Media Editor

Dick Hambley (richwham@aol.com)

Well, the return of our snowbirds has begun. We welcome all our residents who have been enjoying the northern climes for the summer. We look forward to the increase in activities here in the park that always comes when our numbers expand. Be prepared to keep your eye on the bulletin boards and the media for coming good times.

On a more personal note, I want to thank the folks who stepped up and helped me with some of the things that I try to do here in Eldorado. Having been fortunate enough to spend a lot of time out of town this summer, it is with grateful heart that that I thank those who helped to get the media out to our residents. Also, unfortunately, there are times when we need to lower the flag to half-staff due to the passing of one of our residents. Again, I never had a problem finding a volunteer to help me with that task. Having lived here for many years, it is heartwarming to know that the feeling of camaraderie and family is alive and well in Eldorado.

H.O.A. News

Dorisanne Gibson

Mark your calendars, Thursday Nov. 21st at 7 p.m. will be our first HOA General Membership Meeting of the Season. There are a lot of new residents in our park, and I hope you will all plan to attend this meeting, perhaps you will have questions that we can answer. We have a lot of things that the Board of Directors has worked on over the summer months and we are anxious to share with you.

Sharon Laney, HOA treasurer, has begun to collect assessments for 2020 at \$10 per home. She is available at coffee on Tuesday mornings. No payments will be collected at the meeting on Nov. 21. Arrangements can be made to see Sharon at her home, give her a call, she is in the directory.

Also, new residents, let me explain the cone system for the mailboxes. When the cone is up on the top of the mailbox console it means that our postal person has delivered the mail. He/She puts the cone on the top when they are finished. We are not to engage the postal persons in conversation while they are doing their job. If you come for your mail at 9 a.m. and the cone is still on the ground, it means that the mail has not yet been delivered. Later in the evening, one of our residents removes the cone from the top and places it back on the ground for the next day's delivery. This was implemented at the request of the Post Office.

From the Manager

Debbie Puckett

As we approach the fall season, we are preparing to do the 360 inspections. In recent week I went to a meeting with the City of Largo. At this meeting they discussed

Code violations they will be looking at. They are going to start doing their inspections as well and they will be tighter than ours. They have provided us with some helpful information that you can get from the office.

Recycling is another issue. When sending your recycling down, **DO NOT** put used paper plates or plastic bags they are not allowed. This list you can get online via City of Largo Recycling. Let's all do our part in keeping the planet clean and healthy.

With the new trash service just starting, we understand there will be some confusion.

You will only be putting out kitchen bags and broke down boxes. They must be out by 8:00AM.

There will be one round via them. After that you will need to take it to the dumpster on the South end of East Bay Oaks before 3:30PM. Our maintenance staff will be making one round during the week to pick up residual items. As always, if you need more assistance or have questions, please contact Matt – 727-638-4844.

As a reminder about the parking, **YOU** are responsible for going to the office to get your permanent stickers and you visitor pass. Each household will get one yellow visitor pass. You will get it back when your guest leaves. Remember, this does **NOT** allow them to park on the street at night. The towing rules apply to all vehicles. Your guest may park at the clubhouse out of the way if needed. If you do get towed call A 1 Recovery, **NOT** the office 727-536-5600.

On a final note, as most of you know John has been out for medical reasons. As of now, he will not be coming back to work. He has received all your cards and says “Thanks” that meant a lot to him. We will miss him and wish him well.

Some Thoughts about living in Eldorado

Dick Hambley

I have lived here in Eldorado for some 37 years now and there have always been occasions where either vandalism or thievery have taken place, but they have been few and far between. However, there is no excuse for either and a recent event should never have happened. This past month a pot of flowers was stolen from Kim Spinners front yard and that is something that should never happen. Kim keeps her place looking as good or better than anyone and is to be commended for that, not preyed upon. We are a close-knit group of families and I like to think of all of us as almost one family and families do not do this to one another. It would be my wish that the pot of flowers would just reappear so that Kim does not have to repurchase them. But in any event, we should all be watchful for one another to avoid this happening again.

Eldorado Facebook Page

Dick Hambley

For those who were unaware, I am the administrator for the Eldorado Village Facebook Page. I would like to remind everyone that in order to join the page you must make a request and answer the two questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. When you list your lot number, it would be helpful if you listed which park so that it is easier to research. If we get a request from someone who has not answered the questions, I automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when I research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

Library

Linda Stayer

The Eldorado Village Library is very nice, clean, and well kept. I understand that Joanne Gallivan volunteers to keep it maintained during her winter season visits in Largo.

I am a new year-round resident and on June 25th attended the Social Club meeting where it was announced that a volunteer is needed to care for the library while Joanne is away. I volunteered and thought everyone might like to know the modifications that have been made to enhance our special library.

1. There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.

2. Written on the book spines are the first two letters of the authors last name which should make the filing process easier and faster.

3. Clip-on shelf labels and Velcro material have been added. Reason: some labels were coming off and the alphabet letters can be moved when the book quantities increase, and shelf space adjustment is required.

4. A “Drop-off” box was added for books returned or, donated items. The new items will be marked and placed on the shelves.

5. The entertainment book shelves which contain movies, puzzles, board games and playing cards are just waiting for attention. Fun note: there were over 70 sets of playing cards to be verified for accuracy.

6. If you didn’t know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair and enjoy a “blast from the past”.

Please STOP by our library and maybe you’ll notice a few other little fun things that have been added for everyone’s enjoyment.

Thank You

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Coming Activities

Your Co-Social Director, Tammy Heffron

Hi everyone. As you all know, our community will become very busy again. Welcoming our Snowbirds back, and activities at the clubhouse will once again fill your calendars! If you are looking for some entertainment, please read through the media carefully and highlight all the info. that appeals to you. All our activities are up on our community website as well. For November, we have currently only 2 : Nov. 24th- our monthly Breakfast at the clubhouse, and at noon- the ever growing Cornhole Tournament following. Look for flyers posted on the web, and on our bulletin boards located at the mailboxes, each door at the clubhouse, and inside the main clubhouse door! Nov. 28th- Thanksgiving Dinner! This year, our community members will rally to prepare and serve! (the past few years, this event has been catered at a very high cost to our social club, and we are reverting back to a more personal touch to keep your cost at a reasonable rate for all who wish to join). EBO has many activities going on as well, and all EV residents are welcome to participate unless specifically noted! (they also post on their site, and clubhouse).

Coming Activities

Tammy Heffron

Hello neighbors. Because we have some fun things to know about in early December, I want to get a jump on this to give you time to put on your calendars! They are truly a great bunch of people! Dec.11th- EV and EBO residents are welcome to join in on a bicycle/golf cart lit parade- music as well! EBO did an awesomely cute job last year...let's join in for some fun...details will be posted! Dec.13th- Christmas Trolley (only a very few tickets left,18.00). Dec.15th- Breakfast/ Cornhole Tourney. New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts.

PHONE DIRECTORY

Dick Hambley

Please write any corrections or additions to the Eldorado Village Phone Directory. Submit to Dick Hambley Lot #51 email richwham@aol.com.

If you are a returning snowbird or a new resident, please contact me if you would like to have a copy of the 2019 directory.

Please review the list below as I add to this list as I get corrections or additions each month.

New Bulletin Board

We have a new Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

Notice

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Tammy Heffron take care of the locking and unlocking of this facility. Alternatively, if Tammy does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.
