MEDIA EDITOR

Joan Lowe (joanclowe@aol.com)

I will be out of town for most of the summer. If you have any news please send it to Dick Hamblay at richwham@aol.com. He will be doing the media for August and September. Thanks for your support.

ASSOCIATE PRESIDENT

Sandy Yost

Hi, Eldorado Village Neighbors!

We have officially arrived to what we fondly call "The Off Season". That means we wished our Northern Friends a safe trip home and a wonderful summer! Those of us who live here year round are enjoying each other with a gentler social schedule. Fall will soon be here!

We are looking forward to activities our Associate Social Director, Emma Vorbroker, has planned for us around the summer holidays. We will do our best to keep our website, eldoradovillagenews.com, and our Facebook page up to date so that you know what your Southern Friends are up to!

Please feel free to send pictures and information to Dick Hambley or me about your travels so that we can add them to the website page.

I am always proud of our village when new folk join us and comment on the welcoming friendliness of our residents. We are a family here at Eldorado!

Associate President, Sandy Yost

MESSAGE FROM DORISANE GIBSON

New residents are cordially invited to a "Meet and Greet" orientation meeting with the Eldorado Village Homeowners Association Board Members. The event takes place in the clubhouse on Tuesday, June 9th at 7 p.m. We hope to have the opportunity to explain to our new residents the function and importance of the HOA and what membership will do for them. There will be a free giveaway for some lucky person. If you have not been contacted by a board member of the Homeowners Association, please call Dorisane Gibson at 524-3809, or come to her home at Lot 187.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (*colored bottles and jars*) Cartons (*milk and juice containers*) Mixed Paper (*Newspapers, flattened cardboard boxes and office paper*) Plastic Containers (*food and beverage*) Aluminum and Metal (*cans and containers*).

The things we **should not** put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment.

Did You Know About These Great Monthly Media Services?

Summer Mailings - If you are heading north for the summer but still want to receive a printed copy of your monthly newsletter, just call our office and sign up for Monthly Media's Summer Mailing Service. We will ship (USPS 1st Class) a printed copy of each month's newsletter to your northern address, for as long as you're away, the cost is \$4 per month. Dozens of residents are already taking advantage. Please see our brightly colored insert for more information.

Get Your Picture on the Cover - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are located the bottom of this page.

Emporium/Classified Listing - Do you have an event in your community such as a Bake Sale or Flea Market? An item for sale like an old set of golf clubs that needs to go? Help needed or vendors wanted for an event? Maximize the people that see your listing and use the Emporium! Your listing will be printed & delivered to over 20,000 homes in Pinellas County. See the Emporium page toward the end of the newsletter for more info.

Larger Print Newsletters - At the request of some residents we are now offering Larger Print Newsletters to those who request them. The newsletter type will be approximately 20% larger (16 pt article body type vs. 12 pt normally). There is a small service charge of \$2 per newsletter for those who request. The larger type newsletters can either be delivered to you every month like they are now or we can mail them directly to your home for an additional \$2 per issue shipping charge. Please call Monthly Media (phone number listed below) for more information.

PARK MAIL BOXES

Now that we have mail boxes near the clubhouse please do not remove your old boxes at your house.

The mail box now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

TIME FOR DUES

See Sharon to pay your assessment to the Homeowners Association (\$10 per homesite) or Dorisanne for Social club dues (\$5 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

NOTICE

NOTICE

NOTICE

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

COFFEE AND DONUTS

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

FRIDAY AND SUNDAY NIGHT MOVIES

Patty Gregg & Larry Houff

Movies are run every Friday and Sunday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can call or see Patty Gregg or Larry Houff.. Time of the movies is 7:00 p.m.

OFFICE ADDRESS

Due to the changing of the mail carrier often, we are including the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming on where you are to send your rent check in the future.

HAPPY FATHERS' DAY

SPEED LIMIT!

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time: We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.

Water Shutoff's what can we do

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

EMERGENCY NOTIFICATIONS

We have talked in the past about the problems faced when an emergency such as a water shutoff occurs. Therefore, we are looking into a couple of ways to notify residents of this or any other emergency such as an evacuation happens.

We are exploring two methods of doing this, one by having residents call one another in a chain format, the other by so-called robocalls. The first method would mean that we have to set up the call lists in a manner to achieve the best coverage during daytime hours and also when our snowbird residents go north. We have started this format and will be refining it. However, we also found out we can notify everyone at one time with a robocall. This would be achieved by creating a message pertinent to the emergency and having it sent to everyone on a call list.

The robocall method would be the easiest to carry out, but not everyone may want to be notified in that manner. So, we are going to create a robocall contact list and work from there. At the present time we have phone numbers for about 150 of the 227 homes in the park. We will be putting out an informational flyer to all residents informing them of this plan. If your phone number is listed in the Eldorado phone directory and you wish to be notified by robocall, you will not have to do anything. If your phone number is listed in the Eldorado phone directory and you would rather not be notified by robocall, the form will have a place for you to check to opt out of the robocall contact list including your lot # and signature.

If your phone number is not in the Eldorado phone directory and you wish to be notified by robocall there will be a place for you to opt in and you would need to list your phone number, lot # and sign the form.

For all others that we have the phone number for but do not wish to have a robocall notification, we will then refine our call lists and use that method to notify residents.

The bottom of the flyer will look something like this:

Name _____ Lot # _____

Phone # _____

I would like to opt out of the Robocall list:

Signed: _____

I would like to be added to the Robocall list:

Signed: _____

My phone # is _____ Lot # _____

Happy Father's Day!

Eat Better to Spur Creativity

Some great artists and writers are known to have used drugs or alcohol to seek inspiration, but you don't have to risk your health when you need a creative boost. The Medical Daily website suggests trying some of these foods to help stimulate the brain:

- **Fruit.** Fruits have lots of an amino acid called tyrosine, which helps synthesize proteins and may influence your ability to think deeply. In one study, students performed better at completing puzzles when they drank orange juice strong with tyrosine.

- **Chocolate.** The flavanols in chocolate may enhance short-term cognitive skills, according to one British study, because flavanols boost the amount of oxygen in the brain. Try a cup of hot cocoa before you need to be at the top of your mental game.

- **Carbohydrates.** Carbs deliver a quick dose of glucose to your body and brain, providing aid to concentration and memory. Potatoes, oatmeal, and other carbs may have a beneficial effect on brain function.

- **Walnuts.** Rich in omega-3 fatty acids, walnuts can help memory and increase brain function, according to the journal *Plant Foods for Human Nutrition*. The results of one study showed that rats given a diet of raw walnuts for 28 days showed better learning and memory than rodents on another diet.

Money Matters

Try these smart shopping tips at the grocery store

Everyone wants to stretch his or her food dollars. You don't have to live on ramen noodles and cold cereal three times a day to do it. Here are some tips for savvy shopping at the store:

- Don't fall for fancy displays. Items stacked at the end of the aisles, like sodas, aren't necessarily on sale. The display can make them seem like they're marked down, but often they're still regular price.

- Remember that you pay for convenience. Skinless chicken breasts cost more than those packaged with skin. The same applies to the pre-cleaned and cut carrot sticks. In both cases, they're a little more expensive. Decide whether the convenience is worth the extra money.

- Try the store brands. If you compare the contents and nutritional value of name-brand versus no-brand items, you'll often discover that they're almost identical. In many cases, they're made in the same plant and just packaged with the store label.

- Use coupons. How often have you clipped coupons only to allow them to expire? Develop a system that will ensure you remember and use them.

June Facts and Trivia

Basic Facts

- June is named for the Roman goddess Juno. The month of June is a popular month for weddings, perhaps because Juno was the goddess of marriage.
- In ancient Rome, June was the fourth month of the year. When the Gregorian calendar was adopted, it became the sixth month of the year. It is one of the four months with thirty days.

Birthstones

- The traditional birthstone for June is the pearl. It is a symbol of purity and is the only gem that comes from living sea creatures.
- Alexandrite is an alternate birthstone for June. This unique gemstone changes color depending on the lighting conditions. It is greenish brown in color when exposed to daylight and fluorescent light, but changes to a purple, reddish hue by incandescent or candlelight. It is a symbol of joy and good fortune.
- Another alternate birthstone for June is moonstone. It is considered a sacred stone in India. Moonstone varies in color from clear to bluish white or peach. It is a symbol of health and longevity.

Flower

- The flower for the month of June is the rose. Roses are a symbol of love and appreciation. They are also known as the flower of passion.
- Roses come in a wide variety of colors. Each color has a different meaning. Red roses symbolize love; white roses symbolize innocence and purity, and light pink roses are a symbol of admiration or sympathy.

Astrological Signs

Gemini and Cancer are the astrological signs for June. Birthdays from June 1st through the 20th fall under the sign of Gemini. June 21st through the 30th birthdays fall under the sign of Cancer.

Historic Events in June

- Benjamin Franklin discovered electricity on June 15, 1752.
- Continental Congress adopted the United States flag known as the Stars and Stripes on June 14, 1777.
- The Pledge of Allegiance was recognized by Congress on June 22, 1942.
- The Korean War began on June 25, 1950.

Famous People Born in June

Many famous people were born in June. Here are just a few of them.

- One president: George H.W. Bush
- Several actors and actresses: Tim Allen, Courtney Cox, Johnny Depp, Michael J. Fox, Angelina Jolie, Nicole Kidman, Toby Maquire, Marilyn Monroe, and Meryl Streep

Here's to you, dad: The start of Father's Day

Father's Day started with a dedicated woman: Sonora Smart Dodd, the daughter of a widowed Civil War veteran who had raised her on his own. Dodd came up with the idea for a special day celebrating fathers when listening to a Mother's Day sermon in 1909. She held her own special tribute for her father on June 19, 1910, in Spokane, Wash., and began a campaign for an official celebration thereafter.

The idea of Father's Day initially met with some skepticism, but in 1919, President Calvin Coolidge expressed support for the holiday, and in 1926 a National Father's Day Committee was formed in New York City. In 1966 President Lyndon B. Johnson signed a proclamation designating the third Sunday in June as Father's Day, but it wasn't until 1972 that President Richard Nixon officially recognized it as a national holiday.

Loyalty to country, always. Loyalty to government, when it deserves it.

—Mark Twain

Quick zingers and fast chuckles

Need to get a laugh in a hurry? Try some of these handy one- or two-liners:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- I used to think the brain was the most important organ. Then I thought, "Look where that idea comes from."
- A dwarf fortune-teller who kills his customers might be known as a small medium at large.
- Did you hear about the dyslexic devil worshipper who sold his soul to Santa?
- During a prison break I saw a dwarf climb over a wall. As he jumped down he sneered at me, and I thought, "That's a little condescending."
- A blind man walks into a bar. And a table. And a chair.
- You never see a hippopotamus hiding in a tree. They must be really good at it.

Danger at home: Keep your children and grandchildren safe

The home can be a dangerous place, especially for young children. Most household accidents are avoidable, though, with some commonsense precautions. Safe Kids Worldwide, a global organization providing safety information aimed at preventing accidents and injuries to children, shares these tips for keeping your family healthy and safe:

- Bathroom. Don't leave children alone in the bath, or anywhere near water.
- Hallways. Install smoke and carbon monoxide detectors, and check their batteries at least every six months to ensure they're working properly.
- Bedrooms. At bedtime and nap time, remove any blankets, pillows, stuffed animals, and toys from your baby's crib to prevent accidental suffocation. Make sure your baby sleeps alone and on his or her back.
- Staircases. Put up safety gates to keep children from tumbling down staircases. Install similar gates for every window a child might reach.
- Medicine chest. Store all medicine in cabinets above the reach of children, and lock cabinets they might get into. Keep track of any medication you might carry in your purse or briefcase.
- Living room. Install brackets and braces to secure bookshelves and other furniture against accidental tipping. Secure television sets to the wall or place them on low platforms.
- Kitchen. Use the back burner of your stove when cooking with children present. Turn pots and pans so that their handles face away from the edge, out of reach from tiny hands. Store household cleaners in high cabinets and shelves, or lock lower cabinets to keep children out.

Keep kids safe from bugs during summer months

As summer comes, so do the bugs. And some of those bugs can bite. Follow these guidelines from the American Academy of Pediatrics to protect your children from getting stung or bitten:

- Avoid using scented soaps, hair sprays, and perfumes on your child. The scents can draw insects and bugs and increase your child's risk of being bitten.
- Stay away from nests or places bugs might congregate. This includes stagnant pools of water, areas where uncovered foods are abundant, and gardens where flowers are blooming.

Scientists delve deep into the heart of the world

Jules Verne's *Journey to the Center of the Earth* described an inner world of jungles, seas, and dinosaurs. The reality is quite different, but no less interesting to scientists, and it's changing all the time.

The latest discovery about the nature of the Earth's core comes from a professor at the University of Illinois at Urbana-Champaign. The inner core, about 3,000 miles beneath the world's crust, actually contains a second core about half the radius of the outer one. This inner core contains iron crystals, which are oriented in an east-west alignment. The outer inner core's crystals align north-south, although they appear to have flipped several times in the distant past.

Scientists liken the twin cores to the rings on a tree, which allow researchers to peer directly into the past. The discovery could provide important clues to the formation and development of our world.

'New' solar system is the oldest ever found

The oldest solar system in our galaxy is 11.2 billion years old, according to data from NASA's Kepler space telescope. By comparison, our home solar system is about 4.5 billion years old. The new find is about 117 light-years from Earth, with five Earth-sized planets in an orbit too close to their star to allow for life. But the discovery of a solar system's formation only a few billion years after the Big Bang some 13.8 billion years ago suggests that life could have proliferated throughout the cosmos much earlier than scientists previously believed.

Sophie the Stegosaurus steps on the scale (sort of)

How much did the dinosaurs weigh? That question has been answered—at least for one specimen at London's Natural History Museum.

Sophie the Stegosaurus is about 150 million years old, and was discovered in 2003 by paleontologists in Wyoming. It now resides at the British museum, its skeleton 85 percent intact. According to the Yahoo News website, British researchers created a 3-D digital version of the skeleton, then calculated the amount of flesh it would have had around its bones, and compared that with data from modern animals of a similar size.

The result? Sophie tipped the scales at about 1.6 tons, with a body mass roughly equivalent to a small rhinoceros. Knowing its weight will allow paleontologists to learn more about stegosaurus metabolism, food needs, and growth rate.
