## EDITOR'S NOTE REGARDING RECIPE OF THE MONTH:

---

I was recently given a copy of a book, titled: Embassy Park, "Great Recipes". It belonged to Arlene Stuart. I am not sure what year it was printed; 23 of the recipe contributors still live in the Park. Unfortunately, the names of the recipe contributors was not listed with each recipe....perhaps some of you will recognize them. Speedy Printing helped with the expense of printing, and the proceeds went to ARK, which stands for "Acts of Random Kindness 4 Kids in Desperate Situations".

Every month that I do not receive a recipe, I will print one from this collection.

---

## RECIPE OF THE MONTH

## FROM THE OFFICE:

---

The new hurricane guides have arrived and are available in the Office and Clubhouse. (Pinellas County had to do a reprint due to the demand following our close call with Hurricane Irma last year).

I held a special manager's meeting on June 29th so an officer from the Largo PD could speak on safety. Officer Tran was very informative; he provided some statistics regarding Embassy and spoke on how to keep safe, when to call 911, when NOT to call 911, how to be a good witness, etc. He left many brochures on these subjects, which I have printed into a packet and have them available in the Office. I plan to have Officer Tran return this winter, and he will talk about what the snowbirds should do when they leave, as well as safety.

As a result of this meeting, a neighborhood watch will be formed in the Fall. Hopefully more details will be available at my next meeting.

The mobile homes at 834 (Richardson) and 1516 (Big Jim) have been demolished. There is still some clean-up work to be done on the lots, but overall they look better.

Due to these demos, the Park has a large amount of bricks and blocks available; please contact Roy if you would like some, he will quote you a small fee that goes into the Library Fund. Please do not take any items from abandon mobiles or by the garage WITHOUT PERMISSION! (It's called stealing)!

I plan on having the inside of the Clubhouse painted in August, so at times you may find the doors locked

Just a reminder that mobile home exterior and trim paint colors need to be approved by the Office, unless you are painting a fresh coat of the same color. The Park rules do not cover driveway colors, although it may in the future.....who would have thought that was necessary! We now have a driveway that identifies our Park from the sky, glance down when flying over!

I will be out of town August 1st thru 14th: Yvette will be in the Office and she is very capable of helping you with most situations (and she can get in touch with me if necessary).

Once again, DO NOT CALL Roy for anything besides maintenance issues; he is not a phone book, nor does he answer questions that should be directed to the Office.

The next Manager's Meeting will be Wednesday, September 12th at 9:30 a.m. Coffee and cake will be served, 50/50 tickets will be sold to benefit the Library, and everyone is welcome. The office will be closed until after the meeting on meeting days.

## RON FOSTER'S DANCE

Saturday night, June 16, 2018, the Ron Foster dance loyalists recruited additional park guests and homeowners to join the listening and dancing to the evening music. While sipping on our favorite beverages or eating snacks, the group enjoyed this relaxing night.

Ron never disappoints us with his enthusiasm and singing our favorites. "Red Solo Cup" is a ritual as we carry our red solo cups around the dance floor.

Blanche Jones greeted each person and grabbed any one available for their first dance of the evening. We just wondered how she was going to feel on Sunday as she kept the dance floor "hot".

The next dance is July 21st; check the park calendar for future dates, usually the 3rd Saturday of the month. Bring your own snacks and drinks.

## 4TH OF JULY BBQ

63 friends and neighbors came out for our Annual July 4th BBQ. There were burgers, hot dogs and potato salad provided by the Summer Club. We also had some great dishes and desserts provided by those in attendance. Thank you to all that helped setup and cleanup: Michelle, Louis, Ron, Darrel, Bart, Lori, Mike, MaryJo; shopper-Sonny; Chefs Keith & Bruce; coordinators Janis and Judi and all those who attended. Without everyone pulling together, these events would not be possible. Newcomer Albert Nail won the 50/50.

## Facebook stands strong despite data scandal

Facebook took a hit in the Cambridge Analytica scandal, but it seems to still be going strong. Among 2,000 social media users in a Reuters/Ipsos survey, 74 percent indicated that they still visit Facebook at least once a day, and 26 go there even more often, while 49 percent say the controversy hasn’t changed how they use Facebook at all.

Still, 44 percent of Facebook users said they’d changed their privacy settings in the aftermath of the scandal, although 63 percent hadn’t and 3 percent said they didn’t know how.

Is there a car you dream of owning? A Ferrari, a Porsche, or even the Batmobile? Gold Eagle, an automotive lubricant conglomerate, recently surveyed Americans to identify their dream car. The winner? 	Men	Women
Mustang	39 percent	61 percent
Tesla Model S	63 percent	37 percent

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

## Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).
