September and we are not sure if our grandchildren will be going back to school. Different ideas are being considered in different school districts. But, life will go on here in Eldorado and I hope that we can soon get back to some kind of “normal”. We do not know what that will be, but I, for one, look forward to it in whatever form. For our newer residents, we are sorry that you have not been able to experience the “Eldorado experience, yet but please be patient and know that we are happy to have you as a part of our community.

H.O.A. News

Dorisanne Gibson

Like thefts have been on the upraise again. Be sure to lock your bike securely and register them with the Largo police. The Neighborhood watch has registration forms for you to use. See Dorisanne Gibson for a form.

One other thing, please do not put bags of used cat litter in the dog poop box located on the parking lot side of the common area. That container is for small bags of dog doo, not 25 lbs of used cat litter.

Also, the garbage cans located on both ends of the mail box pavilion are for discarded mail, only, not your household garbage. Please people, try to have a little consideration.

Your Homeowners Association welcomes all the new residents we have in our park lately. There are a couple things that I have noticed that people don't seem to understand. As to parking and towing – that was explained to you by management. You just cannot park on the street overnight, nor can you park on the sidewalk or grass at any time 24/7. It should not be a surprise to you if your vehicle is towed when you are parked illegally. You cannot have a vehicle in this park that does not have a valid license plate on it. If you have an expired plate or no plate at all you will be reported to Largo's Code Enforcement officers and the Largo Police. Once you have moved to Florida you must get a Florida plate from DMV, you cannot just keep your old state plate forever.

As to the mail boxes. After our postal person is finished she puts the cone on top of the mailboxes. Later in the day, the cone is placed back down on the sidewalk. So if you drive up to the boxes to get your mail at 10 a.m. and the cone is still on the ground, it means she has not been there yet.

...continued on page 6

Unfortunately, during this trying time, things have gotten a little bit slack in terms of following the rules, especially at the swimming pool. There are several signs listing the pool rules that are, for the most part, ignored. These regulations are from the State of Florida and not made up by ELS for your inconvenience. Showering before entering the pool has a health rationale and should be followed for your own protection.

We thank all of you who continue to follow the rules/regulations and look forward to having the restrictions lifted so that we can all get together again.

Valuable Information from

Dorisanne Gibson and your H.O.A.

A group of interested residents met with Largo Police Officer Vu Tran in January and outlined a plan for the Eldorado Village Neighborhood Watch Program, to be initiated later this month.

As the organization comes together, we will be sharing information with our residents in terms of how the Watch will work at Koffee on Tuesdays, at our HOA meetings and thru Facebook. What you need to know now is that it is going to happen, and some residents will be observing activity in the park with an eye to spotting anything out of the ordinary. I am excited about this new initiative as is Officer Tran.

You have heard a lot about Largo Code Enforcement inspecting mobile home parks, ours included. Many have asked what they will be looking for, so the following is copied in part from Largo "Common Code Violations for Mobile Homes". Now, knowing all this, no one should be in violation of the Code.

All exterior structures on the mobile home (siding, wood, etc.) must be intact, sturdy and not have any holes, rot or broken pieces.

All roofs and gutters are to be free from any vegetation, tree limbs, and other items. Roofs and drainage are free from any breakage, leakage, holes, or other disrepair.

All windows that should be able to open to the outside, are able to be opened.

All vehicles on the property are to be properly tagged with current registration and decals. Also, the vehicle needs to be operable and cannot be taken apart, up on jacks, have flat tires, missing motors, etc.

The outside of the mobile home is to be free from any holes, rot, or other areas where rodents can enter inside. If these types of entrances are found, they are to be properly secured and fixed.

All mobile homes are to be free from any kind of infestation whether it be rodents, insects, roaches, fleas, bedbugs, etc. If there is an infestation, it is to be treated by an exterminator and

Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Bank served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support

for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

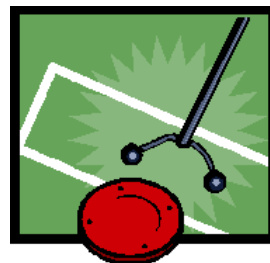

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides ‘get it now’ services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

CALLING ALL SHUFFLERS

We are getting ready for our traditional team events starting in November but only Mother Nature will determine if, when, and how we will actually be able to again enjoy the camaraderie of team competition. As we prepare for the unknown, it will be most helpful if you would let Eldorado Team Captain, Ernie Ranger (703-609-1434) or assistant captain, Steve Ennis (518-859-6635) know of your desire to join the team this year. Returning veterans and interested newbies are encouraged to join in the fun. First timers are always welcomed with equipment and training provided by the team. Happy Shuffling and hope to hear from you soon.

Ernie Ranger and Steve Ennis

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that in order to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts.

WELCOME BACK TO THE LIBRARY!!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

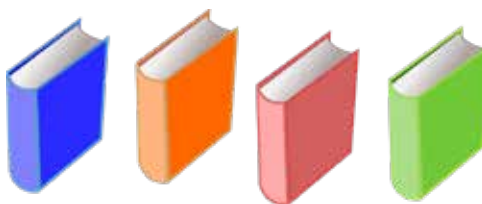

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for playing cards.
5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy!

Thank you.

Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFF'S

There is nothing they can do, to help you.

CLUBHOUSE COMMRADERIE

Editors Note:

Listed below are activities that normally take place, however, due to the current restrictions we are unable to have them. Hopefully as things open up our activities will return to normal. We look forward to that day.

Bingo is over by 8:45p.m.

Sunday Night Movies

Patty Gregg

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

September Birthdays

2nd	Lori Hibner
6th	Kellie Hall
7th	Karen Morphis
10th	Pam Lankster
11th	Sherry Carnation
16th	Pat Purdue
21st	Bob Chanin

FOR YOUR INFORMATION:

Parking permits are now available in the office for overnight guest parking

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

ELDORADO VILLAGE NEWS SEPTEMBER, 2020 S

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not due anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
