## FOUR SEASONS ESTATES ROC, INC.

*Ed Shuman, President, Lot #144, email: e.c.dreamer@live.com, phone 586-246-4883*

---

**H**i everyone. Another month is gone but this winter has been exceptional. That's why we're here, right? We have another successful Flea Market under our belts. Good times with old and new friends. Some of us will be headed home to other friends and family. I wish you all safe travels wherever you go in the next few months.

Unfortunately, an previous problem has come up again. The ROC mailed the Second Notice of the Annual Meeting and Election to all shareholders in early March. After these were delivered someone in Four Seasons told us that their neighbor had already returned home. The problem is the neighbor did not tell the office he was leaving. His ballot was delivered to his last known residence, in Four Seasons. Mail gets delayed, sometimes by several weeks. This isn't important just for the shareholders. It's imperative that everyone check in and out with the office. Not on a daily basis, of course, but if you will be gone for any length of time, and also let Desiree know when you return. If we have any emergency here in the park, we need to know who we have to look for or check on. We are not being nosey, just being a caring community.

A reminder for all shareholders: you should have the original Certificate for your Share in your possession. If the office has a copy on file, remember, it's a copy. The original is needed when selling, adding or deleting someone from the share. Also remember if a name is on the share, that person has to be involved with any transaction concerning that share. If a home is sold, everyone on the title must agree with the sale and sign off. Just because you are on the share does not mean you are on the title and vice versa.

Another important item: when a home is sold the seller should leave the Prospectus for the new owner. Don't hesitate to contact me or our office staff if you have any questions.

Please be safe and healthy. Best regards, Ed

retirement communities in Pinellas County. The award is a true testament to the positive joint efforts with the HOA, ROC and its management staff members. Thanks to ALL involved and for all your hard work!

This will be my quick and easy introduction - I am Dane Carpenter, the newly elected HOA President. For those who I haven't met, I welcome you to attend our meetings and to contact me at any time as necessary. As your President, I am committed to serve you and our HOA community to the best of my ability. I will make myself available to you and your needs, comments, or concerns. As you know, we are working together with a dedicated board of directors within the ROC. Together we will work to make our community better for all.

I have a recap of the meeting held between the executive boards that met last month. The information below is cut to the bone. I wish to share the most important facts that will affect you as individuals and everyone as a community.

Topic: Water. We met to address the long-term goals of our park and to discuss priorities. As everyone is aware our water line running throughout the park needs to be upgraded. The ROC has employed an engineer firm to investigate the situation and upon completion of the study, the engineer will make a recommendation to the ROC to assist on the best direction in which to embark. This is not going to be an easy or an inexpensive undertaking. This task may need to be accomplished over a period of time. It may need to be phased out over a few years due to the cost associated with the repairs and or replacement. You may not know just how important this project is to the community. You may only know how disruptive it is when the water is shut off. Believe it or not, the water consumption is one of the driving factors in determining annual rent increases. The average yearly budget is nearly \$180K. We cannot be certain that underground water line leaks, dripping faucets or running toilets drive this budget, but we can be certain we all need to be aware and to be vigilant in all repairs and help reduce this consumption. I also want all HOA members to know that the ROC has been aware and has been planning for this event. The current ROC and its predecessors all realized the importance for this work. Over the years, the ROC has allocated funds for the underground water line upgrades and replacement as needed.

In closing I wish to say hello to all my neighbors, members of the ROC and our management staff. We hope we can continue to make "Four Seasons" the best community within Pinellas County. God bless all, Dane Carpenter

*Chuck Truitt, #173, email: [truittwc@aol.com](mailto:truittwc@aol.com), phone: 902-8094*

**C**an you find thirty (30) books of the Bible in this paragraph? Actually, there are 31 if you can find the variant of one Old Testament prophet's name.

This is a most remarkable puzzle. It was found by a gentleman in an airplane seat pocket, on a flight from Los Angeles to Honolulu, keeping him occupied for hours. He enjoyed it so much, he passed it on to some friends. One friend from Illinois worked on this while fishing from his john boat. Another friend studied it while playing his banjo. Elaine Taylor, a columnist friend, was so intrigued by it she mentioned it in her weekly newspaper column. Another friend judges the job of solving this puzzle so involving, she brews a cup of tea to help her nerves. There will be some names that are really easy to spot. That's a fact. Some people, however, will soon find themselves in a jam, especially since the book names are not necessarily capitalized. Truthfully, from answers we get, we are forced to admit it usually takes a minister or a scholar to see some of them at the worst. Research has shown that something in our genes is responsible for the difficulty we have in seeing the books in this paragraph. During a recent fund raising event, which featured this puzzle, the Alpha Delta Phi lemonade booth set a new record. The local paper, The Chronicle, surveyed over 200 patrons who reported that this puzzle was one of the most difficult they had ever seen. As Daniel Humana humbly puts it, "The books are all right here in plain view hidden from sight." Those able to find all of them will hear great lamentations from those who have to be shown. One revelation that may help is that books like Timothy and Samuel may occur without their numbers. Also, keep in mind, that punctuation and spaces in the middle are normal. A chipper attitude will help you compete really well against those who claim to know the answers. Remember, there is no need for a mad exodus; there really are 30 books of the Bible lurking somewhere in this paragraph waiting to be found. God Bless.

## MUSIC AND FRIENDS

Art Payne, #429, Katherine Connors, #348

As our short season of "Music N Friends" comes to a close on April 5th, I have so many people to thank. First and foremost, my wife Doris, for her continuing support. My Co-Chair Katherine Connors, (RTG), our Core group consisting of Four Seasons/Pointe West, Floor

Participants, and you the people who were so attentive and kind. And to Gerri H. and Donna R. and their support group for getting "M n F" flyers out - a gracious thank you.

Putting together a monthly show that pleases all sometimes can be a challenge, but I believe with everyone's support and constructive criticism, we will try again next season. A very beautiful summer and successful season again next year.

Bring a non - perishable food item for the RCS Food Bank – that's your price for admission. Thank you for being so generous. Let's make music with our friends one more time.

## HONOR FLIGHT OF WEST CENTRAL FLORIDA

[Honorflightwcf.org](http://Honorflightwcf.org)

Honor Flight of West Central Florida recognizes American veterans for their sacrifices and achievements by flying them to Washington, DC to see their memorials at no cost. Over the past few years, many of our veteran residents have participated in this wonderful program.

In October 2015 the late Chuck Fosdick was one of the veterans to visit Washington DC on the Honor Flight and he and his granddaughter Angela are now on the cover of the newly published brochure. Angela was Chuck's guardian on the flight. The photo was taken in front of the WWII memorial. Thanks to Joyce for sharing this with us.

If you are a veteran and would like more information, go to [honorflightwcf.org](http://honorflightwcf.org). Click on Apply for a Flight if you would like to go as a veteran or a guardian. If you don't have a computer, Marilyn Franz in #411 can be of help.

## JIM'S JOKE OF THE WEEK

---

Here is a good one! A teacher asked her students what religious objects they have in their homes. One boy answers, "We have a picture of a woman with a halo, holding a baby, and every day my mother blesses herself in front of it." The next boy says, "We have a brass statue of a man seated with crossed legs and a Chinese face, and every day my parents burn an incense stick before it." The third boy pipes up and says, "In the bathroom we have a flat, square box with numbers on it. My mother stands on it first thing in the morning and screams: OH MY GOD!!!"

Our Koffee Klatch MCs always tell a joke! If you have a joke or funny story, please pass it on to Jim P. or Betty G.

## WHERE IN THE WORLD HAVE YOU BEEN?

---

If you would like to submit a story about your recent travels or a day trip that you've enjoyed in the area, please send a paragraph or two to Marilyn Franz at [moosicldy@aol.com](mailto:moosicldy@aol.com).

## FOUR SEASONS COOKBOOKS AVAILABLE

Jackie Gregorio, #378, 584-8236

---

It's actually been 10 years since this cookbook was published, but the recipes are wonderful! Many former and current residents contributed their favorite recipe to the book – appetizers, salads, veggies, main entrees, and desserts. Copies are still available at \$5.00.

## SOCIAL ACTIVITIES CLUB

Tom Ritchie, President

---

Thanks to all our residents and friends who supported our activities this winter. We had wonderful entertainment, dances, dinners, music, pool parties, flea market and so many other occasions to be together and have fun.

Our 2017-18 Social Activities Club (SAC) Board was installed in March. Thanks to all for your good work and dedication to our community.

## ARTS AND CRAFTS

Cathy Mendes, # 124, [cathymen@comcast.net](mailto:cathymen@comcast.net), 727 437 2340

---

If you are interested in joining our group, we'd love to have you. We'll be happy to help you learn new skills or brush up on old ones, or contribute your skills that might be new to us. Come see us every Monday at 10.

Our season will end April 10. Until then we will be devoted to making things for sale as the season winds down.

Our newest items will be refrigerator magnets repurposed from large buttons with stones or broaches, etc. If anyone has anything to donate, we'll be happy to take them for conversion.

Thank you for supporting us through all our past seasons. Remember, all proceeds from the sale of our items go directly to the Social Activities Club to support other projects.

## NEW ENGLAND CLUB

Bob Mendes, # 124, [bmendes@comcast.net](mailto:bmendes@comcast.net), 727 437 2340 or 781 326 7685

---

The club meets throughout the season on the 2nd Sunday of the month. Although most of our members are from one of the New England States, we also have many members from other northeastern states and Canada.

March 9 was our annual trek to the Early Bird Dinner Theater for "Ain't Retirement Grand", a musical comedy.

That will conclude our activities for the 2016-17 season. We look forward to seeing everyone for the Christmas party next December. Watch for details in the December newsletter.

Please have a safe and enjoyable trip up north this month, and again when you return in the fall.

## RELIGIOUS COMMUNITY SERVICES (RCS) FOOD BANK

For the past several months we have collected non-perishable food items for the RCS Food Bank in Clearwater. Thank you all for being so generous.

There are two (2) very large containers in the clubhouse – they may not be very attractive, but they serve a special purpose. **PLEASE DO NOT PUT TRASH OR COFFEE CUPS IN THESE SPECIALLY MARKED CONTAINERS. THEY ARE FOR FOOD ITEMS ONLY!** The folks from RCS have been coming every few weeks to empty the containers.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## VETERANS WALL OF HONOR

Dan Gregorio, #378, 584-8236

**T**hank you, veterans, for your service. If you have served in the military, we would like for you to take your place on the Wall of Honor in our clubhouse. We would like to have a picture of you in uniform and a current picture. Pick up an info sheet from me or Desiree in the office, to provide certain stats and I will prepare them for the wall. You may also drop off your photos and info to Desiree or me. You'll notice that a small dove is placed on the photo of those park veterans who are deceased. We are very proud of each of our residents who served our

Country. And we are very proud of our Wall of Honor – it is a beautiful tribute to all of our Park veterans.

## AND NOW THE REST OF THE STORY

**M**any of you commented on our Heroine story in last month's newsletter. Harold told me the rest of the story – he was the newspaper delivery boy way back in 1939 delivering the paper to Renie and her family with the original article. AND he is the Monthly-Media delivery person for his neighborhood in FSE and delivered the newsletter last month with the Heroine article to his neighbors – 78 years later. The editor.

## SHED SALES & PICK UP

Terry Helopoulos, #372, phone: 954-895-9056

**W**e have finished cleaning, painting, and re-organizing things, so the shed will be open for sales beginning on April 6 following Koffee Klatch.

Our inventory is very low, of course, so we are always looking for new merchandise to sell. If you have any donations, you may bring them to the shed and put them outside the door (if the weather is nice), or you can put things in the Clubhouse by the back door near the pool table (not on the pool table).

If you have good saleable furniture and know of someone who can transport it to the PODS in the maintenance area. That would help to ease the burden of finding extra volunteers to do pick-ups. Just call me so we can work things out.

I want to thank all of the Four Seasons residents for their past donations which helped make the Annual Flea Market such a wonderful success. Terry Helopoulos, SAC Assets Committee Chair

## HERE WE GROW AGAIN!

I am a licensed agent and our Park Agent of Record. I have completed the necessary courses and became licensed through the State of Florida as a sales representative under the Four Seasons Estates Dealership License to sell Four Seasons inventory homes ONLY.

It is a pleasure for me to be working with the ROC Board, FSE Management and our newest homeowners. Please contact me at the phone number above or email me if you have any questions about our New Home Program.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

# MONTHLY MEDIA NEWSLETTER DISTRIBUTION

Mandi Harman-Ashley, #373, 255-2437

**A**LL RESIDENTS MUST PROVIDE A CONTAINER SO THAT YOUR MONTHLY NEWSLETTER DOESN'T BLOW AWAY. We cannot put the newsletter in the US Postal Box/Mail Box. The publisher delivers only enough newsletters for our park – one per coach. We generally don't have any extras and many are blown away or get wet unless there is a park mail pouch. If you don't get a newsletter delivered to your door, please pick one up in the clubhouse on the credenza by the office, after the 1st of the month.

These are our current Four Seasons Forum delivery people. Sometimes your delivery person will be moved to fill another route as needed. Don't call them until after the 1st of the month if you haven't gotten your booklet.

THANKS TO ALL OUR WINTER VOLUNTEERS! There may be changes as new people come on board. Back-up volunteers are always needed. Please let me know if you are interested!

## Exploring the mysteries of an ancient codex

**B**ritish and Dutch scientists have used high-tech imaging to uncover the secrets of an ancient Mexican manuscript, the eScience News website reports. The manuscript, known as the Codex Seiden, is a strip of deer hide five meters long that's been covered with gesso (a white plaster composed of gypsum and chalk) and folded according to style to make a document 20 pages long.

It dates back to approximately 1560, and was found in what's now known as the Oaxaca region of Mexico. Like other codices from that area and others, the Codex Seiden uses brightly-colored symbols to record history: wars, genealogy, and cultural information.

One intriguing discovery: The high-tech imaging found the image of an individual represented by a glyph of a twisted cord and a flint knife. The man or woman resembles a character found in other codices, and may be an important ancestor of two families connected to other archeological sites in Mexico.

## Collision course

**A** huge space cloud is on a collision course with our galaxy, but don't panic—it's not expected to reach us for another 30 million years. According to NASA's Science Mission Directorate website, Smith's cloud, as it's known, is composed of enough gas to create two million stars the size of our size, and is orbiting the Milky Way at 700,000 mph.

The collision won't have much impact for anyone still around, as the cloud is much smaller than our galaxy, but scientists are watching it closely anyway, seeking explanations for its origin as well as other secrets of the universe.

## Big dinosaurs, big eggs, and hatching times

**H**ow long did dinosaur eggs take to hatch? Paleontologists know very little about dinosaur embryology, but with CT scanners and high-resolution microscopy, they're finding out more.

The SciNews website reports on a recent find: Non-avian dinosaurs likely took longer to hatch than their feathered counterparts, much as modern reptiles hatch at a later age than today's birds. Scientists looked at the fossilized remains of two dinosaur embryos, looking at the formation of their teeth. Analyzing growth lines, they were able to determine that one dinosaur had died at three months, and the other at six months.

The difference in hatching times may have had an impact on the large dinosaurs' eventual demise. Because they require more food and other resources to live to adult size, larger reptiles were likely more vulnerable than smaller animals (amphibians, birds, and other mammals) to an extinction event.
