## **FROM THE OFFICE**

---

**A**s I mentioned in last month's article, I have been doing "Park Ride Inspections". I have sent out 82 letters, giving people up to 30 days to fix whatever their problem was. If you receive a letter, take care of YOUR problem, do not call or email me about other people in the Park who may have a problem; you have no way of knowing if they have received a letter or a visit from Largo Community development. Take pride in your home and lot and let me do my job. Another mobile home Park in St. Petersburg is closing, and the people that are coming here trying to relocate have commented that Embassy looks so nice. (I know, I know--the POOL).

Over the summer I have had the Hobby House, Old Library, Garage and Clubhouse painted; the Clubhouse had a new roof put on, as well as all new gutters. Several of the buildings had rotten fascia boards on them, which were all replaced. Maintenance is currently working on fixing and painting the 3 swings by the Lake (Thanks to Jacki and Dennis Gross, Lot 1002, who are always a big help in maintaining the swings and trimming some trees for the Park). In accomplishing this, the maintenance bills were extremely high this year.

Future projects include:

Painting and repairing the 12th street laundromat; replacing the fence there with vinyl fencing; painting the poles in the circle where you enter the Park; hopefully getting the 12th street parking lot repaved, etc. The Pool, along with the pool fence and furniture, is on my list, but it has to get to the top of Mr. Larson's!!!! This will be very costly, but is well past the time to redo it. When we do, the pool will need to be closed for awhile.

Denis Phillips, local meteorologist, predicts we will have enough hurricanes this year to use all of the letters of the alphabet!!! There are currently 5 systems trying to form. PLEASE pick up a hurricane guide from the office and BE PREPARED!

I had a Manager's meeting today (Sept. 16th) and it was the general consensus that the Park stay closed, due to Covid, until it is discussed again at the November 4th Social Club meeting.

**SNOWBIRDS:** Please contact the office with your arrival date....I hear lots of rumors on who is coming when, but in case a hurricane arrives it helps to know who is in the Park. Email

## BOOK REPORT

**B**arbara Delinsky is a writer of romance novels. She first wrote under Bonnie Drake (13 books), then Billie Douglass (10 books), before using Delinsky (51 books).

Barbara's book, "A Woman's Place" was made into a movie. She was born in MA and still lives there.

In Lake News we have Lily who teaches by day and sings by night. She loves her privacy and tries to stay out of the limelight. That is until one night a devious reporter talks her into talking to him "off the cuff", which she thinks is off the record. Wrong! He files a story that puts her smack dab in the middle of a scandal. Now every reporter is hounding her, she can't go anywhere or do anything without it getting printed in the paper. So secretly she runs to her hometown of Lake Henry to her family but everyone is not happy with her being home.

Don't forget the Library is open daily 10–6: Wi-Fi can be accessed from the screen room 24/7 Please remember to be safe and take precautions.

**For Sale**---reversible masks, 3 layers of 100% cotton, washable \$5 All proceeds go to the Library (Labor and fabric is donated).

We also have towels and Embassy mailboxes for fundraisers. Come and enjoy your Library.

## MARK YOUR CALENDAR-SPECIAL EVENTS

---

**O**n **Friday, October 16th at 9:30 a.m.** Officer Tran will be conducting a bicycle and golf cart registration. It will be at the Club House but the Clubhouse will be closed. If your bike or golf cart is stolen, this is the only way you have a chance of getting it back!

**On Friday, November 20th** Embassy will be hosting an outdoor event put on by the Largo PD; it will be outside in the Clubhouse parking lot, flyers will be put up. I will be out of town so Ron Russell will be working with them as Embassy's contact person. Everyone is invited, it will be a "drive thru"; you can come by bike, golf cart or car.

The regularly scheduled Social Club Meeting will be held on **Wednesday, November 4th** at 9:00 a.m. for coffee, 9:30 a.m. for meeting. At this time we will discuss the winter activities, most of which have been cancelled. It is important to get the resident's input on how you feel about activities vs. Covid

The clubhouse will remain locked, open only on an "as needed" basis. Before you make plans for anything in the clubhouse, you need to clear it with Jessie and Nedra.

## EXERCISE IS COMING BACK!

---

**H**ello, my name is Elaine and I teach several exercise programs in the Park during the winter season. I know this year is up in the air due to the Corona Virus, but I am hopeful that activities will resume soon. For those new to the Park, this is what I do:

On Mondays and Thursdays there will be senior strength using weights, stretch bands and balls. We sit in a chair or stand; no one wants to get up off the floor! On Tuesdays and Fridays there is Zumba Gold, an aerobic workout designed for the active older adult. We use dance moves and music and you would never know you are exercising, it is so much fun!

Come and get to know your neighbors, become a little more firm and flexible, and have a good time. I will be in the Park beginning October 12th if you have any questions.

A starting date will be determined after the Social Club Meeting on Nov. 4th.

Elaine Pepper (Lot 833)

## NEWSLETTER ADVERTISERS

---

**A**s most of you know, the Monthly News & Views is printed free of charge; the advertisers are what makes this possible. If you use any of them, please give me feedback so I can let the other residents know.

### **From Bob & Liv Perras:**

After months of non stop running, I felt I should have my a/c unit checked out. In News and Views I found an ad for a \$39 check up from Modern Air Conditioning.

I called at 10:00 a.m.; at 3:00 o'clock a technician, Kyle (#245) arrived. After a thorough examination he handed me a worksheet detailing all the tests he performed.

The bill was exactly as stated. No surprise add-ons! Efficient, timely, courteous and knowledgeable.

We are a very happy (new) customer.

**Medical Assistants Recognition Week, Oct. 19–23.** Medical assistants are at the heart of health care. They play a crucial and versatile part of the health care delivery team. Celebrate these dedicated and compassionate individuals this week during the third full week in October and throughout the year.

**Free Speech Week, Oct. 19–25.** A yearly event to raise public awareness of the importance of freedom of speech and of the press in our democracy, and to celebrate that freedom. Individuals, schools, and all types of organizations are encouraged to recognize and celebrate Free Speech Week.

## October Monthly

**American Pharmacists Month.** American Pharmacists Month promotes awareness of the many services pharmacists offer beyond the safe distribution of medications. These services include seasonal and lifespan immunizations; medication reviews to assess safety, effectiveness, interactions, and adherence; care management and counseling for disease states such as diabetes, high blood pressure, and high cholesterol; and smoking cessation counseling.

**Blindness Awareness Month.** Blindness Awareness Month is dedicated to taking the discussion of all things sight-related to the forefront of the public. It is about having good eye health as well as discussing blindness and visual impairment as a whole.

**National Animal Safety and Protection Month.** Our pets can't tell us what hurts, so it's crucial to understand what behavior and signs suggest that your pet may not be feeling 100% and what is normal. Breathing rate, dehydration, and temperature are all things to keep an eye out for.

**National Substance Abuse Prevention Month.** An observance that highlights the vital role of substance abuse prevention in both individual and community health—and to remember those who have lost their lives to substance abuse. The Office of National Drug Control Policy encourages prevention efforts this month and all year long to ensure the health of teens and young adults.

*The one permanent emotion of the inferior man is fear—fear of the unknown, the complex, the inexplicable. What he wants above everything else is safety.*

## In search of the right job recruit

A recruiter asked a job candidate, “Can you handle a variety of work?”  
The applicant replied, “I should be able to. I’ve had ten different jobs in four months.”

A recruiter asked a job candidate, “Why did you leave your last job?”  
The job applicant replied, “It was something my boss said.”  
“What did he say?”  
“You’re fired.”

A recruiter asked a job candidate, “What’s your biggest weakness?”  
The job applicant replied, “I don’t know when to quit.”  
“You’re hired.”  
“I quit.”

## Hardest worker

A n old ranch owner named John had a small ranch in Montana. The state government claimed he was not paying proper wages to his workers, so it sent an agent out. “I need a list of your employees here, along with how much you pay them,” said the agent.

“Well,” replied old John, “There’s my ranch hand Silas, who’s been with me for three years. I pay him \$600 a week plus free room and board. The cook, Ben, has been here for 18 months, and I pay him \$500 a week plus free room and board. Then there’s the half-wit who works about 18 hours every day and does about 90 percent of all the work around here. He makes about \$10 per week, pays his own room and board, and I buy him a bottle of bourbon every Saturday night.”

“That’s the guy I want to talk to, the half-wit,” said the agent.

“That would be me,” replied John.

## Stay creative in times of turmoil

We're in a time of crisis, and that makes innovative thinking harder than usual. Forbes magazine shares some suggestions for tapping your team's creativity during challenging times:

- **Don't fear failure.** Obviously, you want every idea you generate to succeed, but if you're terrified of a single failure, you'll paralyze your thinking. Be rigorous in your planning, but remember that not every idea—even a good one—succeeds. Don't blame people for lack of success as long as they're making a good-faith effort. Just move along to the next idea.
- **Encourage ongoing innovation.** Don't make innovation a single project. Sure, you can bring together a team to brainstorm solutions to a specific problem, but don't wait for issues to arise before you start devising and implementing new ideas. Remind your team members that you want them to think creatively all the time and bring up ideas whenever they occur.
- **Look for mavericks.** You want a diverse team to explore and implement ideas. One of the most important members is the maverick—knowledgeable in a number of subjects, not just a single discipline, and someone who's not afraid to question the conventional wisdom and buck the status quo. They're the ones who can spot genuinely innovative possibilities and integrate ideas.
- **Dig for the roots of innovation.** Sometimes teams and organizations lose their spark. Stuck in a rut, they can't seem to generate anything fresh. When this happens, take a good look at how creativity and innovation have shaped your organization from the beginning. What idea was your organization founded on? What is your most important mission? What obstacles have you overcome, and how did you do it? Answers to these and other questions can remind people of what they can achieve and jumpstart the innovation process again.

*Creativity is just connecting things. When you ask creative people how they did something, they feel a little guilty because they didn't really do it, they just saw something. It seemed obvious to them after a while.*
