## **MEDIA EDITOR**

*Joan Lowe (joanclowe@aol.com)*

---

**L**ast month, I said that this would be my last media as Joan would be returning to Eldorado. However, she had the opportunity to spend some more time visiting with Jean Mann, so here I am again. Joan will be home tonight (10/15) and will be doing the media again next month. Thank you everyone for your cooperation and it was a pleasure getting the news out to our residents.

Dick Hambley

## **FROM THE MANAGER**

---

**A**s the summer season approaches end, we want to let you know that our 360 inspections will start soon. The weather is cooling down so now is a great time to spruce up the yard! We are making small strides in getting items done around the community. Paving is expected to be done in the phase by November end. And will be ongoing in the next year. Some tree work is expected to be addressed as well.

Going forward, due to the increased number of misinformed buyers, we are asking that anyone selling their home either themselves or via an outside realtor, please be sure to disclose all information to the buyer! We have had several people tell us they were not told of the age qualifications, pet limit or size and several other items. As a homeowner, you should know these, if you do not, call the office **FIRST!** This will save you time, money and embarrassment. Remember, everyone **MUST** go through the background check and be approved as a resident. Also, the office does resale's as well. So if you opt not to use a realtor, call us maybe we can help.

Thank You,

Debbie

(727) 902-4831

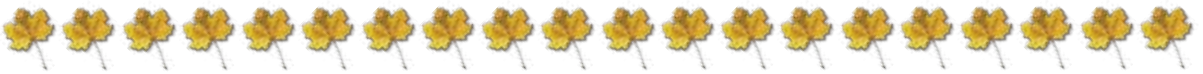

## **HOMEOWNERS ASSOCIATION**

*Dorisanne Gibson, President*

---

**I**hope you all saw the picture on Facebook of the floor in the clubhouse, it has been professionally cleaned and polished and looks beautiful. We have a new air conditioner so the clubhouse also is cool all the time as it is supposed to be. The exercise equipment is gone from the clubhouse and that room will be used to store items from the attic. The convection oven is gone and in its place a new free standing freezer has been ordered. Lots of stuff around the park is being taken care of. We have the street plan for those streets to be paved this fall. I

think the administration team we have now has done and will be continuing to do a super job in getting our park up to its best potential.

There will be a Homeowners Association Meeting on December 3, please plan to attend. Since this will still be 2015, your paid assessment for 2015 will give you voting rights. But don't forget, Sharon Laney will be taking the 2016 assessments at \$10.00 per home. We will be discussing some of the changes we have already incorporated since the implementation of the new Florida Statute 723 on July 1st. One of these changes deals with the way our elections in February will be conducted. It will be important to our members that we all keep up with the changes.

## **FROM THE PRESIDENT OF THE SOCIAL CLUB**

*Joanne Gallivan*

---

Recently, I've been reading a history of El Dorado Village written, probably in the late seventies, by Robert Darling. I learned that the property had been a prosperous farm, the Tennessee Dairy, operated since the early 1930's by Nell Ritter, and her mother, identified only as Mrs. Skaggs. When Mrs. Skaggs died in the early forties, another daughter, Mrs. Hicks, moved from Tennessee to the farm. Eventually, the physical labor involved in running the dairy became too difficult for Ms. Ritter. She sold off her livestock and her land in the late 1960's and retired to North Carolina.

The land was purchased by Howard Welch for a mobile home park and the first residents moved in, in 1969. The first steps for setting up a Social Club apparently took place at a coffee gathering in December, 1969 and the first slate of officers was elected at a "koffee klatch" in March, 1970. Within a few months, there was a range of regular activities, including bingo, shuffleboard, golf, bowling, pinochle and yoga. The number of events grew over the next two years to include potluck dinners, picnics, dances, pancake breakfasts and the annual Thanksgiving dinner. Those early residents chose well, it seems; those activities still take place in El Dorado to this day, 45 years later.

## **HOMEOWNERS YARD SALE**

We are planning on having a one time personal yard sale for homeowners. This will take place on November twenty-first during the hours of eight a. m. to twelve noon. The plan is to have a balloon in front of your home to indicate your home is one of the homes

participating in the sale. Please let Sandy Yost know if you are participating. In order to have some uniformity for visitors, Sandy Yost will have the balloons available for anyone who wishes to participate. All money taken in will be the homeowner's to keep. We are not doing this as a fund raising event, but to give homeowners the opportunity to clean out some of their unwanted items and at the same time make a couple of bucks. So, mark the date and make your plans.

## HURRICANE PREPAREDNESS

---

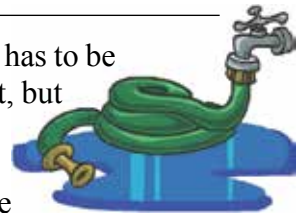

**O**ur Manager, Debbie, wanted us to make everyone aware of the dangers of a hurricane if one should come our way. We were spared in August when Erika faded before it got to us, but we may not always be so lucky. For one thing, everything that is outside of your home and is not fastened down should either be brought inside or securely fastened to avoid blowing away. It is always amazing how wind can move things and once it starts moving something (lawn chairs, lawn ornaments even a table) that something becomes a missile and can do serious damage to your home or one of your neighbor's homes. It is also a good idea to lower your awnings if you have them. We have had experiences with a strong gust of wind ripping off awnings and sailing them through the air again causing additional damage. Some folks over the years have put tie downs on their carports as a heavy wind can sometimes lift the carport off the posts and fold it back. Some of the newer homes have heavier posts and this is not so likely, but it is a consideration. None of this is a cause for panic, but it does pay to be prepared when you hear that a serious storm is coming our way. We hope this is helpful and if anyone has questions about what they should do, most of the residents who have been here a while can be of help to you. Eldorado has always been known as a place of friendly and helpful residents.

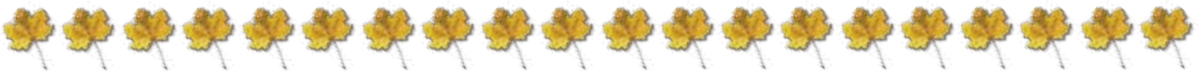

## INFORMATION ABOUT WATER SHUTOFF'S

---

**A**s most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the

cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFF'S**

There is nothing they can do, to help you.

**A**s I write this, it is still October and I and my co-captain are still in Canada. But first thing we know, we will be back in Eldorado getting ready for our first Shuffleboard game on the 5th of November. We have an additional team this year which will lengthen the season from early November to end of March.

Joanne and I hope you all had a great summer, with lots of sunshine, warm weather and most importantly, health. We look forward to seeing you all and we especially look forward to a great season of playing shuffleboard. Hopefully some of you will decide to join the team either as a substitute, which we greatly need, or as a regular member. AND Joanne will be representing Canada in the international Shuffleboard tournament to be held at the Clearwater Courts the last week of October. Of course as you read this, the event is over but I'll let you know how she did in the December media.

Safe driving to the Snow Birds.

# Multiply Your Monthly Mania!

**A**s you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.  
*(To qualify each resident can only suggest a business once)*

## YOGA

Joan Haggerty

**H**i Friends & Neighbors:

This is to inform everyone regarding Yoga for the 2015/2016 season. I am changing the format some and I sure hope it meets with the approval of all my former participants and our new people.

The name will be GENTLE YOGA AND EXERCISE MOVEMENTS.

Most of you know that I have been diagnosed with PD (Parkinson Disease) and this summer I was involved in a program called BIG AND LOUD.( and of course everyone knows I don't need the loud part of the program) to increase the dopamine production to the brain. As we age we often have problems with balance, memory, everyday thinking skills. This program has helped me to improve my ability in each of these areas. The exercise portion will be incorporated among the Yoga poses. As always you are in charge of your own body and you only do what your body allows you to accomplish. You do nothing that hurts and there is no competition in any Yoga poses or the exercises.

Now, when will all this begin??? Classes for the last few years have been on Mondays...9:15a.m. to 10:30a.m. The last 15 minutes of every class is deep relaxation that I talk you through. On 11/03/15 I will have cataract surgery on my right eye. So, if you've been thinking I have been winking at you, I have. Tentative schedule is 6 weeks starting 11/16/15 to 12/21/15. YAHOO!

Namaste, Joan.

## RECYCLE

## RECYCLE

## RECYCLE

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (*colored bottles and jars*) Cartons (*milk and juice containers*) Mixed Paper (*Newspapers, flattened cardboard boxes and office paper*) Plastic Containers (*food and beverage*) Aluminum and Metal (*cans and containers*).

The things we **should not** put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment.

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. ## Moo! Cows may be smarter than you think

---

**W**hat's the smartest animal you can think of? Dolphins and chimpanzees may spring to mind quickly, but don't neglect one often-overlooked farm animal: the cow.

College students at the University of Sydney (as reported by the Huffington Post) conducted experiments with dairy cows and found that our bovine friends are capable of quickly mastering a maze to find food, and thus may possess better problem-solving skills than previously known.

The cows were tested in a T-shaped maze similar to those used with mice and rats. They learned to follow a sound through the maze to get to their food, with one of them reaching its goals within the first 20 seconds of the test.

The results suggest that cattle farmers could train cows to obey specific sound signals to come in for milking, producing greater efficiency on dairy farms.

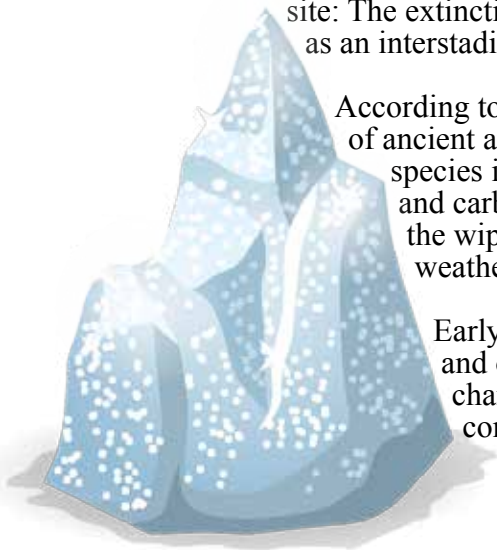

## Global warming, not Ice Age, may have killed mammoths

---

**G**iant woolly mammoths roamed the Earth until about 11,000 years ago, when they abruptly went extinct. For years, scientists theorized that they were killed by the cold temperatures of the last Ice Age. Now some believe the explanation is just the opposite: The extinction event was caused by a sudden warming event known as an interstadial.

According to research published in the journal *Science*, DNA studies of ancient animals point to the sudden extinction of many large species in past ages. As more DNA from fossils became available, and carbon dating methods improved, scientists discovered that the wipeouts didn't correspond to the rise of glaciers and cold weather, but rather to periods of rapid global warming.

Early humans also contributed to the demise of the mammoths and other large beasts, but the evidence suggests that climate change was a major factor in their extinction—raising concerns about the future of our present environment.

## Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

**14,492 manufactured home residents have won over \$124,374** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or [mail your paid receipt](mailto:mail_your_paid_receipt) to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
