## FROM THE OFFICE

---

**W**elcome back to all of the Eastern States snowbirds! Thank you for letting me know you have arrived. All of the Canadian snowbirds and RV tenants that I have talked to have said they will not be returning to Embassy until after the 1st of the year due to covid. This will also be determined by their Prime Minister's decision to open the border to the US. (He has been doing this a month at a time, as of right now the next decision will be around Oct. 21st). Canadians can currently fly to the US, but cannot drive over the border....I am sure there is a reason for this but it doesn't make sense to me! Most of the French Canadian RV'rs will not be coming this season at all.

The Canadians and Shufflers are a BIG part of park activities during the winter. Once the Covid rules are relaxed, such as no more need to social distance, large groups can gather inside, etc. anyone who wants to organize a dinner, dance, breakfast, etc. needs to attend the Social Club Meetings, which are held on the first Wednesday of the month, 9 a.m. coffee and cake, 9:30 a.m. meeting. No membership required, everyone is welcome to attend.

I recently was informed by the City of Largo that, pursuant to Section 10-23 (b) It shall be unlawful for any person to operate an alarm system without a valid alarm use permit. Violation of this section shall be a misdemeanor of the second degree, punishable as provided for in F.S. ch. 775. The annual permit fee is \$25. I have the registration forms in the office if you have an alarm system that is not registered.

You should have received your rent letter for 2021 by now. If not, contact the office during office hours or via email and we will send you one. The rent increase is \$18 for everyone; if you have autopay with your bank, please notify them of the increase by mid-December. Mr. Larson originally proposed an increase of \$25, but I was able to negotiate him down to the \$18. (Bay ranch will be going up \$25)! The Rent Committee met with Mr. Larson and expressed their concerns in the park, mainly paving more streets, adding back speed bumps, and of course, the POOL. SOOOOO....more streets will be resurfaced and we will be installing some speed bumps, 2 out of 3 isn't bad! (just kidding, I plan to start getting details on the requirements for remodeling the pool vs. a complete new pool (I am also pushing for a new fence and furniture, but would be happy with getting the leaks fixed, pool recoated and the deck redone).

This has been a busy year for termites. Most residents did not know that I have an agreement with Brantley terminating company, 727-541-5940, regarding pricing. A single wide is \$725 and a double wide is \$800 (there may be a slight variable if there are a lot of add-on rooms, screen rooms, etc.) This is not intended to limit residents use to them, but just to let you know what their pricing is and that Embassy has had a good working relationship with them for the past 9 years and that I have negotiated the pricing on your behalf.

On Friday, Oct. 16th the Largo PD and Pinellas county sheriff held a registration session here at the Park for golf carts, electric scooters and bikes. There was a total of 48 items registered. Thanks to Norm, Ron & Little Mike for assisting them and making this happen.

*continued on page 6*

The park has some mobile home awnings for sale, (library gets the money); see Roy for more information.

Just another reminder:

**YOU MUST WEAR A MASK TO COME INTO THE OFFICE**

1. Come in to pay rent ONLY
2. All complaints must go on a form; pick it up and then leave, you can put it in the mail slot when completed. The forms are in a file holder on the outside of the office door
3. I will be seeing people by appointment only, so call ahead
4. If you are sick, stay away!

I make this decision based on the current Pinellas County recommendations. These changes are necessary because of the size of both offices and the continued unknown about Covid-19.

The next Manager’s Meeting will be November 11th, 9:00 A.M. for coffee; meeting at 9:30 a.m. If you plan to attend, practice social distancing that you are comfortable with.

## BOOK REPORT

---

**T**.R. Ragan likes to write thrillers, time travel romance and contemporary romance. She also writes under the name of Theresa Ragan. T.R. is a world traveler and was once even chased by a killer elephant in Nepal! My book this month is *Abducted*. *Abducted* at age seventeen, tortured and held prisoner for months. Lizzy Gardner was “Spiderman’s” only victim to escape. For fourteen years Spiderman has been quiet. Now he is back and he wants Lizzy! So begins a chilling game of cat and mouse. Who will win?

Don’t forget the Library is open daily 10 – 6: Wi-Fi can be accessed from the screen room 24/7. You can also purchase a key if you wish to use the Library after hours. Please remember to turn off all lights and fans that you may have turned on.

Please remember to be safe and take precautions.

EDITOR’S NOTE: I recently checked out the Library; Vanessa & Gordon Nead have done an outstanding job in providing, maintaining, organizing, cleaning, etc.

For those of you who are new to Embassy, the Library is provided free of charge; Mr. Larson provided the building and pays for the power; the wi-fi, maintenance, shelves, etc. relies on donations and proceeds from the 50/50 at the Manager meetings.

For Sale---reversible masks, 3 layers of 100% cotton, washable \$5 All proceeds go to the Library (Labor and fabric is donated).

We also have towels and Embassy mailboxes for fundraisers. Come and enjoy your Library.

## MARK YOUR CALENDAR-SPECIAL EVENTS

---

**O**n **Friday, November 20th** Embassy will be hosting an outdoor event put on by the Largo PD; it will be outside in the Clubhouse parking lot, flyers will be put up. I will be out of town so Ron Russell will be working with them as Embassy’s contact person. Everyone is invited, it will be a “drive thru”; you can come by bike, golf cart or car.

The regularly scheduled Social Club Meeting will be held on **Wednesday, November 4th** at 9:00 a.m. for coffee, 9:30 a.m. for meeting. At this time we will discuss the winter activities, most of which have been cancelled. It is important to get the resident’s input on how you feel about activities vs. Covid

The clubhouse will remain locked, open only on an “as needed” basis. Before you make plans for anything in the clubhouse, you need to clear it with Jessie and Nedra.

## The core of addiction

It's a common experiment: Put a rat in a cage with two bottles of water to drink. One is regular water, but the other one has water laced with cocaine or heroin. The rat quickly gets addicted to the drug-infused water and stops drinking from the other bottle. This explains the power of addiction.

But it may not be that simple, as Johann Hari suggests in *Does Capitalism Cause Addiction?* One scientist created a “rat park.” Instead of just two water bottles, the park held everything a rat could want— food, colored balls to play with, and other rats for company. In the rat park, none of the rats grew addicted to the drugged water.

What does this show? That addiction is partly a response to one’s environment. With enough resources to distract and entertain us, most people won’t prefer the drugged water (or whatever). What we need is connection.

## Make the call - make a difference

Consultant Michael Hargrove uses this exercise frequently in his training sessions:

Imagine you are on a 747 flying over the ocean. Halfway through the flight, the plane begins experiencing mechanical difficulties. The captain comes on the intercom and explains as calmly as he can that an engine has fallen from the plane, ripping a fuel line. The crew will continue to fly as long as possible until fuel runs low, and then they will attempt a water landing.

Hargrove asks his listeners to write down the name of the one person they would call in the next few minutes, and what they would say. Then he asks: “So what are you waiting for? Today, make the call.”

*Two or three things I know for sure, and one of them is that to go on living I have to tell stories, that stories are the one sure way I know to touch the heart and change the world.*

— *Alexandra Watkins*

## The secret to peace

---

A teacher and his student were walking through the forest. The student asked: “Why are most people’s minds restless, and only few possess a calm mind? What can one do to still the mind?”

The teacher smiled and told his student a story:

On one beautiful day, an elephant was standing by the shade of a tree, eating leaves. Suddenly, a small fly came buzzing and landed on the elephant’s ear. The elephant stayed calm and continued to eat, not heeding the fly.

The fly flew around the elephant’s ear, buzzing noisily, but the elephant seemed to be unaffected. This bewildered the fly, and it asked, “Are you deaf?”

“No,” the elephant answered.

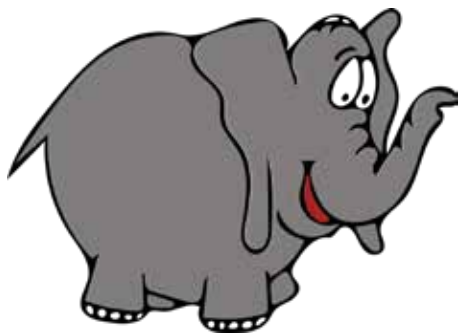

“Then why aren’t you bothered by my buzz?”

“Why are you so restless and noisy? Why can’t you stay still just for a few moments?”

The fly replied, “Everything I see, hear and feel attracts my attention, and all noises and movements around me affect my behavior. What is your secret? How can you stay so calm and still?”

The elephant stopped eating and said, “My five senses do not disturb my peace, because they do not rule my attention. I am in control of my mind and my thoughts, and therefore, I can direct my attention where I want, and ignore any disturbances, including your buzz. Therefore I can stay peaceful.”

At the end of the story, the student’s eyes opened wide, and a smile appeared on his face. “Now I understand! My mind will always be in constant unrest if my five senses, and whatever is happening in the world around me, are in control. On the other hand, if I am in command of my five senses, able to disregard sense impressions, and able to control my thoughts, my mind will become calm, and I will be able to disregard its restlessness.”

“That’s right,” answered the teacher. “The mind is restless and goes wherever the attention goes. Control your attention, and you control your mind.”

**Drowsy Driving Prevention Week, Nov. 1–7.** Drowsy driving is responsible for more than 6,400 U.S. deaths annually. The National Sleep Foundation's annual campaign goal is to reduce the number of drivers who elect to drive while sleep deprived.

**Geography Awareness Week, Nov. 8–14.** Sponsored by the National Geographic, this annual public awareness program encourages citizens young and old to think and learn about the significance of place and how we affect and are affected by it.

**National Nurse Practitioner Week, Nov. 8–14.** National Nurse Practitioner Week is held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that nurse practitioners will be allowed to practice to the full extent of their experience and education.

**American Education Week, Nov. 16–20.** Schools across the country participate in American Education Week during the week before Thanksgiving, promoting collaboration between parents and educators. The program also promotes the public education system—its goals, successes, and outcomes.

# November Monthly

---

**American Diabetes Month.** For the millions of people who are at risk of diabetes, it's a time to get educated, find resources, and make sure all those around you are aware of their risk, too. And for the millions of people living with diabetes, it's a chance to tell your stories and awaken the world.

**National Entrepreneurship Month.** November was designated (in 2016) as National Entrepreneurship Month by presidential proclamation. To celebrate the tenacious and rebellious spirit of entrepreneurs, President Barack Obama wrote, “we celebrate entrepreneurs who serve their communities and bolster our economy.”

**National Novel Writing Month (NaNoWriMo).** Each year on Nov. 1, hundreds of thousands of people around the world begin to write, determined to end the month with 50,000 words of a brand-new novel. NaNoWriMo, a nonprofit organization that supports writing fluency and education, runs year-round programs across 646 regions around the world and in thousands of classrooms, and empowers nearly half a million people to access the power of creative writing.

**Manatee Awareness Month.** November is Manatee Awareness Month—a time to celebrate Florida’s beloved, iconic marine mammal and also to create awareness and shed light on the many challenges imperiled manatees face every day.

*As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.*

## Fuel your creativity with optimism

---

It's hard to be optimistic these days, but you can't be creative with a negative attitude. Investor's Business Daily has these tips for creativity even in dark times:

- **Broaden your horizons.** Think big. Look for ideas that will shake things up. Vast ambitions have more power to inspire than shallow ideas.
- **Engage your curiosity.** Question everything. Ask the reporter's questions—who, what, when, where, why, and how? Don't be satisfied with superficial answers. Dig deeper.
- **Visualize success.** Think about what your project will do, how it will feel, and what it will say to other people.
- **Move on from failure.** Every idea won't succeed. Don't let that stop you. Learn what you can and apply the lessons to your next creative project.
- **Control your ego.** You want to be the best, but you can't do everything yourself. Seek out other creative, talented people for their ideas and support. Incorporate their thoughts into your own efforts (giving due credit, of course). Concentrate on the achievement, not your own personal glory.
- **Learn from others.** You're not the only creative, ambitious person out there. Associate with people who've done what you want to do. Find out how they created success and emulate their tactics.

## What feeds your inspiration?

---

Where do you find your inspiration? The Refinery29 website surveyed its readers on where and when they feel most creative. Here's what they said:

- |                      |     |                 |     |
