White Elephant

Mel Ascott & Dick Hambley

We are looking for items for the coming White Elephant Sale, which is our main fund raiser for the year. The garage is quite empty and in need of items to fill our needs. Until Mel comes down in January, Dick Hambley has the key to the garage where we store items until the sale. We are looking for items that will enhance the sale and help to increase the treasury of the Social Club. If you have items you would like to contribute you can contact Dick for now and Mel when he returns. Please consider what you are planning on donating. If it is really not saleable, please dispose of the item in some other way. We want as much material as we can get to make the sale as profitable as can be but we are limited in storage space so we have to be judicious in what we take. So, when you are cleaning out that closet or buying new furniture keep us in mind. Until Mel returns, you can contact Dick at his home in Lot # 51 or call him at 535-0693. We look forward to hearing from any and all who want to help us with this, the main source of our income for the year.

TRIP TO ST. AUGUSTINE

JOANNE GALLIVAN

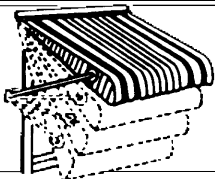

Recently I have been communicating with a representative of Diamond Tours, a national company that other groups in the area have used with very good results. Their web site and promotional materials are very professional and the agent has provided excellent service so far. For each trip, there is a destination manager to provide assistance and local guides narrate an included tour.

I have reserved the dates of March 2-5, 2015 for a trip to St. Augustine, Amelia Island and Jacksonville. If we have the minimum required number of paid passengers (30) by their deadline (Jan. 3rd), they will confirm those dates. The fare of \$335 per person includes 3 nights accommodation at a national brand hotel (such as Holiday Inn Express or Comfort Inn Suites), six meals including a dinner party with entertainment, a cruise on the St. Johns River, a visit to a historic plantation and guided tours of Amelia Island and St. Augustine.

The company has provided detailed flyers that I will have available when I get back to Eldorado in November. If you would like to receive a copy by email, just let me know at atjoanne_gallivan@cbcu.ca and I'll send it out to you.

Bingo

Joan Lowe

Welcome Fall everyone. Bingo started once again on September 16th. We had thirty people in attendance. That was a great start. Hopefully the weeks will pick up when everyone or the Winter. Bingo is Tuesday night at 6:30. Come t and join in the fun.

Homeowners Association & Liaison Committee

Dorisanne Gibson

Homeowners Association Assessments of \$10.00 per home will be collected for 2015 beginning in October 2014. We had one occasion over the summer to use the services of our attorney to give us some advice on 2 issues. I am sure that we will have occasion to use her services again in the future, hence the assessment increase. We know that you will support our efforts on your behalf.

As a reminder to those of you who are getting ready to return to us, please bring with you or better yet, email Sandy Yost a photo (or copy of a photo) of yourself, your ancestor, your children or grandchildren serving or having served in the military for our Veterans Day commemorative display.

The new cluster mail boxes are in place and the mail is being delivered to those boxes. As our northern residents return they will be given their keys by our postal delivery persons. So far, everything seems to be going along smoothly.

HIKING –

Ann MacDonald

Our Hiking Activity has been suspended for the Summer Season. It will resume in November so please consider joining us then. In the meantime, keep on 'trekking'!!

Shuffleboard –

Michelle Swanlund, Captain
Joanne Gallivan, Co-Captain

Shuffling will start again in November See the September issue for dates.

Park Mail Boxes

It has been noted that many people do not have park mailboxes. We have asked that you have a separate container to receive the media and any other notices the park puts out. When you do not have a separate receptacle for Park notices the time will come when those delivering them will skip your home and you may miss out on information that is valuable to you as a homeowner. The U.S. Post Office requires only postage mail to be accepted in mailboxes. Park Mail Boxes are available from Donna Gibson at Lot#187 or order them at the Coffee Hour. Price is only \$3.50.

A little info about park mail boxes

“Remember when you leave to go north for the summer, bring your park mailbox inside. The plastic mesh mailboxes deteriorate very quickly when left outside over the summer.

TIME FOR DUES

See Sharon to pay your assessment to the Homeowners Association (\$5 per homesite) or Dorisanne for Social club dues (\$3 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

Notice

Notice

Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the treasurer if you would like to donate a day.

Friday Night Movies

Movies are run every Friday night at the clubhouse. The name of the movie is posted on the bulletin board. Any questions you can Patty Gregg.

BEWARE TRAFFICE SPEEDING THRU OUR PARK

It has come to our attention that traffic is speeding thru the park with no Concern for speed limits. The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time:

We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

Any Questions, please call your president at 561-9815

**PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.
Please call Judy Hedges if you have questions, her number is 501-2695**

The girls in the office have much more too do than answer your calls inquiring about the water. Please be understanding about water shut-offs. We all go thru the shut-offs from time to time and it is easy to keep some water on hand for this purpose

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department.

It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Macs taking over? Maybe not yet

Are you a Windows person or a Mac user? Conventional wisdom says that Windows computers belong in business environments, while the Mac is favored by educators, creative artists, and the elite. But that may be changing, according to data from VMware and reported on the InformationWeek website.

A survey of more than 370 IT professionals found that 71 percent of organizations support Macs, not exclusively Windows computers. Employee preference is the dominant reason, cited by 73 percent of the survey participants. The next most common reason was the need for applications that run only on Mac's OS X platform, named by 41 percent. The "Bring Your Own Device" movement surge in workplaces is also a major factor.

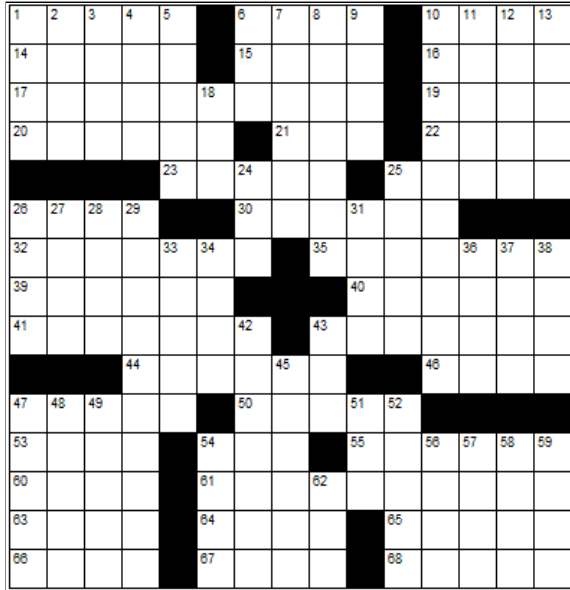

IT teams aren't necessarily happy about all those Macs, however. Forty percent of respondents said they find Macs more difficult to support. In any event, Macs seem unlikely to outnumber Windows-based computers anytime soon, since such machines still dominate over 90 percent of the market.

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming.

If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.

10 Benefits of Growing An Herb Garden

By Elissa Rodrigues, Monthly Media Staff Writer

My Grandmother was an excellent gardener. You name it, she could grow it - from gorgeous roses (several varieties) to blueberries, tomatoes, peppers, zucchini, she even had an apple tree! Unfortunately, unlike her, my thumb happens to be more brown than green. This Spring, however, I'm giving it another try. I'm a Realist, so instead of growing an entire salad, I'm starting with an herb garden. Here are 10 benefits that may convince you to do the same!

1. Fresh herbs are always available. This may seem obvious, but you'll be surprised how creative you'll get with everyday vegetables, dips and dishes when you have fresh ingredients at your fingertips.
2. It's good for you. Adding fresh herbs boots vitamins and nutrients to your diet, and don't forget that gardening is a great calorie-burner with all that digging, bending and stretching. Talk about a double-benefit!
3. Save money. Fresh herbs can be expensive and wasteful when you buy a whole bundle, and only use a few snips for a recipe. Not to mention, stores may not always have the variety you're looking for, and specialty stores mean higher prices.
4. Educational. Growing an herb garden is a learning experience for adults and children, and kids will love to help out! From a new gardening technique to trying out new recipes, you'll be surprised how much you'll learn.
5. No boring dinners. Add a few new herbs to chicken, fish, potatoes, vegetables - or your regular party dip, and it goes from bland to wow, and you can experiment with new combinations nightly.
6. Relieve stress. Tending to or just visiting an herb garden - and breathing in all that aroma - can do wonders for stress levels. So make yourself a cup of (fresh) mint tea, and relax!
7. Share the wealth. Having your own herb garden means you'll have more than enough, so be a good neighbor (and friend), and share your bounty with others! Tie on a recipe to a fresh bunch, or jar your own dried herbs and voila you've got the perfect hostess gift.
8. Exotic variety. There are 30 varieties of basil. Who knew? Your regular grocer only carries the most common sweet basil. Choose your own exotic variety, whether it's dark opal basil, cinnamon basil, anise basil, Italian basil, or globe basil to name a few.
9. Curb appeal. Adding an herb garden can give your landscape real curb appeal - it's lush and well tended-to. If you don't have room for a full herb garden, just add them to shrubs. They blend in beautifully.
10. Good, clean fun. Dirt aside, it'll brighten your day to watch your fresh garden grow, and it may inspire you to branch out to fruits or vegetables. With all those herbs, you know you'll have the salad dressing covered!

Accident investigation: Document your interviews

When an accident occurs in your workplace, part of any investigation calls for interviewing the people involved. You can't just ask a few questions on the elevator; you need to document the entire process. Here's what your notes should include:

- The name and position of the witness or participant being interviewed
- The interview's date and location
- Names of any other people present (HR reps, legal counsel, etc.)
- The identity of the note taker (you or another manager)
- Specific questions asked • Answers, including nonverbal responses like nodding or sighing
- Source of the subject's information: personally witnessed, secondhand, etc.
- Conclusions: Does the subject seem credible? What further actions does the manager contemplate?
- Signature. You may not be able to compel the participant to sign off on your notes or a subsequent report, but you can request that the subject confirm the information collected
