Fairway Social Committee

Jan Wallace, Chairperson

We live in the BEST location in Florida! We feared the worst, but Irma made a right turn at the last minute which saved our community from complete devastation! We are so grateful.

Hopefully, we get this Flier out in time to remind folks of the FSC meeting on Tuesday, October 3rd. The Dulcimer Society will perform for our entertainment. They have played here before and people loved them.

The next day, October 4th is the police National Night Out. We are coordinating with the Largo Police and City officials for an opportunity to get acquainted. This will be informative as well as entertaining and tasty!

The FSC takes this opportunity to thank Kathy Baltzell for chairing the Koffee Klatch. As of November, she will resign after serving for 2 years. Thanks to her husband Jan as well! We will be needing some new volunteers to step up for this event that people enjoy so much.

Talking about needing volunteers, we need some folks to chair the Christmas Golf Cart Parade which is scheduled for the 1st Sunday evening in December.

October FSC Entertains and Has Meeting

The summer has been warm and we have had enough rain to eliminate the drought conditions that we were concerned about during the winter and spring. Now we are ready to start our 2017-2018 season! The first FSC meeting is October 3rd and we have the HAMMERHEAD DULCIMER SOCIETY coming to entertain us. The Hammered Dulcimer is an ancient instrument with beautiful resonance and harmonies. Be sure to mark your calendars to be at the clubhouse at 7:00 for their performance and the FSC meeting that follows. Don't forget to wear your nametags to have your name put in for a drawing.

Decorating Team Asks for A Christmas Ornament from Everyone

One of the maples in my backyard is starting to turn, and the air is getting the crisp fall feel, and I'm guessing that many of you are beginning to think about heading back to Florida. Please remember that the Decorating Team would like each owner donate an ornament or memento to be used on a tree that will become a perennial decoration during the holiday season beginning in 2017. We'd like your ornament to be meaningful to you; it might represent your state/province, city/town, a favorite hobby, something home-made, etc. Each will be labeled with the name of the contributor(s) and then displayed on the "Village Tree" every year. We've got ours; do you have yours?

October Koffee Klatch

Kathy Baltzell - 309-230-3646

The next Koffee Klatch will be held on Saturday, October 21st, from 8:00 a.m. to 8:30 a.m. Everyone is welcome - residents and their guests. Sign-up sheet is on the bulletin board in the clubhouse. Please sign up by Wednesday the 13th. A doughnut, coffee or tea provided by our FSC, will be served. Donations are accepted and appreciated. I will be doing the Koffee Klatch through November, if there is anybody who would like to take over in December, please call Jan Wallace or me.

Fairway Village Chorus

A warm welcome back to Fairway for our Chorus members who have been away for the summer, and an invitation for all previous and prospective chorus members to come to the CH for a look at music to prepare for the Fall Show scheduled for November 8, at 7:00.

This fall we will explore some of the best loved and well-known songs of Stephen Collins Foster, with a few side trips to other music popular at the time. Many of these songs will be familiar, and all should enjoy singing along.

Do mark your calendar for the first get-together, October 3, from 10-12 in the Clubhouse Great Hall. Music and schedules will be provided to you at that time. Do join us, we always have a good time.

Women Working Wonders (WWW)

We We would like to remind our full time residents that they can get access to our WWW Resource Book from Ann Marie Cucinatta at 24-1157. The Resource Book has information on multiple local services, phones for hearing problems and sign up information for the Red Cross Telephone Reassurance Program. This is a good service for all residents living alone. They will call you every day to make sure you are up and about. The WWW Resource Book has been updated with some new and interesting material. Guide Booklets on grieving, personal planning, stolen identity and VA assistance are available.

We want to remind you that we are thinking about you and hope everyone has a good summer and we will see you in the fall.

Labor Day Picnic

Gary and Mary Haag

It was another beautiful day at Fairway Village for our Labor Day Picnic. The attendance was great again this year. Our menu was the same with hot dogs, chips, cookies and soda but there was an added bonus as there was ice cream left over from the ice cream social that we were able to use up! So thanks to Alexander's for their kind donation to that event this summer that we were able to enjoy an added dessert! As always, it is with heartfelt thanks for our helpers that volunteer their time to help set up and serve and clean up. So a special thank you goes out to Bill Ashcraft, Ricky DeGolyer, Larry & Loretta Ensall Kathy & Nev Jerolimic, Dolly Lipson, Pat Lumly, Linda Miller, Cecelia & Randy Schroeder, Ann & Steve Tabor, Jan & Ron Wallace and Bob & Carla Wilson. Without all of you we would never be able to make this happen.

Before you begin your project please obtain a Home Replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

STATE FLAGS ON HALF MOON LAKE

Rod Blythe and Ron Wallace

This will finish the current list of state flag sponsors.

- **TENNESSEE**---Lydia and Paul Foisy, Patsy and Hugh Griffin, Trish and Pete Tallant
- **VERMONT**---Carol and Harry Moulton, Elaine Bicknell, Peg Ryan, Karen and Bill Davignon
- **VIRGINIA**---Anna and Jim Martin
- **WASHINGTON**---Leslee and Bob Lunman
- **WEST VIRGINIA**---Kathy and Charlie Comer, George Comer, JoAnn and James Comer, Mary and David D'Dandrea, Dale Hough, Judy and Ron Simonton
- **WISCONSIN**---Alice Brick, Rosalie and Herman Ceschi

This is the time of year when we have to buy new state flags for flag poles on Fairway Blvd. and Half Moon Lake. They only last about 6 months before they begin to show wear, fade, and fray. The price of sponsoring a flag will be \$28.00 for each flag. We need 2 flags per year in order to keep them in good shape. If you would like to continue as a sponsor or be a new sponsor please let us know or call us at 533-9712 or 507-9046. The more sponsors that sign up for each flag will reduce the per person price of that flag. We will need to know what flags to buy by October 10th.

MANY THANKS TO ALL OF THE STATE FLAG SPONSORS

Did you know that October is also...

Adopt a Dog Month. Each year an estimated 3 million to 4 million animals waiting in shelters never find someone to give them a safe, loving home and are euthanized. If you're thinking about getting a dog, be a hero and consider adopting from your local shelter.

Down Syndrome Awareness Month. Approximately one in every 700 babies in the United States is born with Down syndrome, making it the most common chromosomal condition. During October you can celebrate people with Down syndrome and make others aware of their abilities and accomplishments.

National Cyber Security Awareness Month. The internet touches almost all aspects of our daily life. National Cyber Security Awareness Month is designed to engage and educate public and private sector partners through events and initiatives to raise awareness about the importance of cyber security, provide them with tools and resources needed to stay safe online, and increase the resiliency of the nation in the event of a cyber incident.

National Protect Your Hearing Month. Hearing loss is a growing health issue among young adults and older Americans alike. Forty-eight million people nationwide suffer from hearing loss. National Protect Your Hearing Month is an important reminder to take steps to preserve your hearing health.

Mental Illness Awareness Week, Oct. 1-7. During Mental Illness Awareness Week, join the National Alliance on Mental Illness in shining a light on mental illness and replacing stigma with hope.

World Space Week, Oct. 4-10. More than 2,700 events in 86 countries celebrated the benefits of space and excitement about space exploration in 2016. This year's theme, "Exploring New Worlds In Space," aims to inspire even more events around the world.

National Business Women's Week, Oct. 15-21. The purpose of this observance is "to recognize women who have been the cornerstone of working in business in the United States in the past and to examine how far women in business have come."

International Music Day, Oct. 1. Initiated in 1975 to encourage the promotion of musical art among all sections of society.

World Teacher's Day, Oct. 5. Celebrate the hardworking teachers who educate our children.

Columbus Day, Oct 9. In 1492, Columbus sailed the ocean blue . . .

Find your creative style

Whatever you want to achieve on the job or in your life, you need creativity to do it. That doesn't mean you have to have the scientific genius of Einstein or the artistic vision of Georgia O'Keeffe. You can unleash your creative mind by finding your own creative style. Here's how entrepreneurial expert Esther de Charon de Saint Germain describes styles on The Huffington Post website:

- **Watchmakers.** Some people are highly structured and detail oriented. They like to polish their ideas until they're as close to perfect as possible.
- **Wave makers.** These folks are more intuitive. They don't dive into details, but think in big-picture concepts. They're apt to lose interest, though, once the hard work of hammering down their ideas starts.
- **Acrobats.** These thinkers can go both ways. They think outside of the box, but they're also able to hone their ideas into something practical. Try to be this kind of creator.

Improve your brain with these tips

Do you want to think more clearly, experience more insight, and have more creative breakthroughs? Take a look at a few tasks (from the Inc. website) that you can put into practice today for a more productive and imaginative brain:

- Seek out new environments. Don't stay in your rut. Go to a concert by a band you've never heard of. Visit a museum you've never been to. Travel somewhere completely new. You'll shake up your mind and nudge it in new directions.
- Let your mind wander. Don't focus all the time. Give your mind permission to soar from time to time, just exploring anything that pops in. A relaxed mind is more open to new ideas and different ways of thinking.
- Have more fun. All work and no play makes ... well, you know the rest. Take time for fun. Play a new game, take up a fresh hobby, meet new people who share your interests and can introduce you to new ones. Playfulness can lead to great ideas.
- Stop multi-tasking. When you're working on a problem or an idea, put away all distractions and focus. If you're constantly shifting from one task to another, your brain will get tired, and you won't have the perspective you need to zero in on what you're looking for.

Dinosaurs may have been big softies

The popular image of dinosaurs is one of tough, ferocious creatures, but they may have been more sensitive than previously thought—at least their faces.

According to the Science News website, paleontologists at the University of Southampton used advanced X-ray and 3-D imaging to examine the skull of a large carnivorous land-based dinosaur found on the Isle of Wight and found that its snout may have actually been very tender—more like that of an aquatic creature. The dinosaur, a *Neovenator*, may have possessed pressure receptors in the skin of its snout, similar to those enabling crocodiles to forage in murky water.

Because scientists don't believe the *Neovenator* was a water feeder, they speculate the receptors may have been useful for picking meat from bones while eating and also stroking other dinosaur faces during mating.

What caused a massive extinction of sea life?

Most people know about the mass extinction of the dinosaurs millions of years ago, but paleontologists are hot the trail of another catastrophic event: the dying off by large marine animals 2-3 million years ago.

The extinction claimed the lives of up to one-third of marine megafauna, including water-based mammals, which lost 55 percent of their species. Forty-three percent of sea turtle species also died off, along with 33 percent of sea birds and 9 percent of sharks.

A team at the University of Zurich studying the event theorizes that a sudden loss of the productive coastal habitats combined with altered sea currents caused or contributed to the extinctions. The evidence suggests that large marine animals were more vulnerable to environmental changes than was previously believed.

**Science is the acceptance of what works
and the rejection of what does not. That needs
more courage than we might think.**

Thoughts to ponder

Thoughts and observations that might or might not be true:

- Do not argue with an idiot. He will drag you down to his level and beat you with experience.
- The last thing I want to do is hurt you. But it's still on my list.
- If I agreed with you, we'd both be wrong.
- I asked God for a bike, but it turns out God doesn't work that way. So I stole a bike and asked God for forgiveness.
- We never really grow up. We only learn how to act in public.
- A bus station is where a bus stops. A train station is where a train stops. On my desk, I have a work station ...
- I thought I wanted a career. Turns out I just wanted a paycheck.
- Whenever I fill out an application, in the part that says, "In case of emergency, notify _____," I put "DOCTOR."
- You do not need a parachute to skydive. You do need a parachute to skydive twice.
- I used to be indecisive. Now I'm not so sure.
- You're never too old to learn something stupid.
- I always take life with a grain of salt. Then a slice of lemon and a shot of tequila.
- When tempted to fight fire with fire, remember that the fire department usually uses water.

Two busy parents

Billy ran into the house shouting, "Mom! Mom! Come quick! I just knocked the ladder over outside!"

"I'm very, very busy," his mother said. "Why don't you get your father?"

"I can't! Come on!"

"What's he doing now that's so important?"

"He's hanging from the roof!"

Man of the house

Before he left on a business trip, the father took his young son aside.

"Son," he said, "I'm trusting you to take care of the family while I'm gone. You're going to be the man of the house."

Comprehending the gravity of the situation, the child replied soberly, "In that case, I'm going to need the remote."

Groan if you've heard these

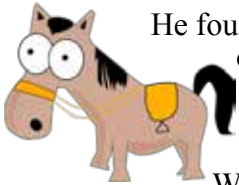

Who can resist a good pun—or a terrible one? Here are a few guaranteed to make you crack a smile—or someone's head:

- She was only a whisky maker, but he loved her still.
- What would you get if you threw a hand grenade into a French kitchen? Linoleum Blow-napart.
- He wondered why the baseball kept getting bigger. Then it hit him.
- How does a backward poet write? Inverse.
- Don't join dangerous cults: Practice safe sects.

You get what you pay for

A man was looking to board his horse for cheap. The first farmer he talked to said he'd give him a good deal: \$25, plus he'd keep the manure for his crops. The owner thought about it for a minute, then moved on in search of a better deal.

He found a second farmer, who said he'd charge him \$15, plus the manure. The owner started looking for a third deal.

He came across a farmer who offered him \$5. "What a deal," he thought. Then he thought about it for a second and asked, "Wait a minute. Why didn't you ask for the manure, too?"

The farmer replied, "For \$5 a day, there won't be any."

Facts about the bills in your wallet

You don't have to be a millionaire to know the value of a dollar. Here are some facts about paper money from the U.S. Bureau of Engraving and Printing website:

- **The first \$1 bill** was issued by the government in 1862 with a picture of Treasury Secretary Salmon P. Chase. George Washington's portrait first appeared on the \$1 note in 1869.
- **Dollar bills** account for approximately 45 percent of all U.S. currency production.
- **The lifespan of a \$1 Reserve note** is about 21 months. Other bills have different life expectancies.
- **The first \$2 bill** was issued in 1862 and featured a picture of Alexander Hamilton, the first Secretary of the Treasury.
- **The first \$100 bills** were issued in 1862, with a picture of the American bald eagle. Benjamin Franklin's portrait first appeared on the Series 1914 Federal Reserve Note.
- **The lifespan** of the average \$100 note is 89 months.
