Joan Lowe (joanclowe@aol.com)

Happy St. Patrick's Day Hope everyone will get out and attend the dance. Many functions coming up in March. Lets all try to attend something. The chairmen of these events spend a lot of tie putting them together rand they need our support

PRESIDENT

Joanne Gallivan

Iwant to welcome Ann Tough to the Social Club executive as Director of Tours and Travels. We now have just one vacancy on the executive, Associate Director of Tours and Travels. If anyone is interested in filling that position, please let me or Ann know.

January was a busy and fun-filled month in the park. We had the return of some past activities which have been missed and some surprises. At Dick Hambley's suggestion, the "3-D" cooking team (Dave Marciszewski, Dick Panowicz & Dick Tracy) and numerous helpers brought back the Pancake Breakfast. There was delicious food, great attendance, lots of socializing and an addition to the Social Club treasury. The team promises to host more breakfasts in the upcoming months.

At our January dance, El Dorado's version of the Jackson Four (Grant Vorbroker, Roger Rice, Herman Reaume and Tim Kenney) performed a rousing rendition of "Billie Jean" to the delight of the audience. If you missed the performance, you can view the video on the El Dorado Facebook page – it's going viral. The other entertainer for that evening (AL Ruggiero) kept the dance floor packed for most of the evening and will be playing at our Valentine's Day Dance in 2016.

There are lots of opportunities to be active and to socialize in El Dorado Village every month. Check out the list of activities elsewhere in the Media and join fellow residents in those that interest you.

Correction from the February media: Permanent residents make up 50% of the park not 20%

DUKE ENERGY

Duke has an energy saving program. If you are interested call the numbers listed below:

NOTES FROM THE ADMINISTRATIVE OFFICE

The Social committee has requested that you do not leave your car overnight in the clubhouse parking lot on Friday evening. The residents who attend the Saturday morning “COFFEE Clutch” need these spaces for parking.

This also pertains to Wednesday night Bingo.

Several residents are having their UPS or Priority Mailing sent directly to our office and not their home mailing address. Please do not continue this practice, as we cannot be held responsible for these packages.

Beginning in the month of March, all cars and trucks that are inappropriately parked will be towed. We will be focusing on overnight parking and cars parked on the grass. All car tires must be on the TAR. This ruling pertains to week days and weekends.

To date, only 2 people have come to the office to update their telephone numbers. We must have your current telephone number to keep our records accurate.

In addition, each month I receive checks without the lot number being posted. Please be sure to write your lot number on the top of your check. Using direct deposit this would eliminate many errors.

Please contact Dean first if you have a problem. He is here to assist you.

Be considerate of your neighbors. DO NOT SPEED or blast your radio as you drive through the park.

ELDORADO'S CHIP HUNKS

The Welcome Back Dance held a special surprise for all of us with the first ever performance of the Eldorado Chip Hunks! Our very own Tim Kenney, Herman Reaume, Roger Rice and Grant Vorbroker danced to the tune of Michael Jackson's Billy Jean. Their costumes of white tees, short black pants, white socks and black shoes were reminiscent of Jackson's dance outfits, complete with the hat and glitter glove! The crowd roared, clapped and laughed themselves silly! We are so proud of these courageous dancers and hope to see an encore!

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

 Joan Lowe

On February 10th we had our best night. 65 People in attendance. Everyone was happy with the prizes. Several new people joined us. We were happy to have them join us. It helps to make the pots large. We missed our favorite man, Henri. Hope he is okay. Pat will be back to call on February 17th as he has recovered from his arm operation.

HOMEOWNERS ASSOCIATION & LIAISON COMMITTEE

At our HOA Annual Meeting one of the things that was brought up was what to do about the unsightly homes in our park. We suggest that if management will not address the situation, our residents are certainly within their rights to file a complaint with City of Largo Code Enforcement.

The phone number for Largo Code Enforcement is 586-7488. The website is simply Largo.com. You can file a complaint anonymously online at that website. Please call Largo police at 587-6730 if you feel threatened or have reason to believe you are in danger. We have found the Largo police to be very prompt in their response.

If you missed the Annual Membership Meeting of the Homeowners Association on Thursday, February 12, 2015, you did not hear that less than half the homeowners in the park have paid their assessments for 2015. Out of 226 lots, minus one vacant lot, and minus homes owned by ELS, we have had only 81 homeowners pay their assessments, about 40 %. At said Homeowners meeting we had 27 homes out of that 81 represented at the meeting. We are very frustrated because we do not know how to impress upon you the importance of paying your assessment and involving yourself in the Homeowners Association process of representing the park with ELS. We need your northern addresses and emails. That information is kept confidential by the HOA. Should anything happen that we need a vote of the majority of homeowners we would be unable (at this time) to contact everyone. Should we have to contact our attorney for advice, we need to have the funds readily available to pay her. Should we have a problem next fall with rent negotiations, we need to have access to our residents. I know we have a great many residents now who live in our park who are completely uninterested in the workings of the HOA, and who only want to live in "affordable housing " and go to work every day. But

SHUFFLEBOARD –

Michelle Swanlund, Captain, Joanne Gallivan, Co-Captain

As I write these articles for the coming month, we are always in the second week of the previous month so my shuffleboard news always get to you late. I'll be up to date in April after the shuffleboard season is over. We won another game at the end of January when we played at home so that was very encouraging. Unfortunately the cold kept us off the courts on the 5th of February but we played at home again on the 12th against Down Yonder and we finally won against them.

Eldorado was well represented at the ELS tournament in Clearwater on the 10th of February and seven team members won prizes. We were the team with the most wins so everyone came home happy.

Things are going well. Some team players often come out on their own to practice and it shows in their play. Our last game of the season will be played on the 12th of March at home so come out and watch us play. Hopefully it should be warmer. And then it will be our End of the Year tournament at Pointe West, from the 16th to 20th of March. This tournament is a great way to finish the season.

Many thanks to those who came to watch us play. And also many thanks to the ladies who volunteered to bake cakes when we were hosting games at home. Also our gratitude to Jean Mann and her helpers who faithfully make the coffee, prepare the cakes and serve us at the break. What would we do without you.

ATTENTION SMOKERS

It would appear that our streets, lawns, gardens, landscaped area have become a giant ashtray for the smokers that are either just walking around, walking their dogs or just being outside. The situation did not appear to be quite as bad in the previous years however now wherever you walk you see cigarette butts all over the place in various states of decomposition. There are no street cleaners in the park so please if you smoke, extinguish your cigarette, pick up your butt and throw it in your trash. It is only common courtesy to all the residents in the park. And throwing your cigarette butts on someone's property is the ultimate in rudeness.

A concerned neighbor.

We gather at 9:00 AM on Wednesday mornings at poolside and carpool to the various parks. Our proposed schedule for March is...

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time: We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

Any Questions, please call your president.

PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.
Please call Joanne Gallivan if you have questions, her number is 535-5306

Water Shutoff's what can we do

We have had some problems in the past with folks not knowing that the water was going to be turned off. They are not alone; no one knows when this may be necessary. Please bear in mind; we can never know when a leak in the water pipes is going to be found. When this happens, the plumber who repairs the pipes needs to turn off the water in order to do his work. Not that this is something we are happy about, but it is just a fact of life that this must be done.

We would like to make some suggestions as to what to do if you discover that the water is turned off. First, turn off your hot water heater. This assures that the elements in the heater will not burn out if the water in the heater drains down. This can be done at your circuit breaker

TERMINATOR

IF YOU'RE NOT ASKING FOR TERMINATOR, YOU'RE ASKING FOR TROUBLE.

1033 Highland Avenue • Largo

panel of some homes have a separate switch for their hot water heater. Second, do not turn on a hot water faucet. This will keep air from getting to the heater and allowing the water to drain. If no air gets into the heater, the water will not drain. You can turn on a cold water faucet slightly so that you can know if the water does come back on, but it is probably best to just turn on a cold water faucet from time to time to check. It is a good idea to have a few gallons of water on hand to use in the event you need some while the water is turned off. Bleach jugs make good containers for this backup supply. You should refresh the water in the jugs from time to time so that it is fairly fresh water. Most people nowadays use bottled water for drinking so that is taken care of. But, if you need water for cooking or drinking, the water in the jugs can be boiled to assure it is safe to drink.

There is one other thing that can be done. That is to have a check valve or back flow valve installed in your home where the water comes into the home. This is like an automatic shutoff that will keep the water in your home from flowing back out into the system. Bob Washam has one of these installed in his home and he has said that he would be glad to discuss this with anyone who is interested.

When the water comes back on, run the cold water for little while to make sure that any air or contaminants in the water are flushed through. Sometimes this will bring particles that might be in the pipe to the faucet and block the filter on the faucet. This can be unscrewed and tapped lightly on the countertop to remove the particles, and then replace the filter.

We are planning on putting together a call list so that we can alert folks that the water is going to be turned off or if there is some other type of emergency. We will be using the residents who are here year round and do not work to start the chain of calling. Hopefully this will give us the best coverage. We will then go to those who work. The seasonal folks who are only here part time will make up the rest of the list. We feel that, if we are notified when the plumber is called, we can be through our list and have everyone who is available notified by the time the water is turned off. One of the problems we face with this is that of the 227 homes in the park we only have 159 phone numbers. We are hopeful that this will help us to avoid any inconvenience that water shutoffs cause. But, remember, we will be having water shutoffs in the future and we cannot predict when they will occur.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department.

It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
