EDITORIAL NOTES

Beverly Ryan Doucette

For the last several years, I have had the extreme pleasure of working with Cathy and Kurt Beard, owners and editors of Monthly Media Newsletters, our providers of Embassy News and Views. They so gratefully helped me keep a cool head with deadlines, computer glitches, scratching for printable material for Embassy people, and never complained at all when I goofed and was near tears at times.

I have mixed emotions about the fact that they have sold their business and are looking in new directions ahead. But Cathy said she and Kurt loved doing their jobs, and are very happy that they have made the decision to sell it to a wonderful company called Hunt Ventures, Inc., in Venice, Florida, under the able direction of a fellow named Darin Hunt. He has been publishing mobile home newsletters as Community Media since 2010, serving an area which includes Fort Myers Beach and stretching north to Lakeland. I have met Darin over the phone, and he, too, seems to be a very pleasant, helpful, and capable fellow. Welcome aboard, Darin !

Wish you the very best in whatever lies ahead for you and your family, Cathy & Kurt. It's been a real pleasure!! Keep in Touch!

A Message About Our FMO Memberships

One of the most important organizations for Embassy's mobile home residents is the invaluable EM.O. - - the Federation of Manufactured Home Owners of Florida, Inc. The present membership receive a wealth of important information in their bi-monthly FMO magazine issue which shows in no uncertain terms how very vital this organization is to our safety and to our very existence. It is the guardian and watchdog of all things relative to mobile home living.

Just a small example of this is: The FMO watchdog for our protection under Florida's Mobile Home Act, FL Statute 723. Also, your membership provides easy access to an attorney

for legal information which is published in their publication. Lobbyist Information from our state capitol, vital to protection of our lifestyle is also right at hand. Our dues cover maintenance of an office building, employed with a dedicated staff at the ready to assist all of us; access to Team DBPR Division of Compliance regarding, among myriad things, concerns with our prospectuses, rules and regulations, and rental agreements; and a voluntary FMO Board of Directors who have given unselfishly and freely of their time and expenses to assure our protection. Their importance to our lifestyle cannot be exaggerated. Thank goodness the FMO is and has always been there for us!

At this time, they are very busy with the FMO's membership campaign this fall to assure us access to this asset to the comfort of our mobile home style of life. The value of your membership fee cannot be emphasized enough, and the slight increase of dues from \$22 per year to \$25 per year, and from \$55 for three years to \$65 is an invaluable worthy personal investment for each and every one of us.

I cannot stress the importance also of our membership numbers. I sincerely ask everyone to hop on our bandwagon to assure a safe and secure future for our own FMO by not only quickly renewing your valuable membership, but encouraging our friends and neighbors who are not already members to realize the importance of this organization. PLEASE be aware of our FMO Park Representative Ron Russell's efforts, and our members' efforts to help us to boost Embassy's membership, hopefully strive to a lot closer to a 100% mark goal

SICK LIST

Peggy Mazzie is recuperating from her fall last spring up north, and she and Don may not be returning to their place here in Embassy. Send cards to 2613 Beverly Drive, Washington, PA 15301, for cards.

Ron Russell is recuperating at home after surgery up north. He's in the capable hands of Cathy taking care of him. Send cards to 6842 Craig Road, Bath, NY 14810.

Nedra Woodroof (Lot 739) has been under the care of her daughter, Connie, at home after surgery. We got a chance to meet Connie at our Labor Day Barbeque in the Clubhouse.

Rosemary Scotti (Lot 647) is also recuperating at home after surgery. She has been missed at Dominoes. Hurry back, Rosemary.

John Hagood (Lot 513) is recuperating at home after a few recent trips to the hospital. He is in good hands as Vonda, our new resident nurse, is looking after him.

Gloria DesJardin (Lot 119) is also recuperating at home.

DEATHS

George Massey (fmr resident) Lot 701
John MacKinnon (fmr resident) 4th St. 9/12
Ken Stuart Lot 441

Margaret (Mike) MacKinnon has advised that sympathy cards may be sent to her for forwarding to Allan MacKinnon, John's son, to her address in Canada which is 42A Dakin Drive, Halifax, N.S. Canada B3M2C8. Long-time resident John was married to formerly deceased Ivy MacKinnon.

EARLY BIRD THEATER SEASON

Barbara Whitman

Get ready for our upcoming season at the Early Bird Dinner Theater at their venue on 49th Street. This is always an enjoyable way for our residents to get together for a full salad bar, along with a sumptuous buffet dinner and dessert before enjoying a usually hilarious production by a terrific ensemble cast. The cost is still \$32 per person for both the dinner and show.

Mark your calendars for Saturday, November 22nd, when we will attend our first production of this winter season. A sign-up sheet will be in the clubhouse at the end of October. It is called "Miracle on South Division Street" about The Nowaks family, from Buffalo, NY who have always felt they were very special. Miraculously, on one night in 1942, the Blessed Mother appeared to Grandpa in his barbershop. They erected a 20-foot commemorative shrine which the neighborhood looked to as a beacon of hope and faith amidst the urban rubble. Now, daughter Ruth plans to write and star in a one-woman show about the miracle. However, a deathbed confession causes the family legend to unravel, and the results are hilariously heartfelt.

On Saturday, January 10th, at 11 am, we have reservations for "Caught in the Net". Bigamist taxi driver, John Smith, is keeping two families in different parts of

London. BUT, his teenage children, a girl from one family, and a boy from the other have met on the internet and are anxious to meet in person, and in order to keep them apart, John's juggles with the truth are nothing short of outrageously hilarious to observe.

And finally, on Saturday, March 28th, at 11 am, we will see "Hotbed Hotel". Terri and Brian Cody are hoping to sell their "One Star Hotel" in the Florida Keys to a Mr. Sam Lewis from New York. The Cody's devise a plan to make the hotel seem much busier than it actually is, and their staff masquerades as paying guests. However, the staff only consists of one maintenance man named Hopkins, and a sexy housemaid named Maureen. Chaos ensues, surely!

CANADIAN ANNUAL SUMMER PICNIC

Elaine Pepper has graciously sent us news of our Canadian Snowbirds' Annual Reunion held up in Nova Scotia in mid-August. I'm encapsulating her newsy e-mail to spread the news of the days. “

Around 40 people gathered up there for the weekend at Bill & Gloria Burt's, and on Monday at Fred & Fern Barton's lakeside home in the country in Nova Scotia. On Saturday, Arlene picked me up at the Halifax airport to return to her beautiful home outside Pleasantville. I was part of the 16 first arrivals in Truro who gathered at their motels and met for dinner and a gab fest at everyone's favorite spot - - Murphy's Fish & Chips restaurant, including Chris & Ron; Bill & Gloria; Rosella & Burt; Fern & Fred, and their brother- and sister-in-law, and a new couple who moved into the park the end of the season - - JoAnn & Dennis.

“On Sunday, Fred took two groups separately for a cruise around the lake on their pontoon boat, first one being a little cool, but dry; alas, the second group got caught in a downpour while they were out. Louis deRuijter rushed to the rescue with umbrellas for the returning group whose spirits weren't dampened in the least! Much sociability and food were enjoyed by all.

“On Monday many people were there, including some new arrivals, and the men grilled hot dogs and hamburgers (in the continuing rain) to go with lots of food brought to share. Later the group gathered into small groups to play Trivia. Fred supervised the games with his list of questions, and all had a great fun-filled time wracking their brains.

“That evening, Arlene took Elaine back to her house, and the next afternoon they said goodbye at the Halifax airport. Elaine said a splendid time was had by all, and it was great seeing everyone in their 'natural habitat.'”

SLIM PICKIN'S IN MOVIES AND ON TV

Beverly D

Among the huge changes taking place for us here at Embassy is the removal of buildings next door from our Tri-City Plaza. Many will be missed, but none more than our Tri-City Movie Complex right at our back doors. Actually, I think it would be a good idea if someone in charge would give us some idea of what's coming in to replace what we had there. The only thing I've seen is a new sign for Ross's store. Come on, people, give us a hint, please.

Not only when it comes to which businesses, but especially when it comes to our own local movie theater. Does anyone know anything in that regard?? Although, I must say, these last few months have been devoid of any high-end movies to say the least. I can't believe the last

two Weekend sections of our Tampa Bay Times actually gave every movie an X rating, which in that instance means ‘Don’t Bother to Even Go!’ Hopefully, choices will get better with the oncoming fall and winter seasons for us.

And to make matters worse, the latest TV schedules are equally as pitiable for anything worth watching lately. Hurry Up, Fall schedule. We really need you!!!

A SINCERE THANK YOU

Thank you to all the summer delivery people who made sure our News & Views and Bulletins arrived promptly each month at your doors. Surely, this has been one of the hottest summer seasons, but they rivaled the mailmen’s motto - - by c heat, rain or storms - - to deliver the latest news hereabouts to our residents. And we also look forward to welcoming our winter season delivery people. Where would we be without all of you? I don’t even want to think about it!!

NEW ENGLAND BREAKFAST CLUB

The New England Breakfast group gathered once again in September at The Country Skillet on Roosevelt for their regular monthly gathering and friendly session to catch up on the news of the day. We look forward to all our snowbirds arriving back on the season starting in October, and in full force from now onward into the fall and winter season. Let’s take this time to thank Irene & Paul Blondin for the wonderful job they do all year long to assure a happy, convivial time for all. Merci beaucoup!!!

HAPPY HALLOWEEN PARTY

Get ready once again for our “funnest” and “funn-i-est” night of the year as the Clubhouse becomes festooned with all of our Halloween paraphernalia for a night to match the frivolity held there last year. The party will be held on the actual date of Friday, October 31st, at 7:00 pm. BYOB and your snacks, and get ready for one of the most fun-filled occasions as everyone vies for the costume prizes. The three categories will be ‘Best’, ‘Scariest’, and ‘Funniest’. There will be a 50/50 drawing.

Put your thinking caps on, because the competition is fierce for the costume contests. We’ve had some real ‘doozies’ these past few years. Janice Wilson and Elaine Migliorati and their crew really outdo themselves for this night of fun.

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming. If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.

10 BENEFITS OF GROWING AN HERB GARDEN

By Elissa Rodrigues, Community Media Staff Writer

My Grandmother was an excellent gardener. You name it, she could grow it - from gorgeous roses (several varieties) to blueberries, tomatoes, peppers, zucchini, she even had an apple tree! Unfortunately, unlike her, my thumb happens to be more brown than green. This Spring, however, I'm giving it another try. I'm a Realist, so instead of growing an entire salad, I'm starting with an herb garden. Here are 10 benefits that may convince you to do the same!

- 1.) Fresh herbs are always available. This may seem obvious, but you'll be surprised how creative you'll get with everyday vegetables, dips and dishes when you have fresh ingredients at your fingertips.
- 2.) It's good for you. Adding fresh herbs boots vitamins and nutrients to your diet, and don't forget that gardening is a great calorie-burner with all that digging, bending and stretching. Talk about a double-benefit!
- 3.) Save money. Fresh herbs can be expensive and wasteful when you buy a whole bundle, and only use a few snips for a recipe. Not to mention, stores may not always have the variety you're looking for, and specialty stores mean higher prices.
- 4.) Educational. Growing an herb garden is a learning experience for adults and children, and kids will love to help out! From a new gardening technique to trying out new recipes, you'll be surprised how much you'll learn.
- 5.) No boring dinners. Add a few new herbs to chicken, fish, potatoes, vegetables - or your regular party dip, and it goes from bland to wow, and you can experiment with new combinations nightly.
- 6.) Relieve stress. Tending to or just visiting an herb garden - and breathing in all that aroma - can do wonders for stress levels. So make yourself a cup of (fresh) mint tea, and relax!
- 7.) Share the wealth. Having your own herb garden means you'll have more than enough, so be a good neighbor (and friend), and share your bounty with others! Tie on a recipe to a fresh bunch, or jar your own dried herbs and voila you've got the perfect hostess gift.
- 8.) Exotic variety. There are 30 varieties of basil. Who knew? Your regular grocer only carries the most common sweet basil. Choose your own exotic variety, whether it's dark opal basil, cinnamon basil, anise basil, Italian basil, or globe basil to name a few.
- 9.) Curb appeal. Adding an herb garden can give your landscape real curb appeal - it's lush and well tended-to. If you don't have room for a full herb garden, just add them to shrubs. They blend in beautifully.
- 10.) Good, clean fun. Dirt aside, it'll brighten your day to watch your fresh garden grow, and it may inspire you to branch out to fruits or vegetables. With all those herbs, you know you'll have the salad dressing covered!

For some flavor inspiration, some herbs to try are: basil, bay leaf, chives, dill, garlic, parsley, sage and mint (which makes delicious tea by the way!) Be creative, and plant what you'll use. For more tips, visit <http://www.gardeningknowhow.com>. Happy gardening!
