Media Editor

Dick Hambley (richwham@aol.com)

From the Editor

Well this past month or two have been like nothing we have ever experienced before, but we will persevere and get through this. I have confidence that we can get back to a more normal, albeit different, life again soon.

I would like to remind everyone that our July media will be the park directory for the 2020 – 2021 season. If anyone knows of changes that should be made, please let me know either by phone or the email address above. If you are new to the park and have not received a copy of the present directory and would like to check and see if you are listed, please contact me. Also, if you are new and wish to have me add you to the directory, again please contact me. The changes that I presently have are listed in this copy of the media and will be used to update for the new directory.

I would like to remind everyone that our facebook page is meant to bring news and ideas to our residents. In that light, I would like to request that we keep our political views or your problems with what your perceive as a management problem either directly to the individual involved or to management. You can post what you want on your own timeline, but I will be removing any political posts from the Eldorado Page when I see them.

H.O.A. News

Dorisanne Gibson

Hurricane Season is open now. Something new to be concerned about. But we can prepare for this and being ready will lessen our concern. For those new residents in the park who have come from other states, you will hear a lot about hurricane season and we are very serious about it, having been here thru IRMA. I have been in touch with Summer Mahr, Largo Fire Department, who is our go to person for all things hurricane. She has not yet begun scheduling visits to our parks but will check with me when she starts planning meetings; that is assuming that our clubhouse is open. At the very least she will have printed material for us to pass out giving us all the information that we need. And believe me there is a lot of information you need to know. You can start now purchasing some supplies you might need like foods that you can open and eat; crackers, peanut butter, canned fruit, juices, V8, tuna, etc., you get the idea. And check the shutters on your windows to make sure that they are in working order. We hope we will not have to use our shutters and foodstuffs, but we are good scouts, Be Prepared.

Neighborhood Watch

Patty Gregg

As a part of the Neighborhood Watch Team, we would like to let residents from Lots 51 to 105 and 148 to 164 know that we were sadly unable to deliver your documents and chat with you about the Neighborhood Watch procedures prior to the Stay at Home directive. Please contact us, as your representatives, if you have questions or concerns.

Patty Gregg, Laura Cholewa and Terri Diana

Valuable Information from

Dorisanne Gibson and your H.O.A.

A group of interested residents met with Largo Police Officer Vu Tran in January and outlined a plan for the Eldorado Village Neighborhood Watch Program, to be initiated later this month.

As the organization comes together, we will be sharing information with our residents in terms of how the Watch will work at Koffee on Tuesdays, at our HOA meetings and thru Facebook. What you need to know now is that it is going to happen, and some residents will be observing activity in the park with an eye to spotting anything out of the ordinary. I am excited about this new initiative as is Officer Tran.

You have heard a lot about Largo Code Enforcement inspecting mobile home parks, ours included. Many have asked what they will be looking for, so the following is copied in part from Largo “Common Code Violations for Mobile Homes”. Now, knowing all this, no one should be in violation of the Code.

All exterior structures on the mobile home (siding, wood, etc.) must be intact, sturdy and not have any holes, rot or broken pieces.

All roofs and gutters are to be free from any vegetation, tree limbs, and other items. Roofs and drainage are free from any breakage, leakage, holes, or other disrepair.

All windows that should be able to open to the outside, are able to be opened.

All vehicles on the property are to be properly tagged with current registration and decals. Also, the vehicle needs to be operable and cannot be taken apart, up on jacks, have flat tires, missing motors, etc.

The outside of the mobile home is to be free from any holes, rot, or other areas where rodents can enter inside. If these types of entrances are found, they are to be properly secured and fixed.

All mobile homes are to be free from any kind of infestation whether it be rodents, insects, roaches, fleas, bedbugs, etc. If there is an infestation, it is to be treated by an exterminator and prevention measures taken to prevent re-infestation.

Simple, easy and yummy!

You can also make this with veggies, carrots, zucchini, broccoli and some cheese over the top, it goes really well with the seasonings.

Give it a try, you will love it!

Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! To date, we have records that show we have donated \$3262. and nearly 1000 pounds of food! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Bank served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

As I see ELDORADO VILLAGE from MY YELLOW BIKE

by Pam Spilbeler

STILL GRATEFUL DURING COVID-19

I would never have thought that while writing my Yellow Bike article for the month of April about being Grateful during the Coronavirus Pandemic, that I would be repeating it for the June Media.

First of all, I hope this message finds you in good health. For those of you that have contracted the Coronavirus or have lost someone near and dear to you, I extend my heartfelt sympathy. I can only imagine what you have endured. These are certainly trying times for all of us; I do empathize with you and hold onto hope along-side you.

As many of us have entered our third month of staying in place, closure of businesses and social distancing, wearing face masks, we are beginning to see executive orders lifted as various states and countries proceed with their plans for re-opening. It does not matter which state or country you live in we are ALL IN THIS TOGETHER.

In my mind re-opening does not mean the virus has subsided. It is still prolific and will continue to be so until a vaccine is created. Everyone must make their own personal decision and certainly we are not supposed to live in a “bubble”. I believe we are supposed to look out for ourselves and for each other.

We are all in this together – we must consider the consequences to our actions and consider that we live in a 55+ community who are in a high risk category; so we must take heightened precaution as we move ahead with the re-opening plans. Please remain informed and prepared and take measures to be safe and healthy. Remember your actions can affect someone else and that someone might unknowingly suffer the consequences of your actions.

Despite all of this - keep a positive mindset - this can go a long way in managing through this difficult time. We all look forward to better days.

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Eldorado Facebook Page

Dick Hambley

For those who were unaware, I am the administrator for the Eldorado Village Facebook Page. I would like to remind everyone that in order to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, I automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when I research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

Library

Linda Stayer

The Eldorado Village Library is very nice, clean, and well kept. I am a new year-round resident and on June 25th attended the Social Club meeting where it was announced that a volunteer is needed to care for the library. I volunteered and thought everyone might like to know the modifications that have been made to enhance our special library.

1. There is a Welcome sign on the library bulletin board along with instructional information on the library usage.
 1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which should make the filing process easier and faster.
3. Clip-on shelf labels and Velcro material have been added. Reason: some labels were coming off and the alphabet letters can be moved when the book quantities increase, and shelf space adjustment is required.
4. A “Drop-off” box was added for books returned or, donated items. The new items will be marked and placed on the shelves.
5. The entertainment book shelves which contain movies, puzzles, board games and playing cards are just waiting for attention. Fun note: there were over 70 sets of playing cards to be verified for accuracy.
6. If you didn’t know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair and enjoy a “blast from the past”.

Please STOP by our library and maybe you’ll notice a few other little fun things that have been added for everyone’s enjoyment. Thank You

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S
There is nothing they can do, to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
