contributors:

- **Exertion.** Lifting heavy boxes or other objects can put undue stress on your spine, threatening injury.
- **Repetition.** If your job requires repeated bending, lifting, or other repetitive movements, you could suffer pain and muscle fatigue.
- **Poor posture.** Slouching in your chair for hours at a time can cause damage to the muscles in your back.

Take care of your back while you're at work (and at home) by following this simple advice:

- **Stay active.** Regular exercise keeps your back and the rest of your body in good shape, and helps you maintain a healthy weight so your back isn't carrying more of a load than it needs to.
- **Watch your posture.** Like your mom said, don't slouch! Find a chair that allows you to rest both feet comfortably on the floor when you sit. On your feet, balance your weight properly whether standing or walking.
- **Lift with care.** Proper lifting technique calls for you to bend your knees, not your back, and lift with your legs. Keep the object close to your body to maintain your balance, and don't let your spine bend too far out of its natural curve. If necessary, get a co-worker to help you.
- **Cut down on repetitive tasks.** Pay attention to your body as you carry out tasks requiring the same kind of motion over and over again. Look for modifications and tools (like headsets if you're on the phone call day), and take frequent breaks to give your muscles a rest.

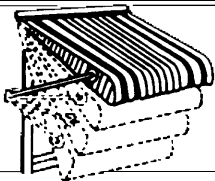

Individuals set boundaries to feel safe, respected, and heard.

Wild monkeys learn—by watching TV

Reality TV may have a new audience: wild monkeys. They won't be watching *The Real Housewives of Beverly Hills*, but they may teach human researchers more about how primates learn and think.

The wild marmosets of the Brazilian rainforest are social creatures that cooperate in raising their children and teaching them about predators. As reported on the Yahoo News website, researchers from the University of Vienna devised an experiment to test their ability to master new skills.

They constructed a clear box that held a banana. Then they created a mini-theater to show the monkeys a video in the wild. In the film, another marmoset got into the box by opening a drawer or pushing up on a lid—both complex behaviors. Although none of the marmosets had ever seen a video before, and the “actor” was a stranger to them (marmosets are highly territorial and will fight any group intruding on their turf), they were able to learn the trick and reach the banana after viewing the film.

The researchers plan further experiments to learn more about the marmosets' ability to learn by copying what they see.

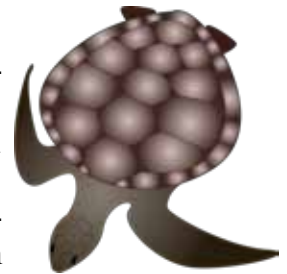

Turtles: Not as quiet as you always thought

Most of us think of turtles as slow and silent, but that's changing. According to the Scientific American website, biologists have identified 11 distinct sounds that turtles make—though they have no idea what they mean.

Researchers spent two years tracking and recording giant South American river turtles in Brazil. The 220 hours they captured let them zero in on six of the 11 specific sounds; some occurred during periods of migration and nesting, while other noises seemed to come out all the time.

The scientists aren't even sure if other turtles recognize the sounds. Further research will have to determine whether they're actually calling out “Cowabunga!” and discussing pizza.
