DON'T FORGET VALENTINES DAY IS FEBRUARY 14TH

## FEBRUARY BUS TRIP TO IKEA AND COLUMBIA RESTAURANT

---

**W**ednesday, Feb. 15th will be our next bus trip to the IKEA store in famous Ybor city, followed by lunch at the largest and oldest Spanish restaurant in the U.S., the Columbia. The bus will arrive at the clubhouse at 8:45am for a 9am departure. We will return to Embassy by 3pm.

The cost of the bus will be approximately \$20.00. The cost of shopping and lunch is on your own. A tour of the Columbia restaurant will be offered after lunch or you can browse the city of Ybor.

Sign-up in the clubhouse by January 25th to reserve your seat.

# FLORIDA IS A UNIQUE STATE IN WHICH TO GARDEN. IT CAN BE FRUSTRATING BUT ALSO REWARDING FOR GARDENERS.

## The Spring Vegetable Garden

In early to mid-March, once the threat of freezing temperatures is greatly reduced, warm-season crops can be planted in the garden. But, remember if you plant early...you may need to protect young seedlings if the temperatures drop.

Warm-season vegetables...those that will produce through mid-June (some longer) are:

*Beans (bush and pole), corn, cucumbers, eggplants, melons, peppers, potatoes, yellow squash, tomatoes and zucchini.*

Herbs:

*Basil, dill, fennel, marjoram, Mexican tarragon, oregano and parsley.*

*Garden Tip: Rosemary is a great year round herb to plant in the garden...even if you don't cook with it. It doesn't freeze, it's fragrant and it makes a great looking landscape plant.*

Planting seeds is most economical, but to harvest tomatoes before summer's heat and humidity arrive, you'll need to start your seeds in pots the first two weeks in January, and bring them indoors to protect them from cold weather. If you're just getting started now, buy already established plants from a local nursery and plant directly into the garden.

*Garden Note: You can still plant cool-season varieties such as: broccoli, carrots, lettuce and radishes that should produce into May (better to get them planted by February 15th). But, if you have limited garden space, you may want to stick with warm-season varieties for a longer harvest time.*

To extend the tomato season into summer, try the new heat-resistant varieties available such as: Solar Set and Sunmaster, or plant some cherry tomato varieties which will do better during the hot months. My favorites are chocolate cherry, black cherry and sun gold.

For the total scoop on growing tomatoes in Florida see the University of Florida Extension's article: [Tomatoes in the Florida Garden](#).

## **Tomatoes In The Florida Garden**

*By James M. Stephens*

**T**he tomato, a relative of pepper, potato, and eggplant, is not only the most important commercial vegetable in Florida, but also is the most popular garden vegetable. It can be grown successfully by many methods of culture: in baskets, in solution, on stakes, on the ground, mulched, unmulched or in a greenhouse.

### **VARIETIES**

#### **Staking (Indeterminate) Large Fruit**

‘Floradel’ — once a leading vine-ripe commercial variety; seeds hard to find. Fruit large red. Resistant to Fusarium wilt (1); gray leafspot; and graywall.

‘Tropic’ — another hard one to find, but worth looking for. Fruit large red. Resistant to Fusarium wilt (1); vert. wilt; gray leafspot; graywall.

‘Manalucie’ — another old commercial standard staking type. Large red fruit. Resistant to: Fusarium wilt (1); early blight; gray leafspot; graywall; leaf mold.

‘Better Boy’ — nationwide favorite that does well in Florida. Resistant to Fusarium wilt (1); vert. wilt, and root-knot nematodes.

‘Bonnie Best’ — grows better in North Florida than South Florida. Medium size red fruit. Likes cages.

‘Manapal’ — old Florida variety. Medium size red fruit.

‘Bragger’ — Has produced good yields of 1-pound fruits in organic amended soils.

#### **Indeterminate (Small fruit)**

‘Red Cherry’ — fruits are 1¼ inches diameter. ‘Sweet Chelsea’ — vines vigorously; fruits profusely (1¼ inch).

‘Sweet 100’ — beautiful ‘hands’ of fruit that are 1 inch or less in diameter.

*Continued on page 10*

‘Sweet Million’ — Fruits similar to cherry types, but produced in extra-long clusters.

### **Bush-type to Semi-vining (Determinate) Large Fruit**

‘Walter’ — old standard, large red fruit, resistant to: Fusarium (1 and 2), gray leafspot, graywall.

‘Suncoast’ — New deep red inside and out, large fruit; resistant to Fusarium (1 and 2), vert. wilt, gray leafspot. A University of Florida release.

‘Floramerica’ — Award winner. Large red fruit. Resistant to Fusarium wilt (1 and 2), gray leafspot, gray mold, crown rot.

‘Flora-dade’ — Recommend this one. Big red fruit; resistant to Fusarium wilt (1 and 2), vert. wilt, gray leafspot.

## A FLORIDA-FRIENDLY YARD

A very nice Florida-Friendly landscaped yard

Most people envision an expansive yard of lush green grass with a few neatly trimmed shrubs placed around the house. While it can be a pretty vision, it's not very practical anymore.

A large expanse of turf requires a lot of water, chemicals and mowing. Along with that comes a huge impact on our ever-dwindling water supply, and steady stream of chemical pollutants into our Florida waterways, which are already affecting our beautiful springs. And, I haven't even mentioned the hours of mowing and spraying the grass in an effort to eliminate chinch bugs.

It's time for Florida gardeners to put their 1/4 acre of a yard to better use and create a more diverse and productive landscape. Where do we begin?

The University of Florida extension has already done the work for us. They have developed these 9 Florida-Friendly Landscaping Principles:

- 1) Right plant, right place
- 2) Water efficiently
- 3) Fertilize appropriately
- 4) Mulch
- 5) Attract Wildlife
- 6) Control Yard Pests Responsibly
- 7) Recycle
- 8) Reduce Stormwater Runoff
- 9) Protect the Waterfront

## THINK POSITIVELY

---

**W**hat do you usually do when you are bombarded with a lot of challenges in your life? Do you easily give up and stay in the corner cursing and blaming the universe for your problems? Do you depend on your vices just to cope up with the stress of it all? Or you simply shut other people out of your life and live in your own dark and dramatic world? When facing problems, do you then feel that there's no escape and you wish that you could magically be gone in an instant? If that's the case, then you seriously need to reboot yourself, start thinking positively and live life extraordinarily!

Who?

Who is stopping you from thinking positively? You.

Who is stopping you from having a worry-free life? You.

Who can help you to become a more positive person? You.

The first step to thinking positively really depends on you and you alone. The people who are dear to you are only there to guide you in achieving a more positive you. They are simply instruments in your journey who would comfort you whenever you're feeling down or when you're on the brink of giving up.

Make a choice and don't ever go back to thinking negative thoughts. Now the question is, what is stopping you from achieving this kind of life? Here are some things you need to consider so that you can live a life full of positivity:

**Confidence:** Lack of self-confidence somehow make everything not possible. You feel like you can't ever do something with your own that's why you depend on others. You feel that you are some how a failure to everyone especially to yourself. Learn to be confident with yourself and surely everyone around you would believe that you can achieve anything. Trust in yourself and believe that you can do it. The more you believe, the higher your chances of successfully achieving what you want. Be confident, but don't be too confident because it only leads to negativity. As what they say, be confident but be realistic. Look on the bright side of life even if things don't go the way you expect them to be.

## HOW DO WE COME UP WITH SOME QUICK CASH?

---

**Executives:** 20th Century Fox's TV division (per-Murdock)

**Background:** No one at Fox expected much from M\*A\*S\*H when the Korean War sitcom debuted on CBS in 1972. The executives simply wanted to make a cheap series by using the M\*A\*S\*H movie set again, so it was a surprise when it became Fox's only hit show. A few years later, the company was hard up for cash. When M\*A\*S\*H's ratings started to slip after two of its stars left, Fox execs panicked.

**Decision:** They decided to raise cash by selling the syndication rights to the first seven seasons of M\*A\*S\*H on a futures basis: Local TV stations could pay in 1975 for shows they couldn't broadcast until October 1979, four years away. Fox made no guarantees that the show would still be popular; the \$13,000 per episode was nonrefundable. But enough local stations took the deal so that Fox made \$25 million. They celebrated...

**Impact...**but prematurely. When M\*A\*S\*H finally aired in syndication in 1979, it was one of the most popular shows on TV (it ranked #3 that year). It later became one of the most successful syndicated shows ever, second only to I love Lucy. Each of the original 168 episodes grossed over \$1 million for the local TV stations. Fox got nothing.

## Monthly

---

**African American History Month.** An annual observance to recognize and commemorate African American culture, African American History Month (or Black History Month) is celebrated annually in the United States and Canada in February, and in the United Kingdom in October.

**Dog Training Education Month.** Every day of the month, perform one training activity with your dog: jumping, herding, racing, etc. By the end of the month, you'll notice an improvement in your dog's temperament, and you'll share a closer bond.

**National Haiku Writing Month.** Write one haiku a day throughout February—the shortest month for the world's shortest genre of poetry. Don't think writing a good haiku is easy, though. As French philosopher and literary theorist Roland Barthes once observed, "Haiku has this rather fantasmagorical property: That we always suppose we ourselves can write such things easily."

**Teen Dating Violence Awareness Month.** A national effort to raise awareness about abuse in teen and 20-something relationships and promote programs that prevent it. One in three teens in the United States will experience physical, sexual, or emotional abuse by a partner in a relationship before they become adults. Spread awareness, and stop dating abuse before it starts.

## Weekly

---

**Burn Awareness Week, Feb. 5-11.** Observed the first full week in February, Burn Awareness Week is intended to provide an opportunity for burn, fire, and life safety educators to share the message of burn awareness and prevention in communities around the nation.

**National School Counseling Week, Feb. 6-10.** This year's theme, "School Counseling: Helping Students Realize Their Potential," will focus public attention on the unique contribution of school counselors and highlight the tremendous impact they can have in helping students achieve school success and plan for a career.

**Children of Alcoholics Week, Feb. 12-18.** A campaign led by the National Association for Children of Alcoholics (NACOA) to raise awareness of children affected by parental alcohol problems. Children of Alcoholics Week is celebrated internationally each year during the week in which Valentine's Day falls.

**National Invasive Species Awareness Week, Feb. 19-26.** Raise awareness and identify solutions to invasive species issues at local, state, tribal, regional, international, and national levels. Participating organizations include the Association of Fish and Wildlife Agencies, the Environmental Law Institute, and the Nature Conservancy.

### VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
