FOUR SEASONS ESTATES ROC, INC.

Ed Shuman, President, Lot #144, email: edwardshuman@att.net, phone 586-246-4883

Hello everyone,

The season is winding down. People are headed home. Others are getting ready for what might be a wet, hot summer. We wait for everyone to come back and then they have to leave, too soon. We've had some great parties and dances. We have also seen some changes. Some of our friends are no longer with us for various reasons. We have also welcomed some new friends to our community. For the ROC BOD, we have some work to do over the summer. We will continue to keep the best interest of the park foremost in what we do.

For those of you who have yet to sign on to the TownSq, if you did not receive your invitation to join, please call or email the office to resend the invite. It is free. This is a tool we can use for many reasons. For the ROC, we can make available agendas, minutes, financials, and other information. The same can be done for the HOA and the SAC. Each entity can have their own area. You will also be able to put in a request to generate work orders. Unlike Nextdoor, we can have our own ad section that no one else can advertise on unless someone from here puts the ad on the site. We will still receive notices from Officer Tran and we can pass them on.

Everyone please stay safe and healthy. We hope to see you back next season. Best regards,
Ed

FOUR SEASONS HOMEOWNERS ASSOCIATION (HOA)

Janice Lamore, Treasurer, Lot #332, Phone 802-879-0501

Thanks to all the homeowners who attended our April meeting and have joined our association. It was another good turnout and we have gained many new members.

Thank you for supporting the efforts of your association. Please be assured that your Board will do its utmost for the betterment of our community.

Since that meeting, we have met with members of the ROC Board and commenced a good dialogue that is indicative of co-operation by both boards for the future of the park. We will continue to meet to discuss matters that concern all park residents.

At our April HOA meeting we had Holly Ross, who is a Master Gardener, Pinellas County, talk to us about plants, grass and trees and the beautification of our lots and park. Holly's talk was very well received. (Holly is also our Community Administrative Assistant working with Desiree at our Four Seasons Office.)

I am still collecting dues from homeowners for 2018; thanks to all those who have stopped by my coach #332 and paid their dues already.

PARK INFORMATION FROM THE OFFICE

Desiree Jenkins FSE Manager - Office phone: 727 584-1413, email: djenkins@associgulfcoast.com

We are now into our summer mowing schedule – once a week on Tuesdays.

If you need repair to your home, please remember to hire only licensed and insured contractors. If you have any questions, contact the FSE office. Please come to the office for a Construction Request, you only need a construction request for work you are doing to the outside of your home (mailbox, painting house, painting driveway, gardens, windows, roof, siding, concrete, pavers, carports, doors, handrails, awnings etc.). A construction request needs to be filled out and approved by our Construction Committee. You will also need to check with the City of Largo to see if your contractor will need to pull a permit. Most contractors know whether they need a permit or not. PLEASE make sure that the office receives a copy of the permit.

New coach #480 sold over the weekend for \$85,000. Four Seasons BOD is beyond thrilled that this happened right before the summer. Also, we have five empty lots - #162, 205, 366, 440 and 446. Lots #440 and #205 have houses that have been approved and the housing committee is ready to move forward with the permits for these homes. Nobility will be turning in all the paperwork for those two properties this week.

Please let Holly in the office know if you ARE NOT receiving VOLO messages so we can update our emergency list. All the emergency messages are sent by phone call, text messages and/or emails, so if your phone number has changed or your email has changed it is important to let us know.

PLEASE LET THE OFFICE KNOW IF are leaving the park for any length of time. And notify the office when you return. This helps to keep our resident records up to date. Provide any up to date telephone numbers and update emergency contact information. Many times, the numbers are outdated in just a short time.

Please make sure to dispose of your cigarettes properly. I've been noticing a lot of cigarette litter in the park. Cigarette waste has an enormous effect on environmental and health issues - it is more than just litter. Cigarette filters are not biodegradable and will never disappear.

If your planter is overgrown and needs attention, or your house needs power washed, or your driveway and home need painting, the FSE office will send out a violation letter to inform you that this work needs to be done in a timely manner (**please read the rules and regulations**). Now please understand that some of these letters that go out do take a while for you to receive, so sometimes the work is completed before you receive the letter. If that's the case just call the office to let them know. Please be sure that the outside of your home is kept neat year-round. I am considering some other smaller companies that do residential weeding. Once I find some smaller companies I will keep a list in the office and list them in the next monthly. Alexanders will no longer be doing summer weeding. The number of residents that

Continued on page 10

have signed up for this service has decreased every year and because they are a commercial company they can't handle doing small projects like this anymore.

You probably noticed that the rain we had in mid-April helped take some of the green Algae away in the East Canal. It looks much better. Once we get into the rainy season the condition of the canals will improve.

Please advise the office if any damage is done by the lawn crew on cutting days as soon as possible. We then can address this issue immediately and have an immediate response system in place.

IMPORTANT UPDATE: FOUR SEASONS WILL NOT BE DOING AN ENTIRE NEW WATER SYSTEM IN THE PARK! WE WILL BE FINISHING THE AREA OF THE PARK THAT DOES NOT HAVE WATER VALVES. WE WILL BE WAITING ON BIDS FROM OUR ENGINEER.

We appreciate your attention to the Pinellas County water restrictions in place. They are posted on the bulletin board in the clubhouse. PLEASE NOTE THAT WATER IS VALUABLE - USE IT WISELY. A SHUT OFF NOZZLE OR ANOTHER WATER-EFFICIENT DEVICE MUST BE USED. Water is our most valuable commodity – it is not free! If you do not have a copy of the water restrictions the office will gladly make you a copy.

FSE Office hours are Monday-Friday 9-3PM. The office phone is 727-584-1413, Office Fax is 727-581-8505. Please be sure to see Holly if you need to update your emergency contact information or address/phone. Holly's email is hross@associagulfcoast.com. After hours, the clubhouse can be accessed with your key card through the side door. If your key card does not work please have Holly check it first before you dispose of it. If you lose your key card to the door it is \$5 for a replacement card. **Don't forget we have an after-hours emergency phone # that goes directly to Associa offices (727)-577-2200.**

Even if you are a full time resident and particularly as people come and go from the park, it's important to notify the office when you leave and return. Also, important to watch out for your neighbors' homes – be alert – and report issues to the police if you ever feel threatened, or scared.

CLUBHOUSE & POOLSIDE TIKI HUT SCHEDULING

Tom Smith, #303, tom200486@yahoo.com, 585 737 3589

If you wish to schedule the clubhouse for a function or private party, please contact Tom Smith. Due to deadlines for the newsletter the request must be by the 14th of the previous month to be included on the next month's calendar. Updates after the 14th will only be posted on the calendar in the clubhouse. To complete the process for private parties, there is paperwork to fill out and a deposit is required. See Holly in the office to help you with this. Thanks for your cooperation.

HAVE YOU SEEN BOB AND HIS ELLIPTI-GO?

Bob and Koomok Conrad were snowbirds from Ottawa this winter, renting from the Truitts in the middle circle. You probably saw Koomok walking every day and Bob riding the Ellipti-Go. Invented by some California-based marathon runners to save their joints from abuse during training, the Ellipti-Go is not a recreational bike, but an exercise bike mainly for training. Having had two knee replacements, Bob cycles daily as a means of controlling diabetes and strengthening heart, core and legs. Bob is a Shriner clown and worked with the local Shriners and the Shriners Hospital while here in Florida. The Conrads expect to be back in Four Seasons next winter and the Ellipti-Go will come back too!

A MESSAGE FROM OUR PARK CHAPLAIN

Chuck Truitt, #173, email: truittwc@aol.com, phone: 902-8094

Measure Twice, Cut Once

I came across this old bit of advice from an old retired carpenter, "measure twice, cut once." And, though it is specifically meant for making the cut on wood when building things, it absolutely applies to in our everyday living as well. It is possible for a person's life to be ill measured. You see, the more consequential an action is, the more carefully it needs to be thought out. Because it is far better to be sure that you're right - deliberately, cautiously, and carefully - than to hastily and thoughtlessly act in ways that turn out to be wrong. Wise folks know it is never a waste of time to ensure accuracy.

When observing others we can see that some people's very lives have been "ill-measured," and we understand that by seeing where they are at now, and what they have to show for their lives "in the here and now." But, in regards to God and eternity, we can see that sometimes folks are scandalously careless.

In consideration of the ramifications, the casual way in which many have tossed aside "religion" is nearly incredible. The average person has rejected religion on the basis of hastily made assumptions from inadequate information, not a serious consideration of the genuine article. Many have never taken the time to try to investigate the stereotypes, caricatures, and prejudicial slogans that turn people against religion. Often, now a days folks don't even have the curiosity of the Athenian philosophers to hear the case for Christianity - Acts 17:16-21, 22-34. A lot of folks are more like some in ancient Athens who hurriedly mocked, although some wanted to hear more before making up their minds - v.32. Unfortunately, many have never truly "considered" the evidence. Psalms 8:3-5.

Measure twice before making the cut concerning the matter of religion in general.

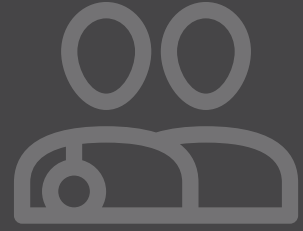

- Measure twice before making the cut concerning the matter of choosing a church. Dealing responsibly with the problem of modern religious division requires at least the inquisitive attitude of the Bereans - Acts 17:11

Measure twice before making the cut concerning the matter of living the kind of life a Christian should live.

So, keeping the rest of eternity in mind, measure twice before making the cut!

Desiree Leonard, Park Manager and Ed Shuman, ROC President

So many things need to be done before you close up your home for the summer. Probably the worse job is emptying the refrigerator! Some folks actually leave their refrigerators plugged in and full of food, just always be mindful that if the power goes off during the summer and items defrost and then refreeze, you should discard everything when you come back in the fall. Better be safe than sorry!

- The second most important thing to remember - Be sure to turn off your water.
- Store all outdoor furniture in your shed or porch – heavy summer winds can cause items to be blown around.
- Remove fake flowers from your planters – they only fade or blow away during hot & windy summer months.
- Take in and store your door mats and park mail pouch. Remove your flag and store away until you come back.
- Be sure to put a change of address/stop delivery with the US Post Office. And tape/tie your mailbox closed.
- If you have the newspaper delivered – be sure to call them and give a stop date.
- Store your garbage and recycle buckets in your shed.
- Make arrangements for your planter to be weeded and shrubs trimmed while you are away. Notify the office with the name and phone number of the person/company who will take care of the weeds.
- Give a trusted neighbor a house key and ask them to check on your place once a month. Always good to have someone watching over things while you are away.
- Be sure to lock your windows and doors – and shed door.
- Don't leave items like landscape lights or decorative items in your lawn. Difficult for the lawnmowers to mow around such items. Put your landscape lights in the planters – looks nice at night in the summer when folks are out on their evening walk.
- Check your awnings now (before you have to leave) and put new fixtures on them if necessary. Be sure to lower and secure them when you leave. We saw what happened when Hurricane Irma came through last fall. It's such an easy way to secure your home and hopefully prevent serious damage.

IT'S ALMOST HURRICANE SEASON

It's that time of year again! Hurricane season begins June 1 and it's not too soon to begin your preparations. If you are leaving the park for the summer, note the article on how to prepare your home for the summer. If you are a full-timer, start gathering your non-perishable food items, medications, and important papers. Decide now where you might go in an emergency: relatives, friends, or hotel? Purchase batteries for your lanterns and flashlights. Check with your neighbors – do they need help?

Living in a mobile home community means that we must evacuate if ordered. Those who have medical concerns should register with the Largo Fire Department. They will assist in the event of a mandatory evacuation. However, you must register now – pick up a form from the FSE office.

Watch for the June newsletter for additional information.

RCS Food Bank - We are grateful for your contributions of non-perishable food items. There are two large containers in the clubhouse by the front doors and the folks from RCS will come every few weeks to empty them.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

A STRANGER IN MY HOUSE

Submitted by Muriel Walsh

A very weird thing has happened. A strange old lady has moved into my house. I have no idea who she is, where she came from, or how she got in. I certainly did not invite her. All I know is that one day, she wasn't there, and the next day, she was.

She is a clever old lady, and manages to keep out of sight for the most part, but whenever I pass a mirror, I catch a glimpse of her. And whenever I look in the mirror to check my appearance, there she is, hogging the whole thing, completely obliterating my gorgeous face and body. This is very rude. I have tried screaming at her, but she just screams back.

If she insists on hanging around, the least she could do is offer to pay part of the rent, but no. Every once in a while, I find a dollar bill stuck in a coat pocket or some loose change under a sofa cushion, but it is not nearly enough.

I don't want to jump to conclusions, but I think she is stealing money from me. I go to the ATM and withdraw \$100, and a few days later, it's all gone. I certainly don't spend money that fast, so I can only conclude the old lady is pilfering from me.

You'd think she would spend some of that money to buy wrinkle cream. Lord knows she needs it. And money isn't the only thing I think she is stealing. Food seems to disappear at an alarming rate – especially the good stuff like ice cream, cookies and candy. I can't seem to keep that stuff in the house anymore. She must have a real sweet tooth, but she'd better watch it, because she is really packing on the pounds. I suspect she realizes this, and to make herself feel better, she is tampering with my scale to make me think I am putting on weight too.

For an old lady, she is quite childish. She likes to play games, like going into my closets when I'm not home and altering my clothes so they don't fit. And she messes with my files and papers so I can't find anything. This is particularly annoying since I am extremely neat and organized. She also fiddles with my VCR so it doesn't record what I have carefully and correctly programmed.

She has found other imaginative ways to annoy me. She gets into my mail, newspapers and magazines before I do, and blurs the print so I can't read it. And she has done something really sinister to the volume controls on my TV, radio and telephone. Now, all I hear are mumbles and whispers.

She has done other things – like make my stairs steeper, my vacuum cleaner heavier and all my knobs and faucets harder to turn. She even made my bed higher so that getting into and out of it is a real challenge. Lately, she has been fooling with my groceries before I put them away, applying glue to the lids, making it almost impossible for me to open the jars. Is this any way to repay my hospitality?

She has taken the fun out of shopping for clothes. When I try something on, she stands in front of the dressing room mirror and monopolizes it. She looks totally ridiculous in some of those outfits, plus, she keeps me from seeing how great they look of me.

Just when I thought she couldn't get any meaner, she proved me wrong. She came along when I went to get my picture taken for my driver's license, and just as the camera shutter clicked, she jumped in front of me! No one is going to believe that the picture of that old lady is me.

VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

Thank you, veterans, for your service. If you have served in the military, we would like for you to join us and take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from Desiree or Holly in the office, to provide certain stats about your service and I will prepare them for the wall. You may also drop off your photos and info to Desiree or Holly. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who have served our Country or any of the allied Countries. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

ALL RESIDENTS MUST PROVIDE A CONTAINER SO THAT YOUR MONTHLY NEWSLETTER DOESN'T BLOW AWAY. We cannot put the newsletter in the US Postal Box/Mail Box.

The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month. You can also view the newsletter online at www.monthly-media.com.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed and there may be changes as new people come on board. Back-up volunteers are always needed. Please let me know if you are interested and available to be a substitute when needed.
