Read about our new FVRA Manager

Tiffany Jackson, raised in Timonium, Maryland, and a resident of Florida for 9 years is a Magna Cum Laude graduate of the University of South Florida with bachelor degrees in Management and Finance. She is a licensed community association manager and a lifetime member of Beta Gamma Sigma. A people-person, she has worked in Residential Property Management for over 10 years. Upon graduation from USF, she worked in Mortgage Servicing for two years where she received the highest employee evaluation of the company's 300 employees. She realized while in that role she missed working with people "face to face" and assisting them with their housing needs. Tiffany thoughtfully considered which career would empower her to do both; assist people with their housing needs and enable her to utilize her educational skills. Community Association Management provided the perfect blend of both. Prior to joining the FVRA team she managed a portfolio of 11 communities for a local management company. A positive, upbeat professional with a true commitment to: achieving management objectives assigned by the board, maintaining vendor relationships, and providing prompt responses and solutions to your community action items. The combination of Tiffany's education and work experience enables her to provide outstanding customer service, while remaining focused on maintaining and improving the property values here at Fairway Village.

A note from Tiffany: "Hello All FVRA residents (near and far). I am excited to meet those of you I haven't had the pleasure to meet yet and hope you all had a wonderful summer. To date everyone I have met has been very welcoming, thank you! I look forward to working with the board, the residents and the FVRA team of dedicated employees to keep Fairway Village the best park in the area."

Manager's favorite quote: "Nothing is impossible, the word itself says I'm possible!" - Audrey Hepburn

FSC Message

by Jan Wallace, Chairperson

Fairway Village is beginning to fill up again and the opportunities for socializing with friends, neighbors and new residents! We look forward to fall with a little less humidity and rain and more opportunity on the golf course. We begin November 1st with the FSC General Meeting at 7 pm in the clubhouse. The chorus will present "How The West Was Won". We'll have a brief business meeting followed by refreshments.

On November 10th we will have an Event Leader Conference at 8 am in the clubhouse conference room. I know it's early but the clubhouse is already so busy it was the best choice. I won't keep you long but it is important to attend. Please call or email me at rjwallace71@hotmail.com to confirm in order for me to have enough material for everyone.

"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

The goal is to improve communication in order to eliminate frustration.

The first pancake breakfast of this season is November 12th and the ticket price is the same as last season. Even though we currently don't have Bingo, the event ticket sales will still happen in the clubhouse on Thursday evenings from 5:15 till 6:15.

The blood drive will also be November 12th from 8 am till 12:30 pm. Please sign up on the rotating bulletin board in the clubhouse.

We need a volunteer or 2 to chair the Bingo games on Thursday evenings. Please contact me if you need more information and might consider this opportunity in our community.

Thanksgiving Day Dinner in our Clubhouse

Charlie Weaver

Well, the days are getting shorter, the temperatures are getting colder (it's only 89 degrees now) so it must be time to start thinking about Thanksgiving.

Yes, Fairway will once again have an old fashioned Thanksgiving dinner on November, 24. It will be served at 2:30 PM and consist of Turkey, mashed potato, gravy, vegetables, pie and coffee. Feel free to bring your own adult beverage. All this will cost only \$8 per person. You can't eat at home for that price! Watch for the announcement about ticket sales.

Last year we used 20 turkeys to feed 341 people and no one went home hungry!!

Mark your calendars and get ready for a great time along with your friends and neighbors. I bet we can serve more this year than we did last year.

Chorus

Westward Ho! and International Christmas!

Mark your calendar for the FV Chorus Annual Fall Show on Tuesday, Nov. 1, at 7:00 in the Clubhouse. The Chorus will present selections from the Cinerama movie "How the West Was Won", to be followed by the November FSC meeting and refreshments. A good way, indeed, to meet all resident friends and returning neighbors. Not long after, as the holidays approach, the FV Chorus will again showcase carols both familiar and not so familiar from lands far and near in "International Christmas." Mark your calendar now for this fun time on Dec. 6, at 7:00 in the clubhouse.

One more reminder: the FV Chorus is always looking for, and welcoming new members.

The only criteria are wanting to sing with a group, make new friends, and have an enjoyable time. Come to any rehearsal at 10:00 on Tuesdays, or talk with Anna Martin, Mary Blythe, Pat Lumley, or Jack Rickert for more information.

Table Tennis

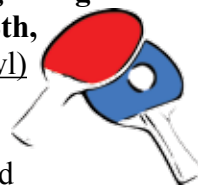

Nigel Miles, phone number : 727 239 0291

Last year the table tennis activity was not as well supported as we anticipated from the number of people who signed up. There could be a number reasons for this, one of which was that 4 of our first 5 scheduled times to play were canceled. That didn't get us off to a good start.

I am willing to set up the equipment again and give it eight weeks **beginning Sunday January 16th, 2017** from 6 to 9 pm and on **Wednesdays January 18th, 2017** from 4pm to 6 pm. (With the exception of Sunday February 5th (Superbowl) and Wednesday February 8th (Ladies League Dinner)

We need six to nine players to commit to the majority of these dates to make it worthwhile. There is no need to attend every event but if you become involved in more favorable pastimes just let me know and it saves me time in setting it up if there are no shows.

There will be a sign up sheet on the rotating bulletin board in the clubhouse. Please put your phone number on as well as you unit number IF you are truly interested.

Fairway Dances

Team Leaders: Al Hillier & Ken Low

Welcome to another winter season of FSC dances. A calendar of all dances for November thru April is on the Information Kiosk in the Clubhouse soon, Reminder, please complete the "Ticket Info" Forms located in a container on the Kiosk in the Clubhouse and bring to Thursday ticket sales dates at the Clubhouse.

If you plan to use an old ticket from a prior dance or a door prize ticket, please turn it in on the ticket sale night for the dance you want to attend and exchange it for a new ticket and table number. Old tickets can be exchanged for all dances except the Poppy Dance and New Years Dance. Please print your name and lot# on the back of your old tickets.

Our first dance for the winter season is Saturday, November 12 from 7:30pm-10:30pm. This is our annual "Poppy Dance" in support of our Fairway Village VFW chapter. Remember to wear a poppy and have fun. Music will be provided by Gene Cannon who was here last year.

Tickets for the Poppy Dance are still \$5.00 and go on sale at 5:15pm on Thursday, November 3 and 10 in the Clubhouse.

Our annual Christmas Dance will be on Saturday, December 10 with the popular Flash-back Band.

Most of the hard working Library Volunteers have returned and this great team readjusts their schedule without missing a beat. I have worked with many volunteer teams, and find this team to be absolutely amazing. We held a brief meeting in October and don't plan to have another meeting until after the holidays. Fairway Village is fortunate to have such a well kept Library.

STATE FLAGS ON HALF MOON LAKE

Rod Blythe and Ron Wallace

T*hank you sponsors* for helping to keep that daily reminder of your home state flying in the breeze as you drive into our beautiful community. They just remind us of *happy faces* ready to greet us. But they do require replacement twice a year to keep them fresh looking. The Florida winds, thunder storms, and sun are pretty tough on them. Flags are \$28.00 each.

If you would like to be a sponsor of a state flag or continue to be a sponsor and have your name listed in the Flier twice a year please let either Ron at 507-9046 or Rod at 533-9712 know. Also five other state flag wavers help us out by keeping track of sponsors in their respective states; Carol Kriebel for Pennsylvania, Ida Grondin for Maine, Janet Faith for Indiana, Linda Miller for New York, and Betty Kentish for Illinois. If you would like to help in your state and be a flag waver please let us know. Even if you have never done this before there is no better time to start then right now.

Thanks to over 200 of you the state flags continue to wave.

Fairway Village Golf Club

Welcome back golfers. We hope you enjoyed the summer and are looking forward to this season at Fairway Village. Whether you are an experienced player or new to the game, golf is a great way to meet new people, renew friendships and get some exercise.

Here are a few dates to remember.

The Golf Club General Meeting is scheduled for Tuesday, November 22 at 10:45 in the clubhouse. In addition to the annual updates, there will be a vote on the proposed changes to the Golf Club Operating Guidelines. A summary of the proposed changes will be posted on the bulletin board by November 1.

October Golf Scramble

Joane Thueneman

It was a beautiful day for golf. we were certainly lucky not to have any rains from Monster Matthew to ruin this day. It was gratifying to have some of our snowbirds to join us. They saw the golfers around the course and stopped to see if there was any room for them to play and of course I accommodated them. Last week I would have had 10 teams to play, waiting a week gave me 14 teams. Our snowbirds are returning. Boy, have I missed you. It's so lonesome without you.

Our game plan was to select the shortest drive and then choose the best ball to the hole. You know what that did ... this was the time for our short hitters to shine and left our long ball hitters in places they haven't seen or been for awhile. As I tell our new golfers, everyone started the same way. We're here to meet our neighbors, find new friends and have fun. That's what our scrambles are for. We have 1 team with a 31, 1 at 33, 2 at 34, 3 at 35, 3 at 36, 1 at 37, and 3 at 38. And, as always, our course was in beautiful shape, thanks to our never tiring team of Bill and Rick, who take pride in giving us the best to play on. Thanks guys, you are so appreciated. Thanks to Stephanie, for keeping us on time. Thanks to all our golfers who sign up and support us. You too, are appreciated. See you for the next scramble on Nov. 5th.

A troubling trend: Americans overdoing antibiotics

Antibiotics are a boon to doctors and their patients, but they pose dangers if they're overused. That makes this news especially concerning: A Texas study reported on the UPI website found that about one in 20 adults have stockpiled supplies of antibiotics in their homes and use them without a physician's advice.

The study of 400 adults in the Houston area found that 14 percent of adults have a stash of antibiotic medications in their home, and 5 percent have used them without a doctor's guidance in the past year. The medications come from a variety of sources: 40 percent came from a store or pharmacy, 24 percent were purchased outside the United States, 20 percent came from family or friends, and 12 percent were left over from past prescriptions.

In 4 percent of cases, the drugs obtained without a prescription were intended for use on animals, not humans.

Millennials worry about debt

Millennials aren't the carefree kids you might think they are. A FICO survey found that they're concerned about debt—with good reason. According to FICO's online survey of approximately 1,000 Americans over 17, 32 percent of millennials owe \$20,000 or more in student loans, and 45 percent owe at least \$7,000 on car loans.

In all, 37 percent of millennials ages 25-34 say they're concerned about their level of debt, and 33 percent would like assistance in managing their debt. For example, 65 percent would like to receive an email alert when their student loan payments are overdue by less than 90 days, and 35 percent want to be notified by app when their mortgage payments are less than 90 days late (but they'd prefer a phone call if their payments are more than 90 days overdue).

These tiny robots may save your life

The newest medical robots look and move like bacteria, and they can deliver medications to specific locations within the human body and perform intricate surgeries like clearing clogged arteries.

According to the Science Daily website, a team of scientists is working to develop a selection of biological robots that are soft, flexible, and move through bodies under the control of an electromagnetic field. Once they reach their destination, they're heated to change shape, mimicking—for example—the bacterium that causes African trypanosomiasis, or sleeping sickness. Although still in development, these microrobots could revolutionize the way patients are treated in the not-so-distant future.

Get more creativity with a clear focus

Creativity and innovation aren't always accidental. A consistent focus will produce better results, so you don't have to wait for lightning to strike. Try these techniques to spur your imagination as you work:

- **Start your day with a purpose.** Instead of rushing out the door without a plan, spend a few minutes in the morning thinking about what you want to accomplish that day. Do this before checking your cell phone or email. You'll be less likely to get distracted by other demands.
- **Shake up your routine.** Get out of your comfort zone so you aren't always surrounded by what's familiar. Get up earlier than normal, take a new route to work, do your tasks in a different order, try something new and exciting—anything to shake your mind free of its preconceptions and look at your work in a different light.
- **Be mindful.** Don't go on autopilot. Pay attention to everything around you—the people you work with, the tasks you work on, the environment you work in, and so forth. The more aware you are of what's going on, the more likely you'll see a new connection or find an idea where you least expect it.

Don't be afraid to ask questions

Alyssa Mastromonaco was deputy chief of staff in the Obama White House until 2014. She told a radio station an important lesson she learned early on about the importance of asking questions:

During an Oval Office meeting on the economic crisis, she was close to panic, worried that the president would ask her a question about issues she knew nothing about, such as quantitative easing. She began quickly writing down key words and phrases to look up later.

Economic adviser Larry Summers noticed and tapped her on the shoulder. "Come to my office later," he said.

Worried that Summers was mad at her, Mastromonaco went to his office after the meeting. Summers asked about her list.

When she told him what she'd written down and why, Summers said, "I'll tell you anything you need to know." He proceeded to give her a quick lesson on economics. She left the office feeling relieved—and better informed than before. Nowadays she knows that admitting you don't know something is better informed than pretending you do—and she never thinks asking for information is stupid.

A lesson in determination

British runner Derek Redmond was one of the favorites for a gold medal in the 400-meter spring at the 1992 Olympics in Barcelona. But halfway through the race, Redmond—in the lead—collapsed on the track with a hamstring injury.

Medical staff rushed to help him, but Redmond waved them away. He somehow got to his feet and started staggering down the track. With thousands watching, and officials unsure of what to do, Redmond's father ran out to him.

"You don't have to do this, son," he said.

"Yes, I do," Redmond replied.

His father helped Redmond down the track, tears streaming down both their faces, waving away anyone who tried to stop them.

The crowd roared when Redmond finally crossed the finish line. The feat is considered by many to be the defining moment of the Barcelona Olympics.

Keep learning at any age

As you and your family members age, you may find you have more difficulty remembering things. Try to help you stay on top of the knowledge game and keep you learning as you age:

- Visualize. Mentally rehearse an event, conversation or activity before it actually happens. This visualization helps eliminate the stress you may feel over the unknown. Plus, when you're more relaxed, you're better able to learn.
- Take a break and exercise. If you're trying to remember information you're reading, take frequent breaks. Don't just sit around, though. Engage in some kind of activity to keep your mind alert and your blood flowing.
- Focus on concentrating. Distractions are the bane of any learning attempt. If you're attending a class or lecture, sit near the instructor and maintain eye contact with him or her. Try not to fidget; simply relax into the session and let your focused attention do the job.
- Say it out loud. Read aloud the material you're trying to learn and repeat out loud the facts you want to retain. This way, both your mind and your ears are taking in information.
- Tame frustration. If you grow frustrated over material you're trying to learn, remind yourself that getting emotional will only hamper your ability to retain information. If you have to, step back and take a long break.

Did you know that November is also...

National Epilepsy Awareness Month. Learn about the different types of seizures and how to prevent them—or help someone suffering from them. A seizure is a short change in normal brain activity that can cause changes in awareness, behavior, or body movement. Because anyone can have a seizure, recognizing symptoms and knowing how to help is vital.

Native American Heritage Month. Established at the turn of the 20th century as an effort to gain a day of recognition for the significant contributions the first Americans. In 1990 President George H. W. Bush approved a joint resolution designating that November “National American Indian Heritage Month.” Similar proclamations have been issued each year since 1994.

Military Family Appreciation Month. Throughout November, military families serving around the world are honored and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Animal Shelter and Rescue Appreciation Week, Nov. 3-9. Approximately 3,500 animal shelters across the United States serve the estimated 6 million to 8 million homeless animals who need refuge each year. Get acquainted with your local shelters and rescuers, and learn how you can assist their lifesaving work.

National Nurse Practitioner Week, Nov. 13-19. Held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that NPs will be able to practice to the full extent of their experience and education.

American Education Week, Nov. 14-18. The 2016 theme, “Great Public Schools: A Basic Right and Our Responsibility,” will present all Americans with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a high-quality education.

U.S. Election Day, Nov. 8. Get out and vote!

World Diabetes Day, Nov. 14. Celebrated worldwide by the more than 230 member associations of the International Diabetes Federation in more than 160 countries and territories.

International Games Day, Nov. 19. Raising awareness of games and gaming in libraries to publishers and the public around the world.

Thanksgiving, Nov. 24. Turkey, football, pumpkin pie, and family. What could be better?
