Golf Scramble starts the month on June 1st.

Exercise Classes Continue 3 times a week.

Every Monday is Hand and Foot

Dominoes every Tuesday

Poker just about every day

Po-Ke-No every Thursday

Sailing every Tuesday

Pinochle every Monday

Koffee Klatch on the 15th

Also on the 15th is Gail Christensen's last Summer Fun Party, as I understand it she has some great surprises in store. Thank you Gail for all your support over the years.

Karaoke on the 22nd

Get out and enjoy, and let's hope the rain doesn't interfere with Golf as much this year.

Architectural Review Committee

The ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes as well as for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info: Home Buyers Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

Summer Fun Party

Gail Christensen #92

It is time for the summer Parties to begin. I will be doing June 15, 2019. The fun begins at 5 and goes to 8 p.m. We will have Mr. Bob Swenson for music. Now grab some friends and join the fun - lots of prizes. Please make a dish to share and BYOB and bring a cup or glass. Joanne Thueneman has kindly taken over the Summer Fun Parties starting in July and August, 2019. Thank you all for your support in providing this fun evening. See you around the park.

Women Working Wonders

Early Bird Dinners and Koffee Klatch donuts were delivered to our Senior and Homebound residents. Easter remembrances were made and delivered. We hope to bring a little cheer to our residents who are facing challenges daily. We want to remind you that we are thinking about you and hope that everyone has a safe and healthy summer season. See you in the fall.

Koffee Klatch for June

The June Koffee Klatch is Saturday, 6/15, from 8:00 - 9:00. Celebrate Father's Day and join us for Donuts, coffee, or tea. Donations are appreciated. Please sign up at the clubhouse. (Be sure to include your lot # and last name.) The sheet will come down on Wednesday 6/12.

Garden Volunteers and Looking for A More Few Helpers This Summer

Current volunteers are Gail Carr, Ed Watzel, Trish Tallant.

The Fairway Village garden volunteers maintain the gardens at the pools and the area in front of the north pool entrance. They also tend to the garden at the directory and most of the flower pots around the Village. We get a lot of compliments from residents but we need more help.

We are working with our manager, Tiffany, to coordinate our efforts. Thanks to the maintenance men for their help.

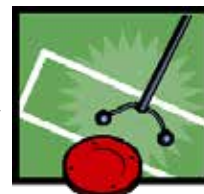

If you are interested in helping us keep the FV gardens beautiful, call on of the following:
Gail Carr, 532-9790; Ed Watzel, 524-2988.

Fun Shuffle Board - Sundays - 6:30 p.m.

COME JOIN US! Beginners Welcome!

During January and February we had 12 to 16 most weeks!

- The roof over keeps the sun and in most cases the rain out of the area.
- Have a good time and make new friends.
- We usually play four games and rotate playing partners and finish before 8 o'clock.

May Golf Scramble

Joanne Thueneman

May 4th turned out to be a great day for golf. We had sixty-nine golfers enjoying the slight breeze, temperatures in the 70's and a beautiful golf course under our feet. Thanks Bill and Rick for having our course in great shape for every round we played.

Our game plan this month was to play the shortest drive and, if all players landed on the green, to play the longest putt. We had 1 team low with a 26, 3 with 28, 9 with 29, 2 with 40, 2 with 31 and 1 with 36. All had a good time.

Thanks to Stephanie making lots of calls to keep us on time. Remember, please arrive 15 minutes before your tee time. On Saturdays we start a bit before 8:00 a.m. because the workers are finished trimming the greens; it's hot and standing around waiting to start isn't pleasant. As a result we start a bit earlier.

Our next scramble will be June 1st. In summer we have a rain date. So please keep June 8th in mind just in case it rains on the first Saturday..

Early birds versus night owls—who's better off?

The early bird gets the worm, and early risers enjoy other benefits, according to a story on the *New York Post* website. A survey of sleep habits involving 2,000 people found that, among other things, self-identified early birds have more sex on a weekly basis than their night owl counterparts.

The survey also found that early birds generally make more money, are more likely to work in an office setting, and describe themselves as happy. They're also more likely to be married with children in their home. On the other hand, night owls are typically shy and sarcastic, likely to believe in ghosts and cryptids, and more often single.

They tend to sleep about the same amount—seven hours a night for early birds and six hours for night owls. However, early birds are light sleepers, and they feel more well-rested when they get up than night owls.

Disconnecting may not lead to the benefits you're looking for

Ever feel the need to disconnect from your devices for a “digital detox”? The Yahoo Finance website reported on a survey by Mojo Vision (Saratoga, California), which found that people tend to use technology as much, if not more, after distancing themselves from their smartphones and tablets for a while.

The survey of 1,000 Americans found that 67 percent agree that technology makes life easier, but 55 percent believe that all that tech is a distraction, with one-third worrying that it hurts people's ability to connect with one another. Still, 54 percent said that abstaining from their devices didn't produce the positive benefits they'd hoped for—or at least were unsure whether it had a beneficial impact.

The most common strategies for “subtracting” tech are setting devices to send fewer notifications, putting them on a “Do Not Disturb” setting, scheduling times to not use their devices, or simply turning them off for a period of time.

A good decision is based on knowledge, and not on numbers.

Flower power

A dairy farmer in Japan, Toshiyuki Kuroki, found a novel way to help his wife, Yasuko, cope with her failing health. When complications from diabetes robbed her of her vision, he began planting shibazakura around their farm. It's a species of phlox and a hearty groundcover that blossoms March and April.

Though he knew his wife of 30 years would no longer be able to see the beautiful fuchsia-colored petals, he hoped the sweet fragrance of the flowers would lure her outdoors and out of her deepening depression. It didn't, for a while, and then something pretty wonderful happened.

As the farmer continued to plant more flowers, they thrived and spread across the farmland. People from surrounding areas, even tourists, began to visit the farm. Everyone wanted to see the beautiful pink fields and walk among the spring flowers. With so many new and different people showing up on their land, the farmer's wife began to wander outside and interact with the visitors. She was happy again.

For the past 25 years, the shibazakura fields that surround the home of Toshiyuki and Yasuko Kuroki have sparked joy and wonder in the hearts of many. The Kurokis receive about 7,000 visitors a year at the farm during March and April, and they no longer raise dairy cows.

Their story is a reminder that love and flowers are a powerful healing force.

That's what friends do

A story recently went viral on social media that attracted the attention of national news outlets:

A teenager from a small town in Arkansas saved two years of earnings from his part-time job to buy a motorized wheelchair for his best friend and fellow high school classmate. It was a selfless act that speaks volumes about friendship and goodwill while serving as an example of how each of us can do and give more to contribute to the greater good.

A flower cannot blossom without sunshine. A man cannot live without love.

—Max Muller

Watch for these hidden causes of high blood pressure

Many factors affect your blood pressure, including genetics, diet, and even your sleeping patterns. The Healthline website advises you to be mindful of these possible contributors to high blood pressure, as well:

- **Over-the-counter medications.** Common medications used to address everyday aches and pains can increase one's blood pressure. These include anti-inflammatory drugs like Aleve, Advil, and Tylenol, as well as decongestants. You don't have to stop taking them, but check with your doctor.
- **Caffeine and alcohol.** Both of these can heighten your blood pressure. Limit yourself to less than 300 milligrams of caffeine a day—two to three cups of coffee—and one alcoholic beverage a day for women and two for men.
- **Food ingredients and supplements.** Some herbal supplements, for example, use licorice, which can raise blood pressure. In addition, some cheeses, cured meats, and also soy products contain high levels of tyramine, which can interact with medications like antidepressants, causing a spike in blood pressure.

Pill offers an alternative to insulin injection

People with type 2 diabetes may have a new alternative to insulin injections, according to the Science Daily website. A research team at MIT has developed a capsule that patients can take orally to receive their insulin through the stomach.

The blueberry-size pill contains a tiny needle filled with compressed, freeze-dried insulin. The needle itself is made of a biodegradable substance and is attached to a compressed spring held in place by a disk of sugar. The capsule is designed to orient itself so the needle can contact the lining of the stomach. When the needle is injected, the insulin dissolves at a controlled rate and then passes harmlessly through the digestive system.

Tests in animals found that the device can deliver sufficient insulin to lower blood sugar at a rate comparable to injections through the skin. The device can also be adapted to deliver other medications.

An educated guess

The students in a zoology class were shown a series of slides. Each picture framed only the legs of a rare and exotic bird. Correctly identifying each species was how the students would earn their final exam grade.

“This is ridiculous!” one student shouted as he marched up to the front of the room, slammed his incomplete final on the professor’s desk, and headed toward the door.

The professor looked at the paper and noticed the student’s name was not on it. “Wait, what is your name?” he asked.

The student turned around, rolled up the legs of his jeans, and shouted, “You tell me!”

Reasons to get away

After a day of hiking, a group of tourists were seated around a campfire deep in the Amazon rainforest. Their guide asked the members of the group what inspired them to make this trip.

“I want to explore new places and do fun things,” said one camper.

“I write a travel blog,” volunteered another. “This is a work assignment for me.”

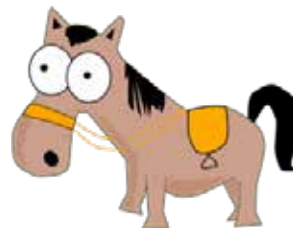

“My neighbor’s kid inspired me take this journey,” said a third man. “He’s learning to play the accordion.”

What you don’t know

A man is wandering through the desert with his horse and his dog. After several hours under the heat of the sun, the dog sits down and says: “That’s it. I’m not taking another step until I get some water.”

The man gasps and says: “I didn’t know dogs could talk.”

The horse looks at the man and says, “Me neither.”
