FOUR SEASONS ESTATES ROC, INC

Dan Gregorio President, 727-584-8236 Lot #378, email: dmgreg@ao.com, Summer 716-741-392

Hi everyone,
SHUT OFF VALVES: On Wednesday the 29th of January we were able to identify approx 2/3rds of the valves and their related homes. On Wednesday, February 18th we tried to finish the job but the weather didn't cooperate. We are now scheduled for Wednesday, March 18th, and then all that will remain is for Tampa Bay Plumbers to get all this data into a user friendly format for our use when needed.

NEW HOMES PROJECT: Our Park is now a licensed dealer of mobile homes which will allow us to make direct purchases from the factories at significant cost savings to us and others in the future. We have at this time ordered 2 new homes for our Park which will come off the assembly line in Ocala in the middle of April and should be here in our Park 48 hours later. One of these homes is a private purchase through us and the other is the Park's home which will be installed on lot #482. Stay tuned.

REHAB PROJECT: We are now have only 4 units that need to be rehabbed. This is quite an accomplishment, since less than 2 years ago we had about 23 units that needed to be rehabbed. All the kudos goes to our maintenance supervisor Clay Breese. Thank you, Clay.

We have said this many times before, but I will say it again and again, if you are having someone coming to occupy your coach they need to be approved before hand and they need to check in at the office. It can be very embarrassing for you and the guest if they are denied occupancy after they have traveled many miles because we find they do not qualify. Please make sure that your renters understand that we are a 55+ community and a pet free Park. If you are uncertain what needs to be done, contact Desiree in the office. Finally, we should all understand that we are responsible for the people that we allow to rent or occupy our units, so make sure they are fully aware of the rules and regs. of our Park. When you are leaving the Park for an extended period of time (cruise, visit friends, etc.), please inform the office that you are going. There is a special form for this purpose or you can contact Desiree directly. Also, it would be a good idea to let the office know who has keys to your home. In case of an emergency we will contact that person and try to prevent further damage if possible.

Please also let Desiree know who is responsible for maintaining your flower bed/s. She will assist you in contacting Alexander's Landscaping if you wish to speak with our representative. They are doing a fine job caring for some of our residents' garden areas during the summer months for a very nominal cost. Our Park has never looked better; let's keep our Park looking beautiful all year long. Our full time residents certainly would appreciate your help in this matter. We have people looking at our Park to purchase or rent a coach, so the Park should be in "A1" shape at all times. Our after hours/weekend emergency phone contact number is 727-535-2424.

Recycling: The recycling program has progressed in a very positive way. We've completed our first full season. I would like to thank all our residents for your past cooperation and participation in this important endeavor to help preserve our environment and look forward to it continuing into the future. By this time we all know that plastic bags, Styrofoam or any other garbage should not be put into your blue recycle bin. But, if you wish to recycle these plastic bags and Styrofoam, you can do it at Publix where there are 3 bins in the front of the store.

Reminder: Improvements to the exterior of your coaches, including window replacements, painting and plantings outside of the planter boxes must be approved by the Park before work begins. Some renovations may require City of Largo permits. Failure to obtain Park approval or necessary permits may result in stop work orders and/or fines until project is in compliance.

Homeowners Association

Doc Wells, Parliamentarian, Lot #115

The Four Seasons Estates Homeowners Association has plans early in 2016 to host a get together for all residents. Watch the Four Seasons Forum (newsletter) for further information and updates.

Periodically we will be ‘Spotlighting’ one of our HOA board members. This month the spotlight is on John Jones, newly elected president of the HOA. John was born April 6, 1946 in Cincinnati, Ohio, graduated from Northeastern High School and was immediately employed by General Motors. Following the plant’s closing, John was hired by J&J Trucking Firm. Years went by and he became an owner/operator, working for Consolidated Freight Lines where he drove double and triple length trailers, covering over two million miles during his 20 years of driving. John thinks that Wyoming is one of the prettiest states in America.

John is the father of three children, seven grandchildren and two great-grandchildren. His hobbies include baseball, fishing and gardening. He moved to FSE in 2012 and resides at Lot #507 in the middle circle.

As HOA President, John’s goal is to continue to improve relationships with all residents of FSE as did his predecessor, Gary Skelding. With that in mind, our next HOA meeting will be on Wednesday, April 1 at 7PM. We look forward to seeing all current members and welcoming our new residents as well. Our meeting day and time will be changing in the fall – watch the calendar for that announcement.

Social Activities Club

Nora Skelding, President, Social Activities Club, #105, gn.skelding@hotmail.com

The agenda for the March meeting of SAC included a number of things that I would like to share with the overall community of Four Seasons.

First of all, we were successful in locating a new Treasurer to take the place of Diane Guckin. Beryle Patton has agreed to take on this role and was welcomed into the position on March 5th. She and Diane are working on the changeover of signing authorities etc and changing the recording format of our “books” to QuickBooks which is a program recommended by our accountant. Many thanks to Beryle for taking this position on, and also to Diane for her efforts over the last 3 years and for assisting in a smooth transition for Beryle!

We discussed the change of meeting time to see if we could attract more people to the Social Activities Club meetings. Rather than evenings as has been in the past, future meetings will be at 10AM in the clubhouse. We will be moving to the 3rd Thursday of the month, with the EXCEPTION of April. The meeting will be Thursday, April 2, 2015 at 10 a.m. This will hopefully catch more residents before everyone starts heading back up north.

We welcomed Chuck Truitt to the role of park chaplain this month as well. Chuck has taken on this position, with Ralph Parker's retirement this year. Many thanks to Ralph for his leadership as chaplain for the park these past few years. Chuck has commenced church services at the clubhouse on Sunday mornings at 9AM. Those wishing to attend are most welcome. Chuck and his wife Linda are also available to support residents in prayer during personal tragedies, sickness, family issues etc. Please don't hesitate to give them a call.

Gerri Howlett had scheduled workshops for March – SkyMed, healthy eating, dealing with Alzheimer's and dementia. A follow up on the events will be included in the May newsletter.

The "storage/space" project committee met once during this time to discuss options for future storage needs. As you know, SAC will no longer be able to store items in inventory coaches as the goal is to eliminate "inventory coaches" through the renovations and eventual sale. The Shed will only be holding items for sale. All boxes and items required for the flea market are being stored in one of the two pods in the maintenance yard, to allow for viewing and sale of inventory items throughout the year in the shed.

Alan & Roy Fullerton and Hazel Cyr painted the shed interior last month and will have it open for business by the time this newsletter is out. Many thanks to them, and Ed Shuman for volunteering to do this, on one of the warmest days in March, with NO circulation of air in the shed. They are also building shelves to better display linens and other items. More space will become available through the partitioned area in the maintenance yard that was created by SAC a few years ago. We are looking at how to make this more accessible so that the Boutique and Shed have easy access to additional storage areas required by both. More info to follow on this as the project progresses.

A calendar of events – "At a Glance" has been UPDATED and posted at the clubhouse for those interested in planning out the events they want to attend for the remainder of the season. If you require the clubhouse for a private function or public event, be sure to check on the availability with our Director, Bob Mendes.

A follow up article on the Canada Nite Dance on March 14th, "Music and Friends celebrate St. Paddy's Day" March 18th, and our Farewell Dance on March 29th will be included in the next newsletter. There are no more dance events planned for April.

NEXT MEETING:

The next SAC meeting is Thursday, April 2nd, 2015 at 10AM at the clubhouse. Please join in on the discussions. We provide opportunities for feedback from the general membership so tell us what you like or don't like, or what you think we should be looking into. Your input helps to provide us as board members with a broad perspective of the membership's views, particularly when a board vote is necessary. We look forward to seeing you and hearing your ideas!

OLD/WORN FLAGS

Place your old/worn flags in the bin (inside new cupboards at main entrance) in the clubhouse (American and Canadian). These will be collected throughout the year and used for the Flag Retirement Ceremony next November 2015. (The container has been moved from the Activity room to the main entrance.)

THE “CAN PARTY”

For the last 20 years, Pete Hanson has hosted a “can party” to thank all those who donated aluminum cans to help various causes in the community. In appreciation, he has held a party with food and entertainment to express his thanks for the wonderful participation.

This year not only marks 20 years of hosting, but this also will be Pete’s last event.

He celebrated his 20th year of collecting cans, and his 97th birthday and was joined by several friends in the park. Pictured here are Pete, his daughter Pat and her husband Bob, and Pete’s grandson and good friend, Sharyl Mann. Thank you to Pete and his family for a wonderful party!!

Computer Club

Bob Mendes# 124, bmendes@comcast.net, 727-437-2340 or 781-326-7685 (both #s work all year)

The members of the computer club have determined that the meeting and teaching services it has provided for more than a decade are no longer needed. At the time of its formation, personal computing was in its infancy and many of our residents (as well as those of other area parks) were in need of instruction and problem solving. That is no longer the case, as most of our newer residents are very computer literate.

Therefore, the club will cease to function as a group but will continue to provide security-enabled wireless internet in the clubhouse. The name of the network is "ccnet2.4"; please see Desiree for the password. There is no charge for park residents. We will also continue to support the club house computer.

Everyone around the world is experiencing more and more security problems, be they stolen passwords or infection with the incredible number of new viruses which seem to crop up nearly every day. Word to the wise -- be careful out there!

We've had a wonderfully fulfilling run. Thanks to all who participated over the years.

Arts and Crafts

Cathy Mendes, # 124, cathymen@comcast.net, 727-437-2340

Extremely happy to report we are now back in full swing!

We have been extreeeeemely busy during February and March, working to get our inventory of goodies built up and available for purchase prior to everyone leaving for the summer. Come see us on Monday mornings or after Koffee on Wednesdays.

If you are interested in joining our group, we'd love to have you. We'll be happy to help you learn new skills or brush up on old ones.

Thank you for supporting us all last season and our abbreviated current season. Remember, all proceeds from the sale of our items go directly to the Social Activities Club to support other projects.

New England Club

Bob Mendes #124, bmendes@comcast.net, 727-437-2340 or 781-326-7685 (both #s work all year)

The club meets every month throughout the season on the 2nd Sunday of each month from November through March. Although most of our members are from one of the New England states, we also have many members from other northeastern states and Canada.

Cathy and I appreciate all the good wishes during our absence. Once again, our sincere thanks to Lorraine, Nancy, Joe and Jackie for keeping everything rolling in our absence.

We look forward to a normal season next fall. Please have a safe trip north for the summer and we'll see you in November – first scheduled meeting will be Sunday, November 15th.

Welcome Lady

Angie Simon, Lot 103 telephone 330-612-5822

Hi! This is your Welcome Lady, Angie Simon, reminding all new residents that even if you do not want to have an interview with me, I would like to have information such as your birthday(s) and anniversary, if applicable, so this can be passed along to the newsletter editor. We would like to announce birthdays, anniversaries, and special occasions at the Koffee Klatch meetings now that all of you are part of our Four Seasons family. I hope to hear from you soon! Just give me a call. Thanks!

Everyone, let's give a real warm "welcome" and a "congratulations" to our newest Four

Seasons resident, Kathryn Adams, who married Al Adams (coach #121) on Valentine's Day! Kathryn is from Camden, N.J. but has lived in Maine, Alaska, Montana, and one year in North Port, Florida with her daughter. Kathryn was a widow for five and one half years until she met and married her wonderful husband, Al. She loves the outdoors, the beaches, boating and fishing, and she plans to do a lot more boating and fishing with Al! They are full-time residents here in our lovely Park. Kathryn has five children and eleven grandchildren. Her birthday is March 18th, and her phone no. is (727)-584-5242. Give her a big Four Seasons welcome, we are so happy she is here and she is, too!

SPECIAL NOTICE TO ALL RESIDENTS

Please look for 2 special forms in this April newsletter. These are to be used by all residents to notify the office when you leave and/or return to the park. PLEASE fill them out when you are leaving for an extended period of time. PLEASE fill out the return form & mail it or hand-deliver it to the office to let Desiree know when you have returned. You may also email your information to Desiree at dleonard@associagulfcoast.com. There are times when it is necessary for the office to know this to help keep your home secure while you are away. Thanks for your cooperation.

NEWCOMERS MIXER

27 attendees enjoyed meeting other Newbies for a "meet & greet" activity. Lorraine Meinert & her team provided a wonderful luncheon, which also allowed for more mingling. Joan Propp helped acquire & provide many freebies & handouts gleaned from local venues. The event, coordinated by Mandi Harman-Ashley, wound down with a map activity focusing on making newcomers aware of places of interest around the immediate area. We are hoping that this year's new residents will host this event for newcomers arriving from January 2015 - January 2016.

SUNSHINE REPORT

Angela Shuman, #144, red5hot0moma@hotmail.com

If you have updates on our residents, please stop by Lot 144. I have a basket on the 2nd set of steps that you can put notes in, you may also call me at 727-200-3240 or you can email me at red5hot0moma@hotmail.com but stop by or call me since sometimes e-mail will end up in "junk" and I won't receive it.

Pool Etiquette

Spring has Sprung – Yeah!!! Join us in the lovely Four Seasons pool. Please observe these important rules for everyone's protection and enjoyment.

1. If you are the last one out of the pool, always be certain that the rope is secured across the pool. Please ask your guests to be aware of the importance of this as well.
2. If you are a smoker and use the 'butt' buckets – please clean them out once in a while. Make sure the 'butts' are completely out before you put them in the trash can.

3. The life preserver is for emergencies only – it is not a toy – do not let children play with it in the pool.
4. Observe special times for your young visitors. Children under the age of 16 may use the pool between the hours of 10AM - 1PM and 5PM till dusk, and should be accompanied and controlled at the pool by their host/s or a designated adult.
5. Straighten the chairs and tables whenever you move them around – don't leave them for someone else to rearrange.
6. If you put an umbrella up – make sure you put it down and tie it when you leave the pool. Winds can blow up quickly - we wouldn't want anyone to be injured by a flying umbrella.
7. The green wrist bands serve to identify residents and guests – it's important for everyone's security to know who belongs here and who doesn't. PLEASE WEAR THEM.
8. Be sure to dispose of trash properly – there is a special covered can to recycle aluminum cans – do not put household/personal trash in the trash can – NO GLASS ALLOWED IN THE POOL AREA (this is for everyone's safety).

Treat the pool as if it was your own – actually it is!!

4 Seasons Social Activities Club Face Book Page

Mandi Harman-Ashley, #373

We have been discovered!!! 132 people have "liked" our page & our viewing has dramatically increased with postings of videos & photos of park happenings. We have posted timely happenings with photos of the 50th Anniversary & Pete's Can Party & birthday this month.

This page acts like the "phone tree" of old but you have to "Like" our page. To "Like" our page & see what is happening: Go to your FaceBook page...Type 4 Seasons Social Activities Club in the white search bar at the top. When you are on that FB page, look under the banner picture (currently beach chairs). Find the box marked "like"..., when you click on it there should be a drop down box with choices.
