Joan Lowe (joanclowe@aol.com)

Joan is still away enjoying her summer, so I will do my best to bring everyone up to date on happenings in the park. Joan should be back to do the November issue. Thank you everyone for your cooperation while I have filled in for Joan.

NEW MANAGER

Welcome to our new manager Debra Puckett (Debbie) who comes to us after having worked for several months as our interim manager. Debbie has worked for ELS for ten years and from what we have seen, her former property looks well taken care of.

Debbie is married, has two children and eight grandchildren. So, welcome Debbie and we look forward to working with you to bring Eldorado back to what it used to be.

FROM THE MANAGER

I would like to introduce myself, my name is Debbie Puckett. I am your new community manager. While I may be difficult to reach for the next few weeks, rest assured I will be settling in soon. I will still be training my replacement from Hillcrest. And, getting settled into my home. Please note that if you need my attention, call the office and set an appointment. Unless there is a reason I can't be there my assistant will set you up.

Also, I will be bringing my assistant from Hillcrest, please stop by and say hello to Sharon. She has worked with me for three years. Mary, will be moving to our central accounting location.

I look forward to a long adventure with you and hope that we will prosper together.

HOMEOWNERS ASSOCIATION

Dorisanne Gibson, President

We are well into autumn and look forward to having everyone back in the park. Starting the first of October we will be collecting 2016 HOA assessments at \$10.00 per home. There will be some new things implemented this fall/winter due to the changes in Florida Statute 723 and you will want to have your assessments paid to be sure you have voting rights at HOA meetings next year. When you pay that assessment you will be asked to fill out a new form for the HOA, required because of the new feature in 723 allowing electronic transmission of information to our members. This will be bringing us into compliance with the law and also providing an updated method of communications. See you all soon.

FROM THE PRESIDENT OF THE SOCIAL CLUB

Joanne Gallivan

We're at the time of year when seasonal residents begin returning to Eldorado. The Park becomes busier every day and the number of activities and events soars. Your Social Club officers welcome your ideas and help as we look forward to having another fun-filled "snowbird" season. You'll find the names of the executive listed elsewhere in the Media. Talk to us, attend the Coffee Hour and Club meeting on Tuesday morning at 9, and check out the Clubhouse bulletin board for information on what's happening.

Among the Social Club activities I've enjoyed most in the past two years are the bus tours we've taken, to Key West in 2014 and St. Augustine and Amelia Island last March. A lot of people have expressed interest in a group trip to New Orleans. Ann Tough, Director of Tours and Travels, and I both have copies of Diamond Tours' package. In addition, a representative from Advantage Tours and Travels has left information at the back of the Clubhouse: they put on a New Orleans tour too. Both companies have organized successful trips for Eldorado before. If anyone is interested in organizing a trip to New Orleans, you can start by checking their information. We have been to the Big Easy recently, so I am not interested in organizing that trip. However, if no other bus trip is planned, I will see if there's sufficient interest to do Diamond Tours' Savannah, Jekyll Island and Beaufort trip.

'Til next time....

THANK YOU FROM VINCE AND PATTY GREGG

Special Thank you to Maureen for having a get together for our 30th anniversary. Thanks for all the cards and to everyone that attended.
Vince & Patty.

HURRICANE PREPAREDNESS

Our acting Manager, Debbie, wanted us to make everyone aware of the dangers of a hurricane if one should come our way. We were spared in August when Erika faded before it got to us, but we may not always be so lucky. For one thing, everything that is outside of your home and is not fastened down should either be brought inside or securely fastened to avoid blowing away. It is always amazing how wind can move things and once it starts moving something (lawn chairs, lawn ornaments even a table) that something becomes a missile and can do serious damage to your home or one of your neighbors homes. It is also a good idea to lower your awnings if you have them. We have had experiences with a strong gust of wind ripping off awnings and sailing them through the air again causing additional damage. Some folks over the years have put tie downs on their carports as a heavy wind can sometimes lift the carport off the posts and fold it back. Some of the newer homes have heavier posts and this is not so likely, but it is a consideration. None of this is a cause for panic, but it does pay to be prepared when you hear that a serious storm is coming our way. We hope this is helpful and if anyone has questions about what they should do, most of the residents who have been here a while can be of help to you. Eldorado has always been known as a place of friendly and helpful residents.

UPCOMING BUS TRIP

On Saturday, November 28th we will be taking a bus trip to Mt. Dora, Florida. The trip was paid in part by ELS making the cost per person only \$15.00, dinner on your own. Mt. Dora celebrates Christmas in a very unique way. The entire town is decorated and we understand that it is spectacular. The ESCOT bus will be leaving our park early afternoon and home around midnight, in order to take advantage of the evening light up night. A signup sheet is already up in the clubhouse, we are well on our way to 56 travelers. If you are currently out of town, please email or contact a neighbor or social club board member to sign you up. Thank you.

INFORMATION ABOUT WATER SHUTOFF'S

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

CLUBHOUSE COMMRADERIE

October 2015 - Emma Vorbroker

Now that October is here, spooks will surely be coming out soon. As you know our friends from up north will be coming back soon and we will be happy to see them all. Our weather is cooling down some and for that we are thankful. On October tenth at five p.m. we are scheduled to have a Pot Luck supper, we do not have a host at this time, but I am sure we will all pull together to make a great event.

I would like to thank everyone for their prayers and support when my son passed away. We never know when God is going to take us away from this sinful world.

God bless everyone and have a great month.

Weekly:

- Monday evening there is Pinochle at the Clubhouse at 7 PM
- Pinochle closed until September 14th and Ladies' Poker at 6:30 PM
- Tuesday nights is BINGO Closed until October 27th
- Wednesday at 6:15PM Game Night is at the Clubhouse. Bring your friends for poker or a game of your choice!
- Thursdays Men's Poker in the evening.
- Movie Night is Fridays and Sundays. Patty Gregg has the movie posted at the Clubhouse.

PARK MAIL BOXES

Now that we have mailboxes near the clubhouse please do not remove your old boxes at your house. The mailbox now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

TIME FOR DUES

See Sharon Laney to pay your assessment to the Homeowners Association (\$10 per home site) or Dorisanne Gibson for Social club dues (\$5 per person) at coffee. They are not expensive. It is my understanding that some of the regulars to meetings on Tuesday and game nights have not paid their dues. You enjoy all the activities and the dues help pay for them.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (*colored bottles and jars*) Cartons (*milk and juice containers*) Mixed Paper (*Newspapers, flattened cardboard boxes and office paper*) Plastic Containers (*food and beverage*) Aluminum and Metal (*cans and containers*).

The things we **should not** put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment.

NOTICE

NOTICE

NOTICE

The Laundromat and the men’s and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

SPEED LIMIT IN ELDORADO!

The speed limit in this park is 10 miles per hour. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

WATER SHUT-OFF NOTIFICATION

Please note what we do when the water is turned off for any length of time:

We sometimes experience water shut-offs for a short period. As in the past, the block Captains do not call everyone to let them know of a water turn off. When there is an emergency shut off, that's just what it is, an emergency and there is not time to give notice. It is impossible to reach everyone by phone, and the captains do not know who is here and who have gone north for the summer. You are asked to keep in your shed a few gallons of water to use for your toilets and washing your hands, etc.

PLEASE DUE NOT CALL THE OFFICE TO ASK ABOUT THE WATER.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department.

It has been brought to our attention that if you have someone soliciting at your door and the office has not approved them and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

EMERGENCY NOTIFICATIONS

We have talked in the past about the problems faced when an emergency such as a water shutoff occurs. Therefore, we are looking into a couple of ways to notify residents of this or any other emergency such as an evacuation happens.

We are exploring two methods of doing this, one by having residents call one another in a chain format, the other by so-called robocalls. The first method would mean that we have to set up the call lists in a manner to achieve the best coverage during daytime hours and also when our snowbird residents go north. We have started this format and will be refining it. However, we also found out we can notify everyone at one time with a robocall. This would be achieved by creating a message pertinent to the emergency and having it sent to everyone on a call list.

The robocall method would be the easiest to carry out, but not everyone may want to be notified in that manner. So, we are going to create a robocall contact list and work from there. At the present time we have phone numbers for about 150 of the 227 homes in the park. We will be putting out an informational flyer to all residents informing them of this plan. If your phone number is listed in the Eldorado phone directory and you wish to be notified by robocall, you will not have to do anything. If your phone number is listed in the Eldorado phone directory and you would rather not be notified by robocall, the form will have a place for you to check to opt out of the robocall contact list including your lot # and signature.

If your phone number is not in the Eldorado phone directory and you wish to be notified by robocall there will be a place for you to opt in and you would need to list your phone number, lot # and sign the form.

For all others that we have the phone number for but do not wish to have a robocall notification, we will then refine our call lists and use that method to notify residents.

The bottom of the flyer will look something like this:

Name _____ Lot # _____

Phone # _____

I would like to opt out of the Robocall list:

Signed: _____

I would like to be added to the Robocall list:

Signed: _____

My phone # is _____ Lot # _____

Avoiding the dentist? It may cost you

Proper dental care is important to your overall health. Unfortunately, many of us tend to avoid visiting the dentist—often because of the cost.

A survey commissioned by Aspen Dental found that almost two out of five Americans have delayed needed dental work, or had it only partially performed, because of their financial situation. It's a figure that has jumped by almost 8 percent over the last two years, even though 80 percent say they're aware that staying away from the dentist will be more expensive in the long run.

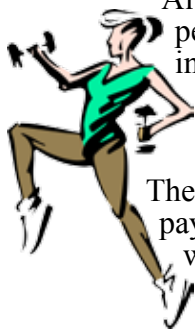

Take one step to lose weight

Want to lose weight? Step onto a scale every day. That may seem like obvious advice, but it's supported by the results of a study reported on the Live Science website.

In the study, researchers challenged 162 people to reduce their weight by 10 percent over the course of the year. They weren't given any specific advice, but about half the participants were given scales and told to check and record their weight every morning.

Although few of the participants in either group achieved their goal of losing 10 percent of their body weight, 29 percent of those given scales succeeded in losing at least 5 percent, but only 11 percent in the scale-free group lost as much. In addition, participants given scales managed to maintain their weight loss for a second year.

The researchers have theorized that checking weight once a day may help people pay more attention to what they eat (and how much), and reinforce positive weight-loss behaviors like skipping dessert.

Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers.

Love, honor, and make your payment

One important factor that can unbalance a marriage or romantic relationship is debt. A survey conducted by Harris Poll for NerdWallet determined that 35 percent of adults have brought at least some credit card debt into their romantic relationships—more than student loans, car payments, medical loans, and mortgage debt.

More men than women bring it, with 42 percent of adult men coming into relationships with credit card debt, as opposed to 29 percent of women. Whoever's behind it, though, such debt can have costs beyond interest payments: 25 percent of couples with at least one partner dealing with credit card debt reported that it had a negative impact on their relationship.

Be alert to the signs of Alzheimer's disease

More than 5 million people live with Alzheimer's disease in the U.S. It's an affliction that can't be diagnosed with a blood test or a brain scan, so doctors and patients depend on behavioral clues to determine whether someone is suffering from it. An early diagnosis can help with treatment and care, so pay attention to these warning signs from the Alzheimer's Association:

- Changes in memory that disrupt daily activities
- Difficulty solving problems or making plans
- Problems performing familiar tasks at work or at home
- Confusion over places and times
- Problems processing visual images and spatial relationships
- Growing difficulties with writing and speaking
- Losing items/getting lost outside

If you or a loved one begins exhibiting a number of these symptoms, consult with your doctor. Although Alzheimer's has no cure, many treatments can delay its onset and provide a meaningful quality of life for years.

Lifting heavy items incorrectly can injure your back and other parts of your body. Whenever you have a heavy object to move, follow these basic rules for staying safe:

- Bend at the knees.
- Keep your head up.
- Keep your back straight.
- Lift with your legs, not your arms or back.
- Keep the object close to your body.
- Don't twist your back as you walk.
- Maintain stable footing.
- Ask for help if the load is too heavy for you to move on your own.
