## Fairway Social Committee

by Jan Wallace, Chairperson

Our hope is that with the coming rains, our grass will once again turn green! My hope is that you will receive the Flier before Memorial Day and decide to join us at the clubhouse for the Pot-Luck dinner at 5:00 p.m. on May 29th. Bring your favorite dish to share and your drink. FSC will furnish the plates, utensils, and napkins. Make sure your dish and serving utensil has your name or unit number on it. And there might be some birthday cake!

As a reminder to those chairpersons of events where money is charged, the money is to be brought to Jan Wallace in the absence of our FSC treasurer, Al Hillier. The same goes if a check request is needed for an event. Thank you for your help.

We still don't have a volunteer for the July 4th celebration at the clubhouse. This could also be as simple as a Pot-Luck dinner. The importance is getting together and celebrating the birth of our nation as free independent people. There is still plenty of time to make it happen. Give me a call.

Sunday evening is a great time to learn the game of shuffle board. Be there by 6:30 p.m. There is a good time on Monday evenings in the clubhouse with "game night" so show up and join in the fun!

## Monday Game Night - 6:30 p.m. to 8:00 p.m. in the Clubhouse

- Bring a game with you. OR: Just come and play!
- Card Games, Dice Games, Board Games, Rummikub or Dominos
- This will be a great opportunity to teach people how to play a game or learn new games.
- Your Choice:

You can play one game for a while and then move to another table.

## Summer Fun Party Opening Date

Our next party will be held in our Club House on June 17, 2017 at 5:00 p.m. Please make a dish to share and B.Y.O.B. This year the Dance music will be played by Anne Marie Archer. Tickets will go on sale two weeks before the dance. Available at the Bingo evening or by calling Gail Christensen at (727) 239-7787. Do not miss out on the fun. Please join us. Chaired by Gail Christensen, Unit #92.

## Women Working Wonders (WWW)

---

**W**e would like to remind our full time residents that they can get access to our WWW Resource Book from Ann Marie Cucinotta at 524-1157. The Resource Book has information on multiple local services, phones for hearing problems and sign up information for the Red Cross Telephone Reassurance Program. This is a good service for all residents living alone. They will call you every day to make sure you are up and about. The WWW Resource Book has been updated with some new and interesting material. Guide Booklets on grieving, personal planning, stolen identity and VA assistance are available.

We want to remind you that we are thinking about you and hope everyone has a good summer and we will see you in the fall.

## Koffee Klatch

*Kathy Baltzell*

**T**he next Fairway Village Koffee Klatch will be on Saturday, June 17th, from 8:00 a.m. until 9:30 a.m. Everyone is welcome - residents and their guests. Sign-up sheet is on the bulletin board in the clubhouse. The sign-up sheet will be taken down on the Wednesday the 14th. Donuts, coffee or tea will be served. Donations are accepted and appreciated.

## Fun Shuffle Board - Sundays - 6:30 p.m.

---

**C**OME JOIN US! Beginners Welcome!

Last month we had six residents who had never played before join us and four courts were used. They all enjoyed the game and returned to play again.

The program was started to take advantage of the improvements made to the court. Last summer we had 12 to 20 people attending.

The roof over keeps the sun and in most cases the rain out of the area.

We usually play four games and rotate playing partners and finish before 8 o'clock.

We encourage you to attend and learn this game. Once you learn rules and how to keep score residents and their guests can play and enjoy the game anytime the court has not been reserved.

## Architectural Review Committee

---

**T**he ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC Revised P and P). Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

## State Flags on Half Moon Lake

*Rod Blythe and Ron Wallace*

---

**J**OIN THE HALF MOON LAKE STATE FLAG WAVERS AND BE A SPONSOR. This is a very unique display for a very unique community.

The state flags will be in alphabetical order starting in front of the Park and ending at the clubhouse parking lot. The state flag names as they appear are: Delaware, Florida, Illinois, Indiana, Iowa, Kentucky, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Tennessee, Vermont, Virginia, Washington, West Virginia and Wisconsin.

The beginning of the current list of flag sponsors is as follows:

**DELAWARE** - Margaret and Leon Slocum

**FLORIDA** - Mary Blackmon, Joanne Thueneman

**ILLINOIS** - Kathy and Jan Baltzell, Laura Grant, Marilyn and Ron Helberg, Kathy and Nevio Jerolimic, Betty and Roy Kentish, JoAnn and Don Koth, Janice and Robert Malecki, Roxy and Ambrose Marsh, Janet and Lindell Miller, Dot and Chuck Parker, Til and Bob Post, Marlis and Al Slager, Evelyn and Pete Zabawa.

**IOWA** - J.D. and Gail Berkler, Joyce and Dean Olsob

We will list more sponsors in each month of the Flier. Many thanks to all of the sponsors of these state flags. They help show the interest and price that we take in Fairway Village. New flags are on order and will be put up as soon as they arrive. We usually put new flags up in November and May each year.

---

The 2017, Mary 26 Night Scramble, was on a warm Sunday night. It was a great success. With prize money on the line golfers started to play par golf with some players saying they played better golf in the night than in the day. There were three teams with a score of 25. A special thanks to the following: Gail and J.D. Berkler, Steve Ford, Steve Vandesande, Bill Keen and Rick Moser.

See you next year.

## May Scramble

Joanne Thueneman

---

Our first scramble of the summer season turned out to be a beautiful day. A light breeze and just the right temperature for golf. We had 58 golfers and our game plan was Best Ball with each player getting 2 drives in. Our best team came in with 25, 2 teams with 26, 27, and 28, 4 with 29, 3 with 30 and 1 with a 32. All had a good time.

Our course was in great shape as always thanks to Bill Keen and Rick Moser. They do a terrific job. Also thanks to Stephanie for keeping us on time.

For our new residents and renters: Our mixed couples scrambles are held the first Saturday of each month, with a rain date on the following Saturday. Please keep that in mind and keep both Saturdays for golf.

Our scrambles are for every one who plays golf. We never use handicaps, your house guests are always welcome to join in. We just have fun, and is not for serious golfers. This is a chance to meet new neighbors and establish new friendships **and just have fun.**

We have a different game plan each month.

Our sign up sheets (one for ladies and one for men) are posted 3 weeks before the game date and the team Tee Time schedule is posted the Wednesday before the play date. Please arrive **15 to 20 minutes before** your tee time to register. If you are not a member, the green fees for the summer scrambles are \$2.00, and you'll need \$2.00 to give to your Captain (first name on the team). Posting boards are on the side of the golf shop sitting area coming from the 9th hole.

Please sign up and join us and have a good time. Next scramble is June 3rd. See you there.

## Clubhouse Library

---

We are so fortunate to have the space in our clubhouse to use as our library! During this ismmer we need to remind folks of a few things; we do not keep VHS tapes anymore, we don't store cookbooks, we must limit the number so only books published in the past 15 years are needed, also only new magazines of the past 3 months are kept. If these criteria are used, we can keep our library clean, orderly and up to date. Thank you for your help and thank you for those volunteers who work to maintain our library.

## Did you know June is also...

**Adopt a Cat Month.** Your local shelter has tons of cute, cuddly newborn kittens mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

**National Dairy Month.** Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

**National Zoo and Aquarium Month.** June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

**PTSD Awareness Month.** The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

**National Automotive Service Professionals Week, June 11-17.** A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

**Men's Health Week, June 12-18.** The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

**National Nursing Assistant Week, June 15-22.** Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

**Global Day of Parents, June 1.** The Global Day of Parents was proclaimed by the UN General Assembly in 2012 to honor parents throughout the world in appreciation of their selfless commitment to children.

**Flag Day, June 14.** Fly Old Glory with pride!

**Father's Day, June 18.** A day to honor fathers everywhere.

## Try ginger for its health benefits

Looking to get over a cold a little more quickly, or ease muscle soreness? A little ginger may help. Check out this list of ginger's healthy benefits from the Huffington Post website:

- **The common cold.** Some research suggests that ginger helps your body sweat out a cold, as well as producing a germ-fighting agent called dermicidin, which can protect you from bacteria and fungi.

- **Muscle aches.** One study by the American Pain Society found that taking two grams of ginger for 11 days can significantly reduce aches and muscle soreness caused by exercise. That's because ginger contains anti-inflammatory compounds known as gingerols, which prevent the transmission of pain from inflammation. Try adding a few slices of ginger every time you drink a glass of water.

## Watch out for 'masked' hypertension

Being diagnosed with high blood pressure may be scary, but thinking your blood pressure is normal when it's not? Scarier still.

The Live Science website reports that almost one in eight Americans who believe their blood pressure is just fine may really have a masked form of hypertension that doesn't show up when they visit their doctors. Instead their blood pressure is elevated during their daily activities, so they may be at increased risk of heart disease without realizing it.

To diagnose masked hypertension, researchers suggest wearing 12-hour blood pressure monitors that take readings through the day.

The flip side of this phenomenon is so-called "white-coat hypertension," in which patients' blood pressure increases at the doctor's office (possibly from nervousness?) but is normal the rest of the time. Unlike masked hypertension, these people don't appear to be at a higher risk of heart disease.

## Cleaner air = longer life

Take a deep breath. Lots of them. You'll be breathing longer these days, thanks to improved air quality. Researchers at Brigham Young University and the Harvard School of Public Health, writing in the New England Journal of Medicine, say that since the introduction of the Clean Air Act in 1978, Americans' life expectancy has increased by 2.72 years. Although changes in smoking habits and better socioeconomic living conditions are a major factor in our increased longevity, the scientists note that as much as five weeks of our lengthened lifespans are due to better air because of cuts in auto emissions, steel mills, diesel engines, and coal-fired power plants.

## Flying in the face of disaster

In the 1980s and early '90s, Continental Airlines was a disaster. The organization had gone bankrupt twice and was on its way to a third (and final) catastrophe. It had gone through 10 presidents in 10 years, and employees mistrusted management.

Then in 1994 Gordon Bethune stepped in. Instead of running around willy-nilly trying to stamp out the various raging fires, Bethune took a step back to return to the basics. He identified Continental's key goals so that employees' efforts would be concentrated on them rather than diffused by the disaster of the moment. One of his areas of focus was creating a corporate culture. Without the commitment of the employees, the other goals would be impossible.

Drawing on the organization's history of excellence in service, he rallied the workforce. Bethune discovered that the employees weren't bad—they just worked in a dysfunctional organization. So they were quick to get behind his new leadership.

Senior management was a different story. Bethune knew he had to make wholesale changes, and that meant getting rid of the bureaucracy. In a couple of months, Bethune and his top executives replaced 50 of the company's 61 officers with 20 top-notch people.

The changes were dramatic. In one year's time, Continental went from being ranked the worst in customer satisfaction among major airlines to first.

## The birth of 'excellence'

Tom Peters didn't exactly give birth to excellence, but he did establish the idea that companies can achieve excellence under the inspiration of a management guru—like himself.

It all began in the spring of 1978. John Larson of McKinsey's San Francisco office was set to give a presentation to a client. But his computer crashed and took with it his notes. He turned to another consultant, Tom Peters, to throw together a presentation that would satisfy the client.

Peters had just returned from traveling the world to compile research on best practices in business. Up until then, his research had been collecting dust after he had presented it to the McKinsey powers that be. With an opportunity to present his findings again, Peters gathered his data. In search of a sexy title to give his presentation, Peters came up with "Excellence." It was a hit.

Eventually, Peters edited the material into a manuscript. Continuing with the idea of excellence, he titled the book *The Secrets of Excellence*. But the title didn't fly with the McKinsey folks, who feared that clients would think the company was selling the secrets of client operations. In 1982, Peters and co-author Robert Waterman renamed it the more politically astute *In Search of Excellence*. And thus was excellence born.
