## FROM THE OFFICE

---

I had a Manager's meeting on June 10th. Hurricane preparedness was discussed. The 2020 hurricane guides are not out yet; when I get them, I will put them in the 12th street Laundromat. In the meantime, you need to get a "hurricane" kit ready. Be sure to include your meds, any important papers (title to your mobile is mandatory in order to get any FEMA help in case of a disaster), nonperishable food and water. Pinellas County has advised people to avoid shelters; use them as a last resort only. If you leave the Park when a hurricane is coming, please advise the Office, via email, phone message or a note in the office door on your way out of the Park. This is very important-in case of a disaster we would need to know who is still in the Park for rescue and recovery. All outdoor furniture, planters, ladders, etc. that could become projectiles in high winds, should be secured and put away. Let's hope we don't need this, but realistically, we need to be prepared. After a heavy rain, be sure to walk around outside and empty any standing water to cut down on mosquitos.

Mobile Home and carport maintenance: I send out a letter; if no response or results, then I will post a 7-day notice. If I still don't get any results, I will turn it over to Largo Community Development. This could result in fines! Also, continued violation of Park Rules can result in eviction.

Lawn care is now on a weekly schedule, weather permitting. Please be sure to keep the grass areas clear of "objects"-hoses, furniture, etc.

Stop signs are still being ignored; again, this is a rule violation, but most importantly they are to slow people down! We don't move as fast as we used to! 15 miles per hour.... S T O P. These signs are also supposed to be obeyed by bicycles and golf carts.

There are several unapproved people living in the Park; many carports and backyards need cleaning up. Unfortunately, I cannot do any evictions until July 2nd (that date may change if the government extends it again). However, I can get all the paperwork in order and have evictions ready to go once the ban is lifted.

I have reopened my Office and implemented the following changes due to the uncertainty of Covid-19,

1. Come in to pay rent ONLY
2. All complaints must go on a form; pick it up and then leave, you can put it in the mail slot when completed. The forms are in a file holder on the outside of the office door
3. I will be seeing people by appointment only, so call ahead
4. If you are sick, stay away!

These changes are necessary because of the size of both of the offices and the continued unknown about Covid-19. Positive cases are still on the rise in FL.

The next Manager's Meeting will be September 16th, 9:00 A.M. for coffee; meeting at 9:30 a.m. Please note that this is the 3rd Wednesday instead of the 2nd.

## BOOK REPORT

---

**W**.E.D. Ross wrote “The Enchanted Voyage”, a story in which Gale Bond gets her first starring role in a movie! The movie is about her Aunt Hedda, a famous actress, who disappeared from on board this very cruise liner thirty years earlier!

They are shooting the film on this cruiser’s last voyage. What happened to Hedda all those years ago? This is an easy read and I thoroughly enjoyed it.

W.E.D. Ross wrote over 300 novels in his lifetime. He wrote romance and gothic fiction. He also wrote erotic novels and westerns. Ross, a Canadian, had 22 different pen names.

The conversion of the bathroom to usable “Library” space has been completed. Thanks to Vanessa, Sam & Gordon for all their hard work.

Don’t forget the Library is open daily 10 – 6: Wi-Fi can be accessed from the screen room 24/7

Please remember to be safe and take precautions.

For Sale---reversible masks, 3 layers of 100% cotton, washable \$5 All proceeds go to the Library (Labor and fabric is donated).

We also have towels and Embassy mailboxes for fundraisers. Come and enjoy your Library.

## SEWING GUILD

---

The sewing guild would like to thank the following people for their generous donations to the sewing guild during the “coronavirus” shutdown: New York Club, Nancy Gray, Connie Stotelmeyer, Bernice Strong, and Michael Kupperstein. Your donations have made it possible for us to continue our donations to the V.A., the Homeless, Rehab Centers, etc.

Judi Hoke, Janis Wilson & Debra Gagliardi

## OUR AMERICAN FLAG

---

As many of you know, or may not know, we have 2 flag poles in the park which fly the American Flag. We also have 1 flagpole which flies the Canadian flag.

Back to the American Flags, for years these flags have been purchased or donated by people in the park. I would like to see a fund started so we did not have to have individuals donate or purchase these flags (American Flags only).

The Canadians purchase and maintain their flag & pole. If each American would donate \$5 or \$10 or whatever they can, there would be enough money to purchase a new flag when needed.

I would be willing to collect the money and maintain a record of how much was collected and how much was spent. The flags cost about \$30 - \$35, depending on where and when they are purchased.

I would also take care of proper disposal of old and worn flags.

If you would like to donate, please see me or put money in an envelope and drop it off at my house, Lot 1301.

Thank you in advance, Ron Russell

---

**N**ational Postal Workers Day, July 1. Many famous people have worked as postal employees, including presidents Abraham Lincoln, William McKinley, and Harry S. Truman, along with entertainers like Bing Crosby, Walt Disney, and Rock Hudson.

**Independence Day, July 4.** Celebrate the date that the 13 colonies announced their independence from Great Britain.

**Bastille Day, July 14.** The anniversary of storming of the Bastille, a fortress-prison in Paris, on July 14, 1789—a turning point of the French Revolution.

## Independence Day Facts

---

**H**ere are some fun facts to share with your family and friends on the Fourth of July while waiting for the hot dogs to cook on the grill:

- Three presidents died on July 4: Thomas Jefferson and John Adams in 1826, and James Monroe, in 1831. Calvin Coolidge was the only president born on July 4, in 1872.
- The Massachusetts General Court was the first state legislature to recognize July Fourth as a state celebration, in 1781.
- The first recorded use of the name “Independence Day” occurred in 1791.
- The U.S. Congress established Independence Day as an unpaid holiday for federal employees in 1870. It became a federal paid holiday in 1931.

**DID YOU KNOW?**

The average temperature in July just about everywhere in the United States is above 70°F?

It would only take one hour to drive to space?

## July Monthly

---

**Eye Injury Prevention Month.** Of the approximately 1 million eye injuries in the United States each year, health experts say that 90% are preventable. The leading causes of eye injury are sports accidents, fireworks, yard and workshop debris, and household chemicals. Protect your eyes this month and all year round.

**Independent Retailer Month.** Now more than ever, independent retailers need your support to survive. Independent Retailer Month encourages consumers to shop local and celebrate indie retailers, creating more sustainable cities, towns, and communities.

**National Baked Beans Month.** July is National Baked Beans Month, the perfect time to enjoy one of America's favorite side dishes. Beans, such as kidney beans, pinto beans, navy beans, and black beans are naturally low in total fat, contain no saturated fat or cholesterol, and provide important nutrients such as fiber, protein, calcium, iron, folic acid, and potassium.

**World Watercolor Month.** World Watercolor Month is an annual global charitable event featuring the ultimate challenge of 31 watercolors in 31 days. Artists around the globe come together to paint the world with beautiful watercolors and help raise awareness for arts education to get art supplies for kids who need them via The Dreaming Zebra Foundation.

## Weekly

---

**National Therapeutic Recreation Week, July 5–11.** Established by the National Therapeutic Recreation Society, the week is intended to raise awareness of therapeutic recreation programs and services that could improve the health and well-being of individuals with physical, mental, and emotional disabilities.

**Operation Safe Driver Week, July 14–20.** Operation Safe Driver Week aims to help improve the behavior of all drivers operating in an unsafe manner—either in or around commercial motor vehicles—through educational and traffic enforcement strategies to address individuals exhibiting high-risk driving behaviors.

**National Moth Week, July 18–26.** National Moth Week celebrates the beauty, life cycles, and habitats of moths. “Moth-ers” of all ages and abilities are encouraged to learn about, observe, and document moths in their backyards, parks, and neighborhoods.

**National Zoo Keeper Week, July 19–25.** The National Zoo Keeper Week Program exists to provide members of the American Association of Zoo Keepers with the tools and capabilities to recognize their peers and promote the animal care profession during National Zoo Keeper Week and throughout the year.

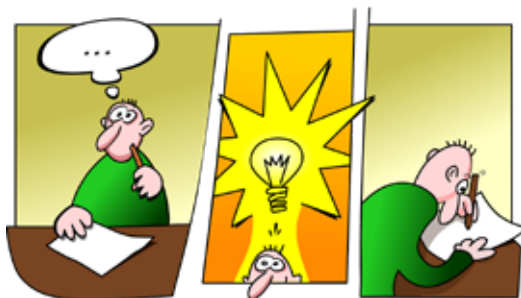

## Boost your creativity when social distancing

The stress of dealing with the COVID-19 pandemic can make it hard to stay creative, especially when you're social distancing. Working from home means you don't have your co-workers to bounce ideas off. The Entrepreneur website shares some exercises for keeping your mind and imagination fresh and active:

- **Freewriting.** Sit down at your keyboard and just write whatever comes into your head. Don't stop, don't edit, don't worry about punctuation or grammar, just let the words flow. If you're lucky, you'll generate ideas. Even if you don't, you'll loosen up your brain so you can go back to work with an open mind.
- **Time tracking.** Turn your everyday tasks into a game. How quickly can you finish that report? Challenge yourself to do something in less time than you usually use. Use a timer to stay focused.
- **Mindstorming.** When you've got a problem to solve, write it down and then quickly generate 20 possible solutions. The first four or five will probably come easily, but don't stop until you've hit 20. This will stretch your mind and force you to be more creative. You'll also gain confidence when you succeed.
- **Sketchnoting.** Don't limit yourself to words. When searching for ideas or trying to solve a problem, try drawing pictures. This can put you in touch with the other side of your brain and lead to different solutions.

*Without creativity, there would be no progress, and we would be forever repeating the same patterns.*

**Edward de Bono**

*There is only one of you in all time, this expression is unique. And if you block it, it will never exist through any other medium and it will be lost.*

**Martha Graham**

## Points to ponder

---

- A conclusion is usually the place where most people get tired of thinking.
- Experience is something you don't get until just after you need it.
- For every action, there is an equal and opposite criticism.
- He who hesitates is probably right.
- Never do card tricks for the group you play poker with.
- No one is listening until you make a mistake.
- Success always occurs in private, and failure in full view.
- The hardness of the butter is directly proportional to the softness of the bread.
- The severity of the itch is indirectly proportional to your reach.
- For some people, two wrongs are only the beginning.

## The silent treatment

---

A man and his wife got into a serious fight and ended up giving each other the silent treatment. It lasted for days.

One night the husband suddenly remembered that he had to get up at 6 a.m. the next morning to catch a flight for a business trip. He didn't want to break the silence with an alarm clock or his phone, so he left a note on his wife's pillow: "Please wake me up at 6 a.m."

He woke up the next morning and 9 a.m., missing his flight. Furious, he stood up to demand why his wife hadn't woken him up. On his pillow he found a note from her: "It's 6 a.m. Wake up."

*Laughing is, and will always be, the best form of therapy.*

## The necktie

---

Jack, a recent college graduate living with his parents, woke up late on the day of his first big job interview. Frantically he threw on a suit. “Oh, no!” he thought. “My tie!”

Jack had never learned how to tie a necktie. His parents were already at work, so the house was empty and there was no one to help him. He grabbed a necktie at random and ran out the door.

“Excuse me, sir,” he said to a crossing guard at the corner of his street. “I have an important job interview and I have no idea how to tie a necktie. Can you please help me?”

“Sure,” said the guard. “Just lie down on this bench.”

Jack thought that was odd, but if someone was going to help him he wasn’t going to ask any questions. After the crossing guard finished and the tie looked good, however, Jack just had to ask why he had to lie down.

“Well, in my previous job I learned how to tie neckties on other people when they were lying down. “

“What was your previous job?” Jack asked.

“I was a mortician.”

## Cutting in line

---

A group of senior citizens, socially distanced, stood in a long line at 7:45 a.m. at a grocery store that opened at 8 a.m. for seniors only.

A young man ran from the parking lot and tried to cut in at the front of the line, but an old lady beat him back with her cane.

When he tried to cut in again, an old man punched him in the gut, then kicked him to the ground and rolled him away.

As he approached the line for the third time, he said, “Listen, if you don’t let me unlock the door you’ll never get in there.”
