FOUR SEASONS HOMEOWNERS ASSOCIATION (HOA)

Janice Lamore, Treasurer, Lot #332, Phone 802-879-0501

Thanks to all the homeowners who have attended our meetings and have joined our association. We have many new members who are supporting our efforts on your behalf. Please be assured that your Board will do its utmost for the betterment of our community.

John Jones in coach #507, our association Vice President and head of our Membership Committee, is collecting dues from new and current homeowners for 2018. His phone number is 330-715-9026.

Our next meeting is scheduled for November 1, 2018. In the meantime, thank you to all the residents who are here over the summer and are staying alert and keeping an eye out for anything unusual happening next door while your friends and neighbors are away. While we enjoy our summer away, we always look forward to returning to our second home here in the park this coming winter.

PARK INFORMATION FROM THE OFFICE

Manager - Desiree Jenkins - Office phone: 727 584-1413, email: djenkins@associagulfcoast.com

Administrative Assistant - Holly Ross - Office phone: 727-584-1413, email: hross@associagulfcoast.com

We are now into our summer mowing schedule – once a week on Tuesdays. Please advise the office if any damage is done by the lawn crew on cutting days as soon as possible. We then can address this issue immediately.

If you need repair to your home, please remember to hire only licensed and insured contractors. If you have any questions, contact the FSE office. Please come to the office for a Construction Request, you only need a construction request for work you are doing to the outside of your home (mailbox, painting house, painting driveway, gardens, windows, roof, siding, concrete, pavers, carports, doors, handrails, awnings etc.). A construction request needs to be filled out and approved by our Construction Committee. You will also need to check with the City of Largo to see if your contractor will need to pull a permit. Most contractors know whether they need a permit or not. PLEASE make sure that the office receives a copy of the permit.

New coach #480 has SOLD. Also, we have five empty lots - #162, 205, 366, 440 and 446. Lots #440 and #205 have houses that have been approved and the housing committee is ready to move forward with the permits for these homes. Nobility will be turning in all the paperwork for those two properties to City of Largo very soon.

Please let Holly in the office know if you ARE NOT receiving VOLO messages so we can

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

update our emergency list. Holly's email is hross@associagulfcoast.com. All the emergency messages are sent by phone call, text messages and/or emails, so if your phone number has changed or your email has changed it is important to let us know.

PLEASE MAKE SURE THAT YOU CONTACT THE LARGO POLICE DEPARTMENT IF YOU HAVE ANY ISSUES, NON- EMERGENCY NUMBER IS FOR THEM IS 727-587-6730. IF SOMETHING IS STOLEN, OR THERE IS A BREAK IN, OR SOME UNUSUAL ACTIVITY, THE FIRST THING YOU DO IS CALL THE POLICE DEPARTMENT. IF IT'S A TRUE EMERGENCY PLEASE DIAL 911. AFTER YOU CALL THE POLICE YOU CAN THEN CALL HOLLY AND Me AT THE OFFICE TO UPDATE US.

PLEASE LET THE OFFICE KNOW when are leaving the park for any length of time. And notify the office when you return. This helps to keep our resident records up to date. Provide any up to date telephone numbers and update emergency contact information. Many times, the numbers are outdated in just a short time.

Please make sure to dispose of your cigarettes properly. I've been noticing a lot of cigarette litter in the park. Cigarette waste has an enormous effect on environmental and health issues - it is more than just litter. Cigarette filters are not biodegradable and will never disappear.

If your planter is overgrown and needs attention, or your house needs power washed, or your driveway and home need painting, the FSE office will send out a violation letter to inform you that this work needs to be done in a timely manner (please read the rules and regulations). Now please understand that some of these letters that go out do take a while for you to receive, so sometimes the work is completed before you receive the letter. If that's the case just call the office to let us know. Please be sure that the outside of your home is kept neat year-round. I am considering some other smaller companies that do residential weeding. Once I find some smaller companies I will keep a list in the office and list them in the next monthly. Alexanders will no longer be doing summer weeding. The number of residents that have signed up for this service has decreased every year and because they are a commercial company they can't handle doing small projects like this anymore.

You probably noticed that the rain we had recently helped take some of the green algae away in the East Canal. It looks much better. Once we get into the rainy season the condition of the canals will improve. The Board is getting closer to making a decision on choosing a company to come in to clean the canals and for Four Seasons canals to be on a monthly cleaning schedule.

IMPORTANT UPDATE: FOUR SEASONS WILL NOT BE DOING AN ENTIRE NEW WATER SYSTEM IN THE PARK! WE WILL BE FINISHING THE AREA OF THE PARK THAT DOES NOT HAVE WATER VALVES. WE WILL BE WAITING ON BIDS FROM OUR ENGINEER.

Continued on page 10

We appreciate your attention to the Pinellas County water restrictions in place. They are posted on the bulletin board in the clubhouse. **PLEASE NOTE THAT WATER IS VALUABLE - USE IT WISELY. A SHUT OFF NOZZLE OR ANOTHER WATER-EFFICIENT DEVICE MUST BE USED.** Water is our most valuable commodity – it is not free! If you do not have a copy of the current water restrictions the office will gladly make you a copy.

FSE Office hours are Monday-Friday 9-3PM. The office phone is 727-584-1413, Office Fax is 727-581-8505. Please be sure to see Holly if you need to update your emergency contact information or address/phone. Holly's email is hross@associagulfcoast.com. After hours, the clubhouse can be accessed with your key card through the side door. If your key card does not work please have Holly check it first before you dispose of it. If you lose your key card to the door it is \$5 for a replacement card. **Don't forget we have an after-hours emergency phone # that goes directly to Associa offices (727)-577-2200.**

Even if you are a full time resident and particularly as people come and go from the park, it's important to notify the office when you leave and return. Also, important to watch out for your neighbors' homes – be alert – and report issues to the police if you ever feel threatened, or scared.

A MESSAGE FROM OUR PARK CHAPLAIN

Chuck Truitt, #173, email: truittwc@aol.com, phone: 902-8094

What do your friends and neighbors, and those who are around you think about you? The Bible it says, *"Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle and put it under a bushel, but on a candlestick and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."* - Matthew 5:14-16

We need to make sure our faith isn't just "lip service," but is being seen in our daily living. There is an illustrating old story concerning this. The Wind and the Sun were debating which was the stronger. Suddenly they saw a traveler coming down the road, and the Sun said, "I see a way to decide our dispute. Whichever of us can cause that traveler to take off his cloak shall be regarded as the stronger, you go first." Then the Sun hid behind a cloud, and the Wind began to blow as hard as it could upon the traveler. But the harder he blew the more closely did the traveler wrap his cloak round him, till at last the Wind had to give up in despair. Then the Sun came out and shone in all his glory upon the traveler, who soon found it too hot to walk with his cloak on. The wind thought that through might and persuasion he could take off the traveler's coat, yet the harder he tried, the further he got from causing the traveler to shed his coat. When the sun's turn came he simply shone, peacefully giving off radiant waves of heat, and soon the traveler decided to take his coat off. It was nothing he did, but simply a result of what he was.

Is our lifestyle a light to people we come into contact with? Do those around us know of our faith; not just hear it, but also see it in our daily lives? Do our friends know how important God is to us? We should be sure our faith isn't simply coming from our lips, but that it is being shown through our life as well.

WHERE IN THE WORLD HAVE YOU BEEN?

If you have had an interesting trip or even a fun day trip in the area, let us know about it. Write a couple paragraphs and forward to newsletter editor at moosicldy@aol.com. Articles will be printed as space is available.

See Holly in the office to help you with this. Thanks for your cooperation.

THE STINGRAY SHUFFLE

The "stingray shuffle" is a step unique to the warm, shallow waters of the Gulf of Mexico. Stingrays migrate annually in large numbers to these waters, where they give birth and stay to feed. Stingrays cover themselves with a thin layer of sand, so people wading in shallow water are apt to step on them. When this happens, the stingray reacts by swiftly whipping its tail. The tail may strike a foot or ankle several times causing a sharp stab of pain. As a result, waders are encouraged to shuffle their feet in the surf, not put them down in normal walking fashion. If you are stung by a stingray, wash out the wound with salt water, then soak it in hot water for 30 to 60 minutes. If redness, puffiness, or tenderness continues for 24 hours, or if pain increases, consult a physician, these may be signs of infection.

On the travel board in the clubhouse I have placed multiple flyers in plastic sleeves. Sleeves are designated with the type of travel information they contain. The flyers inside have dates of cruises or overnight trips from now until late fall. If the date does not fit your schedule, you need more information, or you want to go to a place or on a trip not mentioned, contact me at my info above or call Advantage Cruises direct at 866-824-1613.

Have you thought about going to Panama using an all-inclusive resort? You have 3 nights in Panama City, 3 nights in Playa Bonita, and 3 nights in Chitre. Places visited are El Valle de Anton, Los Cabras, see colonial architecture of Panama City, the Panama Canal, and enjoy local customs and beautiful beaches. Airfare, lodging, tours as listed in the itinerary, and \$50.00 in Mayflower money are included in the price. Mayflower Tours escorts will meet you in Panama City and will accompany you on tours. Date: Feb. 7-16, 2019. Price Dbl. \$3449, Sgl. \$4398.

Over a year away is an 11 day tour to Southern Africa. August 28 - Sept.9, 2019. This is a great trip. The details are involved so it is best to contact the office for details. Price: Dbl. \$7866.pp, Sgl. \$9491.

Keep in mind that there are two NCL cruises, both out of Tampa that I am hosting. 14 day Panama Canal cruise on 11-4-2018 and 10 day Southern Caribbean on 1-17-2019.

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

IT'S HERE FOLKS! Tropical Storm Season June – November

Are you prepared JUST IN CASE.? Because we live in a mobile home community we will be required to evacuate in case of a hurricane. Where will you go? Do you have your medications at the ready with a supply of them in case you are gone for an extended length of time? What about food and water? Clothes? If you need help due to medical issues, there is a form that must be completed and returned to the Largo Fire Department before it's needed. You must be in their data base. Check with our FSE office for the necessary form now – copies are on the credenza in the clubhouse.

First thing - where would you go? Friends or family? Hotel? Shelter? These forms are located on the credenza in the clubhouse. Which hotel would you go too? How long will it take you to get ready to evacuate? Remember you have to also prepare the outside of your home. Bring in "flying" objects like outside chairs, tables, plants, decorations, BBQ grills, etc. How long will this take? Put your awnings down! Will you need help? Is there gas in your car? The gas pumps won't work if no power? Do you have cash available in case there is no power and you can't withdraw from an ATM? Most stores won't take a credit/debit card.

FOOD? What do you have in your evacuation kit? Put high protein non-perishable food items like tuna, chicken, spam, beans, peanut butter, spam, maybe some dry cereal cups, crackers. How about non-refrigerated milk. Can opener? Plastic ware? Paper plates, and napkins?

BEDDING? If you have to leave, do you need to bring bedding supplies with you? Your favorite blanket or pillow? What about bath towels and toiletries?

CLOTHING? What will you need for a couple of days? What about a week? Warm clothes in case of a chill? Rain gear? Footwear?

MEDICATIONS? Do you have your medications together? Do you have enough for a

FATHER'S DAY

THINGS YOU SHOULD NEVER PUT DOWN A GARBAGE DISPOSAL OR DRAIN

Submitted by Angela Shuman

Drains and garbage disposals are vulnerable home features. To make things easier on our drains and save on plumbing repairs, smart homeowners leave a few items for the trash. To ensure you're not calling a plumber anytime soon, do not put the following 10 items down your drain.

Cooking Oils & Grease

Despite using cooking oil with almost any meal, you should not put excess oil down your drain. It can thicken and clog your drain. The average cost to professionally unclog a drain is \$195. Furthermore, grease, such as that from meat, poultry, bacon, and gravy should never go down the drain. Like oils, it can clog and seriously ruin the pipes.

Coffee Grounds

According to multiple plumbers from across the country, coffee grounds are one of worst culprits of clogged drains. Similar to the above, coffee grounds attract grease, build up and then create a sludge-like texture. The result is a clogged drain that smells like old coffee. Instead of wasting them by throwing down the drain or in the trash, coffee grounds are perfect for composting.

Egg Shells

Another item perfect for composting is egg shells. While they seem fragile, the shells can actually stick to your drain. As you put other drain-safe items down your sink or garbage disposal, the shells attach themselves. Eventually, all this waste sticks together and forms a clog.

Pasta

Did you know the average person in North America eats about 15 ½ pounds of pasta per year? That's a lot of pasta. But, if you've ever cooked this staple, you know that it expands when exposed to water. Just like any other item we throw down the drain, we don't want it swelling to the point where it could cause a clog. Save your pasta for leftovers or throw them out in the trash.

Medicine

We all have those old medications somewhere in our medicine cabinet. Whether you no longer need it, or it's well past its expiration, do not throw any medications down the drain or toilet. Instead, drop it off at your nearest pharmacy so they can dispose of it with other medical waste. The chemicals can impact water quality near you.

Potato Peels

As you can see, any item that expands or glues itself to the drain can cause serious damage. Potato peels, when put down a drain, turn into glue. As time goes on, those peels turn into a starch that hardens and blocks your drain. This applies to garbage disposals as well.

Beans & Rice

Just like potato skins, both beans and rice can turn into a starchy, dense substance that typically clogs drains. A few strains of rice or beans will not harm your pipes, but anything more than a 1/4 cup should be disposed of in the garbage.

Fruit Pits

To freshen things up in the kitchen, many homeowners assume it's okay to place fruit pits down the drain or garbage disposal. However, fruit pits can easily crack, dent or break your disposal blades. In addition to fruit pits, don't put grape skins or avocado seeds down your drains.

Seafood Shells

Many Americans like seafood but most do not enjoy the smell that comes with leaving the shells in the garbage. Just like chicken bones, shells from oysters, clams, and lobsters will not make its way down the drain or garbage disposal. Even if they do make their way past the blades without ruining your disposal, they won't go all the way through the pipes and a blockage is sure to follow.

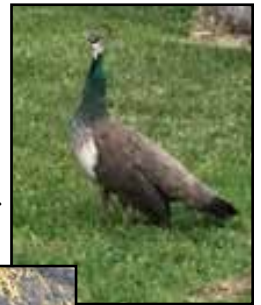

Paint

Whether you're using an oil-based paint or a water-based paint, do not throw the excess down the drain. It sticks and impedes other foods from getting through your pipes. Luckily, many cities have hazardous waste facilities that dispose of left over paint and paint cans.

Interesting suggestion: Freeze your food garbage/leftovers in a plastic baggie – then when it's trash pickup day, put it with your other garbage in a larger bag. Keeps the odor down and keeps the animals and birds from picking through trash at the curb.

PWP (POINTE WEST PEACOCK)

Have you seen the peacocks at our neighbor park? Early in May I saw three peacocks roaming through PW. Interesting! I had not heard anyone mention them – but lovely to watch. Wondering if they were looking for a place to nest! (editor)

AND THEN THERE IS OUR RESIDENT GATOR UNDER THE BRIDGE

Remember, it is against the law to feed wildlife.

VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

Thank you, veterans, for your service. If you have served in the military, we would like for you to join us and take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from Desiree or Holly in the office, to provide certain stats about your service and I will prepare them for the wall. You may also drop off your photos and info to Desiree or Holly. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who have served our Country or any of the allied Countries. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

SHED SALES & DONATIONS

MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

ALL RESIDENTS MUST PROVIDE A CONTAINER SO THAT YOUR MONTHLY NEWSLETTER DOESN'T BLOW AWAY. We cannot put the newsletter in the US Postal Box/Mail Box.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month. You can also view the newsletter online at www.monthly-media.com.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed and there may be changes as new people come on board. Back-up volunteers are always needed. Please let me know if you are interested and available to be a substitute when needed.
