**T**he New Year is in full swing. Please try and come out and join in the fun planned by the committees. A lot of work goes into planning the parties and they did your support. At several of the holiday parties the dress code was not very nice. I think the shorts could be left home and you could dress up a little better. It is not nice to come in your play clothes when attending an anniversary party or a holiday dinner. Let's all try to look our best when going to the dances and parties.

I hope everyone likes the new look of the media. It's nice to have a colored cover. The new company is trying hard to please all their new parks. If you have any comments, please let me know.

### **GET TO KNOW YOUR 2015 SOCIAL CLUB EXECUTIVE**

For my first message as Social Club President, I want to let you know a little about the individuals who make up the "new" executive. In fact, we're not all "new" to the team, as three members have agreed to continue serving. Pat and Dorisanne are remaining as Secretary and Treasurer respectively; Sandy is leaving her position as Director of Social Activities to become Associate President. As well, Vice-President Dick Hambley has served two terms in the past as President. That means that 4 of our 10 current Executive already know a lot about the Club and the various executive positions. That is knowledge that we rookies (Associate VP Joan Mackay, Associate Secretary Joan Haggerty, Associate Treasurer Pam Lankster, Director of Social Activities Jeanette (JJ) Jenkins, Associate Social Director Emma Verbroker, and I) appreciate and will draw on frequently.

It turns out that this year's Executive is a varied group. There are long-time residents (Dick claims the record with 33 years of residency) and relative newcomers (JJ is spending just her 2nd winter here & Pam has recently become a permanent resident after several years of seasonal stays). We come from many places, including two Canadian provinces, Ontario (JJ) and Nova Scotia (Pat and I). Several states are represented, including Pennsylvania (Dorisanne), Kentucky (Emma) and Indiana (Pam), but New York leads the pack with a Long Islander (Dick) and no fewer than three transplants from the Upstate area (Sandy and the two Joans). No wonder Florida has overtaken New York as the third most populous state! I want to point out that all of the Americans are also year-round residents. Since permanent residents make up only about 20% of the park's population, it's gratifying to see so many of them willing to take on the responsibilities of their Social Club positions.

ing for Equity on May 1st as Dean's secretary. (We are now titled administrative assistants.) My background is in education where I was employed as a teacher and eventually became a school administrator.

John the maintenance supervisor was also hired on May 1st. He hails from Connecticut, where he had an extensive background in management. He retired at an early age as a vice president of production from a multi- million dollar corporation.

The Eldorado office is very busy the early part of the day. We are working on bills, returning phone calls and doing reports for Equity. Therefore, we are requesting that if you need to see Dean, please make an appointment. He is available daily from 3:00 p.m. to 4:00 p.m.

Please continue to work on improving the outside of your mobile home. Don't forget to weed your flower beds, spray wash/paint your mobile and remove debris from your carport. Thank you to everyone that is complying with this request.

One of the major problems, I encounter monthly is that the checks turned into the office and the ones received in the mail (even the bank checks) do not have your lot number on the check. Please be sure your unit number is clearly posted on all checks and money orders. This will help in correctly posting payments to accounts. In addition, please be sure that all checks are signed and PLEASE do not submit post dated checks.

DI am very grateful for the generous Christmas gift giving to me by the social club/residents of the park. All I can say is "WoW and THANK YOU"

A very special , "Thank YOU" to all the Holiday remembrances to our staff at Equity.

**RECYCLE**

**RECYCLE**

**RECYCLE**

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the "salad bowl" in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to "do the right thing" and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

## TRIP TO ST. AUGUSTINE

JOANNE GALLIVAN

Recently I have been communicating with a representative of Diamond Tours, a national company that other groups in the area have used with very good results. Their web site and promotional materials are very professional and the agent has provided excellent service so far. For each trip, there is a destination manager to provide assistance and local guides narrate an included tours.

I have reserved the dates of March 2-5, 2015 for a trip to St. Augustine, Amelia Island and Jacksonville. If we have the minimum required number of paid passengers (30) by their deadline (Jan. 3rd), they will confirm those dates. The fare of \$335 per person includes 3 nights accommodation at a national brand hotel (such as Holiday Inn Express or Comfort Inn Suites),

The trip includes guided tours of Kingsley Plantation, beautiful Amelia Island and St. Augustine and a narrated cruise on the St. John's River. ## BINGO

Bingo is back in full swing after the holidays. Thank you to everyone who gave us gifts. We hope to see Henri now that he has his doctor's permission to be out. He has been missed by all his lady friends and everyone in general. Attendance has picked up so now our money pots are getting larger. Come on out on a Tuesday night and join in the full. We start by 6:30 and are on our way home by 8:45.

## HOMEOWNERS ASSOCIATION & LIAISON COMMITTEE

The Annual Homeowners Meeting will be held on Thursday, February 12th. Please be sure your assessments are paid at \$10.00 per home to Sharon Laney, HOA Treasurer so that you are eligible to vote at this meeting.

Please remember to wear your wrist bracelet to the pool. Also, bracelets are required for your guests, they can be picked up at the office. With all the new residents in the park, it is hard to know who is who and if there are outsiders just coming in and using our pool. (yes, that happens folks.)

Additionally, we are aware of the speeders in the park and working with management and the Largo police to try to come up with some solutions to the problem. Observe the speed limit, especially around the new mail boxes. Thank you for cooperating.

This years sale will be on Feb. 21st starting at 8am. This sale is the largest fundraiser of the year for our social club. For this sale to be a success, we need everyone's help in completing this endeavor. First we need sales items. If you have items that you don't need please make them available to us for the sale. These items need to be in good working order. We still have room in the garage for small items but large items will have to be picked up on Friday the 20th. We also need help on the Friday to to pick up items from residents and also to set up the clubhouse for the sale. On the day of the sale, we need people to assist customers while they are shopping. Lets make this sale the best ever

Call me if you have items for the sale or want to assist in the sale

# SHUFFLEBOARD

*Michelle Swanlund, Captain, Joanne Gallivan, Co-Captain*

When I wrote the January article for the media we had not yet played our last game of the season. So now I am very happy to say that we won our last game against Bay Ranch. It was a great way to end the 2014 season. The team has been practicing very hard, twice a week and some members are putting in many extra hours of practice to better themselves. As Captain, I am very grateful for that and I hope their effort will pay off as I'm certain it will.

Our first game of the 2015 season was cancelled due to the arctic cold we have been having, so that was a split. We have also split our second game of January against Shangri-La. A win or a split away from home is always a bonus.

An ELS tournament will be held at the Clearwater Shuffleboard courts on the 10th of this month. This is a fun time to have and is totally free. I hope that many players will join us. Actually you do not have to be a member of a team to play, only that you live in an ELS park. The flyer as well as sign-up sheet is on the Shuffleboard bulletin board by the courts. I hope some park residents feel the urge to join us.

Also there are free shuffleboard lessons given at the Clearwater courts. Details are posted on our bulletin board.

## TIME FOR DUES

---

See Sharon to pay your assessment to the Homeowners Association (\$10 per homesite) or Dorisanne for Social club dues (\$5 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

## FOOD COLLECTION

*Michele Lemon, John Campbell*

On December 16, 10 lbs. of food and \$368.00 was delivered to RCS Food Bank. Thanks to everyone for your generous support. Donations can be made at the weekly coffee meetings or at lot #150.

## YOGA

*Joan Haggerty*

Hi Friends and Neighbors:  
Winter session started 1/12/15 nine people in attendance. Had a good session although did not complete schedule poses. It seemed to go well for everyone after much blabbing about not overdoing and paying attention to your own body. Next week we will work on poses to help with the discomfort of siatica. If you have hip or low back problems, i urge you to try yoga for some relief. Blessings always.

Namaste.

## NOTICE

## NOTICE

## NOTICE

## NOTICE

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and re-opened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

## COFFEE AND DONUTS

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

## **WATER SHUT-OFF NOTIFICATION**

---

**P**lease note what we do when the water is turned off for any length of time:

We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

Any Questions, please call your president.

**PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.**

Please call Joanne Gallivan if you have questions, her number is 535-5306

## **WATER SHUTOFF'S WHAT CAN WE DO**

---

**W**e have had some problems in the past with folks not knowing that the water was going to be turned off. They are not alone; no one knows when this may be necessary. Please bear in mind; we can never know when a leak in the water pipes is going to be found. When this happens, the plumber who repairs the pipes needs to turn off the water in order to do his work. Not that this is something we are happy about, but it is just a fact of life that this must be done.

We would like to make some suggestions as to what to do if you discover that the water is turned off. First, turn off your hot water heater. This assures that the elements in the heater will not burn out if the water in the heater drains down. This can be done at your circuit breaker panel of some homes have a separate switch for their hot water heater. Second, do not turn on a hot water faucet. This will keep air from getting to the heater and allowing the water to drain. If no air gets into the heater, the water will not drain. You can turn on a cold water faucet slightly so that you can know if the water does come back on, but it is probably best to just turn on a cold water faucet from time to time to check. It is a good idea to have a few gallons of water on hand to use in the event you need some while the water is turned off. Bleach jugs make good containers for this backup supply. You should refresh the water in the jugs from time to time so that it is fairly fresh water. Most people nowadays use bottled water for drinking so that is taken care of. But, if you need water for cooking or drinking, the water in the jugs can be boiled to assure it is safe to drink.

There is one other thing that can be done. That is to have a check valve or back flow valve installed in your home where the water comes into the home. This is like an automatic shutoff that will keep the water in your home from flowing back out into the system. Bob Washam has one of these installed in his home and he has said that he would be glad to discuss this with anyone who is interested.

When the water comes back on, run the cold water for little while to make sure that any air or contaminants in the water are flushed through. Sometimes this will bring particles that might be in the pipe to the faucet and block the filter on the faucet. This can be unscrewed and tapped lightly on the countertop to remove the particles, and then replace the filter.

We are planning on putting together a call list so that we can alert folks that the water is going to be turned off or if there is some other type of emergency. We will be using the residents who are here year round and do not work to start the chain of calling. Hopefully this will give us the best coverage. We will then go to those who work. The seasonal folks who are only here part time will make up the rest of the list. We feel that, if we are notified when the plumber is called, we can be through our list and have everyone who is available notified by the time the water is turned off. One of the problems we face with this is that of the 227 homes in the park we only have 159 phone numbers. We are hopeful that this will help us to avoid any inconvenience that water shutoffs cause. But, remember, we will be having water shutoffs in the future and we cannot predict when they will occur.

## SOLICITATION IN THE PARK

---

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
