Dick Hambley (richwham@aol.com)

The Ides of March are upon us and we have had a busy past two months with all the activities that have been made available to us by the wonderful volunteers who work hard to find things for us to participate in. The dances, meals, breakfasts, cornhole and karaoke have all been well attended and from what I have been able to observe, those who attended had a wonderful time as well as enjoying the camaraderie of their friends and neighbor. If you haven't been moved to come out to some of our activities, I urge you to come out and join us as we go into March and all that our Activities Directors and volunteers have coming up. We have also been joining in with our neighbors from East Bay Oaks in their activities as they have been enjoying ours. I have lived in Eldorado longer than I care to think about, but it has always been a great place to live and I am happy to see some of our newer residents joining in and making things happen. So, look through this media and make note of the activities and consider coming out and joining us. I can assure you that you will not be sorry, and you will have the opportunity to meet some great people.

Coming Activities

Tammy Heffron

February Breakfast

Another great breakfast put together by the “Wise Guys” was enjoyed by all those who were lucky enough to have gotten there.

Dave Marciszewski and his staff of Dick Panowicz, Jeanette Jefkins, Dick Tracy and Larry Lankster prepared a great breakfast. They were ably assisted by Bob Harley, Larry and Pam Spilbeler, Cindy and Dennis ‘Smoot, Donna Gibson, Rhonda Cowle and Patty Gregg who welcomed and served the 91 lucky persons who attended. The treasury of the Social Club was enriched by \$ 364.00 as a result of this great event. Although an invitation had been extended to the Largo Police, none were able to attend.

As I see ELDORADO VILLAGE from MY YELLOW BIKE

by Pam Spilbeler

The Loss of "Community" was an article in the FMO January/February 2019 which was very well written by Russell S. Watson, FMO Director at Large.

The Loss of "Community"

FMO President Jerry Durham & I attended the *I'm Home* Convention and the annual meeting of the National Manufactured Home Owners Association (NMHOA) held in Nashville, Tennessee in early December. We heard many stories from folks living in manufactured home parks that had banded together with fellow residents and formed "Communities". Much like freedom itself, the status of community is not given, it is earned. It is a perishable commodity which can be lost if residents fail to honor and nurture it.

Those living in our manufactured home parks in the 80s & 90s came to this lifestyle for affordable housing in a setting that offered companionship and comfort in the retirement years. Many of the communities that arose still exist today. Residents have passed on to each new generation moving in the need to get involved, band together, and feed the fire warming the hearts of all in the community. We heard numerous stories at both events of parks that successfully saved themselves from extinction by owners looking to profit excessively. In each case the key to success was the willingness by all in the park to join together as a community opposing the common threat. It is this lifestyle leaders at FMO seek to protect.

What does it mean to live in a "community"? It means you cherish a commitment to a lifestyle characterized by neighbors and friends – not amenities. Residents willingly give of their time and energy to run and participate in events and activities. People look out for each other and an injustice done to one in the community is answered by all. This is generally characterized by a strong, fully supported, HOA who willingly serve to represent the community against all threats. It is recognized that help is needed and can be had through membership in organizations such as FMO. The flame that keeps the community fire going is cherished above individual interests. Community activities and events tend to be collaborations by many who volunteer their time and efforts. Those who did so in the past are widely recognized and revered for their contributions. Like tribal elders they are respected and consulted on the direction needed to maintain the "community".

In the **Community Preservation Working Group**, of which I am a member, we discussed a new kind of community closure. In the past we were most concerned with parks whose owners were selling the land for a different use, thereby closing the community. A phenomenon we are seeing from major park owners across the country effectively does that with-

out the sale of the land. No regulation prohibits it and many simply hail it as good business practice. The only group standing in its way is the community.

These owners are investing large sums on clubhouses and infrastructure to elevate the status of their parks. This is appealing to many residents who have no difficulty affording the large annual rent increases ultimately needed to pay for it. Others, grandfathered into much lower rents, applaud this direction and align themselves with park owners to support these efforts. Lost are those simply trying to get by who can't afford and don't need such facilities. Those left, who held the community values found in affordable housing above amenities, are seen as impeding progress. Community input to the management of the park all but disappears. What was once a community of residents turns into a high end extended-stay hotel populated by fellow guests. Activities and events go on but are often characterized by few volunteers and a very small group in control. Park elders are admonished for their archaic approach and pushed aside. In some parks folks may actually be paid for work once done by community volunteers to keep costs down. The divisiveness created effectively shuts down the HOA through large turnover until it is populated by board members embracing "progress". In effect, the "community" is closed.

There is demand for parks providing high end amenities and a resort environment. The folks seeking this lifestyle have often led successful and difficult careers. Financially the costs in even the most lavish parks are far below what would be paid in traditional communities offering this lifestyle. These retirees have put in their time on the front lines and simply seek quiet harmony in an environment the kids and grandkids will be impressed with when they visit. They will often privately express concerns, but "do not want to get involved".

Unfortunately only one new park in the last fifteen years has been approved for construction in Florida. The only source for investors seeing this opportunity is to purchase properties already in operation. This can result in a bargain for those who can afford and want this lifestyle. Unfortunately we often lose the community in place to the process. There are no quick solutions or easy answers but for those of us to whom "community" is important this is a trend which must be addressed.

Ingredients

- 1/2 cup (95 grams) uncooked brown rice (certified gluten-free if necessary)
- 24 ounces (680 grams) uncooked, boneless, skinless chicken breast
- Dash salt
- Dash pepper
- 2 teaspoons + 2 tablespoons olive oil, divided
- 1 tablespoon honey
- 3 tablespoons lemon juice (about 1 medium lemon)
- 1 teaspoon Dijon mustard
- 3/4 cup (75 grams) chopped celery (about 2 stalks)
- 1/2 cup (70 grams) diced onion (about 1/2 small onion)
- 1 1/2 cups (195 grams) frozen peas and carrots, thawed
- 1/4 cup (10 grams) chopped basil

Directions

Cook brown rice according to package directions.

To grill chicken, preheat grill to high. Place chicken breasts between two pieces of wax paper and, using a meat mallet, pound to 1/2-inch thickness. Season chicken breasts with salt and pepper, and lightly rub with 2 teaspoons olive oil. To prevent sticking, lightly oil the grill grate before adding chicken. Cook chicken until firm to the touch, about 2-3 minutes per side. (Alternatively, you may bake or cook chicken in a skillet on the stovetop until firm and opaque throughout.)

In a large bowl, whisk together remaining 2 tablespoons olive oil, honey, lemon juice and Dijon mustard. Add celery, onion, peas and carrots, and brown rice; toss to coat. Divide rice mixture into 4 servings (about 3/4 cups rice mixture or 137 grams each). Top each with about 4 ounces grilled chicken. Leftovers will keep in the refrigerator for up to 5 days.

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts.

Hiking

Don O'Reilly

The Hiking Group has really expanded this month with the return of more snowbirds and new members have also joined. Each Wednesday, we meet poolside at 9 a.m. and then we carpool to the various county parks in the area. We have plenty of transportation for those interested. If you can make it occasionally, or if you would to come along to see if you would like the walking, you will be welcomed. Our Hiking Group ranges from those doing slow and short walks to others doing faster and longer walks. For those who are interested, we go out to breakfast afterwards.

The following are our planed walks for March:

| | | |
|----------|--------------------|-------------------------------------|
| March 6 | Walsingham Park | Breakfast at Peter's Restaurant |
| March 13 | Seminole Lake Park | Breakfast at Village Inn Restaurant |
| March 20 | Phillippe Park | Breakfast at Frenchy's Restaurant |
| March 27 | Sawgrass Lake Park | Breakfast at Egg Platter Restaurant |

New Bulletin Board

We have a new Bulletin Board by the Mail Boxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S
There is nothing they can do, to help you.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident’s birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Tammy Heffron take care of the locking and unlocking of this facility. Alternatively, if Tammy does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
