Joan Lowe (joanclowe@aol.com)

Dick Hambley (richwham@aol.com)

October is upon us and we are looking forward to some cooler weather. We know that summers in Florida are warm, but not getting any relief for four months or so kind of gets to you. In any event, October also means that we can start to expect the return of our snowbirds and we look forward to that as well. Things in Eldorado have been going smoothly and we have to thank those who worked to bring activities to us during the summer months. We are lucky to have folks who are willing to step up and work on the various activities.

From the President of the HOA

Dorisanne Gibson

We are pleased to announce that Bingo will continue. As you know, Joan Lowe will no longer be associated with Bingo. Many thanks to her for running bingo for many years. Going forward, Sharon Laney has agreed to continue, at least for the immediate future. We are, however, actively searching for someone to take over the running of bingo on a more permanent basis. Could be one, maybe a team of 2 persons, either for the entire year or just the “season”. Please give serious thought to your commitment to the park, we do not want our bingo to fall by the wayside.

You have probably already received your rent increase letters. The Statutory Committee worked very hard from early July until mid-September to get a Long Term Agreement with ELS at a rate increase of 3.5% for each of the next three years. The contract is way less than perfect. Some of you are not covered by the contract. Believe me, it was the very best we could do given the untenable position we occupy against ELS. We will be discussing this subject at our first HOA General Membership Meeting this Autumn.

Watch for a Meet and Greet party for new residents, date to be determined. Sharon Laney, Treasurer, will be starting to collect HOA assessments at \$10.00 per home for the year 2017. See her at coffee to pay your assessment or contact her to make other arrangements. Money will NOT be taken at our first HOA general membership meeting this Fall.

And From our Associate President

Sandy Yost

Ah, the summer has drawn to a close and we have a giant THANK YOU to say to everyone who helped make our summer a fun and busy one! We enjoyed Mother's Day and Father's Day events as well as a picnic for Memorial Day. We had an Italian Pot Luck supper, two pizza parties, a 4th of July picnic, a Labor Day picnic and 4 Saturday night pot luck get-togethers. As the summer progressed, we had great fun sharing more and more with our East Bay Oaks neighbors.

Please take a look at our calendar and what activity or event that is already planned you would like to host. Let us know if you would like to add an event. We have contracted a catering company to provide our Thanksgiving and Christmas Dinners, however, we are still looking for a group to host New Year's Eve. And then it is 2017!

Be well, travel safely and we look forward to these next months that bring our Northern Family home to Eldorado Village.

Make a Note in your phone book

Somehow or other, we failed to have the phone number for the clubhouse put in the newest phone directory. So, for your information, the number for the phone in the clubhouse is 599-2066. Please make a note of that.

Richard Lussier

As we were going to print, we received word that our friend and Neighbor Richard Lussier has passed away. Richard and his father Henri were well liked and respected residents for a long time. We have no information as to arrangements at this time.

We understand that Richard had four children and to them we extend our condolences.

Standing by Your Family for 100 Years

At Morton Plant Hospital, generations of physicians have cared for generations of families.

Dr. Julia Cosma,

Dr. Guillermo Cosma,

Dr. William Kilgore,
orthopedic surgeon,
practiced from 1963 to 2000

Dr. John Sourbeer, general practice,
practiced from 1958 to 2000

Dr. Jeff Sourbeer, family
medicine, practicing since 1984

Dr. Ryan Bialas,

Dr. Robert F. Bialas, plastic
surgeon, practiced from
1979 to 2014

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital and its physicians served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.

Email List

Dick Hambley

For those residents who are not aware of the fact that we maintain an email list to be used as a means of getting quick information to our residents, we would like to bring you up to date. I maintain a list of all emails that have been given to me to be used for the above purpose. I do not share the list with anyone and when I send out an email, I use the blind copy method so your email address does not appear on anyone else's email. That way we can maintain your confidentiality and still keep you informed. So, if you would like to be included on our email list please send me an email so that I can add your email address to our list. Please put something in the subject line that indicates it is for the Eldorado email list or I might mistakenly delete your email if I don't recognize the email address. Also, please include your name in the body of the email, as some email addresses do not indicate whom the email is from.

If you think that you gave me your email and have not received anything in some time from me, please feel free to send me an email letting me know and I will check my records and make sure you are included.

My email address is richwham@aol.com.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado has to be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble. We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you have caller ID, the number 599-2066 will show up with the name Eldorado Village. For those who have asked to not be robo-called, a personal call will come. We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose so as to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S
There is nothing they can do, to help you.

From Joan Lowe

As you have read in other places in the media, I have resigned as Chairman of bingo effective in October. I have had the job for nine years and it was time for me to take my leave. I would like to thank all who assisted me during that time and want you to know that you were greatly appreciated. I would also like to thank all who attended as we would not have been successful without participants. Thank you all and I will be seeing you around the park.

Park Mail Boxes

Now that we have mailboxes near the clubhouse please do not remove your old boxes at your house. The mailbox now at each house will be used for park mail. You will receive your copy of the media there so please leave them up. Also any notices will be left there. Thanks for your cooperation.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well.

The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

Notice

The Laundromat and the men's and Ladies bathrooms will be locked at 9:00 p.m. and reopened at 8:00 a.m. Please try to abide by these hours, the closing hour means 9:00 not after, so start your wash or dry so that they will be finished by 9:00 p.m. We are fortunate to have Patty Gregg take care of the locking and unlocking of this facility. Alternatively, if Patty does not do this for us, the task will fall to the park employees and the Laundry would probably be locked at four p.m. when they leave similar to the Starkey Rd. Gate.

Labor Day Picnic

Tammy Heffron

Just a quick mention to the outcome of the Labor Day Picnic Dinner that I hosted at the Eldorado Village Clubhouse on Sept. 5th. The turn out for dinner was 95 guests! I was pleasantly surprised at the final count. Taking additional numbers right up to the evening before. Joining together with East Bay Oaks was pleasure, and a great suggestion. The afternoon pool/social part of the day was not as well attended as I had hoped, but those who came had a relaxing time. (getting to know one another via the social activities is a great way to meet others in your community) The menu of Pulled Chicken, baked beans, mac salad, and strawberry salad were a hit, and made in my home. The desserts were the "icing on the cake", and wish I could take credit for, but the carrot cake turned out to be the favorite of the many choices- (I did make a note of that for next year). They all came from Sams Club. Everyone was very gracious, and I was able to see new faces that I hope to see again. It was a huge success, and will be glad to repeat it again next year- providing I am in town! Your neighbor, Tammy Heffron -EV #188

Office Address

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

Eldorado Village Office
601 Starkey Road Lot # 78
Largo, Florida 33771

Speed Limit In Eldorado

The speed limit in this park is **10 miles per hour**. People are not stopping at the four way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

Solicitation in the park

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

Just listen

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, “You must learn to listen to your wife.”

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, “Now go home, and listen to every word she *isn't* saying.”

Learn to let go

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, “OK, let's try one more time, Open your hand and hold your fingers out out straight, and then pull.”

“Oh, no, mommy!” the boy cried. “If I do that, I'll drop my penny!”

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.
